## AGAIN WE BRING OUT OUR SCREAMER!

### ANDOVER WINS

#### An Exciting Tournament.

Exeter defeated by two points.

ANDOVER, 46.  
EXETER, 44.

#### TWO SCHOOL RECORDS BROKEN.

Some Very Close Events and Good Records.

A victory in athletics of any kind is always an enjoyable affair, but when it comes to us as unexpectedly as that of yesterday it is especially acceptable. Everyone felt on going to the Tournament that Exeter would undoubtedly gain the victory, since they had made remarkably good records in almost every one of the events on the programme, but our athletes

by dint of great pluck and perseverance brought old Phillips out ahead once more.

Despite the fact that a chill wind was blowing and the sky threatened rain, a large number of the friends of old P.A. turned out, among whom, of course, many ladies appeared, and the grand stand presented a very pretty appearance when the games commenced.

Several first places which were counted upon as sure, were lost, but several others were unexpectedly won. Our boys fought a plucky fight throughout, and deserve the hearty praise of the entire school for their faithful training and magnificent work. A detailed account of the various events is given below:

#### 100 YARDS DASH.

##### Records.

P. E. A. 10 1-5 sec. McPherran '87.  
P. A. A. 10 1-4 sec. Germer, '88.

##### Entries.

P. E. A.	P. A. A.
1. Phelan,	3. Quarrier,
2. Sayre,	4. Woodruff.

The men took their places with Quarrier outside, Sayre next, then Woodruff, and Phelan inside. The latter, however, made three false starts and was disqualified. At the report

of the pistol Woodruff sprang ahead followed by Quarrier and Sayre. The latter soon crept upon Quarrier but was unable to overtake Woodruff who won in 11 seconds. Points, Andover 6; Exeter 3.

#### HALF MILE RUN.

##### Records.

P. E. A. 2 min. 11 2-5, Arnold '92.  
P. A. A. 2 min. 15 2-5, Davis '93.

##### Entries.

5. Arnold '92,	9. Davis '93,
7. Cheyney '92,	8. Young '92.

Young took the lead at the start but was soon passed by Davis who gained a splendid lead. Arnold began to gain on the last lap but could not overcome Davis' lead who covered himself with glory by making the distance in 2 minutes and 9 seconds, breaking both school records. Arnold came in a few feet behind him taking second place and Young was third. Points, Andover 12; Exeter 6.

#### RUNNING HIGH JUMP.

##### Records.

P. E. A. 5 ft. 8 1-2 in. Dobson '93  
P. A. A. 5 ft. 7 1-2 in. Sheldon '92.

##### Entries.

12. Dobson '93,	13. Sheldon '92,
2. Sayre '93.	

The jumping was not so good as was expected but we have no reason to

complain, as we again took first place. The bar was started at 4 ft. 11 3-4 in. and was gradually raised until 5 ft. 5 3-4 in. was reached. After three trials each, every one failed to clear it and three more were given. At last Sheldon succeeded in jumping over the stick, while Exeter's representatives failed to do so. Sheldon did not try for a record as he wished to save himself for some of the coming events. Dobson and Sayre were tied for second place. Points, Andover 17; Exeter 10.

#### PUTTING THE SHOT.

##### Records.

P. E. A. 34 ft. 1-2 in.  
P. A. A. 34 ft. 1-2 in.

##### Entries.

P. E. A.	P. A. A.
14. Booth '92.	16. Hopkins '94.
15. Coyne '94,	17. Ogilvie '91.
2. Sayre '93,	13. Sheldon '92.

As was expected Exeter was able to win both first and second places in this event. Each man put the shot three times and then the three best, Booth, Coyne and Sayre had three more trials. Sayre won first with a record of 32 ft. 4 1-2 in., Coyne second with 31 ft. 5 1-2 in., and Booth third. According to agreement Hopkins was

Once more Andover has covered herself with glory upon the athletic field. As news came to us from time to time that our opponents were making good records while training, our prospects of victory became less bright until it was generally felt that we had poor chances of coming out ahead. But every P. A. man showed a determination to do his best to down his rivals if possible, and our hopes began to rise when Woodruff unexpectedly, to us, won the first event. The contest was close and exciting from the beginning to the end, mishaps on one side counter-balanced mishaps on the other, and in this way both sides were kept in suspense until next to the last event, which assured a victory for us.

Every student cannot help feeling satisfied that the money put into the running track was a profitable investment, for if it were not for the excellent opportunities it furnished for training our men, such good work would not have been accomplished. We feel that the school is indebted to Mr. Pettee, whose interest in the men preparing for the meeting has not flagged from the very beginning. It is impossible to over-estimate his worth as a leader in our athletic work in all respects; secondly, to the men themselves, who have been faithful in the performance of all tasks allotted to them, and have undertaken them in such a steady, persistent manner as to convince us that defeat would come only because of superior material; thirdly, to Woodruff, who, in the position of captain, has kept the fellows at their work by being first in the practice of all methods used for the benefit of all who trained, and lastly, to the officers of the Athletic Association who have been untiring in their efforts to make the tournament successful in every particular.

The officials of the meeting were as follows:

#### JUDGES.

J. G. LATHROP, G. S. MANDELL,  
W. L. PHELPS.

#### TIME-KEEPERS.

A. D. FISKE, H. U. '86 J. G. LATHROP.

Woodruff took a magnificent lead at the pistol-shot with Phelan and Sheldon close after him. After the first 100 yards had been run Sayre began to creep up and soon left Sheldon behind him, and finally succeeded in passing Phelan and took 2d place. Woodruff's time was 24 2-5 sec. breaking our record. Points, Andover, 23, Exeter 22.

## THE '91 NINE!

During the Easter vacation I made up a "team" for business purposes, which I am sure the students will admire and with which I am confident I can defeat "all comers." It is an "all star" aggregation that will win the pennant of popular approval and one that smiles at the efforts of even "leading" competitors. Come in at once and see my line of nobby spring woolens for suitings, trouserings, and overcoatings; my spring neckwear and the latest Earl & Wilson collars and cuffs.

of Exeter came shortly after him and Osborne brought up the rear. Dodge was ahead at the end of the first quarter his time being 1 min., 13 sec. The time for the half mile was 2 min., 33 sec., and for the third quarter 3 min., 54 sec. Holbrook was leading at the beginning of the last lap, with Dodge still keeping close behind and Osborne third. The finish was very close and exciting, as Dodge succeeded in getting ahead and won by a few inches. Holbrook and Osborne gained us four points by taking second and third places respectively. Points, Andover 27, Exeter 27.

Arnold was the first man to retire, after several trials, at 7 ft. 3 in. Sheldon easily surpassed all his competitors and won by clearing 8 ft. 1-2 in. Willets and Brown were tied for second place, but this was afterwards vaulted off and Willets secured second place. Points, Andover 35, Exeter 28.

18 Reed, '93. 4 Woodruff, '92.

Allen was set back a yard at the start for stepping over, and Reed disqualified for doing so three times. Woodruff and Dobson got good starts

and both cleared the first hurdle together. But Woodruff had the misfortune to trip over the next one and fell, giving his opponent a long lead. he gained magnificently, however, and came in only a short distance behind Dobson, who took first place, while Woodruff and Allen received second and third. Points, Andover 39, Exeter 33.

5. Reed '93, 9. Davis '93.

This event was one of the most exciting of the afternoon. All the men but Davis were put back for stepping over the line and Reed was at last disqualified for the same cause. Lapham's start gave him a good lead and Montgomery was not far behind. But for the first half of the course Lapham ran away from all the other contestants. Montgomery began gaining and made a plucky but unsuccessful attempt to get ahead of Lapham. The latter's time was 56 1-5 sec. Montgomery was second and Davis was third. Exeter brought along her horns but she didn't use them much.

Too bad our fellows couldn't have their uniforms, still they got there all the same, and Exeter's fine crimson ribbons were not in it.

46 to 44—a rather narrow margin to be sure, but we don't complain.

Phelan was, as the Exeter men boasted, "out of sight" in the 220-yards dash, but not in the way they meant.

Exeter thought she had several of those events that we won.

Exeter's men were always in a hurry to start, but we were usually on deck at the finish.
