## Tennis Tournament.

On Wednesday the annual tennis tournament with Exeter took place on our courts and resulted in victory for Andover in both singles and doubles. Crapo '94 represented Exeter in the singles, and Read '94 and Fox '94 in the doubles. Our representatives were Parker '97 in the singles and Prentiss '94 and Parker '97 in the doubles. The weather, although a little cool, was almost perfect for tennis and the court was in excellent condition. The absence of the young ladies of Abbot Academy was much regretted by all.

Soon after 2 o'clock Crapo and Parker began their struggle. Parker won the first set easily and made a number of difficult returns. Crapo often failed to return within the lines and succeeded in winning only one game. Score, 6-1. In the next set Parker won the first three games. Crapo took the next, but the two following ones went to Parker. Then Crapo braced and won the next two games. Score, 5-3. But Parker by sharper playing won the next game, and thus the second set. Score, 6-3.

The third set was the closest of all, and Crapo finally won by "cutting." In this and the fourth set there was some lively cheering, our fellows cheering like one man. Parker took the first game, but Crapo won the next three, thereby taking the lead for the first time. We then captured the three following games, but Crapo secured the next. Score, 4-4. Parker then won his fifth game, but Crapo proved the steadier player and won the set. In the sixth game Crapo made a very pretty play. Score, 7-5.

During the first part of the fourth set the two men played even tennis, but Parker finally won after some poor playing on both sides. Score, 6-4.

Our men won comparatively easy in the doubles, and but little interest was shown by the fellows, most of them leaving the bleachers to witness the foot-ball game. The team work was only fair. The first set was won by us, 6-3. Prentiss and Parker won the second set with even greater ease, 6-1, and the third set was also in our favor, 6-3.

The playing, both in singles and doubles, was on the whole nothing extraordinary, that of Crapo and Parker at times being the best. We have won from Exeter again and may the good work be kept up till Nov. 11.

## Andover 10; M.I.T. 6.

Andover kept its excellent record for the season intact by winning a well-played game from Tech. on Wednesday. To defeat a team like Tech. is certainly encouraging to the Academy, and with the improvement which is expected from now on it should certainly give us great hopes for the Exeter game. Perhaps the unusual snap evinced by both the teams was the most pleasing feature. Andover's defensive play was excellent, Tech.'s only score being on a mere fluke. Our men played with snap, lined up quickly, and were in every scrimmage. For Andover the rushing of Branch, Letton, and Manning, and the tackling of McIntosh were the features of the contest. Thomas and Underwood did well for Tech.

Andover has the ball, V gains five yards, but the Academy eleven is not playing the game yet, and attempts to buck centre fail and it is Tech.'s ball. Hayden gains three through the centre when Curtis takes the ball, rushes round right end for sixty yards for touchdown. Andrews kicks a goal. Score, M.I.T. 6, Andover 0.

Andover's V gains only four yards. Here the home team braces up wonderfully and plays Tech.'s centre for short continued gains, until Durand is sent with the ball, breaks through the right tackle and runs forty yards with good dodging, and ties the score, 6-6.

Tech.'s flying wedge yields ten yards. Hayden gains ten yards around right end when Andrews fumbles and Hazen falls on the ball on the 50-yard line. Durand gains five yards through the centre. Here we get five yards for off-side play, when Hazen rushes ten, and continual gains through the centre by Andover's backs brings the ball to the 25-yard line, where it goes to M.I.T. on four downs. On the first play Curtis fumbles, and it is Andover's ball, but immediately we lose it on a fumble by Durand. We get the ball again on downs. Both sides are playing hard and it is soon Tech.'s ball on four downs, when they are forced to kick. Simmons falls on the ball, but Andover's centre is too much for Tech., and again they kick, when Letton catches and rushes fifteen yards, brings back the ball to the 45-yard line. Manning makes two heavy gains around the end for ten and twenty yards each. Here Tech. blocks finely and secures the ball on the 15-yard line. Andover spurts. For

the next few minutes the play is chiefly in Tech.'s territory, the ball charging hands frequently until two good rushes by Tech. bring it to the centre of the field, where a fumble gives the ball to Andover, and Manning rushes beautifully for forty-five yards, bringing the ball to the 3-yard line, where Durand is pushed over. No goal. Score, 10-6.

Tech.'s disjointed V gains ten yards and are making short gains through our centre when time is called.

## SECOND HALF.

Tech.'s flying wedge gains fifteen yards, and by quick, hard rushes they take the ball to within ten yards of Andover's goal, where it is lost on a fumble by reason of our forwards breaking through and bothering the quarter. Here the play becomes very hard and rough and Tech. indulges in a lot of unnecessary slugging and seems determined to resort to any means to score. Andover is rapidly carrying the ball down the field where a couple of Tech. men engage in a free fight with Holt. The school very foolishly rushes on the field with what purpose it is hard to tell, and on the umpire's decision to rule off Curtis, Capt. Thomas of Tech. called his men off the field within two minutes of time. Score, 10-6.

The Andover Press.

Last Wednesday's tournament added another to our long list of victories in tennis, making the fourth in success in singles, and the third in doubles.

The school thoroughly appreciates the good showing of its men, and congratulates them most heartily on their success.

This was the initial of event of our new series of contests with Exeter, a series which we hope will not be broken again.

The playing of Exeter's representative in the singles was very good, especially as it was an up hill game, and he deserves great credit for his good playing. In doubles our men completely out-classed their opponents as the score shows.

The tournament was, as a whole very creditable to both schools, and the behavior of the fellows was above reproach. May this be the fore-runner of other victories and may Nov. 11th be just as successful a day for us as Wednesday was.

While the fellows, as a rule, cheer very well now, there are several respects in which their behavior on the campus needs attention called to it.

Now a foot-ball game cannot be played unless the field is clear to the side lines. The only way this can be brought about is through the cooperation of every individual fellow. It is the same in this case as in cheering.

The police force may do its best but it cannot do much good, unless the fellows assist by trying to keep back and off the field. Another thing which should be avoided, is the whole school's rushing out on the field, when there is any trouble between the teams, as was

the case in Saturday's game.

Our team can take care of itself; it has shown that clearly enough already, and the fellows can do no good, but only harm by interfering in any of the disagreements. Tech. was manifestly in the wrong, and their man was ruled off, and probably if the fellows had kept back, the game would have been finished out, and Tech. would not have had the chance, which she was evidently too glad to get, of backing out.

### Naval Academy Schedule.

The foot-ball team of the United States Naval Academy commenced training last week, with J. A. Hartwell, '89, as coach. The following schedule of games has been arranged:  
Oct. 14.—Dickinson, at Annapolis.  
Oct. 18.—Princeton, at Princeton.  
Oct. 21.—University of Virginia, at Annapolis.  
Oct. 28.—Lehigh, at Annapolis.  
Nov. 18.—Volunteers, at New York.  
Nov. 21.—University of North Carolina.  
Dec. 2.—West Point at West Point.

### Harvard Statistics.

The Harvard College statistics just published show a net gain of 92 men over last year, which makes the total number of enrolled students in the University 3061.

The law school shows the greatest loss, there being 48 men less than last year. This is due to more strict regulations in regard to admission.

The next greatest loss is in the medical school, on account of the course being increased to four years. Here there are 47 less than last year but in the Lawrence scientific school there has been a gain of over 50 per cent.

## THE EXETER Agreement.

The following is the text of the agreement on the part of the Exeter manager to play a foot-ball game this fall:

I agree to pay O. M. Clark \$25.00 as a guarantee for a game to be played at Exeter on Saturday, Nov. 11, between Phillips Andover and the Phillips Exeter foot-ball teams.

CHARLES I. WRIGHT,  
MGR. P. E. A., F. B. A.

No one can be more pleased at the outcome of this recent difficulty, and we most sincerely hope that years of peaceful warfare in athletics may be again inaugurated by the coming foot-ball contest. But "give us war or give us peace." Your obedient servant herewith subscribed will always be found on top and ever ready to serve all the students of old Phillips Andover.
