Handicap Tournament.

The first handicap tournament of the Athletic Association was held on the upper campus last Saturday. The day was the best one could wish for the end of the two weeks or more work which those in charge have given.

There were twelve events, all of which went off smoothly but the number of entries was much larger than the number who appeared to contest. This was an unfortunate condition as the tournament was arranged principally to develop new material. This result was gained to a certain extent but not to as great an extent as Capt. Laing had hoped for.

HUNDRED YARDS.

The first event was the hundred-yard dash. This was run in three heats, the final one being won by M. W. Farlin who had 6 yards handicap and who made the time of 10 1-2 seconds. J. C. James finished a close second from the 5-yard line.

SHOT PUT.

Five men appeared to contest in this event which was won by Glynn, who had a four feet handicap. His actual put was 29 ft. 11 inches. Finlay won second place from scratch covering a distance of 33ft. 10 inches.

120-YARDS HURDLE.

This event was interesting. It was run twice owing to a foul in the first trial. Parker won from a ten yard handicap in 19 4 5 seconds over Booth who was the only other competitor.

POLE VAULT.

J. M. Abbott, E. S. Lewis, and A. W. Davis were the rivals in this. Both Lewis and Davis did some pretty vaulting each going over the bar at 9 ft. 2 inches. Davis took first place, as he had a 10 inch handicap.

2-MILE BICYCLE.

Much was expected of the riders in this race as it was the first two mile race in our tournaments and, also because many good reports had passed around about them. E. W. Alden, C. Blaikie, P. R. Porter and J. W. Manning were the entries. They kept bunched, Alden setting the pace until the last lap when Manning left the field, and won easily in 6.08. The race between the others was very close. They finished in the following order: Alden, Blaikie, Porter.

220-YARDS.

H. G. Scott, N. W. Barker and H. C. Potter were the only ones of the eleven entries who ran. Scott won from a 7 yard start. It was a

poor race at the finish all three men slowing up.

HAMMER THROW.

I. N. Swift won this event over Finlay and Pierson by a 15 ft. handicap. His actual throw was 62 feet 3 inches, Finlay's 69 feet 7 inches.

RUNNING HIGH JUMP.

Slowness marked this event which was won by Parker over Merwin, Grant, and Pope. Parker cleared 5 feet 2 inches and Merwin took second place on 5 feet 1 inch.

440-YARDS.

This was won by J. M. Abbott who started from a fifty yard handicap and was never headed. Noyes also from the fifty yard line won second place. Scott with 20 yards finished third. The scratch men were Laing and Hine. Hine dropped out on the stretch but Laing finished strong, too heavily handicapped to win a place.

RUNNING BROAD JUMP.

Parker jumped 18 feet 5 1-2 inches and took first in this. Myrick was second with 18 feet 1 inch. N. W. Barker was the only other contestant.

ONE MILE RUN.

This was the best race of the day. Six men started, two 125 yards ahead of Laing, the scratch man. He pulled down the whole field and finished strong in 4 minutes 48 2-5 seconds, within 2-5 second of the school record. Parker, who was on the 125-yard line, finished second followed closely by Funk, who started 25 yards behind him.

220-YARD HURDLE.

The last race was very good, although run slowly. Myrick won with 10 yards handicap in 29 1-5 seconds. Humphrey at 10 yards and Hine at scratch had a pretty struggle for second, the latter passing his rival on the last hurdle.

Senior Class Meetings.

On Monday a joint meeting of the Senior class was called in order to discuss a class emblem. Wilcox read the report of the committee, which was accepted. A motion to adopt canes as the emblem was carried, but the vote was so close that it was moved to reconsider; this was carried. It was decided that the committee should look up the matter of a class album, and to report as soon as possible. After a motion had been made and passed that the commencement speakers be elected this term, the meeting adjourned.

At a meeting yesterday it was voted to adopt a cane as a symbol, and the photograph committee were requested to get fuller estimates.

College Foot-ball.

Nearly a month ago Harvard played Dartmouth and defeated her by the score 16-0. Last Saturday the same teams played again, and Harvard scored six goals to Dartmouth's none. In the first game Dartmouth repeatedly made five yards by playing between tackle and guard. During the first half on Saturday, while Harvard's regular team was on the field, Dartmouth did not once gain five yards on four downs. In the second-half when Parker was substituted for Acton, they gained the requisite number several times. This most certainly shows that Harvard is improving steadily in her play.

Her backs followed their interference closely, and interfered well. Gray, Manahan, Newell and Waters played well for Harvard, while the best playing for Dartmouth was done by McCormack, Abbot and Folsom.

Yale played her annual game with the Orange A. C. at the Orange Oval, and attracted the usual crowd, on Saturday. She played with great vim and snap, and experienced no difficulty in running up a score of 50-0. Special mention was made of Thorne, Armstrong and Beard on Yale's side, while the tackling of Kyle, Griswold and Webb for Orange was remarkable at times. Yale's interference at some points of the game was beyond reproach.

The game between Cornell and Princeton on Saturday resulted in a great surprise to the students of the college of New Jersey. While those acquainted with the work of the teams said that Princeton would win, no one expected the score of 46-0. Cornell's eleven showed lack of practice and they persisted in plunging into Princeton's centre, which netted them no material gains. On the other hand the interference, running, punting and general team work of Princeton was as good as their team has shown for some years. King, Trenchard, Ward and Rosengarten made long runs for Princeton, and King, Lea, Trenchard and Wheeler interfered in fine form. Robbins, Young and Barr played the best game for Cornell.

Other foot-ball games played on Saturday resulted as follows: Brown-34,

Trinity 0; Boston A. A. 16, Bowdoin 8; Wesleyan 16, Tufts 14; Stevens Institute 39, Rutgers 8; Yale '97, 16, Mass. Agricultural College 0; M. I. T. 40, Worcester Poly. 0; U. of P. 40, Crescents 0; West Point 12, Amherst 4.

Native African Choir.

There is nothing but praise for the exceedingly interesting entertainment which was given in the Town Hall on Saturday evening by the Native African Choir from Kaffirland. This unique organization, which is managed by Mr. Bahmer, includes natives from seven tribes in South Africa, who appear on the stage in their native costumes and sing both English and Kaffir songs. They have appeared before the Queen of England at Osborne, and are now travelling through the provinces and this country to obtain funds to be used in founding a school for the technical instruction of African boys and girls at St. Phillips Mission.

They have musical voices, as is common among their people, and know how to use them. Their music was at times rich and impressive, at other times, when they sang some of their Kaffir compositions, crude. Some of the choir had very melodious voices, but the two little boys, "Crocodile" and "Mouse" by name, attracted more attention than any others. These little savages, wrapped in pieces of blanket pinned together at the back, at one time sang together and led the choir in a very spirited manner.

The first piece rendered was surprisingly sweet and harmonious, and showed that the Choir was superior to many a glee club. "Q Qa Qa Qa" illustrated one of the three consonant sounds in the Kaffir language. The Part Song and "Children Asleep" were very pretty little melodies. But the Choir did its best with "The Lord's Prayer," which was sung with great solemnity and touching reverence. The "Typical Wedding Song," illustrative of the departure of a bride from her household, was something novel and interesting. Motjieverakatang was another strange production, illustrating a Hottentot story, with a deal of gesticulating during the performance.

The Choir closed patriotically with "America." It was the strangest and most diverting entertainment which has been given in the Town Hall for some time, and well-earned the praise of all.

The Andover Press.

The tournament Saturday was a success in every respect, and the Athletic Association deserves great credit for introducing this event into our athletic calendar, and it is to be hoped that it will become a fixture and a similar one will be held every fall. The events as a rule went off smoothly and the handicaps in most of them were very fair; in some, however, it seemed as if too much had been given.

The only criticism of the tournament as a whole is that it might be a better plan to endeavor to have the track events continue uninterruptedly while the field events are being contested, as the latter at best are not very interesting to spectators.

The school is to be congratulated on the number and quality of the contestants, and it looks as if there would be enough material in school to develop an excellent team for the spring tournament.

The game this afternoon is perhaps the one around which more interest centres than any other we play this season, Exeter excepted. Brown has showed up well in all the games she has played up to date, but if possible we want to keep our victorious record unbroken, so let every one who possibly can, be on the campus this afternoon and give the team his hearty support and we will see if good, responsive cheering cannot help win us a splendid victory.

The fellows who have subscribed for the support of the foot-ball team, and whose subscriptions are due, should endeavor to hand them to some one of the management as soon as possible as it is very difficult to keep

track of the date when each fellow has promised to pay, and almost impossible to strike him when his time is up. If all the fellows would take this hint and try to pay up promptly it would be much more convenient all around, and the management would be saved considerable trouble:

CHARLES I. WRIGHT,
MGR. P. E. A., F. B. A.

No one can be more pleased at the outcome of this recent difficulty, and we most sincerely hope that years of peaceful warfare in athletics may be again inaugurated by the coming foot-ball contest. But "give us war or give us peace." Your obedient servant herewith subscribed will always be found on top and ever ready to serve all the students of old Phillips Andover.

We've been asked a dozen times "what's the right thing in Overcoats this year?"

Fashion says: Principally smooth-faced cloths: Kerseys, Meltons and Beavers, in black, blue and Oxfords: for cold weather, Black Ratines.

The garment to be three to four inches longer than last year. May be single or double-breasted. Must not have side snips—be made with center slip or whole bottom. Collar should be three and a quarter inches wide: Velvet on all but Meltons.

Lining should be either fancy worsted or black silk or serge: Not quilted to be in good form.

Let us advise you concerning some things that may be shown you:

Don't buy a light-colored overcoat. Don't buy a box overcoat with side snips. Don't buy a long, light-colored overcoat with a hood. Don't buy a short overcoat. Don't buy any of these things: they're "deader" than door nails.
