LAWRENCEVILLE-ANDOVER GAME, JUNE 12, 1895.

## The Lawrenceville Nine.

F. W. Kafer, '96, catcher, is now captain of the team and has played on it for four years. He is 19 years old, 5 ft. 11 in. in height and resides in Lawrenceville.

A. E. Arrott, '97, of Pittsburg, Pa., is now filling the position he did last year—that of pitcher. He is 17 years old and 5 ft. 9 in. in height.

E. P. Ross, '95, 1st Base, comes from Springfield, Ohio. This is his first year on the team. He is 18 years old and is 5 ft. 9 in. tall.

W. L. Righter, '96 of Mt. Carmel, Pa., is playing second base. This is his first year on the team. He is 18 years old and 6 ft. tall.

W. C. McGibbon, '95, of New York, is filling the position of short-stop. This is his first year on the team, but he played on the "Reserves" last year. He is 19 years old and 5 ft. 5 1-2 in. in height.

G. L. Cadwalader, '96, of San Francisco, is playing third base. He has played on the eleven for two years, but this is his first year on the nine. He is 18 years old and 6 ft. 1 in. tall.

G. M. Mattis, '97, of Champaign, Ill., is playing left-field. This is his first year in the school. He is 17 years old and 6 ft. 1-4 in. tall.

W. J. Slidell, '95, of Princeton, N.J., is playing center-field. This is his first year on the team. He is 18 years

old and 5 ft. 9 3-4 in. tall.

C. N. Hastie, '97, of Charleston, S. C., is playing right-field. This is his first year in the school. He is 17 years old and 5 ft. 10 in. in height.

B. C. Guerin, '95, of Morristown, N. J., is substitute pitcher. He was substitute last year. He is 19 years old, and 6 ft. 3 in. tall.

E. M. Eddy, '96, of Bay City, Mich., is substitute fielder. He is 18 years old and 5 ft. 8 1-2 in. in height.

## The Andover Nine.

Captain Drew, '95, is from Lancaster, N. H. Three years ago he caught on the Holdeness School team and during his first year here was substitute catcher under Murphy. Drew has caught every game in the last two years, being in excellent form all of the time. He is nineteen years old and is undecided whether to enter Yale or Dartmouth next fall.

G. C. Greenway has been first pitcher on the nine for the last three years. His pitching and heavy batting are exceptionally fine. In '94 he was captain of the team and held the best batting average of the season. Greenway enters Yale next year.

Ralph Martin Barton, first base, is one of the heaviest batters on the team. Last year he played on the English Commons nine and for two seasons he has covered first base exceedingly well. Barton comes from Newport, N. H.,

he is nineteen years old and will go to Amherst in '96.

Frederick Paul Harker, second base, entered school last fall. He comes from Denver, Col., and last year was captain of the High School nine there. Harker covers a good deal of ground and is a very sure man on pop flies. He is nineteen years old and will return to school next fall.

Fred Farnham Davis comes from Cottage City, Mass. He is placed at third base, but during the first of the season he played short-stop. He covered third base on the Phillips Street nine last year and was credited with many good plays. Davis graduates this term and he is a Yale man.

George Pearley Elliot has lately been placed at short-stop, having formerly played third base. He is a new man in school and last fall figured prominently as sub full-back on the foot-ball eleven. Two years ago he played on the St. Johnsbury team and recently he played centre field on his home team at Manchester, N. H. Elliot is nineteen years old and graduates from here in '97.

Charles Willoughby Dayton is from New York City. He plays centre field on the nine and succeeds in covering a great deal of territory, but his throwing is not strong. Last year Dayton played on the School Street nine after having been kept a long time on the school squad. He is twenty years old

and enters Harvard next fall.

Otis White Sedgewick has pitched and played left field on the base-ball nine for three years. Sedgewick is a fine base runner and heavy batter and always has his eye on every play no matter how trivial. He has saved Andover from a number of fatalities by his ready playing. His pitching this year has been for the most part on a par. He is twenty-one years old and intends to enter Yale next year.

Loyd Daubeney Waddell has had his first experience in the out field this season. Formerly he played only the position of catcher but his success as an out fielder is very gratifying. Waddell throws with great accuracy and he has often made many timely assists from deep right field to the home plate. He comes from Parsippany, N. J., and is in the class of '98.

Franklin Boyd Edward's home is in Lisle, N. Y. While there he filled the positions of second baseman and catcher on the Lisle Academy team. As his work at short-stop was unsatisfactory, Captain Drew moved him to third but with little more success. More practice will do much for him as he is faithful and a hard worker, and an accurate thrower. He is rather nervous and weak at the bat, but should do good work next year. His age is nineteen. At present he is undecided as to college, Yale and Williams being his preference.

WEDNESDAY, JUNE 12, 1895.

Andover has wrested the game from her rival in the finest contest seen on the campus for many a day. The team have done nobly and all that could be said, would be but a dim reflection of the satisfaction which illumines the whole Academy after this glorious victory. The latent possibilities of the battery appeared with such reality, that we are able to record an unbroken series of victories for Phillips Andover Academy. A fitter school than Lawrenceville to play the vanquished, could not be found. We are glad to welcome them; we regret to have them go.

We had occasion in the fall to speak of the courteous and hospitable attitude of the Lawrenceville school toward Phillips Andover, and the compact of friendly relations between the two schools is sealed yet more firmly by to-day's contest.

### A Mass Meeting To-morrow Morning

For some time past the question of renewing Andover-Exeter athletic games has been discussed by a joint committee of graduates from the two schools. At a recent meeting the committee wrote to each school, asking that a mass meeting be held to-morrow to vote whether it favored a renewal of the games, beginning with next fall.

In case both Andover and Exeter approve of the scheme, the committee will undertake the arrangements for a foot-ball game next fall.
