BROWN 20 - ANDOVER 4.

Andover Scored Against Brown in a Snappy Game last Wednesday.

Andover suffered defeat last Wednesday, for the first time this season, in the game with Brown Varsity. The game was by far the best seen on the campus this year and, with the exception of the second half, when Captain Fultz filled his position so ably, it proved to be the closest game that Andover has played thus far.

Although the weather was a little warm for foot-ball, the game was fast and the interest was kept up from beginning to end. Every man on the Andover team played well and the work of the centre men was a vast improvement. The playing of Schreiber, Roby, Burdick and Quinby deserves special mention. When Brown found she was not able to make long gains through the line the game became a kicking contest in which Brown easily proved superior.

For Brown the playing of Captain Fultz was remarkable, while Hopkins, Wheeler and Pratt distinguished themselves. The halves were twenty-five and twenty minutes, respectively.

FIRST HALF.

Jennings kicked off to Brown's 25 yard line at just 3.15. Hall returned the ball 45 yards to Jennings, who punted to Brown's 45 yard line. Brown tried the centre without any gain and Hall punted to Andover's 5 yard line. Jennings in a long punt landed the ball in the centre of the field. Brown tried left end but was stopped by Roby and Schreiber without gaining. Hall and Hopkins were unable to advance the ball through Andover's line and the ball went to Andover on downs. Elliot took Jennings' place at full back. In an attempt to kick, Elliot's punt was blocked and Brown got the ball on Andover's 25 yard line. Andover, by plucky playing, secured the ball again on downs and Elliot sent the ball out of Andover's territory, to Brown's 40 yard line. Brown again failed to gain and Andover took the ball. Elliot punted thirty yards and Hall secured the ball. On a fumble Quinby again recovered it. At this point Andover made decided gains through Brown's heavy line, by the aid of Burdick and Roby. Andover was forced to punt to Hall. After a double exchange of punts, in which Brown got the better of Andover, Schreiber secured the

ball on a fumble and with the aid of fine interference by Quinby and Grinnell, the ball was placed behind the goal line. Elliot failed at goal. Score, Andover 4, Brown 0.

Brown kicked off to Elliot who punted to Hall. The ball was advanced, by Hall, Hopkins and Hunter to Andover's 4 yard line, when Andover held Brown for three downs, when Hall was pushed over the line for Brown's first score after twenty-two minutes of hard play. No goal. Brown 4, Andover 4.

SECOND HALF.

Fultz took right half back in the second half and his splendid line bucking told on Andover's forwards. By repeated gains through centre and around the ends the ball was carried over the line for a second touchdown. Pratt kicked goals. Brown 10, Andover 4.

During the remaining time, Brown succeeded in scoring 10 more points against Andover, making the final score 20 to 4.

Nov. 6, Hotchkiss School, at Lakeville.

Senior Class Meeting.

An important meeting of both P. A. and P. S. '98 was held on Wednesday last. A committee of three was appointed to select a class photographer, and to arrange places for the individual class pictures. The committee was elected as follows: Keith Smith chairman, Ferry and Skinner. It was then decided to adopt as the class emblem, a class book, such as was gotten up by last year's Senior class. From a rather long list of nominees, the following were elected: E. L. Skinner, Chairman, Z. E. Eldredge, C. H. Schweppe, Rossiter Howard. These men have had one meeting already and mean to have the class book of '98 one to be long remembered at Andover. The advantages of having a book as the class emblem, are many. If gotten up in the proper manner, it will contain a complete history of '98, as a class, and also a record of everything connected with Andover, which could in any way be of interest to the class as a class, together with pictures of all '98 men and '98 teams. Surely such a class emblem will be of great lasting interest to all the loyal sons of Andover in '98.

Bicycle Road Race.

In the bicycle road race yesterday afternoon N. R. Potter '99 came in first, S. N. Douglas '99 second and J. W. Smith, Jr. '98 third. The real time from start to finish was 14 minutes, 17 2-5 seconds, the handicap time 15 minutes, 2 2-5 seconds.

Below is a list of the entries and handicaps:

Klock,	scratch,	Potter,	1.15 sec.
Michael,	30 sec.	Smith,	1.30 sec.
Sturgis,	45 sec.	Douglas,	1.45 sec.
Silleck,	45 sec.	Geib,	2 min.
Arnold,	1 min.	Bain,	2 min.
Coburn,	1 min.	Potter,	first, time 14 min. 17 2-3 sec.

Wednesday's games resulted as follows: Harvard 38, Amherst 0; Princeton 34, Pennsylvania State 0; U. of P. 42, Virginia 0; Wesleyan 16, Tufts 0; Brown 20, Andover 4; Bowdoin 10, Exeter 0; St. Marks 16, Boston Latin 0; Worcester Academy 24, English High 4.

E. G. Burgess, P. A. '94, Harvard '98, has been elected to the Harvard Athletic Committee for the coming year.

Book on American Universities

A new book on American Universities is being printed, which will be most interesting to all college men, graduates and under-graduates, in the United States. The title of the book is: "Universities and its Sons."

The book will give the histories of each of the four Universities; Harvard, Yale, Princeton and Columbia.

It will contain biographical sketches and portraits of distinguished alumni of the Universities and the recipients of University degrees. The book will be awaited with interest by Andover graduates. One of the distinguished alumni of Phillips Andover Academy, United States Commissioner of Education, Honorable William Torry Harris, Ph. D., LL.D., will contribute the introductory chapter.

The illness of Captain Elliot which may necessitate his withdrawal from school we all very much regret. During Elliot's entire career as an Andover student he has shown his ability in many ways and we sincerely hope his illness at present may end soon and that he may be able to captain the Andover eleven this year.

While the score in last Wednesday's game with Brown Varsity was most satisfactory and the work of the eleven

at times brilliant, the PHILLIPIAN wishes the school to distinctly understand that the result of the game, which was in one sense a victory for Andover, was not at all due to hearty support by the school. Such was not the case and that is one reason why the outcome was the more remarkable. Had the cheering been what it should have been and what our team, in the plucky fight deserved, Andover would have stood a fair show in winning the game. Some fellows think that it is for them to keep still until they are fairly forced to cheer by the good playing of the team, and even then they are afraid that they will overdo the matter. This is an entirely wrong view of the situation. Don't wait for the team to win the game before you lend support, but help them fight for it by the inspiration given them.

Mirror Notice.

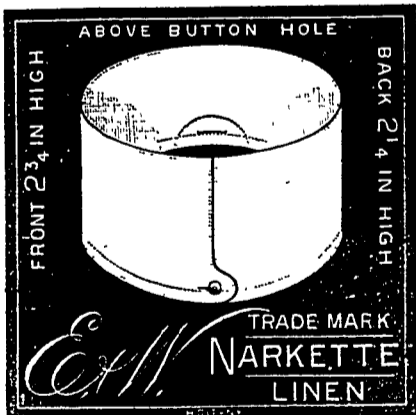

All matter for the November *Mirror* must be in by Oct. 20. Short sketches for *Mirage* are particularly desired.

Lawrenceville Game.

Andover and Lawrenceville have finally decided to play a game of Foot-ball this fall at Andover. The date has not been settled. The Andover-Exeter game comes on Nov. 12, Friday.

It seems hardly credible that 50 years ago a Maine inventor exhibited an electric car in the town of Dover, N. H. The motive power was derived from a battery, a method which proved impracticable for street railway purposes, nevertheless the credit for first making known the traction possibilities in electricity, must be awarded to Moses G. Farmer, P. A. '40, whose memory the electricians honored at Green Acre, Eliot, Maine, the last week of July.
