ANDOVER 18--LAWRENCEVILLE 5

Andover Wins from Lawrenceville in a One-sided Contest.

[Special Despatch to the PHILLIPIAN].
PRINCETON, N. J., June 2.

Andover easily won from Lawrenceville at Lawrenceville this afternoon by the above score. At 2.30 the entire Lawrenceville school headed by the school band entered the campus. The game was called at three.

After the second inning, when Andover scored four times, the team had everything its own way and at no time was the result in doubt. The features of the game were Matthews' excellent all-round playing. He accepted 13 chances at short without an error, and his two hits were timely. In the first inning Lawrenceville secured four hits with a total of seven bases off Stephenson's delivery, but after this inning he pitched effective ball. Another prominent feature of the game was Brown's hitting. He secured three hits with a total of eight bases.

Lawrenceville went first to bat. With two men out, Green hit and scored on Brown's triple. Two more hits in this inning netted Lawrenceville another run. Andover failed to score in her half.

In the second Jones was given a pass, Barnwell hit for two bases and scored together with Jones on an error. Matthews and Quinby also crossed the plate on Corse's hit in this inning. Chapman added one more in the third.

Lawrenceville scored again in the fifth on Corse's error. In the sixth Matthews was given a pass and scored on Quinby's three base hit. Quinby added another, making the score 7 to 3.

Three hits aided by costly errors gave Andover 6 more in the seventh. In the eighth Lawrenceville scored for the last time. Green hit and scored on Brown's clean home run. Andover secured five more in the eighth, making the final score 18 to 5.

The tabulated score follows:

Football Rules.

The matters under discussion by the committee on intercollegiate football rules have finally been announced. The committee has been engaged principally in arranging a new schedule for scoring, considering first the system being adopted by the western colleges which call for two points for a safety, three points for a goal from a free kick, four points for a goal from the field, five points for a touchdown, and one point for a goal from a touchdown.

Objections were raised to this method on the ground that it would discourage field goal kicking, which is considered one of the features of the game. As a compromise it was suggested that the old system be retained with the provision that after a touchdown the ball must be taken out to the ten yard line, directly in front of the goal, where the teams can line up and a drop kick for goal be attempted. However, no final decision has been reached and the committee have now determined to write to the football authorities in the five universities—Harvard, Yale, Princeton, Pennsylvania and Cornell—and obtain their suggestions on the subject, and a definite decision will be made when their replies have been received. All conditions in the code have been made clearer, particularly the duties of officials, who will next fall include a referee, umpire, linesmen and two assistants. A new rule has been added allowing the referee to call a game on account of darkness if he deems it necessary.

R. T. Hillebrand P. A. '96 will pitch for Princeton in this afternoon's game with Yale.

Intercollegiate Games.

The twenty-third annual meet of the Intercollegiate A. A. was held at Berkeley Oval, on last Friday and Saturday. Notwithstanding the poor condition of the track and field, owing to the continuous rain of the previous week, the events were of a surprisingly high order, no less than eight records being broken. A. C. Kraenzlein, of the University of Pennsylvania, established a new world's record in the 220-yard hurdle of 23 3-5 seconds breaking the intercollegiate record by a full second. He also lowered the record for 120-yard hurdle by the fifth of a second. J. C. McCracken of Pennsylvania also broke the records for the shot put and hammer throw. The intercollegiate records for the mile walk, the broad jump, the pole-vault and the quarter mile bicycle were lowered.

By the new system of scoring—five points for first, three points for second and two points and one point for third and fourth places, respectively—the colleges at the end of the meet stood as follows:

Pennsylvania,	50	3-4
Princeton,	28	
Harvard,	25	5-6
Yale,	22	2-3
Syracuse,	9	
Columbia,	5	
John Hopkins,	5	
Williams,	3	
Cornell,	2	3-4
Georgetown,	2	

Flag Raising.

Last Wednesday noon a flag raising was held at the Theological Library, before a large audience. After the singing of "America," the flag, given by the faculty and students of the Seminary, was raised amid cheers. Mr. Stackpole of the Seminary then presented Prof. Harris.

Prof. Harris in a short address mentioned more serious scenes of a like character in '61, and in closing spoke of the deep influence of the flag on all. Prof. Churchill was then introduced and in accordance with a former request, read a poem called the "Banner Hymn," written by Harriet Beecher Stowe to be read at the presentation of flag to a company recruited from the Theological Seminary during the civil war. Both Prof. Harris and Prof. Churchill were heartily applauded, and after further cheering the gathering broke up.

The Amherst Seniors have been on several large trips during the winter, going down as far as New York, and have been very highly praised for their excellent work. They are here under the auspices of our own Dramatic Club, and it is to the interest of the school that the performance be well attended, as the performance is for the benefit of the Athletic Association. SATURDAY, JUNE 4, 1898.

The trip of the base ball team to Lawrenceville this year has been most successful. Although upon strange grounds and without school support, the team has played like veterans and taken a game from a most worthy rival. Every member of the school is highly elated at the performance of the team, and all unite in extending sincere thanks to Captain Waddell and Mr. Stearns.

On Wednesday afternoon a serious accident was averted at Pomp's Pond through the coolness and courage of one of the students. Goddard '99 attempted to swim across the pond but when a short distance from the opposite shore was seized with a cramp. G. E. Stansfield '98 saw that Goddard was helpless and went to his rescue. He brought him to shore safe exhausted by his efforts.

Inquiry.

At a business meeting of Inquiry held last Wednesday evening the following officers were elected for the ensuing year: J. M. Dreisbach, president; A. Fox, vice-president; D. G. Crawford, recording secretary; J. S. Webb, corresponding secretary; R. W. Merrill, treasurer.
