FALL HANDICAP MEET.

1900 Wins Relay Race; '99 Wins Meet by 15 1-2 Points.

The Fall Handicap Meet and class relay race, held Thursday, proved a great success and gave promise of a bright outlook for next spring. 1900 easily won the relay race. The class of '99 won the meet, having 48 points, 1900 came second with 32 1-2 points, and '01 third with 15 1-2 points, while '02 scored 2 points.

Metzger '99 broke the school record by four inches, for the hammer throw, held by himself.

1900 won the relay in a very pretty race. In the first quarter, C. W. Littlefield '99, W. W. Shaw '00, R. A. Blending '01, C. B. Yardley '02, started, Littlefield took the lead and gained, but at the finish Shaw passed and beat him by 10 yards. W. F. Dennison '99, D. Nicoll '00, J. W. Reid '01, and C. Sumner '02 relieved their respective classmen. Nicoll took the lead and increased it about 10 yards. J. I. Fowler '99, A. W. Robertson '00, D. W. Mahoney '01, and H. S. Look '02, continued the race. During this quarter Robertson increased the lead of '00. The last quarter was run by Alan Fox '99, W. B. Jordan '00, H. L. Petit '01 and W. A. Schick '02. At this time there was no doubt as to the outcome of the race. 1900 was well in the lead and Fox was not able to reduce it. Musical Entertainment.

The musical entertainment, given last night in the Chapel for the benefit of the Athletic Association, was an unqualified success. Not only did Alfred A. Farland fulfill the highest expectations, but our own musical clubs, considering the brief practice they have had so far, did exceptionally well.

Of Mr. Farland's selections, "Hauser's Cradle Song," and "Schubert's Serenade" were the most skillfully rendered. The C. G. V. March given by the Mandolin Club, and the encore which followed it were also very good.

The following is the program:

Belle of the Cake Walk,	BANJO CLUB.	O'Connor
Selections,	MR. FARLAND.	
The Fir t Song,	GLEE CLUB.	Nevin

Communications.

[The Editors of the PHILLIPIAN invite all members of the school to express their sentiments in these columns, but do not hold themselves responsible for what is said.]

Editors of the Phillipian:

There is a mistaken idea very prevalent in school that when a man tries his hand in some line in which he is a novice, he is, for some reason or other, conceited; and if he fails to meet with success, he is very generally sneered at. As a result of this, the novice gradually becomes ashamed of any budding ambitions which he may possess, and resolves to suppress and crush them, lest he may be ridiculed. How often do we hear a couple of fellows conversing something like this: "I hear So-and-So is trying for the Glee Club (or the football team or whatever it may)." "Heh! I suppose he thinks he's a hot singer." And then they go off, each resolving to jolly So-and-So until the latter wishes he were born without a voice.

Often, too, one says to another. "I see you're trying for the track team." The second replies, carelessly and nonchalantly, — anxious to disclaim all earnestness, — "I? Oh, I'm just out for the fun and a little exercise."

Now if this state of affairs continues and grows worse, as it shows signs of doing, what will be the ultimate result? What will be the fate of our track teams and our debating societies? Upon what will our football teams depend, and what sort of a scholarly standard will be maintained at Phillips, if every man who resolves to train conscientiously, or who means to try earnestly for honors, must needs be subjected to the ridicule of his less ambitious fellows? This is a problem which ought to set some of our scoffers thinking, and thus cause them to be less narrow-minded. H. R. S.

Editors of the Phillipian:

Now that the street teams are soon to be called out, it might be fitting to make a few suggestions in regard to the management of these teams for this year.

Since the main object of street teams is to develop material for the first team, it is unfair to the candidates for any street team to use any players who have played this year with or against the 1st eleven. These men receive no benefit from playing on the street teams but take the place of some players who have been working hard and perhaps in time might make first team men.

There were some rules made last year regarding this matter but things did not seem to work well.

Would it not be advisable to debar all men from playing on the street teams who received first or second team sweaters? M. A.

The spirited sale of papers and periodicals at the auction held last week, by the school, surely ought to give us a successful reading room this year. We ask that those who patronize the room will, in consideration for others, neither cut nor tear out any parts of the papers or periodicals, as has been done in past years. We cannot but be of the opinion that it is thoughtlessness on the part of the students to commit such acts that show the lack of good breeding, especially if they should give it a second thought before doing it. Let those who avail themselves of the use of the reading room this year, to which the school has so generously responded, show their high appreciation of the advantages of such a room and the papers and periodicals.
