SCHOOL CALENDAR.

Description of the Annual School Calendar Which Will be Gotten Out by Rinehart, P. A. 1900

Work on the Phillips Andover Calendar has been moving, and the first proofs are soon expected. The calendar will present some changes from previous years, though the composition will in the main be the same. The front design has been changed to accommodate more color. It is the plan to emboss on a vignette field of Andover blue, the Phillips Andover seal in gold. The year and title will be stamped on blue streamers in gold letters. A new line cut permitting larger half-tones will be run with the plate of last year. Two and perhaps three tints will be used in printing.

A more varied representation of the school has been attempted and views have been selected covering most departments. In football the varsity and scrub teams will be shown. The captain, manager and Prof. Freeman will accompany the teams. Cuts of the Academy and Science buildings and the Chapel will comprise the school views. A group picture of the Musical Clubs, last year's track team, and the track squad of this year will be run in large cuts. The tennis champions, this year's winning class relay team, and the track captain in small cuts. There will be the '99 baseball team with the coach and captain for this year; the faculty picture and single cuts of Prof. Bancroft and Prof. Graves; the officers of the Dramatic club and a picture of the Senior editors. Several other cuts are contemplated. The list concludes with a nine by seven cut of the school picture. Each month will have at least two cuts and most three. The calendar shows preparation and promises to make a striking appearance.

The price, as in former years will be a dollar a copy.

Forum

Forum was opened last night with a prayer by Beals. After the minutes were read, Clark, Evans, Hall, Davis, Brownell and Day were accepted as members. The meeting then adjourned on account of the small number present. The programme for next meeting will be that which was scheduled for last night.

Bartlet Street and Commons Win.

Two very interesting games were played on the campus last Wednesday when Bartlet Street defeated School street and Phillips street was defeated by Commons. While there was a marked absence of team work, the game revealed some very good material and gave opportunity for good individual playing.

The game between Bartlet and School Streets was called at 2.15. School kicked off and the Bartlet Street team began rushing the ball. They soon lost it on a fumble and School Street carried it down the field to their opponents 20-yard line where Bartlet held for downs. Time was soon called with the ball in the middle of the field.

In the second half Bartlet played with much more life and by a series of guard and tackle plays worked the ball down the field, Cotton going over the line for a touchdown. Bissel kicked the goal. During the remainder of the half School Street made a hard fight and prevented Bartlet from scoring again. For Bartlet Street, Capt. Sherwin, Lord, Cotton and Bissel did excellent work while for School, Michael, Wiggin and Seabury played exceptionally well. Score Bartlet Street 6, School 0.

The line-up was as follows:

SCHOOL		BARTLETT	
Brown	l.e.	Gardner	
Pitzipio,	l.t.	Glen	
Dousman, Hubbin,	l.g.	Hawes	
Springer, Hemmick,	c.	Levy	
Scott,	r.g.	Bissel	
Parker, Seabury,	r.t.	Sturtevant	
Willard,	r.e.	Pardee	
Schenck,	q.b.	Thompson	
Robertson,	l.h.	Lowe	
Michael,	r.h.	Cotton	
Wiggin,	f.b.	Sherwin	
Umpire, Mr. Freeman.	Referee, Levine.		

The game between Phillips Street and Commons was called at 3.30, Womelsdorf kicking off to the 20-yard line. Commons played a fast game and rushed the ball down the field, Bosworth scoring a touchdown and Farnham kicking the goal. Womelsdorf kicked off and Commons again advanced the ball by rapid gains. Phillips Street then braced up and held for downs on her eighty-yard line. Goldsmith circled left end for 70 yards making the longest run of the game. Time was called with the ball in possession of Phillips Street.

Barney kicked off to Jordan in the second half, who brought the ball

back to the middle of the field. Commons gained the ball on downs and worked it back, losing it however by a fumble on the 10-yard line. The ball changed hands several times, Phillips making a plucky struggle. Time was soon called with the ball near the Phillips Street goal. Score, Commons 6, Phillips Street 0.

For Phillips Street, Goldsmith, Jordan and Womelsdorf were conspicuous for their good work. Mains and Bosworth did most of the gaining for Commons, while Barney and Bailey in the line were towers of strength.

Bartlet Street will play Commons on Saturday for the championship.

The line-up was as follows:

PHILLIPS ST.		COMMONS	
Brown,	l.e.	Park

Stebbins spoke from the house on the negative and Wilson on the affirmative. The vote before the debate stood affirmative 9, negative 20; after the debate, affirmative 5, negative 18. The chair cast his vote with the negative. A report of the chairman on the Philo-Forum debate was given by Stebbins. The meeting closed with a Critique by Thatcher.

ENTERED AS SECOND-CLASS MATTER AT THE ANDOVER POST-OFFICE.

THE ANDOVER PRESS.

Saturday, November 25, 1899.

One of the much to be regretted features of the school this year is the unseemly interest on the part of the Class of 1901 to be represented on the various school publications.

As we look over the list of editors, it is a striking fact that only one 1901 man appears on the list. It has never been the case in past years that underclassmen have not been on the editorial board of the PHILLIPIAN, and it is a great misfortune to the Middle Class that such is the state of affairs at the present time. To be able to run a paper successfully a man must have been an associate editor for at least a year.

We wish to urge more 1901 men to try for the publications and to make the boards, in order that they may be better able, as seniors, to lead the school and so afford a perfect example to underclasses.

Before we close let us add a word of exhortation to the men of '02 and '03. It is for you now, as junior-middlers and as juniors, to develop yourselves for the responsibility which your senior year necessarily involves.

Let the failure of your preceding class along these lines serve as a warning to you, so that you may enter upon your middle year with a goodly number of representatives on the editorial staffs. 1900

The PHILLIPIAN wishes to be of all possible use to the school and it is hoped that no one, whether a candidate for the editorial board or not, will hesitate to hand in matter which would be of interest to, or would benefit the school. Privilege is given to all to air sentiments and express opinions in our Communication Columns and, so far as the space will permit and the matter is practicable, we will gladly publish such articles.

All official notices should come to us directly from the official sources or be presented, properly endorsed, by a candidate for the board.

Help out the candidates by giving them all the news possible.

There seems to be no necessity for the men of 1901 to crowd the seniors as they pass out of the door after morning chapel. It not only delays the entire school in disbanding but it is extremely uncomfortable to be shoved about by reckless underclassmen. Let the order be as it should be: Seniors, Middlers, Juniors, Middlers and "Preps" LAST.

A remark on the front page of the PHILLIPIAN last Wednesday threatened to publish the names of such fellows as have not yet paid the money they promised early this term for the support of football. Such a threat should not be necessary. It shows a wrong spirit. No one should have promised more than he could afford but, having promised, honor should prompt them to pay up on the appointed date.
