Base Ball Prospects

Now that the football season has finished it may be interesting to look ahead and see how Andover will be represented next spring on the diamond. Of course nothing definite will be known as to the make-up of the team until after the "gym" work is over and the squad is down on the campus, but judging by the material now in school, Andover ought to have one of the strongest teams that has ever represented the school.

We have a captain who knows the game thoroughly, and who will have the respect and hearty co-operation of every man on the squad, and this in the first place is greatly conducive to success. Secondly, we have in Mr. Stearns as fine a coach as there is in the country, and there is sure to be perfect harmony between him and the captain, and lastly, seven of the eleven men on last year's squad have returned to school, besides which it is understood that there are a few promising players among the new men.

Captain Winslow will catch and there will be no cause for worry at that position. It is said that Stephenson, the star pitcher on the '98 team will return to school after Christmas, but it is extremely doubtful, so he cannot be counted on. Stephens, who pitched on the Hyde Park High School in Chicago last spring, Lanigan, last year's second baseman and Mains, substitute pitcher, are the most likely men. Lanigan has good speed and fair curves, and if he can be taught control, he should develop into a good pitcher.

For first base there are Glenn and Davis. Glenn played on the 1900 class team last spring and Davis played in the out-field on the first team.

There does not seem to be any very promising candidates for second base. Wheeler was substitute second baseman last year but will have to improve a great deal in his batting this year to make the place.

Matthews is back again for short stop. He not only plays his own position for all it is worth, but also steadies the infield to a great extent and is of inestimable value to the out-fielders with his timely coaching.

Reinhardt, a new man, is a promising candidate for third base. He played on the Butler College team last spring. Packard who tried for this position on the '99 team will probably come out again.

Davis is back for the outfield if he does not play first, and there will undoubtedly be a number of good men trying from those who made the Class teams last year.

Although the outlook is very promising, and although the team will be asked to play a much harder schedule than last year, there is every reason to believe that Andover will have a most successful season.

Intercollegiate Hockey Schedule.

The intercollegiate Hockey Schedule is as follows:

- Jan. 9. Princeton vs. Columbia at Brooklyn.
Jan. 13. Brown vs. Princeton, St. Nicholas Rink.
Jan. 19. Yale vs. Princeton, St. Nicholas Rink.

Feb. 13. Yale vs. Columbia, St. Nicholas Rink.
Feb. 17. Princeton vs. Brown, St. Nicholas Rink.
Feb. 23. Columbia vs. Brown, St. Nicholas Rink.
Mar. 3. Yale vs. Princeton, Brooklyn.
Mar. 10. Yale vs. Brown, St. Nicholas Rink.
Mar. 20. Princeton vs. Columbia St. Nicholas Rink.

Intercollegiate Golf Meeting.

The annual meeting of the intercollegiate Golf Association was held in New York on December 22d. Resolutions were passed to admit Pennsylvania to membership; to change the present scoring system to the English method, and to adopt the four-year limit rule. The date for holding the annual championship was changed from fall to spring, so that the next contest will not take place until the spring of 1901. The officers elected for the coming year were: President, Chester Griswold, Jr., Princeton; vice-president, George C. Clark, Jr., Harvard; secretary and treasurer, S. P. Nash, Jr., Columbia. The committee appointed to purchase prizes consists of S. P. Nash, Jr., Columbia; T. Markoe Robertson, Yale; and Chester Griswold, Jr., Princeton.

Notice.

The Statistical Blanks were distributed yesterday to the seniors and must be handed back to G. E. Merrill, E. C. 1-6, by next Saturday.

Chess Tournament.

All members of the school who desire to enter the Chess Tournament must hand their names to the secretary of the Chess club, before Saturday night. An entrance fee of twenty-five cents will be charged.

All-American Team.

Following is the list of players on the All-American Football Team for 1899 as prepared for *Harper's Weekly* by Mr. Casper Whitney:

McBride, Yale, captain and full-back; Sharpe, Yale, and Reiter, Princeton, halfbacks; Daly, Harvard, quarter; Overfield, Pennsylvania, centre; Hare, Pennsylvania, and McCracken, Pennsylvania, guards; Hillebrand, Princeton, and Stillman, Yale, tackles; Campbell, Harvard, and Poe Princeton, ends.

SUBSTITUTES.

In the line—Hale, Yale; Brown, Yale; Edwards, Princeton; Lawrence, Harvard; Wheelock, Carlisle; Slocum, Brown; Hallowell, Harvard.

Inquiry

A change has been made in the proceedings of Inquiry, to take effect throughout the winter term. In place of having a regular meeting on Wednesday evening, there will be a Bible class on that night. A regular prayer meeting will be held on Sunday, as usual. The subject for tomorrow evening is "Good Intentions." References, Luke XXII, 31-34.

Base-ball Notice.

All candidates for battery positions report at Gym. at 2 o'clock to-day.
PER ORDER.

Football Subscriptions.

All football subscriptions must be in before Saturday, January 20th. The names of all the fellows whose subscriptions have not been paid at that time, will be published in the PHILLIPIAN.

E. W. BAKER, ADVISORY, COM.

Gift for Yale.

Morris J. Taylor, the treasurer of the Yale corporation has just announced the receipt of a check for \$100,000 from the estate of the late Cornelius Vanderbilt.

What shall be done with the money will not be decided until after the return of President Hadley.

Olympian Games at Paris.

The dates of the Olympian games to be held at Paris next summer have been definitely decided upon. First will come the lawn tennis championships, which will be played in the latter part of June. Three days early in July have been set aside for the professional runners; and the amateur track events, in which the University of Pennsylvania and Princeton track teams will participate, will take place in the middle of the month. Cricket will probably be played late in July, but no matches have yet been arranged. September 9 and 10 have been allotted to baseball. France will meet Belgium at hockey on September 30, and England on October 7. In the latter part of September, France will play association football against teams representing Switzerland, Belgium, Germany, and England respectively. Rugby football matches will be played in the middle of October between France and Germany, England and Germany and France and England.

School Property.

Phillips Academy has recently won a very important point in the taxation case against the town of Andover. The trustees of the Academy brought suit against the town, in order to recover the amount of taxes imposed upon them by Andover. A decision was made some time ago against Williams College, to the effect that taxes be imposed upon all the professor's houses, since these houses were for private use, and not for the use of the students. But the full bench of the Supreme Court, have decided that every building belonging to the Academy, and all professor's houses shall be exempt from taxation. There is to be a new trial of the case to definitely decide whether the Williams's college decision is to be applied to this case. Harvard College has also been in this case and like Phillips Academy will not be levied with the tax.

Senior Committee.

The dinner committee of the senior class consists of H. H. Stebbins, chairman, and S. P. Reed and J. E. Sweet.

ENTERED AS SECOND-CLASS MATTER AT THE ANDOVER POST-OFFICE.

THE ANDOVER PRESS.

Saturday, January 13, 1900.

This afternoon we play the first hockey game of the season and the team should be supported in the best manner possible. The Newtowne A. A. always have a very good team and if we expect to win the game, every fellow must be on hand to cheer and help the team along. The hockey team has little or no support from the school and the best way in which we can show our appreciation of its efforts, is to all turn out and cheer.

The PHILLIPIAN wishes to try to emphasize the fact that the editors of the Class Book and *Pot-Pourri*, who are now canvassing the school for subscriptions, should receive every consideration and help which the students can give them. As these books do so much to show the alumni and in fact all the friends of the school the tone of things at Andover, they have to be edited carefully and much time be spent in their compiling and general arrangement. It seems right that the school should appreciate their efforts for the good of the academy and especially the class of 1900, and do all in its power to help them by subscribing for the book and getting others to subscribe.

The PHILLIPIAN wishes to urge upon the class of 1900 the necessity for having their photographs taken at once or at the very earliest possible time in order to insure a complete Class Book for the class. In former years the complete publication of the Class Book has always been deferred by a few who either did not understand or did not care to understand the trouble and inconvenience the editors were put to by their failing to have a photograph when asked for one. It may be considered a small matter for one or two to be left out, but the 1900 committee wishes to have a complete book and one which the class and school can be proud of. If each on will see to this matter the work of publication will be greatly facilitated.

At the beginning of every winter term a certain "grouchiness," brought on by comparing present conditions with those of the Christmas vacation just past, is apt to make us think that the next three months are months in which there will be nothing to do but work. The sloppy weather we have had since the term began has served to enhance this feeling. But it is really not hard to look on the silver side of what, it must be confessed, seems at first glance a very dark cloud indeed. There are plenty of things besides the routine of school work with which to pass away our time.

But, more than any thing else, this term is the term for sociability—the time in which we can build up friendships and form associations which will make us sorry to leave Andover in the spring.
