Communications.

[The Editors of the PHILLIPIAN invite all members of the school to express their sentiments in these columns but do not hold themselves responsible for what is said.]

Editors of the Phillipian:

When one thinks of the generous amount of money subscribed by the school for the purpose of awarding each member of our victorious football team with a gold football and then glances at the mementos, he cannot but feel disappointed. It is not only the shape but also the engraving on them which shows unmistakable signs of hurriedness or poor workmanship. They are certainly unrepresentative of the well known firm that made them.

We do not assume to place the responsibility of this misfortune, but to impress those in authority that, because of the prevailing dissatisfaction, they might appease the general disappointment by having them recast, or by giving each member of the team a silk watch fob in addition. Perhaps the latter is better as it is doubtful if the members would give up those footballs they patiently(?) awaited for three months.

Editors of the Phillipian:—

A matter of vital importance to the class of 1900, both as a class and as a part of Phillips Academy, is the class Base-ball account for the expenditures of last Spring. So far as the writer can ascertain both in reviewing the PHILLIPIAN files and the minutes of the class meetings, no report has been presented to the class or school.

Now as it is the desire of the class of 1900 to have all its affairs satisfactory and explained, would it not be advisable to appoint some time when this report may be read by the manager, and also, would it not be desirable to have this appointment at an early date in so much as it is so tardy even now.

MEMBER OF 1900.

Class Book Notice.

All individual pictures of the seniors must be given to the *Class Book* editors before March 20. No cut can be made of a photograph handed in later than that date.

Inquiry.

The regular meeting of Inquiry will be held Sunday evening in Society Hall at 6:30 o'clock. Topic: "Conventuality in Religion." Ref. Matt. vi 1-13.

An Appeal for the Musical Clubs.

As the time for the annual concert of the academy musical clubs approaches, it is fitting that the school's attention be drawn to a full understanding of what this concert means, and the fact emphasized, that it is appealed to as a school, to lend its willing and generous support to make the affair a success. The musical clubs are as distinctly school organizations as the various athletic associations that the fellows are called upon to support and forming, with the dramatic entertainment, the only means of diversion for the winter term, are deserving of the recognition and hearty co-operation of every fellow in school.

A school without a musical organization is lacking in a feature of school life which, even the most insignificant institutions, to say nothing of one like Andover, regard as almost indispensable, and it should be a source of much concern to the school to learn of the critical condition of our clubs and the likelihood of losing them if the fellows don't improve as regards their proper support from the fellows.

Last year there was a mere handful of school fellows at the concert and the clubs rendered a program that no organization of the kind had need to be ashamed of, to a small audience of townspeople only. Fellows, while it doesn't take as much money to run these clubs as the various athletic associations require, we have to have sufficient funds to keep out of debt, and we depend almost wholly upon this concert for that money. Of late years the receipts have been inadequate to cover all expenses and the clubs have yearly become more deeply involved, until it has arrived at that state where a clearance is required or else the clubs' dissolution, and we are certain every right-minded fellow will assist us in preventing such an embarrassment as the latter extremity. We have reduced the price to the very reasonable one of fifty cents for any reserved seat in the house, a price within reach of all. We claim it to be the duty of every fellow in school to buy one of these tickets, and we appeal to each and every one to fulfill that duty.

It is not for mere gratuitous support that we ask; every fellow on the several clubs has been working hard and conscientiously since September,

and a concert has been prepared that would reflect credit upon any organization; a concert more than worth the price we ask for it.

The concert will be given Friday evening, March 16; the tickets to be on sale at the Andover Bookstore on and after Monday, March 12, and we make a last appeal to the fellows to make the sale a heavy one.

W. B. Jordan,
Manager.

BOARD OF EDITORS.

H. H. STEBBINS, Jr. '00.
L. P. REED, '00.
T. D. THACHER, '00.
W. C. MATTHEWS, '01.

Published every Wednesday and Saturday during the School year.

Terms: \$2.00 Per Year. Single Copies 5 Cents.

THE PHILLIPIAN will be devoted to matters of interest to the members of the Academy and graduates. All matter intended for publication must be signed by the writer's name.

NOTICE TO ADVERTISERS.

To insure change of advertisement, copy must be received for Wednesday not later than Tuesday noon; for Saturday, not later than Friday noon.

ENTERED AS SECOND-CLASS MATTER AT THE ANDOVER POST-OFFICE.

THE ANDOVER PRESS.

Saturday, March 10, 1900.

Now that the term is drawing to a close, a great deal of stress should be laid on the fact of getting off conditions for the members of the dramatic and musical clubs. There is very little time left for this and every fellow who intends to take part in the concert or the Dramatic club entertainment should work hard from now on, in order to make these affairs successful. The concert comes off in less than a week and the play in less than a two weeks, and unless all the members of two organizations are clear at that time, it will greatly hinder their success.

Dramatic Club.

Daily rehearsals for the Latin Play are being held by Miss Barrows. A number of the parts are assigned and everything seems to be progressing favorably.

At first it was feared that there would be some trouble because some of the principal participants had conditions. In nearly all these cases however the conditions have been removed so there are now no difficulties in this line.

The first performance will come off on the evening of Thursday, March 22nd and the second and last performance two weeks from this afternoon.

Inquiry Item.

On the evening of the fifteenth of March Mr. O. S. Gardner, Princeton 1901 will address the Society of Inquiry on "Some of the Different Phases of College Life." Mr. Gardner is secretary of the Princeton Y. M. C. A. and an exceedingly interesting speaker. His remarks are sure to be of interest to all the school fellows and especially those who are going to Princeton and it is hoped that he will have as large an audience as possible at that time.

On the following morning he will address the whole school in Chapel.

Notice.

All "Grinds" for the *Pot Pourri* must be handed in by March 15th. A prize of five dollars will be awarded for the best set of "grinds," and two copies of the *Pot Pourri* for the second best set. Poetry will be considered to a large extent.

Yale and California will have a dual
track meet in New Haven, April 28th.

At a meeting in Chicago of the leading
universities of the country, called by the
University of California, it was decided
to unite in a permanent organization in
order to establish and maintain universal
standards for the various graduate de-
grees.

Mr. Nichols, the Yale university base-
ball coach, arrived in New Haven last
Monday and is now engaged in training
the battery candidates.

The New England Intercollegiate Ath-
letic Association has decided to hold its
annual track meet in Worcester, in May,
as in former years.

The annual Harvard interscholastic
tennis tournament will be held on Jarvis
Field, Cambridge, May 29.

The Harvard base ball team will take
its annual Southern trip during the Easter
vacation.

Jay C. McLaughlin, P. A. '94, is secre-
tary of F. A. Goodrich & Co., iron and
steel brokers, Detroit, Mich.

Alan Fox, P. A. '99, Y. '03, has been
selected as one of the three leaders of the
Freshman debating team, of the Yale
Sophomore-Freshman debate.

Scribner & Co. issue a story of life at
Yale, entitled "Boys and Men." It is by
Richard Holbrook, instructor in French
and Latin, a graduate of this Academy in
1889.

Isaac N. Swift, P. A. '94 is with the
Ypsilanti Gas. Co., Ypsilanti, Mich.

The Princeton hockey team has been
given permission to bear the title of the
Princeton University Hockey Team.

The Yale-Princeton debate will be held
at Princeton on May 8th. Princeton will
choose the question and Yale will have
the choice of sides.

Dr. Herman S. Davis, P. A. '87, Prince-
ton '92, has been put at the head of the
Computing Division of the U. S. Coast
and Geodetic Survey, at Washington.

An attempt was made to scale East
Rock near New Haven, from the ocean
side, by M. McBride the captain of the
foot-ball team and R. J. Schweppe P. A.
'96, which proved almost successful.
This rock has been scaled, only by expert
mountain climbers.

Hiram Bingham P. A. '94, is a graduate
student in the University of California,
studying History and Political Science.

According to Cornell's base ball sched-
ule, recently announced, Andover will play
Cornell at Andover on June 1st.

McCracken, of Pennsylvania, recently
broke the world's record for throwing the
discus, by 7 feet, 11 1-2 inches. This
was done at Franklin Field, Phila.

There has been a great deal of dissatis-
faction expressed at Yale about holding
the annual supper of the Senior Class, at
Savin Rock. The greatest objection to
this is the fact of Savin Rock's reputation
as an immoral resort, and many of the
Seniors do not care to go there for this
reason. It is hoped that some satisfactory
end will be put to this affair.
