BASKET BALL

Andover, 43; Harvard, '05, 29.

Andover defeated Harvard '05 at basketball last Saturday evening in the Town hall by a score of 43 to 29. Considering the fact that it was Andover's first game, the team played remarkably well, especially the forwards and centre. The playing was fast throughout the game, but was somewhat delayed by fouls on both sides. McGovern, Thompson and Schildmiller did the best work for Andover; and Randal and K. Smith excelled for the visitors.

FIRST HALF

The game was called at eight o'clock, and a few seconds after the play began McGovern threw the first goal for Andover. The playing was fast and both sides scored frequently. A number of fouls gave Harvard free throws for baskets, from which they scored 4. Score at the end of the first half: Andover, 18; Harvard '05, 13.

SECOND HALF

For the visitors, K. Smith was substituted for Dapping at forward, and Dapping took Smith's place at guard, no changes being made in Andover's line-up. K. Smith scored soon after the game recommenced. McGovern did some fast work throughout the half, scoring six goals. Both made one goal from fouls, and K. Smith ended the scoring. Final score: Andover, 43; Harvard Fresh, 29.

Physical Director Has Arrived.

Mr. Horace D. Bellis, the new physical director and gymnastic instructor arrived yesterday and is now staying at the Mansion House, until his permanent installation at No. 7 Bartlet Hall.

Mr. Bellis lives in Trenton, N. J., and prepared at the State Medical school, where he captained his foot ball, track, basketball and gymnastic teams. He then prepared for gymnastic instruction at the New Jersey Manual school. Upon graduation he was at once engaged as an assistant instructor at the 23rd St. Gymnasium, N. Y., which position he has held for the last three years.

Mr. Bellis was watching the basket ball practice yesterday and expects to coach the team a little while this afternoon.

Fencing Class.

Mr. Engel will begin a second series of twelve lessons in fencing next Saturday. From this time on he will be here every Tuesday and Friday during the whole day, so that those who cannot conveniently take their lessons with the class from 3.30 to 5.30 in the afternoon, or prefer to have individual lessons, may take them sometime during the morning. All those who wish to take up fencing either as specials or as members of the class must see L. G. Howard, before next Friday. The fencing will continue to be carried on in the chapel until the room for fencing in the new gymnasium is ready for use. The price for twelve lessons is ten dollars. Sabre fencing will be taught in connection with the foil during the latter part of this series.

NEW GYMNASIUM.

Apparatus for the New Gymnasium is in Town.

The apparatus for the new gymnasium which has been selected by Dr. Anderson of Yale has at last arrived and will be taken to the building this morning. Spaulding & Co., have been given the contract for putting up the apparatus and it is expected that the gymnasium will be ready for use by the first of next month. No definite arrangements have yet been made as to the scheduling of classes etc., but the work is to be compulsory and is to be divided into classes in some way. There will also probably be some time in which any one may use whatever apparatus he may wish.

Demerit marks will be given for cuts, but track and baseball men, or any who are actively engaged in some kind of athletics will be excused from the compulsory work. The list of apparatus includes the following:

3 vaulting bars, 1 suspended horizontal bar, 20 triple chest weights, with leg machine attachments and wrist rolls, finger machines, quarto circle, Anderson chest developer, wrist machines, wrestling machine, windlass machine, travelling parallels, foot and ankle machine, 3 vaulting horses, 3 vaulting bucks, 3 sets of parallel bars, 1 wall hitch and kick, 1 set of chest bars, 3 spring boards, 3 sets of vaulting and jumping standards, 1 set of low parallel bars, 3 incline boards, 2 abdominal mats, 3 jumping boards, 1 pole vaulting set, 3 sets of flying rings, 8 travelling rings, 2 striking bag disks, 2 striking bags, 3 single trapezes, 50 pairs of dumb bells, 60 pairs of Indian clubs, 1 abdominal table, an entire basket ball team outfit, 3 medicine balls, mats etc.

All the apparatus can be temporarily removed from the floor except the chest weights.

Forum will hold its annual banquet in the Mansion House on Saturday evening, March 8th. Preparations are now being hastened and it is expected that the affair will be one of the most successful Forum has ever held. Pres. Bale will act as toastmaster. Prof. Forbes, an honorary member of Forum, and Pres. Carter of Philo will make speeches. Many of the graduate members of Forum have promised to be present.

The price is one dollar per plate. All those who wish to attend must hand in their names with the fee to either Bale, Nichols or R. H. Gillis.

Alumni Dinner.

The eighth biennial reunion of the Alumni association will take place at the Hotel Vendome, Boston, this afternoon at 5 p. m. Besides the speakers already announced, will be Mr. James Hardy-Ropes, the principal-elect, and Edward Everett Hale.

All seniors are invited. Those who wish to attend must see Mr. F. E. Newton and make arrangements with him.

Concert at Lowell.

The Glee, Banjo and Mandolin clubs gave their annual concert in Colonial hall, Lowell, last Saturday evening before a small but appreciative audience. The clubs left Andover on the 5.46 train, arriving in Lowell at 6.20. The concert began at 8 o'clock. The audience, although not as large as was expected, was enthusiastic and encored every piece. As usual, the clubs were handicapped by the loss of many members on account of conditions.

Following the concert the seats were cleared from the floor and dancing followed for the remainder of the evening. About 30 young ladies from "Roger's Hall" were present during the concert but were unable to remain for the dancing on account of Lent. The clubs left the hall at 11 o'clock, taking the 11.25 train and returning to Andover at 11.58.

The program was as follows:

The choice of physical director and gymnastic instructor is one which will meet the approval of all. Mr. Bellis comes well recommended and with the advantage of a special training for physical instruction and the experience of several years. He is a man who will undoubtedly enter at once into the life and spirit of the school, and is fully competent to coach the football, track, basket ball and gymnastic teams. With his advent, new life seems already to have been put into the work on the new gymnasium. He has taken hold promptly and will get all the apparatus in the building this morning. With Mr. Stearns and Mr. Bellis to coach our athletic teams, we are indeed well provided for.

Inquiry.

The meeting last Sunday evening was addressed by Mr. Richard Edwards P. A. '97, Yale '01. He said in part:

"Human life is a mystery, and we see more of it every day. Science and education have been striving for centuries to solve the great questions. These are all mysteries over which we have no control but there are mysteries or secrets in the heart of every man."

Mr. Edwards then quoted Browning as saying: "In the teachings and sayings of Jesus Christ I find a solution of all the riddles of human life."

"Cowardice is one of the greatest sins of college life, for most fellows are afraid to make their lives transparent and allow people to see their true motives. Every man has secrets in his heart which he never reveals even to those dearest to him and when you fellows get through college you will have many more than you have now. Let us therefore be pure and clean so that we can show our inward life to all men without fear." Mr. Edwards closed with a prayer.

A business meeting was held immediately after the service and M. B. Gurley and H. Ferry were chosen to represent the school at the Student Convention at Toronto, Feb. 26, to March 2. A special train will be made up for the Convention at Springfield, on which each of the larger universities will have a special car.

Sunday Services

The Chapel services next Sunday will be in charge of Rev. Edward M. Noyes of the Congregational church of Newton Centre, Mass. Mr. Noyes graduated from Yale in '84.
