BASKET BALL.

Andover, 40; University of Boston, 11.

The new gymnasium was opened last Saturday night to the public by a basket ball game between Andover and Boston University. Andover easily won by a score of 40 to 11. Over 250 people witnessed the game from the running track. Andover easily outclassed her opponents in team work and goal shooting. This is the last game of the season and the seventh consecutive victory for the team, which has won every game.

McGovern and Clough played the best game for Andover and Tucker excelled for the visitors:

FIRST HALF.

The game started at 8:15. At first both teams seemed evenly matched and the score for a while was close. Thompson threw the first goal for Andover, Baker for Boston, and McGovern scored soon after. Fast playing characterized the half. Clough, Thompson, McGovern and Tucker each scored. The score at the end of the half stood, Andover, 16; Boston, 7.

SECOND HALF.

In this half Andover outclassed her opponents at all points of the game and scored almost at will. Schildmiller was the first to score and McGovern followed with four successive goals. Cary made the last goal for Boston. Towards the end, both teams seemed tired, on account of the large floor space, and the game became slower. After goals by Thompson, McGovern and Schildmiller, time was called with a final score of Andover 40; Boston, 11. The summary:

ANDOVER	BOSTON UNIVERSITY
McGovern	1 f Tucker
Schildmiller	r f Baker
Thompson	c Carr
Silleck	l g Stone
Clough	r g Merritt

Score—Andover, 40; Boston University, 11. Goals from floor—McGovern 7, Thompson 3, Schildmiller 2, Clough, Baker, Tucker, Carr, Goals on fouls—McGovern, Tucker 2.

Record of the Hockey Team.

The following is the record of the most successful hockey team that Andover has ever had. The season ended on account of the weather, leaving several games unplayed. Among other games the score of 4 against the Harvard 'Varsity's 6 is noticeable, and the victory of 7 to 4 over Brown. Three Harvard class teams and M. I. T. were also defeated. Great credit is due Capt. Dousman for his able management and Manager Carter for his excellent schedule.

INQUIRY.

Over 200 Addressed by Mr. Cutts Last Sunday.

The largest meeting of Inquiry since the founding of that society was addressed in the Chapel last Sunday evening, by Mr. O. F. Cutts, of Harvard. Mr. Cutts had an easy but forcible delivery, holding throughout his talk the closest attention of all present. He said in part:

"I want to talk to you to-night chiefly about character, for it is by our character that we are judged. I have made up a football team of the different elements of character, to illustrate my point.

In the center I should place Earnestness, for it must meet the attack of all the temptations of our life. At right guard I should put Temperance, and at left guard Fidelity to High Ideals. Earnestness without temperance and fidelity to high ideals is useless. These three qualities must always play together. The position of right tackle would be filled by Courage to Do, and left tackle, Courage to Refrain from Doing. I do not dare to say which one is the more important. At right end I should play Caution and at left, Confidence, really another word for faith. Confidence is the belief that the world is getting better. You all know that the end men must get into every play and so caution and confidence should be exercised throughout life. At quarter back, and you know what a vital place that is, I should place Virtue. Ruskin says "Virtue means not strength, but the vital energy of the heart."

All plays started by Earnestness are controlled by Virtue. The half backs would be Energy and Enthusiasm. Everything that is worth doing at all is worth doing well. At full back I would place Truth, for it must be in

every play and is essential throughout life.

Now this character team is not composed of all the important elements of character. You must have substitutes and another team to train it. It must also have a "coach." If each element does its duty you will be sure to have a strong team. Right here in school you are laying the foundation of your life and we must be well trained to play the harder games of later life. If you find you are weak in temperance, you should strengthen it. One habit weakens your powers for the resistance of others. There are three reasons why Christian Character should be developed.

(1st.) It is natural for every race to worship something. (2nd) It is better for us and (3rd) It is better for others and for the world. We each owe the world life and the best that is in us. Either directly or indirectly every action of ours influences someone else. This certainly increases our responsibility in life."

Mr. Cutts closed by reciting a forceful poem on Character and Defeat.

Notices.

TRUNKS—All trunks must be ready at four o'clock today for collecting.

GUITAR CLUB—Important meeting in Room 4 at 12 o'clock for election of new leader.

SENIORS—All who have had their pictures taken are requested to bring them to chapel tomorrow.

BASEBALL—The following men report on Salem street campus at 4 o'clock: Brown, Bird, Beach, Baker, Bannwart, J. A. Campbell, Clough, Carter, Davol, Dwyer, Dousman, Foster, Gilchrist, Hodge, Huiskamp, Scribner, Taylor, Silleck, Washington, Kéney, Townsend, White.

INTERSCHOLASTIC MEET

Won by Worcester High, Worcester Academy Second and Andover Third.

At the annual Indoor Interscholastic Meet, last Saturday afternoon, in Boston. Andover secured third place, with a total of 12 points. The score was made up of one first, two seconds and a third. The meet was won by Worcester High, with Worcester Academy second. Exeter was fourth. For various reasons the result of the meet does not show the real strength of the team. On the whole, however, the men made a good showing under the circumstances, and deserve great praise for their efforts.

Sumner and Watkins won their trial heats in the 40 yd. dash. Grant also qualified. Watkins failed to qualify in the second round of the semi-finals, as did Grant. Sumner qualified for the final heat, but was unable to get a place. The time of the 40 yards in the preliminary heat was very fast.

In the 300 yards run, Watkins was disqualified for alleged unnecessary roughness in breaking through on the first turn. This, without doubt, deprived Andover of three points at least and possibly five. R. Edwards qualified in the trial heat, but in the final was set back and was tripped at the start by a man in front, which made him unable to get a place. It certainly seems as though unfair discrimination was shown in regard to both Watkins and Edwards in the 300 on the part of the officials.

In the 600, H. Edwards ran a heady race in his trial heat and qualified for the final. He secured second place in the final heat after running a pretty race.

Nichols, in the 1000, showed up

BOARD OF EDITORS

L. J. PERRIN, '02, Managing Editor
 J. E. AYERS, '02, Asst.-Managing Editor
 S. H. CARTER, '02, Business Manager
 R. L. KEENEY, '02, E. B. CHAPIN, '03
 R. W. FERNALD, '03

The PHILLIPIAN will be devoted to matters of interest to the members of the Academy and the graduates.

All matter intended for publication must be signed by the writer's name.

Published every Wednesday and Saturday during the School year.

Terms: \$2.00 per Year. Single Copies 5 cents

Entered as second-class matter at the Andover Post-office.

THE ANDOVER PRESS

Wednesday, March 26, 1902

The PHILLIPIAN takes pleasure in announcing the election to the editorial board of Philip Loring Reed, '02, of Andover. There were some other candidates who, while their work was good, did not quite come up to the standard. To these we wish to extend our thanks and wishes for better success another time.

With this issue the senior board retires from active management of the paper. Since first undertaking the duties of our office, a year ago, we have endeavored to keep the paper up to a high standard and to make it a worthy representative of this school. In such a publication, mistakes are unavoidable, and we thank our subscribers for their kind toleration in this respect. It has also been impossible to please everyone, as there are some matters in which a paper must take a positive stand on one side or another. Consequently, we hope that those with whom the PHILLIPIAN may have incurred disfavor will realize the difficulties under which the editorial board has labored and make allowances accordingly.

For the coming year the PHILLIPIAN will be in charge of a competent management and we sincerely hope that they will be accorded the support which the retiring board has received. The senior board continues nominally in office for this term, but the active management will be in charge of the 1903 staff. We wish them all prosperity and success.

Musical Club Elections.

The elections of leaders for the three musical clubs, which were held recently, resulted as follows:

Glee—C. S. Scullin.
 Banjo—B. Cartwright.
 Mandolin—E. C. Boynton.

INTERSCHOLASTIC MEET.

remarkably well, and, although fouled repeatedly, came in fourth.

S. H. Carter, in the mile, ran well for eleven laps, but was unable to finish. Scullin failed to qualify in the 45 yds. low hurdles.

In the shot put, Kinney won first with a distance of 40 ft., 3 3-4 in., thereby breaking the record for that event. McGovern and McLanahan secured second and third respectively in the pole vault. McGovern was not in form and did not come up to expectations. He also failed to qualify in the high jump.

Spring Vacation.

At a faculty meeting last Monday it was decided to close recitations for the spring vacation at 11.50 A. M. tomorrow, instead of Friday. The examinations which were scheduled for Friday morning will come this afternoon and evening.

The third term will begin at 9.30 A. M. on Thursday, April 10, 1902. The 8.30 A. M. train from Boston, which usually makes its first stop at Lawrence, will stop that morning at Andover, arriving here at 9.10 A. M.

A banjeurine and leather case for \$5. A new lot of extra fine banjo strings just received. These strings are graded to suit the banjeurine or large banjo and are strong and true. It has been almost impossible during the last five years to obtain a first-class banjo string and I am more than pleased to get hold of a string that I can recommend.
