NEW DINING HALL.

A Great Success. Present Capacity Taxed to Its Utmost.

The new dining hall, into which the old gymnasium was built during this past summer, has certainly turned out to be a valuable acquisition to the school and a remarkable success in every way.

The work of converting the gymnasium into the dining hall was done by the J. M. Bishop Company of Boston and as a result of the alterations made, the building is now one of the finest dining halls in the country. The interior is finished simply but the effect is very pleasing. Twelve large white columns support the second floor and the tables are tastily arranged between them. The floor is of hard wood and the walls and ceilings are of a light tint. The hard wood finish is of quartered oak and the tables are dark, in keeping with the wainscotting. The building is thoroughly lighted by electricity.

The stairway near the Salem street entrance leads to the banquet hall above, and in the east wing, which is 31 x 33 feet, two stories in height, are the kitchen, serving rooms and bakery.

The culinary equipment was installed by the Duparquet, Huot & Moneuse Company of New York city, and is thoroughly up-to-date. Everything needed in a large modern kitchen and bakery has been supplied and everything possible has been done to secure the best service with the least labor.

The dining hall is under the charge of a governing board of seven, consisting of one member of the board of trustees, three members of the faculty, and three of the student body. A. T. Ripley, the new manager of the Mansion house, is also superintendent of the new hall. Students are not compelled to take their meals at the new dining hall but at present nearly 200 are taken care of.

The plumbing was done by W. H. Welch & Company, who also put in the ventilating apparatus and the gas fixtures.

A dishwashing machine has been installed which is said to be a remarkably successful invention. It is run by electricity, the motor being in the building, and the speed with which it will wash dishes makes the work of those in charge of the kitchen much lighter than usual in such a large dining hall. There are many other pieces of apparatus which reduce the work of supplying the students with food to a minimum.

An alumnus is to give a complete set of china service for use in the hall, each piece of which will be decorated with a blue band and the academy seal.

The old gymnasium structure was built in 1817 and from 1818-1842 it was the home of the "Latin" academy. From 1842 to 1865 it was used for graduation and other public occasions. In 1866 it was made into a gymnasium and served as such until June 23,

1896, when the interior burned.

Enough insurance was collected to put a new roof on the structure and later floors were laid, the ground floor being used for a baseball cage. Last year it was temporarily used as headquarters for the archaeology department.

No account of the dining hall would be complete if mention were not made of Mr. Sawyer's untiring labors at making it a success. He personally saw to the details and carrying out of the contracts. Especial thanks is also due to Guy Lowell of Boston, the architect, and J. M. Bishop & Company, the contractors, for the manner in which they carried out their work.

New Instructors.

MR. HOWARD V. BULLINGER.

Mr. Howard V. Bullinger, the new English instructor who has been added to the faculty on account of the resignation of Mr. Ford, was born in Philadelphia in 1878. He graduated from the Central High school of that city and then entered Haverford college, from which he was graduated in 1901. This past year he spent in taking a post graduate course at Harvard. He is especially interested in literary lines, having been editor of his college paper during his four year's course.

CHARLES E. MILLS.

Charles E. Mills, who has been added to the teaching staff as instructor in Latin and French, was born at Castleton, New York. He received his early training at Colgate academy, from which he graduated in '92. He undertook a broad course at Colgate university, graduating in '97. Mr. Mills was an instructor at St. John's school, Manlius, New York, for two years. He then took a year's post graduate course at Yale.

HORACE MARTIN POINTER.

Mr. Horace Martin Pointer was born at Shellyville, Kentucky. He finished his college preparatory course at Andover, graduating with the class of '96. While here Mr. Pointer secured his track "A" in the two-mile run. At Yale, from which he was graduated in 1900, he succeeded in getting his "Y" in the mile and half mile. In teaching Junior and Junior Middle Greek, Mr. Pointer takes Mr. H. G. Merrill's place.

Track.

In the absence of Captain Sumner track candidates were called out by ex-Captain Cates. The following men responded to the call:

R. A. Petit, L. T. Wilcox, C. Off, L. M. Chapin, T. W. Orr, J. Browning, T. A. Velie, G. M. Campbell, R. L. Paterson, R. L. Young, A. H. Nash, I. J. Stetson, R. S. Riley, G. R. Kissam, M. Stevens, J. W. Marshall, A. G. Williams, F. O. Bennett, E. B. Hall, J. G. Benbow, A. H. Burtch, S. Hodge, H. T. Capen, G. W. Martin, W. C. Love, S. N. Holliday, R. H. McCurdy, C. W. Fry, E. L. Fouts, S. C. Everingham, D. S. Phelps, M. K. Smith, and C. B. Kelley.

FOOTBALL GAME

With Needham Athletic Club This Afternoon on the Andover Campus.

The first football game of the season with the Needham Athletic club will take place this afternoon at three o'clock. Last year the game resulted in a tie, neither side scoring. The contest this afternoon will probably be a hard fought one as Needham has five of last year's eleven in the field again this year. The Andover squad is asked to report in front of the Academy building at 2.30 sharp.

The line-up of the two elevens will probably be as follows:

ANDOVER		NEEDHAM A. C.
Cates	le	Whetton
McClellan	lt	Lynes
Andrews	lg	Henderson
Conrad	c	Gillespie
Thompson	rg	King
Lewis	rt	Lemoyne
Watkins	rc	Mills
Walker	qb	Falvey
Humbird	lhb	Donahue
Cranmer	rhb	Hill
Bullock	fb	Skelton

It is urged that every fellow in school, who can possibly do so, will turn out to support the team this afternoon by his presence and by his cheering.

Blue Book.

Two important changes in the rules and regulations of the academy are contained in the "Blue Book" for this year. These went into effect at the beginning of the school year. The changes refer to sickness and out of town excuses.

Sec. 3. "In all cases of indisposition not requiring a physician, notice must be sent at once to the registrar's office. Petitions covering such absences must be signed by the physical director. To insure their acceptance, such petitions must be deposited immediately upon the student's return to school work. Petitions received later than one week after the student resumes his school duties will be rejected wholly or in part."

OUT-OF-TOWN EXCUSES:

"Such excuses are given on half holidays only. Requests for out-of-town excuses must be given by the student to the vice-principal at the close of morning chapel on the day for which the excuses are desired. Results of these requests may be secured at the registrar's office during the regular office hour. Report at the principal's office in person immediately after return.

Exeter Ties.

In the first game of the season Exeter tied with New Hampshire college, with the score of 0 to 0. The line-up of the Exeter eleven was as follows: Leigh, le, Brill, lt, Marshall, lg, Dillon, c, MacFadyen, rg, Clark, rt, Holtzman, re, Harris, qb, Draper (Syphax), lhb, Lawrence (Hornel), rhb, Peyton (Jenkins), fb.

FOOTBALL—Squad report in front of Academy building at 2.30 sharp.

Obituaries.

STANLEY BRAYTON.

Stanley Brayton P. A. '1900, was taken suddenly ill and died, in Caux, Switzerland on the thirty-first of July, 1902. He was the son of Mr. H. F. Brayton of Fall River, Mass. He attended Andover for two years, then spent a year at the Belmont school and was successful in his Harvard preliminary examinations. To finish his college preparation he again entered Andover, this time as a senior in the class of 1900. Shortly after entering, however, he was suddenly taken sick and was obliged to abandon his studies. In time his health was so improved that he was able to go into business, and this Spring he joined his family in a European trip. While in Switzerland his old sickness returned and on July 31st he died. He was very highly esteemed and his sudden death is mourned by all who knew him.

CARL CARTER.

Carl Carter, P. S. '05, died at his home in Erie, Penn., on Friday evening, Sept. 19. Carter had been obliged to leave school last spring because of an attack of grippe. He had entirely recovered his health, however, and had completed all of his plans preparatory to returning to the school this fall, when he was attacked with typhoid fever which resulted in his death.

During his short stay in Andover Carter had made many friends and had endeared himself to those who knew him best, by his genial manner and kind hearted disposition.

CHARLES BARNEY GOULD.

Charles Barney Gould, P. S. '97, died last Thursday morning, at Montclair, N. J. As a member of the 3rd U. S. Cavalry he served in the Spanish war, and was present at the attack upon San Juan hill.

The PHILLIPIAN will be devoted to matters of interest to the members of the Academy and the graduates.
 All matter intended for publication must be signed by the writer's name.

Published every Wednesday and Saturday during the School year.

Terms: \$2.00 per Year. Single Copies 5 cents

Notice to Advertisers

To insure change of advertisement, copy must be received for Wednesday, not later than Tuesday noon; for Saturday, not later than Friday noon.

Entered as second-class matter at the Andover Post-office.

THE ANDOVER PRESS

Saturday, September 27, 1902

We wish to call the attention of members of the underclasses and particularly of the Middle Class, to the "heeling" contest now going on for positions on the editorial board of the PHILLIPIAN. The present term offers an excellent opportunity to all who are desirous of making the paper, as the board at present is composed entirely of seniors and the management of the paper is usually handed over to the middle class men at the beginning of the Spring Term.

Forum.

The regular meeting of Forum last night was opened in the usual manner. Beinecke was first on the program with a select reading, after which Otis gave Topics of the Week. O'Connor followed with his Draper Prize declamation.

Interesting addresses were then given by Mr. Goodhue, Prof. Forbes, and President Day of the Seminary, after which the meeting adjourned.

Gymnasium Work.

Gymnasium work will be compulsory this year, but no classes will be formed for indoor work until the cold weather causes outdoor sports to be dispensed with. In the meantime every fellow will be expected to come out for something, and classes and teams in various outdoor sports will be formed with regard to weight, height and strength.

Appointments for physical examinations can be made with Dr. Page at any time and gymnasium locker keys may be secured from him upon the deposit of one dollar.

Bible Class.

The first meeting of the Bible class was held in Society hall last Thursday evening, from 8 to 8.30 o'clock. Mr. Oveson was present to lead the meeting. The work to be taken up this year is the study of the conversations of Christ as they occur in the Book of John. No text book other than the Bible will be used and no outside study is required.

Class Meeting.

At a meeting of P. A. 1903 held last Thursday noon, the following officers were elected for the fall term:

- President—J. Reynolds.
- Vice President—S. R. Overall.
- Secretary—S. F. B. Morse.
- Treasurer—R. W. Fernald.

Fall Baseball.

Yesterday noon the candidates for the baseball team were called out for fall practice. The following men reported:

Bassett, Garver, Taylor, Platt, Shoemaker, Gilchrist, Davol, Kinney, Slade, Woodbury, Brown, Proctor, Stillman, Ramsel, Hodge, Everingham, Guerny, Lerch, Townsend, Baker, Hobbs, Boynton, Anderson, Delano, P. A. Lerch, Cox, Chapin, Hayes, Love, Cushman, Stevens, Pierce, Monahan, Vieder, Schildmiller, and McClellan. Clough, last year's first baseman is acting as temporary captain in the absence of Huiskamp.

Philo.

The regular meeting of Philo was opened with the Lord's prayer. After the reading of the minutes, the following names were proposed and accepted for membership: Squires, F. M. Jones, Whitney, Odlin, Holliday, Thornton, H. Montgomery, Bishop, N. Peters, R. W. Woodbury, Kennedy, Proctor, Price, Shaffer, Van Brunt.

An exceedingly amusing select reading by Richardson was followed by the debate, Resolved: "That the coal miners are justified in striking." Kitchel supported the affirmative, assisted by Bishop and Kennedy; negative, Elliot, assisted by Jones and Squires. Vote before debate was affirmative 10, negative 5; and after the debate, affirmative 5, negative 5. The decision of the president was in favor of the negative. After the critique by Kelley, the meeting was adjourned.

The football management has announced the cheering staff for this fall as follows: Clough, leader, Chace, Hurlburt, Moore and J. Jones.

The Heating Plant.

The latest of the improvements which are making Andover one of the best equipped schools in New England is the Heating plant now under construction back of English Commons. The two large boilers to be placed there this year will be in running order about the middle of next month and will furnish heat to the main Academy building, the Science building, the Treasurer's office, the Archaeological building, and the Draper and Bancroft cottages. Room has been left in the building for the two boilers now under the church and when, in a year or so, these are set in place, the Seminary buildings, the Gymnasium, the Dining hall and the other cottages will be heated from this one plant. The steam mains, now being put in are large enough to permit the heating of any new buildings. The most noticeable part of the heating plant will be a huge chimney 115 feet high which will stand some 60 feet above Draper cottage.

Elections.

At a school meeting held in Chapel last Thursday morning, S. Hodge was elected assistant manager of the football team and W. H. H. Cranmer was elected manager of the track team.

Police Force.

The following men will compose the police force this fall: S. Hodge, S. E. B. Morse, J. D. Liggett, M. W. Alworth and D. G. Cutler.

The trials for the Golf team were held Wednesday, and the following men qualified: Moore, Brown, Sheldon, Bennett and E. A. Brewer. The first match will be played today with the town team.
