## TOWN TEAM WINS.

P. A. Defeated 2-0 in the first Hockey Game of the Season.

Last Saturday the P. A. hockey team met defeat at the hands of a picked town team in its first game. The score was 2-0. As the team is necessarily at an early stage of development, team play was almost altogether lacking and there was no brilliant individual play. The town team was greatly strengthened by the presence of P. L. Reed, P. S. '02, P. R. Reed, P. S. '03, who was captain of the P. A. team last winter; and P. W. Foster, P. S. '02. Nolan for the town team played a strong game doing all the scoring. The ice was very soft making a fast game impossible.

### FIRST HALF

Until about the middle of the half the puck was pushed from one end of the rink to the other, neither team being able to secure the advantage. In a mix-up in Andover's territory Nolan shot a goal, and a few minutes later secured another. There was no more scoring during the game. Shortly before the end of the half, Andover nearly scored but the puck was stopped squarely between the goal posts.

### SECOND HALF

The only changes in the line-up were that Naething went in at goal and Brennan at point. The half was short and uninteresting.

### Summary:

ANDOVER		TOWN TEAM
Dillon	} forwards	Nolan
Hodge		P. L. Reed
Clark		P. R. Reed
Howard		Thompson.
Brown	coverpoint	Foster
Stuart, Brennan,	point	Barton
Beinecke, Naething,	goal	Lynch
Score—Town team 2, P. A. 0.		
Goals—Nolan 2. Umpire—Hitchcock. Timer—Thompson. Halves—15 and 10 min.		

### Yale's Captain.

James J. Hogan, '05, of Torrington, Conn., was unanimously elected captain of the Yale 'varsity football team for the coming year at a meeting of the players Monday night.

Hogan has played right tackle on the 'varsity for three years. He is 24 years of age, five feet, ten inches in height, and weighs 200 pounds. He prepared at Phillips Exeter academy.

### New Cafe.

At the new cafe which will be opened at "The Phillips Inn," about December 15, may be ordered breakfast from 7 to 9.30 A. M., lunch from 12 to 1.30 P. M., dinner from 6 to 8 P. M., and sandwiches, tea, coffee or chocolate from 4 until 8 P. M. The new club dining rooms will be opened at the beginning of next term. See Mr. Ripley before the term closes, as there are only a few seats left.

Orchestra rehearsal at 1.30 p. m.

## Forum.

A meeting of Forum was held last Saturday evening in the Archaeology Building. Before the literary program was taken up it was voted that the customary gavel be bought for the retiring president. Monahan then rendered a select reading entitled, "King Robert of Sicily" from Tales of a Wayside Inn, by Longfellow. This was followed by the debate on the following subject: Resolved, "That immigration laws be more restrictive." The affirmative was supported by Hamilton and Bloch, while Parks, assisted by Brunson, upheld the negative. Goldsmith and Moore spoke from the floor on the affirmative side and Bardwell on the negative.

The vote on the merits of the question resulted 12 to 2 in favor of the affirmative and after the debate on, the merits of the arguments presented, unanimously in favor of the affirmative. The president gave his decision to the negative. The meeting adjourned after a critique by Bigwood.

### Forum-Philo.

There will be a joint meeting of Forum and Philo next Saturday evening at 7 o'clock, in the lecture room of the Archaeology building. A large attendance is desired as a joint meeting will prove very interesting. The program for the evening will be as follows—

Critique—Mr. Stearns.  
 Declamation—Starks.  
 Address—Hemingway.  
 Select reading—Goldsmith.

The subject for debate will be, "Resolved, "That the policy of the United States in Panama is justifiable."

The affirmative will be upheld by Eaton assisted by Frost.

Bigwood and Brush will take the negative side of the argument.

### Inquiry.

The Society of Inquiry held its regular meeting last Sunday evening in Society hall. There was an unusual large attendance, about fifty fellows being present. H. M. Brush acted as leader and spoke a few words to those present on keeping the Sabbath. The meeting was thrown open and about fifteen fellows gave short talks, which were very effective. The closing hymn was sung and the meeting was closed. It was announced that a Bible study class will begin on Wednesday evening, which will be conducted by Inquiry. A number of those present decided to join the class.

### Notices.

There will be no Bible class meeting as planned by the Society of Inquiry for this evening.

Gold watch was lost near Dining hall. Finder will please return to Registrar's office.

## Basket Ball Game.

Andover met the basket ball team of Perry Institute, last Saturday afternoon, and defeated them by the score of 44 to 6. The home team had the advantage over the visitors in weight and excelled in team play, that of the visitors being ragged at times. Andover did the greater part of her scoring in the first half and as a result of this tried out some of her substitutes in the second half. Andover deserves credit for her work, as the team play was all that could be expected for so early in the season. Humphrey, Cushman and Kinney played their usual game for Andover while Dodds put up the best game for the visitors.

### FIRST HALF

The half started out with a rush and Dodds secured the first goal from the field for the Institute. After a few minutes of passing the ball Dods threw a basket for Andover tying the score. Kinney, Cushman and Capen followed with three more field goals. Humphreys then succeeded in throwing three baskets in quick succession. With good team play Kinney secured six more points for Andover. The visitors seemed to lose heart but they braced a little and Andover was given a chance to display her team work. Humphreys added two more baskets and Cushman followed with a goal from the field. For a time Andover kept making goals, the visitors being unable to locate the ball. Near the close of the half McGovern threw a pretty goal from the field and Capen followed with another basket for Andover. The half closed with the score, Andover 30, Perry Institute 4.

### SECOND HALF

In the second half Ellis went in for Capen and Forbes was substituted in place of Kinney, and Murphy for Dods. There were no changes in the visitor's line-up.

Murphy again started the scoring for Andover. After a few minutes of play Cooney secured a goal for the visitors. Again with fairly good team work Ellis and Humphreys added two more goals. The Perry team lagged quite a bit at this point and their team play was very ragged. Here Murchie was substituted for Humphreys who retired after adding two more points for the home team. Three more goals were made for Andover before time was called. Score Andover 44, Perry Institute 6.

### Line-up:

ANDOVER		PERRY INSTITUTE
Humphreys (capt)	rf	Courtland (capt)
Murchie		
Kinney, Forbes	lf	Harlon
Dods, Murphy	c	Dodds
Cushman	lg	Cooney
Capen, Ellis	rg	McGovern
Goals from floor, Dods, Kinney 4, Humphreys 7, Cushman 2, Capen 2, Murphy 8, Ellis, Murchie. For the visitors, Dodds, McGovern, Cooney. Referee—Chas. C. Clough. Timer—Campbell. Time—two 20 minute periods.		

Next Saturday evening Andover will play the Brockton Y. M. C. A. team at the gymnasium. The game will be called at 8 p. m.

## Vaudeville.

The vaudeville show to be given next Friday evening in the Town hall promises to be a very interesting affair. The various clubs of the school will participate in the evening's entertainment. There will also be gymnastic feats by a few students and a farce by the Dramatic club. In view of this, an excellent program is promised as the different participants have been working diligently.

The farce given by the Dramatic club is written by T. M. Ware and G. P. Baker and is entitled "The Revolving Wedge." It seems that Mr. Thomas Martin is going to have his regular Thanksgiving dinner on the day of the Harvard-Pennsylvania game, and in view of this fact, he has invited several of his relatives to be present on that day. Everything goes contrary to Martin's wishes, as telegrams keep coming in to him, declining his invitation to dinner. The old man lightens up when an old friend of his, Doctor Brown, comes, but it appears that Brown has misinterpreted the invitation to be to attend lunch, and so Martin is again dissatisfied. The last hope for Martin's Thanksgiving dinner remains in Biddle, who it seems is a graduate of the University of Pennsylvania. Biddle in claiming victory over the Crimson arouses some of the old time Harvard spirit in Martin. At the last moment he decides to give up the customary Thanksgiving festivities and to attend the game in which his son takes part.

### CAST OF CHARACTERS.

THE ANDOVER PRESS

Wednesday, December 9, 1903.

It seems necessary to say a few words to the school about "snow-balling." This sport, or pastime, is all right in its place and should meet with no objection; but when it comes to a matter of destroying property it is another question. As a branch of recreation it is one which is popular and harmless, but lately there has been a great deal of annoyance caused by broken windows. Not only are windows broken, but the snow balls, after going through a pane of glass, often do considerable damage in the students' rooms. Now this may appear trivial at first sight, but upon a little thought, one can easily see the damage that may be done, and the discomfort that may be caused by this act of carelessness. It is hoped that hereafter the fellows will refrain "snow-balling" to the territories in which it is practicable without damage, and will not continue it in the careless and rather expensive and destructive way in which it has lately been carried on.

The PHILLIPIAN wishes to call the attention of the school to the Vaudeville Show which is to be given in the Town Hall next Friday evening by the various entertainment clubs of the Academy. As this year's performance is to be more representative of the school than ever before, it seems that it is nothing but justly fitting that the school should support this year's effort in this line, more than such an undertaking has ever before been supported by the student-body. Because of the various departments to be represented,—including the Dramatic Club, the Mandolin and Banjo Clubs, the School Orchestra and Glee Club, dancing and gymnastic fetes,—there will be something to suit the appreciative taste of all. During the entire term the various organizations have been working hard and faithfully in order that the coming event shall be a success. Especially conscientious has been the work of those who will give the gymnastic part of the program; this number on the program is an entirely new one, having never before been a feature of a school entertainment. Besides being an interesting feature, it will also give a good opportunity for an insight of the use and the development obtained from our gymnasium classes. The entire entertainment has aroused considerable interest among the townspeople so that there is every evidence that seats will be scarce. All Academy students are advised to secure their tickets at once at the Book-store.
