**Brown Defeats Andover in a Fast Game by the Small Score of 2 to 1. Andover Put up a Fine Game.**

The Brown University hockey team came up from Providence last Wednesday and played Andover that afternoon, on the meadow rink. The game was a close one and resulted in Brown's favor, 2 to 1. Both teams played a fast game; during the first half Andover kept Brown on the defense, but in the second half the play was more even. The result was in doubt up to the very last minute of play, each team fighting hard to the end. Andover was considerably weakened by the absence of Captain Hodge, but even under this handicap, played an excellent game. The rink would have been in fine condition, had not some water flooded the space around the south goal. Dillon played the best game for Andover, while Captain Hunt excelled for Brown.

### FIRST HALF

During the entire half Andover kept the visitors on the defense, but could not score, due largely to the water on the ice between the goal posts through which they were shooting. The water was about an inch in depth and made accurate shooting impossible. Finally, toward the end of the half, the Brown forwards carried the puck down the rink, and by good team work, scored, Lane shooting the disk between the uprights. That ended the scoring and time was soon called. Brown 1, Andover 0.

### SECOND HALF

At the beginning of the half, Marble took Chase's place as forward on the Brown team. Andover started off with a fierce rush, and after a few minutes of hard playing, Dillon shot a goal, tying the score. This served to make the playing of both teams still more aggressive and some fine work was done on both sides. Hard play continued for several minutes, neither side having any particular advantage until captain Hunt of Brown put his team in the lead by a clever shot. This proved to be the last goal of the game as time was soon called with the final score:

Brown 2, Andover 1.

Summary:

ANDOVER		BROWN
Naething	g	Hill
Brennan	p	Otis
Brown	c	R. A. Marble
Dillon		Chase (Marble)
Lanigan	} fds	Lane
Howard		Hunt (capt)
Cummings		Paine

Score—Brown 2, Andover 1. Goals, Lane, Hunt, Dillon. Referee—Hodge. Timer—Brewer. Time 20 and 15 min. halves.

## Boxing and Fencing.

The boxing and fencing teachers will be at the gymnasium this afternoon at 2 o'clock and all who intend to take lessons must report there at that time.

Track—Squad report from 2 to 3.

## Forum.

The regular weekly meeting of Forum was held last evening in the history lecture room at the Archaeological building. After the meeting had been opened in the usual manner it was thrown open for miscellaneous business; under this head it was decided to hold the trials for the Philo-Forum debate, on Friday evening, February 5. The following subject was chosen for the trials; Resolved, that strikes are beneficial to the laboring classes.

After this the meeting resolved itself into the Forum Senate. Congressman Miller of Pennsylvania introduced the bill, Resolved; "that the railroads of the United States be under governmental control." He was supported by Congressmen Brunson, Congressman Monahan, Bardwell, Goldsmith, Frost, Moore and Block opposed the bill. After some spirited debating the final vote resulted; negative 20, affirmative 0.

The program for the next meeting is:

Topics of the week—Rowley.

Declamation—Beers.

Extempore—Frost.

Debate: subject, Resolved, "that the establishment of free public libraries is a more worthy philanthropy than the endowment of colleges."

## Hockey.

This afternoon the hockey team will journey down to Cambridge where they will play the Harvard team at 3.30 on Holmes' Field. As Andover will have her regular team on the ice, a good game is expected. The probable line-up will be: Forwards, Hodge (Lanigan), Dillon, Cummings, Howard; cover point, D. Brown; point, Brennan; goal, Naething.

## Exeter Notes.

Daniel F. Luby, J. F. Macklin, and Henry T. Murphy, all '05, have left Exeter to enter Mercersburg academy. Exeter's track team is somewhat hampered by this as Luby, it will be remembered, won the hammer throw in our last meet with Exeter and also scored in the high hurdles. Murphy holds the interscholastic championship in the indoor 1000-yard run, and Macklin is also said to be a good track man.

Carlos F. Stoddard, P. A. '01, Yale ex-'05, of New Haven, Conn., is to wed Miss Landol Milliken, daughter of Prof. Milliken of Vanderbilt University. "Tod," while in Andover, was prominent in athletics, playing on both the baseball and the football teams. He is the son of E. G. Stoddard, president of New Haven County National Bank. He is also one of the richest wholesale grocers in New Haven. Miss Milliken has resigned from the Robert Edison "Ransom's Folly" company in which she has had a prominent part.

## Philo.

The Philomathean society held its regular Friday night meeting last night in Society hall. Instead of carrying on a regular literary program the meeting was entirely given up the trials for the Philo-Forum debate speakers. The subject discussed was, Resolved, "that the United States senators should be elected by popular vote." Each speaker was allowed the choice of the side on which he spoke, and was limited to ten minutes for argument. There were thirteen candidates, speaking in the following order, and on the side of the question designated as follows: Ferguson, affirmative; Fairbanks, negative; G. Burt, negative; Brush, affirmative; H. P. Burt, affirmative; McCurdy, affirmative; Richardson, affirmative; Olmstead, negative; Hemingway, affirmative; Bishop, affirmative; Kitchel, negative; Reynolds, negative; Fenderson, negative. After all the contestants had spoken, the judges, Principal Stearns, Professor Forbes and Mr. Freeman withdrew to make their decision. Five minutes were required to settle the selection, and then Principal Stearns, acting as spokesman announced the winners as:

Horace Hunn Hemingway, '04, of Little Rock, Ark.; Allan Morrill McCurdy, '04, of Andover, Mass.; Hamilton Mabie Brush, '04, of Greenwich, Conn.; and as substitute, Walter Richardson '04, of St. Paul Minn. It was a peculiar coincidence that all four of the winners spoke on the affirmative side of the question, also, all four are seniors. After the announcement of the winners, the meeting adjourned.

Next Friday evening a Philo senate will be held. Congressmen Hill, Starks and Clifton C. Clough will present bills.

## Inquiry.

The Society of Inquiry held a business meeting last Wednesday evening in Society hall. Mr. Knapp, as chairman of the Bible class committee, outlined the work to be taken up for the coming half year. The life of Paul will be studied. Sixteen evenings will be allowed for it so that it will be finished before the school closes in June. The meetings are to be informal and it is hoped that the members will get a great deal of good from them. The first regular meeting will be on next Wednesday evening in Society hall at 6.45 and a large attendance is requested. The meeting then adjourned. There were about twelve members present.

## Notices.

**BASEBALL**—Battery practice from 2 to 3.

**BASKETBALL**—Game tonight at 7.30 with Cushing Academy.

**SOUTHERN CLUB**—Meeting tonight at Hartridge's room, Butterfield house.

## Harvard-Andover Club.

The Harvard and Andover club held its third annual dinner at the American House, Boston, Wednesday, Jan. 20, at 6.30. It was in every way a decided success, for which great thanks is due the "committee on dinner," consisting of W. C. Matthews, chairman, with W. S. Sugden, C. C. Washburn and J. Reynolds as members.

The dinner was presided over by C. N. Coburn, who managed the evening's program in a very clever manner. The regular speakers were well chosen and certainly did justice to their several subjects.

Following is the list:

"Andover men in Harvard," H. S. Deming.

"Andover," A. E. Stearns.

"Business side of athletics," F. A. Goodhue.

"Freshmen," J. Reynolds.

Besides the regular speakers, several men were called upon, and they all replied with a few words. The dinner broke up with college songs and school yells.

Among those present were: W. C. Matthews, P. A. '01, P. N. Coburn, P. A. '98, W. S. Sugden, P. A. '99, F. Abbot Goodhue, P. A. '02, W. A. Schick, jr., P. A. '01, Harold S. Deming, P. A. '01, W. W. Thayer, P. A. '02, Edward N. Jenckes, jr., P. A. '02, Maurice J. Dorgan, P. A. '02, Bartlett Walton, P. A. '00, F. J. O'Connor, P. A. '00, William Wadsworth, P. A. '00, Roger Wilcox, P. A. '02, Sidney L. Kahn, P. A. '03, H. M. Trieber, P. A. '03, E. W. Baker, P. A. '00, Stuart Bleakie, C. C. Washburn, P. A. '01, Henry M. Dick, G. D. Sugden, ex-P. S. '04, N. P. Vollmer, J. N. Braastad, A. H. Burth, P. A. '03, J. G. Stetson, P. A. '03, John Benbow, P. A. '03, and A. G. Kahn, P. A. '03.

Those who attended from Andover were: Prin. Stearns, R. W. Brown, J. W. Marshall, Eustice Reynolds and Charles C. Clough.

## New York Alumni.

The annual dinner of the New York alumni association will be held Wednesday, March 30, at the University club at 6.30 p. m. Among the prominent men who have been invited to be present are Prin. Stearns, Sec. Moody, Sir Chentung Liang Cheng, Pres. Thwing, of Adelbert University and the President of the New York Phillips Exeter academy alumni association.

## Baseball at Exeter.

The following candidates have reported for the baseball team at Exeter:

1904—Becker, Clancy, Elwell, Harman, Corcoran, Dutcher, Nairn; 1905—Benton, Blake, Church, Clapp, Colron, Cook, Flock, H. V. Jones, T. A. Jones, Murphy, Sauder, Wallace; 1906—Dearing, Eldredge, Graham; 1907—Coomer, Fendleton, Porter, Tilton.

**THE ANDOVER PRESS**

Saturday, January 23, 1904.

The new institution at the gymnasium of holding "open night" every other Saturday evening, is a step in the right direction. For a long time Andover has needed something of this sort. Coming as it does, during the winter term, it occurs in the "deadest" term of the year, and will serve to brighten up affairs considerably by giving the school something for its entertainment, and those who take part, something to work for. Besides all this, it kill more than two birds with one stone. As before stated it gives entertainment to the school and to certain members something in which to take a great interest; it serves to bring the fellows into close relationship; it tends to relieve the unpopular routine of compulsory gymnasium work, and gives the school greater interest in it, and it is a fitting means by which to select the best gymnast in the school. This last honor is one to be proud of, and the reward for gaining that distinction is certainly a worthy one. The arrangement for these "open nights" was accomplished primarily for the benefit and entertainment of the student body, and it is hoped that the effort will be appreciated and well favored, not only by attendance at the various exhibitions but also by taking part and taking an interest in them.

The matter of leaving the baths at the gymnasium without turning off the water, is one that has been causing considerable trouble of late both to those who have the gymnasium in charge and to certain fellows who use the baths properly. It does not seem as though it should be necessary to mention this matter to the class of fellows we have here in school, but the cause demands it. The baths, the hot water etc., are there for the use of the school, and for a few fellows to use them in a heedless, selfish and thoughtless manner is certainly a culpable action; while this may not be done intentionally, nevertheless it causes just as much trouble as though it were. Let each man using the baths feel that he is enjoying a privilege which it is his duty to help preserve; and in the future let no one be so selfish as to forget there are others besides himself.

The Faculty have expressed their approval of the Junior Prom and all fellows who intend to go should hand in their names to one of the following: E. L. Fouts, R. R. Baker, T. Gordon, E. A. Dillon, D. Phelps. A fee of \$2.50 is to be charged and it is requested that these remittances be paid before Saturday, January 30, 1904.

## Basketball.

The game scheduled for this afternoon with Cushing Academy will be played tonight at 7.30 o'clock in the Borden gymnasium, instead of this afternoon. The contest promises to be a hard one as Cushing has a fine team this season and is playing a fast game. Last year Andover defeated Cushing 18 to 6 only after the closest kind of a struggle. This year Cushing has a stronger team than last. On last Monday they defeated the University of Vermont 20 to 11; Andover defeated the same team two days before 22 to 17; this goes to prove that tonight's game will be a close one. Andover's lineup is not, as yet, surely decided, but will probably be: Forwards, Humphreys and Kinney; centre, Dods; guards, O'lough and Cushman.

## Southern Club.

Tonight at eight o'clock there will be a meeting of the Southern club in Mr. Hartridge's rooms at the Butterfield house. The committee selected has drawn up the constitution and, as this matter will come up before the society, all members are requested to be present.

## Entertainment.

The second entertainment in the course of four which are to take place in the town hall during this month and next, will be given next Tuesday night, January 26, at 8 o'clock. The entertainment will consist of a lecture by Mr. Howard DuBois, with "The Canadian Rockies" for his subject. The speaker is a well known mining engineer and has had unusually excellent experience, thus giving him an uncommon insight regarding America's mountains. The lecture will be illustrated by a very valuable and extensive set of pictures. Tickets are now on sale at the bookstore at 50 cents each.

## Harvard-Princeton Game Off.

Harvard will not play Princeton at hockey to night. The old trouble of expenses has again arisen to break up Princeton's hockey team. This was Harvard's first game. Inasmuch as Princeton is at fault the victory goes to Harvard. Two games, accordingly, are the only intercollegiate games left. The Harvard-Columbia, next on the list, is scheduled for Jan. 30.
