## Criticism of Wednesday's Game.

Andover was slow in going down on kick-off. On receiving a kick-off men did not get to the runner and the big men failed to block. In the kicking game we were very weak. Punters hurried when they had lots of time. Ends were slow in going down and when down refused to dive at punt catches. Pierce's tackle late in first half was only noticeable exception to this.

Line men on the offensive were slow and opponents invariably got the jump on them. If Williston had been heavier our offense would not have made much ground.

Backs who first went in stayed well together but second set were very poor in this respect.

On handling punts the second set of backs were also very weak, and when they did fumble were very slow in falling on ball.

Ends on defensive were fairly good. Backs still wait for play on defense while they should, after locating runner, go to meet him.

The team as a whole on the offensive played well but there is still a tendency on the part of the line men to fail to get to the ball and assist the runner.

Every man on the team seemed to disregard the penalties for offside play and in the last game Andover suffered a great deal in this respect.

Our tackling as a whole was very poor, and our blocking also was weak.

## ANOTHER VICTORY

Andover Defeats Williston, 29 to 0.

Williston Seminary was defeated by Andover on Wednesday by a score of 29 to 0. The visitors put up the best game seen this year, but were outclassed by the school team.

Williston won the toss, and kicked off to McKay on the goal line, who returned 25 yards. Bartholomew was then sent through left tackle for 15 yards. Daly got 5 yards more at the same place. Bartholomew skirted right end for 7 yards, and Capt. Hobbs made 5 yards through left tackle. Bartholomew, Daly, and Fisher, by repeated line bucks, netted 12 yards. Daly hit right tackle for 7 more, and Peirce added 3 yards more around left end. Then Hobbs, McKay, and Bartholomew got 19 yards. Daly smashed through left tackle for a gain of 10 yards, and the first touchdown for Andover. Time, 4 minutes, 19 seconds. Bartholomew kicked the goal. Score, 6-0.

Andover kicked off to Donovan, who brought the ball from the 15

to the 25-yard line. But Williston was unable to gain, and the ball went to Andover. Daly gained 10 yards around left end, and Hobbs, Bartholomew, and Fisher netted 16 yards by line plunging. McKay was then pushed through for Andover's second touchdown. Bartholomew kicked the goal. Score, 12-0.

On the kick-off the ball went over Andover's goal line, and they kicked out from their 25-yard line to the 50-yard line. Williston was unable to gain and punted to H. Merritt on the 35-yard line, who returned the ball 10 yards. Then followed an exchange of punts, in which Andover out-classed Williston, and, finally receiving the ball within striking distance of the goal, they began steady work again. Hobbs and Bartholomew netted 33 yards, and Peirce was sent around right end for 5 yards more. McKay hit the centre for 7 yards, Bartholomew added 12 yards by a pretty right end run, and Daly got 6 yards through left tackle. With nine inches to gain, McKay got across for Andover's third touchdown. Then Bartholomew kicked the goal, making the score 18-0. This ended the scoring of this half, and, after a few rushes by Andover, time was called.

### SECOND HALF.

In this half several substitutes went in. K. Merritt relieved Bartholomew at right half, Reagan went in for Daly at left half, and Bawler substituted Austin at center.

On the kick-off the ball went beyond the Williston's goal line, and they brought it out and kicked out from the 25-yard line to Reagan, who was downed after running 5 yards with the ball, but on the next play he gained 10 yards around left end, and McKay added 5 yards through center. Then Hobbs made a 25-yard run, but, as Andover was offside, the ball went back. Bates went in for Lynn at right end. Reagan gained the same amount on the next play, and, after several more line plays, McKay got across Williston's goal line for another touchdown. K. Merritt failed to kick the goal. Score: Andover, 23; Williston, 0.

At this point Murphy went in for H. Merritt at quarter, and Clough substituted Capt. Hobbs, as left tackle.

On the kick-off McKay received the ball on the goal line and made a beautiful run of 80 yards. By repeated plunges he made the touchdown, and the final. Reagan kicked the goal, making the score 29-0.

Several more substitutes went in,—Lowe for Clough, Hamilton

for. Murphy, O'Connor for McKay, H. Jones for K. Merritt. During the last part of the game Williston came near scoring, when Oschlager, who had relieved Donovan, got the ball on a fumble and ran 40 yards before he was tackled by Bates, who injured his knee severely and was carried from the field. Hanrahan took his place at right end. The game ended with the ball in Andover's possession on their own 40-yard line.

The line-up was as follows:—

### Forum.

Forum held its regular meeting last evening in the Archaeology building at 7 o'clock. Under miscellaneous business, Gemmers' select reading was very interesting and President Piel read the constitution of the Phillips Andover Debating Union and it was adopted. Then Piel, Frost and Gemmer were elected as the representatives of Forum for the Union. The regular debate followed, resolved: That it is better for a Phillips Academy student to attend a large college instead of a small one. J. W. Wood and H. J. Hattan upheld the affirmative, J. Brown and F. W. Kingsford the negative. The vote after the debate stood in favor of the negative. Mr. Duram's criticism was very good and right to the point.

### Representation.

The representation of the school is divided as follows:

**THE ANDOVER PRESS**

Saturday, October 14.

The school as a body is to be congratulated on the fine support it gave the football team last Wednesday by its cheering. It was the best cheering that has been heard in a long time. There were not many fellows present, but those who were cheered as if they meant it and not because they were supposed to do so and, therefore, had to. There is one thing, however, that ought to be eliminated immediately, and that is the habit of acting like "kids". There are a good many new fellows in school who are not yet accustomed to Andover ways, and they give a bad impression to outsiders. For instance, one of the Williston men was seriously hurt in a scrimmage, and was in agony for a few moments. The pain was so great that he let out an inopportune exclamation, and then everybody laughed! Nice thing to laugh at, wasn't it? We noticed that it wasn't the old men who were laughing, but the preps., who, evidently, had no consideration for the man's feelings. Now, let's cut out these trivialities, and use all our surplus wind-power in cheering, not in laughing.

**School Enrollment.**

The school this year is much larger than it was at any time last year. As was the case last year, there are more on the Scientific side. Class C is the largest class, B coming next. The following is the enrollment of the different classes.

Class I, 64; class II, 61; class III, 46; class IV, 35. Total 206.  
 Class A, 55; class B, 75; class C, 89; class D, 24. Total 243.  
 Total enrollment 449.

Herbert W. Wolcott, P. A. '80, is practicing law in the New York Life Building, Kansas City, Mo., and resides in Leavenworth, Kans.

Benjamin Thorn Gilbert, P. A. '92, and Miss Sue Racey Biggar of Cleveland, O., were married at Chappaqua, N. Y., September 5, 1905. Their home is to be at Clayville, N. Y.

Thomas H. Spence, P. A. '95, has been elected president of the Citizens Band of North Milwaukee, Wis.

**To the Tennis Association.**

In view of the fact that of Andover's 450 students over 50 per cent play tennis, it seems only right that they should have a proper place to play on, and this, as an Andover student, I am ashamed to say we have not. In the first place, there are only six courts, or rather sand-heaps, on which anyone can play. What, pray, are six courts among 250 students? Secondly, there is no enforced regulation as to how many sets may be played while another party is waiting for the use of the court, so that, if one has a recitation the last period, it is almost impossible to get any court to play on, except on Wednesday or Saturday. In my opinion this is a disgrace to the school and should be corrected at once. Those who play tennis, I am sure, will be found perfectly willing to subscribe toward the building of more courts and afterwards to their proper maintenance.

**Inquiry.**

The regular meeting of Inquiry will be held on Sunday evening in Society hall. S. S. Day will lead the meeting having as his subject "Am I simply an On-Looker and a Critic?" The Bible class meetings held on Wednesday evenings at the different houses were very successful and it is hoped these will be made more so by the attendance of more fellows.

While on his present Western tour Edward H. Harriman, the railroad magnate, was amused at the pertness and wit of Frank Jones, a boy who had been sent from the master mechanic's office in Cheyenne with a message for Superintendent of the Union Pacific. Pushing into the private car of President Harriman, he said: "Hello, I got 'er telegram for McKeen." You mean Mr. McKeen," interrupted Mr. Harriman, with a sly smile. "Yep, I guess so; the head cheese of the motive department." Mr. Harriman took the telegram and had it sent to Mr. McKeen. "What do you do?" he asked the lad, with a glance around at his companions. "I'm one of the directors of the Union Pacific," said the boy, taking the challenge. "What?" exclaimed Mr. Harriman. "Yep, I direct envelopes over at the master mechanic's office."

**FAIR FOOTBALL.**

NEW HAVEN, Oct. 12—Walter Camp, Yale's general athletic adviser last night gave out the statement in regard to the conference of the representatives of Yale, Harvard and Princeton with President Roosevelt last Monday, which was held for the purpose of considering reforms in the game of football. The statement was made public after word had been received from President Roosevelt, and is as follows:

"At a meeting with the President of the United States, it was agreed that we consider an honorable obligation exists to carry out, in letter and in spirit, the rules of the game of football relating to roughness, holding and foul play; and the active coaches of our universities, being present with us, pledged themselves to so regard it and to do their utmost to carry out that obligation."

(Signed) "Walter Camp, John E. Owsley, J. B. Fine, A. R. Hillebrand, Edward H. Nichols, William T. Reid, Jr."

Yale was represented at the conference.

**HELPING HIM ALONG.**

From the Philadelphia Record.

A couple alighted from a Market St. car at 52d St., after getting transfers. No 52d St. car was in sight, so the young man said: "It's only a couple of blocks; let's walk."

He was about to tear up the red transfers when the girl he was escorting interrupted him, saying: "Don't do that; give them to me. He handed them over and she walked to a letter box and dropped them in the slot."

To the man's questioning look she said: "Oh! everybody out this way does that. You see, the mail man always finds among a number of the transfers dropped in the box one that is still good for a ride. So he is able to ride several squares to the next box where he finds more transfers."

**CAUSE FOR REMORSE.**

From Harper's Weekly. A Western lawyer recounts a story of a trial he once witnessed in a Texas court. A hard-looking tough was the defendant. His counsel, in a voice apparently husky with emotion, addressed the jury something in this wise:

"Gentlemen, my client is a poor man. He was driven by hunger and want to take a small sum of money. All that he wanted was sufficient funds when with to buy bread, for it is in evidence that he did not take the pocketbook containing \$500 (that was in the same bureau drawer.)"

At this point the counsel for the defense was interrupted by the convulsive sobs of his client.

"Here man!" exclaimed the judge "why are you crying so?" "Because, your honor," replied the defendant—"because I didn't see der pocketbook in de drawer!"

**Gym Notes.**

All men who have not reported to Dr. Page for physical examinations are to do so at once, and make their appointments for the same.

The schedule of the required gymnasium work is as follows:

Gym: Tuesdays and Fridays at 4.30. Track: Mondays and Thursdays at 4.30. Football: Mondays and Thursdays at 4.30.

Those who have elected tennis are to report to Dr. Page once before and once after each Wednesday of every week in regard to same.

On account of the large number of men in school it will probably become necessary to install more lockers in the Gym before the regular gymnasium work of the winter term starts in.

**ART TREASURES IN CHURCHES.**

From the Jewelers' Weekly.

According to a report just issued by the French Minister of Arts the churches of France, and not the Louvre, the Luxembourg, the Museum de Cluny and Carnavalet, contain the art treasure of the nation.

It is estimated that if brought under the hammer the pictures, tapestries, statues, carvings and other works of art in the churches would realize \$1,200,000,000.

The little Roman church of Conques, lost in the mountains of Aveyron, is possessed of a treasure which was on view at the exhibition of 1900. It was of such marvelous beauty that a syndicate of art dealers offered for it the sum of \$5,400,000. It contains the finest enamels in the world, reliquaries given by the early kings of France and Roman statues in gold and silver. Fortunately for France, the art syndicate did not buy it.

**RIOTING OVER PEACE.**

The riotous scenes at Tokio recently were not by any means the first demonstration of their kind against an unpopular treaty. In fact, a reasonable parallel may be found in events that took place not more than seven blocks from the site of the Evening Post building.
