## JUNIOR PROM.

Third Annual Promenade to take Place This Evening in the Gym.

This evening the third annual Junior Promenade will be held in the Borden Gymnasium. The dance is given by the Middle class to the Seniors and has always been the greatest social event of the school year.

The contract for decorating the gymnasium has been let to George D. Millett of Andover. The following scheme of decoration will be used: Green will be the predominating color, the gallery will be banked in laurel and the apparatus will be placed against the walls at the ends and hidden in green. Numerous banners of the different colleges and prep schools will be draped about under the gallery.

The dancing orders have been arranged for twenty-five dances and five extras which will be scattered throughout the regular program. All the music has been selected from this year's Yale Junior Prom program and will be rendered by the Pentucket orchestra of Haverhill, Mass. The fifteenth dance will be the dinner dance. Dinner arrangements have been put in charge of Page, the Lowell caterer.

A large number of out-of-town guests are expected, many having already arrived. The two upper classes of Abbot Academy have been invited.

The Prom. committee is composed of the following men: Edward I. Eldredge of Brookly, N. N. Y., chairman; Wesley O. Austin of Chicago, Ill.; Sherwood S. Day of Catskill, N. Y.; Kenneth N. Merritt of Grand View, N. Y.; Maxwell L. Rafferty of Pittsburg, Pa.

The patronesses will be: Mrs. Stearns, Mrs. McCurdy, Mrs. Baldwin, Mrs. Page, Mrs. Moorehead, Mrs. Phillips, Mrs. Sawyer, Miss Means and Mrs. Williams.

The prom will begin at 8.30 and the carriage arrangements will be as follows: All vehicles will approach the gymnasium at the right of Prof. Graves' house. After leaving the gym they will pass to the left in front of the dining hall and then to the street. The same order will be observed at the close of the Prom. A special attendant will have charge of all carriage arrangements. The roadway from Main street to the gym will be reserved for pedestrians.

Tickets are three dollars each and can be procured from any of the committee or at J. M. French's Main street. The tickets entitle the holder to two programs.

The gallery tickets are one dollar and may be had by all the

classes. They admit to the gallery only and will not be accepted at the door of the main floor.

## EASY VICTORY.

Harvard Fresh Trimmed to the Tune of 46 to 2 Yesterday in Gym.

Andover won the easiest game of the season yesterday by defeating the Harvard Freshmen 46 to 2. The visitors were completely outclassed in every department of the game and had no show at all. The home team gave a fine exhibition of team play, and scored almost at will. Harvard made the first score of the game on a basket by Dial, but after that they were completely snowed under and had but few chances to score.

All of Andover's team and substitutes scored at least one point. Gunning and Blumenauer leading with 6 baskets apiece. Murphy, Fels and Hennessey also played well, while Currie and Dial excelled for the Freshmen.

### FIRST HALF

Dial made the first and only basket for Harvard in the first minute of play. Gunning soon tied the score followed with goals by Murphy and another by Gunning. Andover now rushed Harvard off her feet and ran up the score with baskets by Gunning, Fels and Hennessey. Harvard fouled and Hennessey made the basket. Blumenauer and Murphy both scored, and Gunning and Blumenauer also helped to swell the total. Hennessey and Gunning each were successful at tries before time was called with the score 27-2 in Andover's favor.

### SECOND HALF

Whiting took Murphy's place at right guard for Andover. The game was all in Andover's favor and the score was increased with goals by Whiting and Blumenauer. Harvard fouled and Hennessey threw the basket following this up with another basket. Fels made another basket before Whitney took Gunning's place at center. Harvard put up a good defense for a while, but they gave in, and Blumenauer and Whitney each made two pretty goals. Blumenauer added two points to Andover's score by a difficult shot before time was called.

Score—Andover, 46; Harvard Fresh, 2.

### Communication.

To the Editor of the Phillipian:

The call for baseball candidates will be issued this week and indoor practice will also start soon, so a word to those who intend to come out will be timely.

In the first place every one who has ever played baseball at all should make it a point to come out. The larger the squad is, the more benefit a candidate is going to receive from indoor practice, but more than that his presence there is bound to cause greater competition for positions on the team and thus insure better results.

The new men don't want to be backward about coming out, for, if they have any baseball ability at all, the coaches will soon find it out. More than half the athletes that have left this school with reputations came here with but little reputation or experience but by pegging away all the time and trying the best they could, developed, with good coaching, into fine players. Time and time again, too, new men have come here and developed so fast that they have cut some of the old men out of their places, so, new men, don't think you haven't any chance but come out and keep at it and you will achieve good results both for yourself and for the school.

Remember, there are nine positions on that team and none of them are fixed yet by any means. However, if you are coming out, come out with a will. Don't come out once or twice a week, and think that that is enough. We don't want those men out because, though in most cases they are no good anyhow, they exercise a bad influence on the other fellows. Every fellow who comes out must report every day and keep in trim

## WELL SHIRTED

This phrase used to have an intellectual significance, as it referred to a particularly happy issue between a student and a classroom exercise. Sometimes the recitation itself was considered well shirted and sometimes the phrase had a more personal application. Applied more literally, the phrase still involves an intellectual occupation, for the choice of colors and designs and materials which are presented in such a stock as is offered in this store this year involves taste and discrimination and artistic judgment.

#### The Dining Hall Fire.

Last Saturday morning at about 7.30 fire was discovered in the ell of the dining hall. Smoke had smelt for some time but nothing was thought of it until it was seen coming down the shaft to the ground floor. A message was immediately sent to the engine house and box 52 was rung in. The apparatus responded quickly considering the bad travelling. No water could be put on the fire until the engine arrived, as there was not enough pressure on the hydrant. The fire burned briskly in the attic of the ell, and before it was put out a large hoie had been burned in the roof. Most of the damage to the kitchen was done by water, so they were able to serve dinner, although a little inconvenienced. The loss to the building is \$1200 which is covered by insurance. This building is the oldest building of the academy now standing and was formerly an old recitation building, and then the gymnasium which was burned about fifteen years ago.

## CONKLIN'S SELF-FILLING PEN

Simply dip in the ink, press with the thumb, and the CONKLIN PEN is filled and ready for instant use. It is simple, convenient, efficient, with no complex mechanism and nothing to get out of order.

The elastic ink reservoir is compressed by the pressure bar under the thumb, and, when released, instantly draws in the ink through the feed channels at the point. The quickly adjusted lock-ring prevents ink from being forced out again. Feeds regularly until the last drop of ink in reservoir is used. Always responds without kick or balk. Cleans itself as easily as it is filled. Fully guaranteed.

If your dealer does not handle the CONKLIN PEN, let us make you our Special Offer of Free Pen Case. Full information, with illustrated catalogue, sent upon request. Sold by dealers everywhere.
