ANDOVER DEFEATED

Wesleyan College Defeats Andover in a Hard Fought Game—Score 41-31

In a fast and hard fought game Wesleyan defeated Andover by a score of 41 to 31, last Saturday afternoon. If there had been a few more minutes of play, Andover probably would have won, for her team was outplaying the visitors and pushing them hard during the last half. Capt. Blumenauer played his best game so far this season, and Soule, Hayward, and Chamberlin excelled for the visitors.

The game in detail:

FIRST HALF

Wesleyan began the game by rushing Andover off her feet. Soule got three baskets in succession, Chamberlin added another to the score, and Soule made a fifth. On Wesleyan's foul Blumenauer tried a free throw, but missed, getting, however, a basket immediately afterward. Chamberlin missed a free throw; and then Hayward and Blumenauer got a basket apiece. Chamberlin and Blumenauer missed their shots from fouls, and by fine passing, Hayward, White, and Soule each scored a basket for Wesleyan. Here Andover's great rally came. Belford shot a basket, and Blumenauer, after missing a free throw, made two more. Chamberlin shot a goal from Andover's foul, and then Whitney made a basket. For the rest of the half, the visitors had a slight advantage. Soule secured the next basket, and Belford, Hayward and Blumenauer followed him, getting one apiece. By fierce and aggressive playing Chamberlin shot two baskets, and Soule one. Just before the whistle blew, Blumenauer missed two tries at goals.

Score: Andover 18, Wesleyan 29.

SDCOND HALF

Andover went in this half with a determination to fight to a finish. Except for the substitution of Thomson for Whitney, the line-ups were unchanged. Soule made the first basket for Wesleyan, and then Chamberlin missed a free throw. Richmond got the next basket, and after Soule had shot one, secured another. After an unsuccessful try on a foul by Blumenauer, Hayward made two baskets in succession. Blumenauer next shot a goal on a free throw, and then Hayward got a basket for the visitors. By a fierce rally, Thomson made two and Blumenauer one basket. Hayward here made the last score for Wesleyan, and the Andover captain soon followed it by the final one of the game. In the last two minutes of

The Means prizes for original declamation are: \$20, \$12, and \$8. Any member of the school may compete. Ten are selected for the final competition by the same judges, who act as a committee of award, the prizes being given on the merits of both composition and delivery. The subjects for the fortieth competition have been printed in the PHILLIPIAN.

MUSICAL TRIP

Concert by the Musical Clubs Last Saturday Evening in Rogers Hall, a Success

The musical clubs went on their first trip to Rogers Hall school last Saturday night. The trip was a success in every way, all the numbers on the program being very much appreciated and the dance afterwards enjoyed. The mandolin club opened the program with "The Ghost Patrol" and responded to an encore with "Sorilla". Both selections were well played and enjoyed. Then the Glee club sang "Doan yer cry my Honey", which was well rendered. H. J. MacKay sang "In the shade of my Parasol" for their encore and "My Health to You" as his own encore. Both were well rendered. The Banjo club followed with "De Coontown Review," the encore being "Dreams of Darkieland." W. G. Beach followed singing, "Where the Lindens Bloom" with "The dear little girl" and "Three little Chestnuts" as encores, all of which received generous applause. Then the mandolin club came back with "The Prince of India," which was very well received. The program closed with the combined clubs singing "Old P. A." which had to be repeated since it was so well liked. Then all adjourned to

INDOOR BASEBALL

Team Composed of Faculty Win From Students in an Indoor Baseball Game

Last Saturday evening the Faculty defeated the Youngsters by a score of 20 to 13 in an indoor baseball game, held in the Borden gymnasium. The pitching of Captain Daly for the Faculty was excellent from one point of view—they allowed no bases on balls. The hitting was hard and in the fourth inning Mr. Hayes knocked a home run, while two and three baggers were constantly being made. The Faculty were handicapped greatly by the absence of their best base runner, Mr. Graham; otherwise their lead would have been much greater. After the game the Faculty got together and cheered the Youngsters who responded with a long "Old Men."

THE ANDOVER PRESS

Wednesday, January 30, 1907

The basket ball situation is now a critical one. Brown and Harvard University are Andover's next opponents and these two teams are among the first of the colleges.

It has been reported that the substitutes and the men who compose the squad, have ceased to report for practice regularly.

This deplorable lack of spirit surely ought not to exist, although most of the men who were formerly on the squad have left on account of the class basket ball games. This is entirely unnecessary and the men who have done so can gain much more by reporting regularly with the first squad than by practicing a few times a week with their class team. Capt. Blumenauer has extended to the men on the class squads, the privilege of lining up against the first team on any of the regular practice nights.

This afternoon the team plays Brewster Academy; the game will be called at 3.30 and every fellow in school is urged to be present.

Brick House Society

The first of a series of semi-monthly meetings, to be given by the fellows of the Brick House, was held in Mr. Hinman's room on Saturday night, Jan. 26.

The following program was rendered:—

- Flute—J. J. Lucas.
- Declamation—M. E. Wilder.
- Reading—L. S. Phillips.
- Declamation—T. A. Chell, jr.
- Declamation—K. Kernochan.

Then followed a debate on the question, "Resolved, That President Roosevelt should be upheld in his stand on the Japanese school question in San Francisco."

Affirmative—F. J. Monahan, leader; F. Donaldson, H. W. Bradley, L. F. Henze.

Negative—O. E. Mosser, leader; V. Kylberg, G. C. Logan, J. J. Lucas.

Judges—Messrs. Stearns and Bancroft.

The question was well argued on both sides, the decision being based upon the merits of the

arguments put forth. The affirmative was adjudged the better of the argument.

Refreshments were then served. After this the Brick House was organized. Meetings will be held on alternate Saturday nights. They will be varied from time to time. The purpose of this society is to promote good fellowship among the fellows.

The following officers for the Brick House were elected:—

- President—F. Donaldson.
- Vice-President—F. J. Monahan.
- Secretary—G. C. Logan.
- Treasurer—V. Kylberg.
- Sergeants—L. A. Betteridge and W. H. Griffin, jr.

Because of the inability of the men out for the 1908 basket-ball team to report for practice on Tuesdays, the schedule for practice was changed to read as follows:

1907	Fridays	1-2.
1908	Thursdays	1-2.
1909	Tuesdays	1-2.
1910	Mondays	1-2.

CURRENT EVENTS

German Socialists Repeated

Contrary to expectations, the Reichstag elections, so far reported, have shown a decided loss for the Socialist party. The Conservatives have made moderate gains and the Clericals have lost. In view of this victory, it is rumored that Chancellor Von Bülow may retire.

The Jamaica Incident

The English press reports that Governor Sweetenham of Jamaica will probably resign on the ground of having ill health. Of course this will not be officially announced until a little more time has elapsed, and a successor is chosen.

Canal Bid Rejected

At a meeting of the Panama Canal committee Saturday, the bid of Oliver and Bangs to build the canal 63.4 per cent of the total estimated cost was rejected. It is very probable that the government will conduct the work itself. Before a definite decision on the latter point is reached, however, the commission will probably be authorized to ask for new bids. The bid most considered of these now on hand was that of Oliver and Bangs, mentioned above, but it is improbable that they will make another offer.

Subway Loop for New York

The Board of Estimate for the proposed subway loop, voted Friday, to build a four track subway loop in Manhattan, connecting the Brooklyn and Williamsburg bridges, at a probable cost of \$5,000,000; with a separate four track subway running through Lafayette avenue to Broadway in Brooklyn, at a cost of less than \$2,000,000 a mile. Favors Philippine Tariff

Senator Aldrich of Rhode Island brought up the Philippine Tariff question in a speech in the Senate, on Friday. He said that the opponents of the bill would do well to accept a compromise, whereby the tariff to be assessed on sugar, rice, and tobacco, imported from the Philippines, shall be 40 per cent of the Dingley rates; and all other products be admitted free. He further said that the feeling for the removal of the Philippine Tariff was growing, and that the opponents would do well to accept a compromise gracefully while a good opportunity was afforded.

Polish School Strike

One of the most difficult problems that the German government has had to deal with has been the recent strike of the Polish school children, in the province of Posen, because they were compelled to be instructed in the German language. For a time, the children were treated very cruelly, but this was obviously the wrong course to take, since they were merely the tools of the Polish agitators.

Secretary Parker of the Rhodes scholarship trust reports that out of 191 Rhodes scholars at Oxford, 79 come from the United States, while 8 less, 71, come from British Colonies, and 11 come from Germany.

Leland Stanford University seems to see a great future for association football, and is preparing to meet the demand of the sport.

The executive committee of the associated students have issued instructions to the graduate manager to have the football field turfed. To turf this large stadium properly, grass will be sent from Australia and seed sown early, to have a firm turf by next season. In England and Canada the game of association is played almost exclusively on turf and Leland Stanford is desirous of having a field which will not handicap her teams.

The candidates for 1908 basketball will report at the "gym" hereafter on Thursday at one o'clock sharp for practice.

The following men reported to Capt. Washburn for 1908 basketball, last Saturday afternoon: P. A. Baker, Clinton, Fenton, Hartley, Harvey, Isett, Logan, Mc Crone, Mc Morrow, Mead, Pickett, J. A. Reilly, Rogers and Wilder.

COLLEGE NOTES

Carnegie Gives \$40,000.

In a letter to Treasurer McClung of Yale University in the current number of the *Yale Alumni Weekly*, the announcement of a gift of \$40,000 by Andrew Carnegie, is made. The money is to be used to build a new swimming pool as an annex to the gymnasium and is Mr. Carnegie's first direct gift to the University. The gift was obtained through the efforts of Ogden Mills Reid of New York a member of the Yale Law school and Everard Thompson, graduate manager of athletics. A lot of land about 95 x 50 in the gymnasium lot will probably be given by the university as it would be the most available spot upon which to erect a suitable building.

New Game at Harvard

Dr. D. A. Sargeant, director of the Hemenway gymnasium at Harvard, has been at work during the fall on a new game which resembles basketball. This new game can be played by either twelve or sixteen men, on a field 100 feet square. There are four goals on the sides of the field, the two opposite goals being defended by the same team.

The field is marked out with a 25 foot square in each corner, and a 50 foot square in the centre, the remaining space in front of the goals being occupied by two goal keepers and two opponents. In the centre square there are eight men, four of each team, and in each small square, two men on opposing sides. The men are not allowed to leave their assigned territory.

The rules of the game are very much like those of basketball, except that the kind of goals and the method of scoring is essentially different, and intended to develop a more interesting game. The ball, which is the same as the one used in basketball, must be thrown or kicked through a goal six feet high, and defended by two goal keepers. A goal thrown from the centre square counts three; thrown from the side squares two; and kicked from the side squares, one.

As other colleges have already adopted the game, its permanency is no longer a matter of conjecture.

Intercollegiate Basketball

The Intercollegiate basketball schedule has been announced and is as follows:

- Jan. 26, Yale vs. Cornell at Ithaca.
- Feb. 1, Yale vs. Harvard at Cambridge.

The Cecil Rhodes scholarship examination was held at Yale last week. About ten men took the examinations, and it will be a month or more before the successful candidate is chosen, as the examination papers are sent to Oxford for correction. Not only is a man's paper taken into account but also his athletic ability, his general college work and all the records that can be found concerning him.

President Eliot, in his report to the Harvard overseers, expressed a great desire to have a smaller schedule for the football season of 1907 than heretofore. He wants one or more big games dropped. He says that even if the Yale game were dropped the profits would be large, and this is what he strongly objects to.

Harvard has mapped out the most extensive rowing campaign in her history. Besides furnishing crews for the American Regatta at Philadelphia and the New London Regatta at New London, they have arranged races with Cornell and Columbia. The race with Cornell will be held at Ithaca, while the one with Columbia will be held at Cambridge.

Some Phillipians

may not be aware of the cor-
rect place to get their Suits,
Overcoats, Hats, Neckwear,
Shirts, Underwear, Hosiery
and Shoes.

Old Phillipians know that
to be dressed in good college
form it is necessary to outfit
at Shuman's.

The Shuman garments have
that snap and quality peculiar
to the well-dressed college
man's clothing.

And the Shuman prices are
college men's prices.
