MANHATTAN DEFEATED

Strong Manhattan College Basketball Team Defeated by Andover Last Saturday Evening. Score, 23-11.

Andover met and defeated Manhattan College in the hardest fought and fastest game yet played this season. Although the Academy team was outweighed, yet what they lacked in weight was made up for in quickness and good teamwork. The score at the end of the first half was in favor of the college team, but in the second half the home team took a decided brace, and won a well-played game by the score of 23 to 11. Andover's victory was due to the excellent shooting of the forwards, S. Brown and Swihart, and the excellent guarding of Acting Captain Belford. The Manhattan team played well, notwithstanding, and at no time did the outcome of the game seem certain. Bolten and Heinrich did the best work for the visitors.

The game in detail:

FIRST HALF

Litchfield covered the ball for Andover at 7.45, and Bolton played center for Manhattan. The game started off in whirlwind fashion, with Bolten, of the opposing five, scoring almost immediately on Andover's foul. However, Andover's second foul resulted in no score, and time was taken out for Manhattan. After the play was resumed, Bolten and Thorp, by quick passing scored two goals in rapid order. Then Belford made Andover's first score on a double foul, Bolten missing the next two fouls. S. Brown shot the next basket, and Bolten failed to tally on Andover's foul. Heinrich caged a basket on a long clever shot, after which time was taken out for Andover. S. Brown scored on a beautiful long throw from a difficult angle and Bolten closed the scoring for the half by caging a basket on Andover's foul. Score: Manhattan 8; Andover, 5.

SECOND HALF

The half opened with no changes in the Andover line-up, but for Manhattan, Miller went in for Thorp at left guard, and Murray took Heinrich's place at right forward. Belford opened the half, by careful rushing of the ball up the floor for a basket, which gave promise of an Andover victory. Swihart followed with another in close succession. Litchfield caged the next basket. Bolten scored a basket on Andover's foul, and added another from the floor in short order, S. Brown failed to shoot a basket on Manhattan's foul, but on the rebound caged a basket for Andover. Bolton failed to tally

FIRST HOCKEY VICTORY

Andover Wins Exciting Game From Vermont Academy by Score of 1-0.

Andover won the first hockey game of the season by defeating Vermont Academy yesterday afternoon on Rabbitt's Pond. The score of 1 to 0 shows the closeness by which the playing was marked. The game was very rough, and fast throughout, and taking into consideration the difficulties which both teams endured, which made teamwork impossible, the game was very interesting. The warm weather of yesterday had softened the ice to such an extent, that water covered the ice in many places. The only change in the line-up was S. Brooks in place of Nicholson. Dunn, Martin, and Twombly played well for Andover, while Richmond and Heath excelled for Vermont. No substitutes were used.

FIRST HALF

Martin and J. Heath faced off the puck, and started the game at 4.55. After about seven minutes of hard play, Martin shot the only goal of the game on a long pass by Twombly. During the remainder of the half Vermont braced, and neither side had any decided advantage. Score—Andover, 1; Vermont, 0.

SECOND HALF

The second half opened at 5.15, and the puck see-sawed up and down the rink for the remainder of the game, both teams making rushes, but availing nothing. The feature of the half was a long try by Dunn, the puck narrowly missing the goal post. Owing to darkness the game was called one minute before time with puck in the center of the rink.

BASKETBALL GAME

Andover Plays Brown Freshmen This Afternoon at 3.30 in Borden Gymnasium.

Andover plays Brown Freshmen this afternoon at 3.30 in Borden Gymnasium in basketball. This is the fourth game of the season, and will prove a hard fought and interesting game, as the Brown Freshmen always play a fast game. The line-up will remain unchanged, owing to the number of conditioned men, but it is expected that those fellows who are prevented by conditions will be eligible to participate within a week.

The line-up will be as follows:

Andover—S. Brown, rf; Swihart, lf; Litchfield, c; E. L. Brown, rg; Belford, rg. Referee—Mr. Swift.

Andover To Play Pomfret

Another hockey game has been arranged by Manager Wilson. The game will be played on February 1st at Pomfret, Conn., with Pomfret School. As this school is noted for its good hockey teams it will be a hard game, and the squad is urged to get their conditions off, so as to have Andover represented by as good a team as possible.

Practice Hockey Game

The Andover hockey team played a practice game last Saturday-afternoon with the Andover town team. Andover used all her substitutes, including those having conditions, and made a good showing, defeating her opponents by a score of 8 to 0. The game was a good practice match, and the playing never lagged, although the town team was forced to play on the defensive throughout the entire game.

The line-up:

Morrissey, goal goal, K. Reynolds
Berry, p p, Lamson, Brooks
Manning, cp cp, Brewster
A. Connell, c c, Murchie, McLean
M. Connors, forwards Gatins
Thompson forwards Martin
Hardy forwards Merritt, Twombly
Goals—Merritt (2); Gatins (2);
Martin (2), Murchie, McLean.
Time of halves, 20 minutes each.

Basketball Game Added

Manager R. T. Isett has arranged for a basketball game with Williams Freshmen which will fill the open date on Saturday, January 25, and thus fill all dates on the schedule.

MEETING OF CLASS CAPTAINS

Dr. Page will meet all the captains of the class basketball teams tomorrow morning after chapel.

on Andover's foul, but Swihart shot a pretty goal from the floor, and S. Brown followed with another of the same kind, aided by fine team work. Swihart scored again, and Bolten missed two baskets on Andover's fouls. Manhattan's play then became somewhat quicker, but the shots were less accurate. Litchfield took the ball down the floor for a basket, and Bolten failed to score on Andover's foul. Swihart then scored the last basket, Bolten being unable to score on Andover's foul.

Time was then called:

Andover Club at Amherst

At a meeting of the Andover Club at Amherst College on Friday, January 10, Prof. E. P. Crowell, Principal A. E. Stearns, Prof. Eaton and Prof. Graves, were elected Honorary members. It was also voted to present a cup to the base ball man in Andover, who makes the most runs during the coming season.

Chell Elected Captain

The Junior class was not represented by as many basket ball men as the upper classes last Saturday afternoon when they were called out.

T. A. Chell was elected captain by the men present. All of the candidates are lighter than those of the other classes, but a good showing is expected, nevertheless. The following candidates reported: T. A. Chell, capt.; Aney, Barndollar, Odell, G. H. Neute, E. Takamine, Jackson.

P. A. Man Coaching

J. H. Hennessey, ex-P. A. '07, is now coaching the Hope A. A. basketball team of Providence, R. I. Hennessey was a member of the 1906 five in Andover, and was also a member of the baseball squad.

Glee Club Trials

There will be trials for the Academy Glee Club Thursday night at 7.30 in Bartlet Chapel. It is especially urged that men who have not come to trials before should attend as there is a good chance to make any one of the four parts, owing to the recent loss of members.

The members of the Club who have term conditions will not be allowed to go on the first out-of-town trip to Rogers' Hall unless conditions are removed a week before the trip. This is to comply with arrangements made by the management.

Forum

The regular meeting of Forum will be held as usual next Friday night in the Lecture Room of the Archaeology Building. The trials for the Philo-Forum debate will be held, and every member of Forum is expected to be present, and try for the debating team. An equal chance has been given to all for preparing their debate, the subject of which will be: "Resolved, That a reciprocal treaty should be concluded between the United States and Canada." A period of eight minutes will be granted each speaker for delivering his arguments.

1909 Basketball Men
 A very small squad reported at 3.30 last Saturday afternoon of the men desirous of representing the class of 1909. The material is good, however, and Captain Flanders hopes to turn out a winning team.

The following candidates responded: M. Flanders, capt., E. Reilly, Adams, Snell, Butler, Hayes, Dougherty, Klingbeil, Hanna, Hunt, Hanford.

Archaeology Lecture

Mr. Moorehead will deliver his second lecture of the term this evening at 7.30 on the subject of "The Mound Builders". The talk will be illustrated by a number of slides. This issue in charge of Assistant Managing Editor

It has again become evident that a word concerning the way to leave chapel is not out of order. The custom is distinctly stated in the Blue Book that the Seniors pass out first, the other classes following in their order. In this way the crush and confusion in the aisles is done away with. The students will have to bear this seriously in mind in the future, or the Student Council will be obliged to take action. We hope that this reminder will be sufficient, to avoid the disagreeable duty of repeating the rules.

Another Custom

Another custom, observed for years at the Academy, which is not spoken of in the Blue Book, is the matter of skating on Sunday. Excuses have been granted rather freely for evenings to go out to Martin's Pond, and Sunday, it seems, should be spent in the regular quiet way.

Cross Country Cups Awarded

Because of the number of examinations coming so close together at the end of the fall term the usual custom of awarding the cups in Chapel was omitted. The three individual cups were awarded by Mr. Poynter, as follows:

1st, M. J. Hayes; 2nd, R. E. Coleman; 3rd, J. J. McIntosh.

Tickets for B. A. A.

Those fellows desiring tickets for the B. A. A. Interscholastic Meet will be able to secure them from the manager of the track team.

Communication

To the Editor of the Phillipian:

Among the various sorts of outside diversions, offered in the life here at Phillips Andover, the literary activities have had a decided tendency to fall into the background, during the last few years. The debating societies of Philo and Forum have felt this increased falling off of active interest probably as much as any other branch of literary work. There was a time, not so long ago, when these societies formed an important part in the school life, and commanded the respect of the student body at large. It is sad but true that this statement is far from being applicable to their present status.

No one having the pleasure of possessing a few brains is able to deny the fact that the training which is offered by these societies is not only helpful but also essential. A great many schools require each student to take public speaking as a regular part of the curriculum work. The idea is, no doubt, a good one, but in this academy it would not exactly conform to the generally adopted theory of leaving all matters possible to be thought out and attended to by the individual. That there is a responsibility to be met in this line, as well as some others, is a fact that unfortunately escapes a great many.

As to the cause of the decline, one of the first reasons to occur is that of the increased outside interests of school life. This is a good reason, but in itself could not have been the main cause, since outside interests have not increased such a marvellous extent of late. There seems to be the same large proportion of fellows in school who are doing absolutely nothing outside of the regular school work. They cannot give the reason of having no time to spare. We are not attempting to prove that everyone in school should join one of the debating societies; but we do maintain that it is the duty of each fellow to take some thought on the matter and realize that by his cooperation at this time, he would not only be benefited himself, but would be helping out an important side of the school life. This individual indifference, not the increased outside interests, is the fundamental cause of the present crippled condition of literary diversions. Nevertheless, it would be a step in the right direction if Friday evenings were kept free from other appointments for the use of the two societies, as was the case several years ago, so that fellows who have other interests in school might be free to enjoy both.

A SENIOR.

Reward Appreciated

Inquiry

The Society of Inquiry held its weekly meeting last Sunday night in the Lecture Room of the Archaeology Building. What the meeting lacked in numbers, was made up by the interest shown by those who were present.

Rev. Charles F. Carter spoke upon "Self Control," and suggested several ways for cultivating it. He compared our habits to the raw recruits of an army who have to be whipped into shape before being fit for an encounter with the enemy. Many of the members joined in the lively discussion which followed upon the safest way to acquire this self-control. Rev. Dr. Carter is a most interesting speaker, and all enjoyed hearing him.

Philo

The regular meeting of Philo will be held in Society Hall Friday evening at seven o'clock. The question for debate is, "Resolved, That it is to the best interests of the United States that the tariff be revised." Donaldson and Klingbeil will uphold the affirmative, and Bradley and E. H. Williams will support the negative. The topics of the week will be given by Henze and a Select Reading by Tolles. Allen will render the critique.

New Hockey Candidates

The following men should be added to the list of the hockey squad which was published last week: Rockwell, Brewster, Lansing, S. Brooks.

Ice Carnival Planned

A plan is now underway for holding an Ice Carnival on Martin's Pond a week from today, weather permitting. There will be races on the ice from a 100-yard dash to a mile race, including a potato race, and broad jump. After the races a baseball game will be played between two picked teams. The day will end with a class relay race. Ribbons will be given for the first three places, and it is possible a cup may be presented to the man making the greatest number of points. The entrance fee to each event will be ten cents, and it is hoped a large number of fellows will enter, and try and make it a success. In case of bad weather the carnival will be postponed until a later date. Entries should be made to Manager Wilson as soon as possible.

WITH THE COLLEGES

The total enrollment of students at Cornell this year is 4,640.

The call for crew candidates at the University of Pennsylvania brought out ninety men.

Following the custom at Yale, the same as at Andover, of giving gold footballs to the men playing in the big games, Dartmouth has decided to give gold footballs to all men who played in the Harvard game.

Oxford and Cambridge, the big universities of Europe, have challenged Yale and Harvard to a united track meet to be held in England next summer. Yale is ready to go, but Harvard's governing body holds back on accepting the challenge.

T. Lilley, 1910, S., has been appointed captain of the Yale Sheffield Freshmen hockey team.

R. G. MacKay, P. A. '07, was nominated for President of Harvard's Freshmen Class, but lost out to Harding, the 1911 football team captain.

President Eliot of Harvard spoke at the evening Vesper service at Exeter last Sunday.

Washburn, ex-P. A. '08, is playing right forward on the Amherst Freshmen basketball team. He distinguished himself last year by his clever playing for 1908 in the fast class series.

The following Andover men were elected on the Sheffield Prom. committee: K. N. Merritt, O. E. McIntyre, M. L. Rafferty, W. Canfield, and M. E. Fuller.

Quarterback Newhall has been appointed head coach of the Harvard football team, filling the vacancy left by the resignation of Joshua Crane, Jr.

In the first hockey game ever played on Carnegie Lake, Princeton defeated Lawrenceville 3 to 0.

Harvard defeated Princeton in hockey, score 6 to 2, and also in basketball 16 to 13 last Saturday.

Lanigan, P. A. '06, is on the 1910 Harvard hockey team.

Harvard has recently elected a reception committee to provide suitable reception of visiting teams. The 1910 representative is C. L. Lanigan, P. A. '06. He was baseball pitcher on the 1905 Academy team.

Harold H. Kissam, P. A. '07, last year leader of the Academy Mandolin Club, is now manager of the Williams Freshmen basketball team.

The Sophomores of Harvard are champions in the hockey series. They secured the title after the hard fought game with the Freshmen, in which game two Andover men starred. Lanigan, P. A. '06, was the star for the Sophomores, and the Boston Herald speaks of Foster, P. A. '07, in this way, "Little Foster, the former Andover coverpoint played a very brilliant and plucky game, stopping the business-like rushes of the Sophomore forwards in great shape, and spilling his former team-mate, Lanigan, several times."

THE OUTSIDE WORLD

A ten hour battle between French forces and those of Mulai Hafid took place at Settat, Morocco. The French, although they had just marched twenty-five miles and were greatly outnumbered, were victorious. The Moors fought furiously, but were forced to retreat after losing several hundred men.

Although the United States is to place the government of Cuba in the hands of the natives, American troops will be kept there at the government coaling stations for some time to come. The plan is to have them there in case of a disturbance while Cuba is trying her wings as a self-governing nation.

A meeting of the leading conservative Democrats of New York State and the East is to be held tomorrow in New York City for the purpose of opposing Bryan's candidacy for the democratic nomination for president. The conference will discuss a "safe and sane" platform from a business point of view, and, incidentally, Lieutenant Governor Chanler of New York may be brought forward as a candidate for the nomination. W. L. Douglas of Massachusetts and Gov. Hoke Smith of Georgia will attend. The conference is backed by the men that nominated Judge Parker in 1904.

E. C. Stedman, the banker poet, died suddenly from heart disease on Saturday at the age of seventy-five. He has, in recent years, occupied the leading place in American literature. In addition to being known as a poet, he was famous as a critic and an editor. He did his literary work in his leisure hours which he did not spend in the New York Stock Exchange.

A meeting to raise money for Tuskegee Institute was held in New York, Friday. Gov. Hughes, Henry Watterson, a southern newspaper editor, and Booker T. Washington spoke to a noteworthy and representative audience. It was stated that Tuskegee needs \$70,000 before the 1st of May in order to continue its work. The money stringency has caused this sudden back of funds.

The Thaw trial is progressing rapidly and may be ended in two weeks. Every effort is being made to prove that Thaw was insane, and all the evidence has to deal with his peculiar actions during his past life and especially in his youth. The witnesses included his school teachers, his nurse, and various servants, who had observed his curious actions, his wife, and his mother. During the testimony of Evelyn Nesbit Thaw, District Attorney Jerome made frequent objections and was often sustained, so that the story of her life lost much of the effect which it made last year. Jerome finally petitioned the court to have all excluded except those immediately connected with the trial. Justice Dowling, however, compromised and admitted the newspaper men.
