## WORCESTER DEFEATED

**Andover Wins a Hard Fought Game From Worcester Academy by a Score of 6 to 0 Saturday.**

Last Saturday afternoon on Brothers' field, Andover defeated Worcester Academy 6-0. Andover's goal was entirely safe throughout the first half, and threatened only twice in the very last of the second. Kelly was Worcester's star player, while all four of Andover's backs played a hard and fast game. Miller, Andover's quarter, made the only touchdown on a triple pass consisting of a short pass from Porter to Ely and a forward pass of twenty-five yards by the latter to Miller. Porter kicked the goal. The game in detail.

### FIRST HALF

At 3.05, Porter kicked off for Andover to Dodge, who advanced the ball 12 yards before being downed. Hanlon then bucked the line for five yards and again for 15. Dodge then advanced around left tackle for 10 yards, and again for 8. Worcester lost 10 yards on the next down for holding. Dodge was next sent between left guard and tackle for 4 yards and then was held for no gain. Worcester then kicked to Miller who fumbled, the visitors regaining the ball on Andover's 40 yard line. Kelly next made two gains of 10 and 8 yards around right end. Owen here relieved Harlow at right guard.

Dodge then found a hole between left guard and tackle, and made 5 yards on a line buck, and Kelly followed by a five yard gain between right tackle and end. Dodge then made 3 yards on a cross-buck. Worcester tried a place kick, but was blocked by Miller and the ball changed hands on Andover's 15 yard line. Porter immediately kicked to the 45 yard line, and the ball was returned by a line buck by Hanlon for 10 yards, an end run by Kelly for the same distance and another line break by Hanlon for another ten yards. Kelly then fumbled and Waterman captured the ball for Andover. Porter punted, and the Worcester runner was quickly downed by Coates. Two line plunges for an aggregate distance of 20 yards, followed by an outside kick, gave the ball to Andover on her 40 yard line. Ely then made a spectacular end run for 15 yards gain, and Waterman followed by a long run around the other end for a slight gain. Sheldon took Waterman's place at right half. Andover then lost heavily on a trick

## BULLETIN REVIEW

**First Number of the Academy Bulletin Issued This Week. Contains Many Class Reports.**

The quarterly issue of The Phillips Bulletin which appeared Saturday contains a number of articles of great interest not only to the alumni, but to the present members of the Academy. The removal of the Seminary from Andover is thoroughly discussed in this issue and the advantage to the Academy enumerated. It is the purpose of the Trustees to try to raise the two hundred and fifty thousand dollars necessary to meet the terms of the transfer, during the year. The Bulletin next gave an interesting account of the Commencement exercises of last spring, and gave a list of the senior honors and prize awards. Accounts of the various class reunions held in Andover last June, are also given.

In this issue of the Bulletin, the election of Dr. Fred T. Murphy to the Board of Trustees is officially announced. An account of Dr. Murphy's election and of his previous connection with Phillips Academy is given on another page of the PHILLIPIAN.

A review of the Academy's work in athletics, debating and school interests is also given.

The Bulletin closes with the list of gifts given for the year, and several columns of alumni notes.

## NEW TRUSTEE

**Fred T. Murphy, a Noted Phillips Athlete Appointed.**

At a meeting of the Board of Trustees of Phillips Academy held in Andover on June 17th, Dr. Fred T. Murphy of Boston was unanimously chosen to fill the vacancy caused by the death of Rev. James A. Vose of Providence.

The election of Dr. Murphy will commend itself to alumni and friends of the school everywhere. No alumnus of recent years has proved himself more in sympathy with the work of the Academy or more loyal to its best traditions. In school, in college, and in his later life work Dr. Murphy has proved himself a man of rare strength of character, of sound judgement, and a recognized leader. Few men are privileged to exert a stronger influence or win the unqualified respect that have marked the career of the new trustee. The Academy is indeed fortunate to be able to secure the services of such a man.

Dr. Murphy entered Phillips Academy in the fall of 1890 and was graduated with the class of 1893. From Andover he went to Yale, graduating with the class of 1897. At the close of this course at Yale he entered Harvard Medical School, where he did conspicuously good work. Later he was appointed to the Massachusetts General Hospital.

At present Dr. Murphy is practicing his profession in Boston, Mass.

At both Andover and Yale Dr. Murphy was conspicuous in many activities of undergraduate life. He played on both baseball and football teams of both institutions and is considered one of the best tackles and captains that Yale ever turned out. At Andover he was a member of the P. A. E. society, and at Yale a member of Scroll and Keys. He married in August 1904, Miss Cornelia Gould of Andover, whose death occurred December 1907.

### Forum

At the meeting of Forum Friday evening a "debating bee" will take the place of a regular debate. The following question has been chosen: "Resolved, That the principles of the Socialist party of this country are not consistent with American ideals". Leaders will be appointed, and all present will have an opportunity to take part in the discussion. Come prepared to speak on either side of the question. Topics of the week will be given by Pickett; an extemporaneous address will be made by Greeley; and Colver will render a select reading. All new men in the school are cordially invited to be present. As there are important business matters to come before the society, the old members are urged to be at Forum Hall promptly at a quarter past seven.

### Inquiry

At the regular weekly meeting of the Society of Inquiry, held last Sunday evening, Mr. Lillard was the speaker. The meeting opened with a hymn, after which Mr. Stackpole lead in prayer. Mr. Lillard was then introduced. He chose as his subject "Fair Play". Mr. Lillard, in the course of his talk, emphasized the necessity of playing fair, not only in athletics but in every day life. He said that Andover had always stood for this spirit of fair play in every thing and urged the fellows to uphold the Andover traditions. In closing Mr. Lillard said that fair play really meant generosity towards one's friends and associates and the living of good Christian lives, in giving every one a fair chance. An opportunity was then given the fellows to ask questions relative to Mr. Lillard's talk, after which the meeting closed with a hymn. The attendance was very large.

play from Sheldon to Porter, and the latter kicked on the next down. Dodge and Kelly then made five and two yards, respectively, and Hanlon kicked to Porter who ran it back 15 yards. Ely and Sheldon were sent around the ends for no gains, and Porter tried a goal from the 40-yard line. It was a little too wide, and the visitors kicked out from their 20-yard line to Sheldon on their 60-yard line. Payne took Hopwood's place at end and Sweet went in for Hutchins of Worcester. Sheldon made 18 yards around left end, and Ely advanced the ball three yards around the other end. The latter then twice found a hole between right tackle and end, and made 35 yards in two downs. Porter bucked the line, but was pushed back for a slight loss, and the first half ended with the ball in Andover's possession on the visitor's 7-yard line.

### SECOND HALF

Worcester kicked off to Sheldon on Andover's 5-yard line, who ran the ball back to the 18-yard line. Porter kicked and the visitors got the ball on their 50-yard line. Fletcher of Andover then nailed Kelly for five yards loss, and Hanlon kicked to Miller who ran it back eight yards. Ely then found an opening just inside of right end, and went through for 20 yards. Porter made four yards through center and then eight yards around left end on a pass from Sheldon. Ely lost slightly on a long run around right end. Worcester was then penalized 30 yards. Warner relieved Dodge at right half. Porter next gained two yards through left tackle and Ely made 20 yards on a short pass from him. A long quarter-back run resulted in a slight loss for Andover. Ely on a direct pass from center, snapped the ball to Porter who made a long forward to Miller, who made the touch-down. This pretty triple pass covered over 30 yards. Porter kicked the goal.

Worcester kicked off to Sheldon on his 30-yard line, who advanced the ball eight yards. Porter then hit the line for seven yards, and Ely made nine yards on two succeeding downs. Porter then punted. Kelly made a slight gain just inside of right end and Hanlon kicked. Porter kicked on the first down, and Andover was penalized 10 yards for holding. The visitors were held and Hanlon kicked to Miller who fumbled, and Worcester regained the ball on Andover's 35-yard line. A center rush netted them four yards. Hanlon soon kicked, the ball was blocked but rolled along the ground to the 14-yard line where the visitors regained it. A line-buck gave then one yard gain and Kelly was then nailed behind the line for a slight loss. He then retrieved himself by a gain of 10 yards around right end. Andover then got the ball on downs and Porter kicked

## THE OUTSIDE WORLD

## BULGARIA ASSERTS INDEPENDENCE

Great excitement has been caused throughout the entire continent of Europe, by a Proclamation of Independence issued by Prince Ferdinand of Bulgaria. Before any interference on the part of the powers could be affected, both countries marched troops to the frontier. Turkey disclaims any desire for war, and it is expected she will call a conference of the powers to consider Bulgaria's proclamation.

Austria, alarmed at the hostile attitude of the two countries, has sent 100,000 troops to the frontier; much to the alarm of the Italians.

## LASTERS STRIKE AT LYNN

A general strike of Lasters in Lynn, Mass., has caused several factories to shut down, and several more have announced their intention of closing their doors when they have disposed of their present orders.

The strike has put 15,000 lasters out of employment, while an almost equal number of men were kept from their work by the closed shops. The popular sentiment is in favor of the strikers, who are confident of an easy victory. The trouble arose by the Manufacturers Association admitting Joseph Caunt Company in its membership, which, it is alleged, broke an agreement with the Lasters Union. The manufacturers feel confident that a satisfactory agreement can be made for both parties.

## TAFT SPEAKER IN MISSOURI

Mr. Taft made his farewell address to Kansas City, before an enthusiastic crowd of Organized Labor men, last Monday. Mr. Taft spoke from the steps of the public library, where a great crowd had assembled to hear him. A great demonstration followed the conclusion of his speech, with loud cheers for "Bill". The candidate was presented with a large bunch of roses from the Union men of Wyandotte County. Mr. Taft will end his western tour to-day in his visit to Chicago.

## NATIONAL LEAGUE BASEBALL

The race for National League championship, which will give the victors the pennant for the season of 1908, is nearing its close. Chicago leads at present, and unless New York defeats Boston in three games, she will capture the pennant. In case the New Yorkers win their games from Boston, the National race would result in

a tie. Saturday's games made a great change in the standings. Pittsburg was eliminated from the contest, by losing to Chicago, and the latter were moved to first place by their victory.

## JAPAN PREPARES GREAT WELCOME

The Japanese government is preparing a welcome for the American fleet that will eclipse all the demonstrations previously shown the American vessels on their round the world tour. The war-vessels are due at Tokio on October 17, and will remain there a week, while every possible courtesy and entertainment will be shown them, upon the special invitation of the Emperor. Admiral Sperry will reside for four days at one of the imperial palaces of Tokio, and will be received in audience by the Emperor himself on October 20.

1847 Robert Thompson was born in Montville, Me., September 20, 1822, and died at the Good Templars' Home for Orphans at Vallejo, Cal., February 16, 1908. He went to California in 1849, practiced law at Mokelumne Hill, Calaveras County. Most of his life was spent in San Francisco and Vallejo. For half a century he was prominent in the councils of the Good Templars and was the virtual founder of the Orphans' Home.

## Trials for the Forum Debating Team

This year the Debating Union plans to have the Philo-Forum Debate for the Robinson prizes come some weeks earlier than last year.

In order that this may be brought about, it will be necessary to hold the trials for the two teams at a correspondingly earlier date. All candidates for Forum are therefore asked to attend the meeting Friday night in the Archaeology Building. It is hoped that the question for the trials may be submitted within the next two weeks.

This year the seventeenth annual Philo-Forum debate will be held. Of the sixteen already held, Forum has won ten and Philo six. The Robinson Prize goes to the winning team each year.

## Communication

To the Editor of the *Phillipian*—

Although seven minutes is ample time for walking from Pearson Hall to the Academy Building, or visa versa, if the class is dismissed promptly, it is not enough time if a class in either of these buildings is delayed in dismissal.

By making a path from the corner of Chapel avenue and Main street to the corner of the Elm Walk and the path from Phillips street, the school would save at least two minutes in going between the Academy building and Pearson Hall.

Of course, if the student body should begin walking across the green, it would spoil entirely the beauty which this part of the hill has always boasted, but a well made cinder path with rows of elms on either side would make it still more beautiful, and give it more the appearance of a college campus.

The paths which were added last summer have not detracted from the beauty of the green, nor would the path here mentioned. Let us hope to see such a path constructed in the near future.

## Lecture by James L. Tryon

At some early date the Debating Union hopes to offer the school a real treat in the way of a lecture by James L. Tryon on "The Coming of World Peace". Mr. Tryon is Assistant Secretary of the American Peace Society, and is therefore in every way qualified to speak upon this subject.

## Tennis Tournament

Tuesday afternoon the following matches were played in the Inter-class Tennis Tournament: Thompson, '09, defeated Heilbron, '09, and J. H. Thompson, '10, defeated Kennedy, '10.

The semi-finals will be played this afternoon at 2.30 o'clock, Thompson, '09, vs. J. H. Thompson, '10, Coffin, '11, vs. Hopwood, '12. The finals will also be played if time permits.

## Philo

The regular meeting of the Philomathean Society will be held on Friday evening at a quarter after seven in Room C., Pearson Hall. The first debate between the two political clubs will be held at this meeting. The question for debate is: "Resolved, That the people of these United States do rule, and that. Mr. Bryan's question, 'Shall the people rule?' is therefore absurd."

The program follows:—

Topics of the Week—G. S. McCulloch.

Select Reading—W. L. Nute.

Debate, affirmative, L. F. Henze, C. B. Rockwell; negative, F. T. Bennett, Q. Reynolds.

The critique will probably be given by Mr. Hinman.

The attendance at the last meeting was not all that could be wished for, only about twenty-five fellows being present, and it is earnestly desired that more fellows join the Society. Visitors are always welcome and the members will be only too glad to welcome every one who is at all interested in debating.
