YALE FRESHMEN WIN

Academy Eleven Defeated in a Hard Fought Game Saturday Afternoon. Score, 5-0.

Last Saturday, Andover was defeated for the first time this season, by the Yale Freshmen eleven. The game was hotly contested and the visitors had to be content with one touchdown. Capt. Vaughn and Savage, the former an old Exeter man, played very fast games at the ends, while the backs made big gains through the holes which their big linemen tore in Andover's line. Andover put up a stubborn fight and scored a touchdown on a spectacular run of 60 yards by Porter, which was not allowed. The old P. A. students playing on Yale Freshmen were Clinton and Norris.

The game in detail:—
FIRST HALF

Yale Freshmen kicked off to Andover, Ely running the ball back from his 5-yard to his 35yard line. Porter bucked the line for no gain and Hopwood kicked to Yale's 40-yard line and the Freshmen returned the kick on the first down, regaining the ball on a fumble on Andover's 15-yard line. Potter then made a gain of three yards for the Freshmen around left end, and Evans ploughed through the line for a touchdown after three minutes of the missions. half. Savage missed the try for a goal. Score: Yale Freshmen, 5; Andover, o.

Porter then kicked off to Parker who ran the kick back to his 45yard line. Potter kicked for the visitors to Hopwood on his 20yard line. Ely gained four yards through a hole inside of right end. Hopwood kicked to the middle of the field. Freshmen's ball. Vaughan then made a slight gain around right end. Potter kicked to Porter on the latter's 30-yard line. Hopwood then kicked and the Freshmen got the ball on the 50-yard line. Owen was knocked unconscious by a kick on the head and Potter took his place at right guard. Ely regained ball for Andover by interpreting forward pass. A trick pass from Porter to Hopwood resulted in a loss and Hopwood kicked to Merritt. Evans then hit the line for ten yards' gain and Potter followed by a six yards' gain through left guard. Evans was then held for no gain and Porter kicked to Hopwood. Hopwood ran back the kick fifteen yards. Waterman gained eight yards around left end, and the Freshmen were penalized five yards for offside, on the next down. On a trick pass from Waterman to Hopwood,

Talks on the History of the School

A series of talks, illustrated by stereopticon views, have been planned by the Society of Inquiry to take the place of their Sunday evening service. Mr. Stackpole will give the first talk, and has taken as his subject, "Samuel Phillips and the Founding of Phillips Andover". Among the forty of fifty slides which Mr. Stackpole will use to illustrate his lecture, are pictures of former buildings and of prominent men identified with t Academy's history There will also be slides to illustrate the life of Judge Phillips and the early years of the Academy.

Later in the term, Mr. Stearns will give an illustrated talk on the history of the school. Another series of addresses upon varied subjects of popular interest to the members of the school are to be held at the Inquiry services Sunday evenings at the close of the first series.

Cross Country

The cross-country squad will report on Mondays, Thursdays and Fridays at 2.45. Mr. Stackpole will lead 1909 squad, Mr. Fuess that of 1910, and Mr. Moore will lead the 1911 and 1912 squads. Captains of the second class squads will be chosen later.

Gymnasium Excuses

All excuses from physical training work must be obtained from Dr. Page before the cut is taken, or the absences will stand.' Makeup classes for excused absences only will be held on Wednesdays and Saturdays at 2.15 in the gymnasium.

First Issue of the Mirror

Owing to a delay of the advertisers, the first issue of the Mirror will not appear until next Monday. All fellows must have their subscriptions paid by that time and their copies will be delivered to their rooms: The first issue is to be the largest that has appeared for several years and promises to be one of the most interesting.

The first story, entitled "A Little Fraternity Pin", is a well written piece of romance, the plot of which is woven around a time-honored college superstition of the fraternity pin. This is followed by the first of a series of modern detective stories dealing with the interesting though somewhat startling adventures of "James Hurley, Detective". Next comes an article by Coach Lillard, entitled "Improved Football", which is sure to be of interest to every fellow in the school. "The Lucky Ladder" is the title of the next story. The plot is an interesting one with an amusing anti-climax. A short article by Gustavus T. Kirby of the American Committee d'Honneur at the recent Olympic games, is next in order. It is entitled "The Marathon Run", and describes that much-talked-of race, at the same time throwing a new light upon the controversy concerning the winning of it. A short poem, entitled "The Optimist", and "The Buncoes Buncoed"-a story illustrating the proverbial "turning of the worm", complete the fiction department.

A new department, headed "Grinds", will be introduced into the Mirror for October for the first time. Owing to its extreme youth this department is not overcrowded. It is hoped that the whole school will turn out to aid the editors in making this department o success. Contributions for this and other departments may be handed to the editor or left at the Mirror in the basement of the Archaeology Building. "Leaves from Phillips Ivy" and the editorial complete this issue.

Forum

Forum will meet Friday evening in the lecture room of the Archaeology Building. The subject for debate will be: "Resolved, That public opinion is a good standard of right."

The leader of the affirmative will be Schoellkopf, with Galantine as an assistant. The leader of the negative Wolverton, with P. Stew art as assistant.

After the debate the question will be open to the house. All are asked to be prepared to speak.

The critique will be rendered by a member of the faculty.

A select reading will be rendered by Whipple, and an extemporaneous address will be given by Colver.

THE OUTSIDE WORLD

THE POLITICAL OUTLOOK

The report of the chairman of the Republican committee in Illinois and Minnesota, shows that the sentiment in favor of the Republican party has been greatly strengthened since the beginning of the campaign. According to him Bryan has finally run his course, for the people are not inclined to credit him with sincerity or much sense, in the many political promises he has made. This attitude toward the Democratic candidate, is gradually taking possession of the entire north-west. The only office in these two states which seems likely to be occupied by a Democratic candidate, is the governorship of Minnesota. All positions of less importance will be filled by Republicans. Nebraska and other western states are still strong for Bryan.

LEAGUE BASEBALL

Detroit won its first game in the World's Championship Series last Monday, by defeating Chicago .8 to o. Cobb, the Tiger's right fielder, was the mainstay of the team and did more than any other man toward winning the game. Mullin pitched almost faultlessly and with proper support from the infielders would have shut rhe Cubs out without a run, but in the fourth inning the Chicago men made one of their irresistable rallies, and sent three men around the bases. Then Cobb showed up strongly, and with excellent batting and base running pulled the Tigers ahead to victory.

THE BALKAN SITUATION

Several new developments in the Balkan controversy have taken place within the last few days. The Servians succeeded in recapturing the islands near the capital from the Austrians, and the National Assembly has voted a sum of \$3,200,000, to meet the expenses of the war. The Russian foreign minister has been endeavoring for the past two days, to persuade Sir Edward Grey, the English Secretary of Foreign Affairs, to consent to a general discussion of the Balkan dispute, at an international conference. As a result of his efforts, it was announced yesterday that England would consent to the conference. England will also abandon her policy for limiting armament, and in view of the unsettled state of affairs in Europe, will resume the construction of naval armament on a large scale. .

LYNN STRIKE MAY END

The strikers of Lynn, Massachusetts, met this morning in Lasters' Hall, to settle if possible their claims against their employers. It is generally thought, that as a result of the conference, about 10,000 employees will return to work. This means that all those who had no grievance of their own, but who struck merely out of sympathy with their brother workers, will receive employment.

Princeton 1912 Defeats Exeter

Exeter was defeated by the Princeton Freshmen last Saturday by a score of 12 to 10. Exeter, although outweighied, played a fast game and the game was interesting from start to finish. Princeton scored first on an onside kick from Exeter's 40-yard line. The ball was kicked low and striking Dunn's feet bounded into the arms of Sawyer, who scored the touchdown. Bissel kicked the goal. Play had hardly been resumed when a forward pass was tried from Way to Mitchel who, with good interference, ran forty yards for a touchdown. Downing evened the score by kicking a pretty goal. There was no-more scoring in this half.

The second half began badly for Exeter and in a few rushes Princeton had the ball close to the line. But here Exeter braced and after three downs received the ball two feet from the goal. Lewis punted out but Hyatt interfered with the fair catch and Exeter was penalized 15 yards. Princeton could not be held this time and Hart was pushed over the line. Bissel kicked a good goal.

Exeter fought hard but was unable to cross the line or score until Young made a fair catch on the 35-yard line and Downing kicked a goal from placement.

Hart and White, Exeter graduates, played well for Princeton.
