BASKETBALL SCHEDULE

Manager Dougherty Completes the Schedule for Team. Faculty Allows Only Twelve Games.

Manager D. C. Dougherty of the Academy basket-ball team has completed his schedule of games for the season of 1909. The management has found it necessary to cut the schedule from fifteen games to twelve, owing to the fact that the Faculty decided that fifteen games was too large a number. Harvard and Brown have both cut their schedules this year, so the manager was unable to secure games with either of them. One game of great importance has been added to the list this year; this is the game with Dartmouth, at Hanover. The Academy has never played Dartmouth before, and great credit is due to the management for securing the game. There will be no games played before Christmas, contrary to the usual custom. The schedule is as follows:

Jan. 13—Rindge Manual Training School.

Jan. 16—Conn. Agricultural College.

Jan. 20—Boston College.

Jan. 23—Lowell Textile School.

Jan. 27—Boston Interscholastic.

Jan. 30—Worcester Polytechnic.

Feb. 3—Brown Second.

Feb. 6—Dartmouth, at Hanover.

Feb. 10—Cushing Academy.

Feb. 13—Manhattan College.

Feb. 17—Open.

Feb. 24—Dean Academy.

Feb. 27—Lowell Textile School, at Lowell.

All games not otherwise indicated will be played in Andover.

Archaeologists Hold Meeting

Dr. Peabody and Mr. Moorehead have gone to Washington to attend a meeting held in the Smithsonian Institution. The object of this meeting is to devise a system of nomenclature for the various implements, ornaments, art objects, etc., used by the early Indians in North America. A committee consisting of Washington, New York and Boston scientists has been appointed, of which Dr. Peabody is chairman.

In case the scheme proposed by Dr. Peabody and his committee is accepted by these scientists at Washington, it will be possible to place American archaeology on a more permanent basis; to make it more systematic. The work will not interest the public, but will be of technical importance.

Student control of athletics has been formally ended at Iowa.

1909 SOCCER CHAMPIONS

The Seniors Secure Soccer Championship by Tying 1910, After Having Won All Preliminary Games.

While the Seniors and Middlers were playing a 0 to 0 game in football, 1909 and 1910 proved themselves equally well matched in soccer, each team tallying one point. Although the last game resulted in a tie, the Seniors won the inter-class soccer championship, as they defeated 1910 in an earlier game. From the start, the two upper class elevens proved to be the best teams, but in comparing the first game between the senior and middle elevens with last Monday's contest, one is impressed with the improvement of both teams. At first the team work was very ragged, and there was a surprising lack of knowledge in the rudiments of the game. Last Monday, however, both classes put on the field well organized and fast teams. Of course there is plenty of room for improvement when soccer is again taken up in the spring, but the game seems to have established a pretty firm foothold among inter-class sports.

In the first half last Monday, both elevens played hard and fast, but the middlers had the upper hand and kept the ball well into their opponent's territory. Their forwards excelled at kicking the ball in the air, and their passing was good. But when the Seniors had been driven back toward their goal, 1909 rallied and put up a very strong defence. Her forwards then had a chance to re-organize, and the scene of the contest would shift to the other end of the field. Towards the end of the first half, a foul was called on a Senior within 18 yards of his goal. The middlers were accordingly entitled to a shot at the goal, free from all opponents except the goal-keeper, at a distance of 18 yards from the goal. 1910, therefore, was given a free kick, and Gamble scored a pretty goal.

In the second half, 1909 rallied and had frequent chances to score. It was not until the middle of the half, however, that Dickey shot a clean one at a difficult angle. From then to the close of the game, the contest changed from around one goal line to the center of the field and then to the other goal line. At one time, the ball caught Snell full in the face and he afterward lay back a little; this also happened to Lee in the first half. The game closed with the ball in mid-field.

The summary:

1909—Thomas, goal; Platt, Saw-

BASKETBALL NOTICE

All candidates for the basket-ball team are requested to report at the Borden Gymnasium at half past three Saturday. It is imperative that all candidates show up at this time, as practice will start immediately and it is desirous to have as much material as possible to work with.

POT-POURRI NOTICE

The men are proving to be exceedingly slow in answering manager Burch's call for pictures, and it is urgently requested that all of next year's seniors and non-returning middlers should make use of this afternoon to have their pictures taken. On presentation of the proper card, which can be obtained from Burch or Litchfield, an Andover student is entitled to a discount on his order at Purdy's or Chickering's in Boston.

HOCKEY NOTICE

The hockey management expects to build a rink on Brothers' Field for the use of the 'varsity squad. Rabbit's Pond will then be used by the class hockey squads, as it is Dr. Page's intention to add hockey to the list of inter-class sports.

5188 students are registered at Michigan this year.

FOOTBALL SEASON OVER

Seniors and Middlers Played Last Game in Interclass Series on Monday. Score, 0-0.

Monday afternoon on Brothers' Field in a well fought contest, 1909 and 1910 played a tie game, the score being 0-0. Both teams were very evenly matched and neither team was seriously threatened at any stage of the game. The nearest approach to a score was in the first half, when 1909 forced 1910 to the latter's 18-yard line, but a fumble spoiled this chance of a score. 1909's back-field was as strong as usual, but her line was somewhat weaker, letting the Middlers tear through for long gains. Penalties were rather frequent, but the game was extremely interesting, both teams playing hard and fast. Burch at right end showed unusual pluck, when, after his shoulder was put out twice, he refused to leave the game. Blakeslee punted for 1909 and Pfau for 1910, their kicking being one of the features.

The day, although a little warm, was a good one for football, there being little wind blowing, and the sun not being very bright. Blakeslee, Seeley and Klingbeil were the stars for 1909, while Thompson and Pfau excelled for 1910.

The game in detail: Palmer kicked off to Waterbury on his 15-yard line, and the latter ran the ball back five yards before being stopped. Pittman tried left tackle but made no gain and Blakeslee punted 45 yards to Martin who was downed without gain. Sherman then hit left guard for no gain, and Pfau got one yard on a run around left end. Burch got a weak punt from Pfau and ran five yards before he was tackled. Klingbeil hammered right tackle for two yards, but Pittman failed to gain through the same place. Blakeslee punted 40 yards to Martin who was nailed in his tracks. Sherman got five yards on two successive bucks through right tackle, and Pfau punted 40 yards. Blakeslee netted five yards through right tackle, and Klingbeil added two more through the same place. Blakeslee made four yards on a line plunge through right tackle, and Pittman got five more through left tackle. Blakeslee punted 35 yards to Martin who fumbled, and Waterbury fell on the ball for the Seniors. Blakeslee and Pittman were sent against the line, but it held firm and no gain was made. 1910 was here penalized for off-side play. Pittman fumbled the ball and Thompson fell on it for the Middlers. Seeley broke

HARVARD, 4; YALE, 0.

Harvard defeated Yale in the big football match at New Haven, Saturday, by the score of 4-0, a goal from the field by Kennard in the middle of the first half bringing the victory to the Crimson. It was the splendid generalship of Head Coach Haughton which resulted in this achievement, for Kennard, an expert drop kicker, was sent into the game solely for this purpose. By dint of aggressive rushing, Harvard had worked the ball to Yale's 15-yard line, when Ver Wiebe, the Harvard full-back, was replaced by Kennard. On the next play, Kennard made a superb drop kick from the 20-yard line, and sent the ball over the cross-bar for the only score of the game.

Yale played its usual hard plucky game, and but for at least one error might have won. The error was, however, an excusable one. It was committed by quarterback Johnson in the second half, when he failed to move five yards to one side, before making what might have been a most effective forward pass. Yale had carried the ball to Harvard's 25-yard line, when Coy dropped back, apparently to try a goal from placement. Johnson on one knee received the ball from the center, and, quickly jumping to his feet and taking a couple of steps to his right, he threw the ball straight into the arms of Burch who was downed on Harvard's 9-yard line. But Referee Langford, who saw that Johnson had not covered the necessary five yards to one side, called the ball and gave it to Harvard. Had the pass been legal, Yale would have been in a splendid position to tear through Harvard's defence for a touchdown.

An article on last Saturday's game at New Haven would be incomplete without speaking of Head Coach Haughton's admirable work. Confronted by a squad of inexperienced men, the oldest of whom is not yet twenty-two, and having to cope with chaos resulting from years of unsystematic coaching, Mr. Haughton gradually developed a winning team and at the same time established a systematic policy of coaching which proved its worth last Saturday. But this overturning of coaching system effected not only the 'varsity, but also the second and freshmen elevens. The latter although greatly outweighed won from the Yale freshmen solely through its team work and ability to use every opportunity for its own advantage.

The following Andover men played in last Saturday's game: McKay, P. A. '07, Harvard '11; Haines, P. A. ex-'09, Yale Law School; Daly, P. A. '07, Yale '11; Andrus, P. A. '06, Yale '10; Hobbs, P. A. '06, Yale '10. Kilpatrick, P. A. '07, Yale '11, and Burr, P. A. '05, Harvard '09, would have played but for injuries received during the season. The summary:

HARVARD	YALE
Browne, l.e.	r.e., Burch (Haines)
McKay, l.t.	r.t., Brides
Dunlap (Withington, West), l.g.	r.g., Goebel

Score—Harvard, 4; Yale, 0. Goals from field—Kennard. Umpire—W. H. Edwards, Princeton. Referee—W. S. Langford, Trinity. Field judge—E. H. Hall, Dartmouth. Head linesman—H. H. Hackett, West Point. Time—35-minute halves.

The returns of the game were given to the students of the Academy by means of a special wire to the gymnasium. Mr. Lillard announced the plays, while Dr. Page showed the position of the ball on chart erected for the purpose. In this manner the plays were clearly shown and the game was easily followed. A large number of both students and townspeople were present.

AMHERST, 4; WILLIAMS, 0.

Amherst defeated Williams by a score of 4-0 in Amherst Saturday afternoon. The teams were very evenly matched, and played remarkable football. Neither side had a great advantage and the outcome was doubtful until the last few minutes of play.

Amherst scored in the middle of the first half. Gray recovered a forward pass of Williams in the center of the field and ran to Williams' 7-yard line before he was tackled. Amherst failed to rush the ball over and Williams recovered it. The punt out was blocked and Amherst got the ball on Williams' 10-yard line. Madden dropped back for the goal, and sent the ball between the posts. The most brilliant work for Williams was done by Robb, Brown, and Morse. Gray and Haldeman in the back-field, and Keogh and Madden at ends starred for Amherst. Score: Amherst, 4; Williams, 0. Goal from field, Madden. Time, 35-minute halves.

SYRACUSE, 28; MICHIGAN, 4.

In a very sensational game, Syracuse defeated Michigan by a score of 28-4, Saturday afternoon. The game was witnessed by a very large crowd. Horr of Syracuse was the star of the game. Syracuse scored three touchdowns in the first half, and two in the second half. Michigan's only score came from a goal from the field by Davison. The summary: Score—Syracuse, 28; Michigan, 4. Touchdowns—Darby, Clarke, Horr, Banks, and Fisher. Goals from touchdowns—Stein 3. Goal from field—Davison. Time—35-minute halves.

All matters intended for publication must be signed by the writer's name.

THE ANDOVER PRESS

Wednesday, November 25, 1908

Because of the Thanksgiving recess, and the consequent lack of news, there will be no regular issue of the PHILLIPIAN on Saturday, November 28th, the next issue coming Wednesday, December 2nd.

To the courtesy of the *Congregationalist* and the kindness of Rev. C. C. Carpenter, the PHILLIPIAN is indebted for the use of the cut of Dr. Grenfel in last Saturday's issue.

Mr. and Mrs. Stearns Receive

According to their annual custom, Mr. and Mrs. Stearns will keep open house on Thanksgiving evening, and all the fellows who are to be in town Thursday evening are very cordially invited to drop in for an informal good time.

Grenfel Collection

Dr. Grenfel uses to advantage hundreds of boxes of cast-off clothing which students from various schools and colleges send to him every year. The Andover collection will be made shortly before the Christmas recess, and the fellows are requested to save their worn out clothing for it instead of selling them for next to nothing. Old trousers that are still intact are especially desired, and fellows are asked to remember that odd shoes are of no use, as the natives of Labrador have the normal number of feet.

Gymnasium Notice

The special gymnasium class for the baseball and track teams will be held in the gymnasium Wednesdays and Saturdays at 2.30 p.m. This class will comprise all men who intend to go out for baseball next spring, men who have won places in the recent cross-country races, and "A" men.

Second Cross Lecture

The second of a series of illustrated lectures by Mr. George N. Cross, of Haverhill, was given Monday evening in the Stone Chapel. Mr. Cross took as his subject "The Lion of St. Mark". As the subject indicates, the lecture was upon Venice. Some very remarkable slides were shown, among which were a number of beautiful views of St. Mark's Cathedral, the Grand Canal, the Ducal Palace, and the Campanile. Mr. Cross told some very interesting stories in connection with the history of the city. He told the story of the aged Doge who ruled Venice at the time of the crusades, and, who, although nearly a hundred years old, offered himself to the people assembled in the great cathedral as their leader in the crusades, and was accepted with great acclamation.

The lecture, although unannounced, was well attended by a large number of students and townspeople. The next of Mr. Cross' lectures will be given on Tuesday evening, December 1st, in the Stone Chapel. The subject will be "Sixty-four Years a Queen". As the subject shows, the lecture will be upon the late Queen Victoria, and will doubtless be very interesting.

Sunday Speaker

The preacher at both services on Sunday will be Rev. J. H. Denison of Boston. Mr. Denison is a graduate of Williams, and of the Andover Theological Seminary. He was for eight years the pastor of the Mission Church of Sea and Land, on the east side of New York, where he did some notably successful work among the poor. For the past six years Dr. Denison has been pastor of the Central Congregational church of Boston, one of the largest churches in the city. He has occupied the chapel pulpit on a number of previous occasions.

Dr. Denison at Inquiry

Rev. Dr. Denison, of Boston, will give an illustrated lecture on the "Cannibal Islands" at the Sunday evening meeting of Inquiry. A number of years ago Dr. Denison made a trip around the world visiting a number of out-of-the-way places, among which he visited two groups of cannibal islands, in the Pacific, where he met with a number of most interesting adventures. The slides have been made from Dr. Denison's photographs. The lecture will doubtless be very interesting and all are invited.

A few men are needed at the Andover Guild on Brook street to coach the boys' clubs in basketball. The Guild has a fine new gymnasium which is under the charge of Betteridge, P. A. Annual Cross-Country Run

The annual handicap cross-country run was held Monday afternoon. The usual course was used, two laps making the full distance. Fifteen men entered the race. They were as follows: L. M. Stewart, R. M. Kimball, E. A. Whittemore, T. L. Bayne and C. R. Deane, with a handicap of five minutes; R. F. Decker, with a handicap of four minutes; P. F. Stewart, with a handicap of three and one-half minutes; A. D. Keech and O. H. Smith with three minutes start; W. P. Sheffield and E. H. Hall, with a start of two minutes; H. B. Day, G. A. Wilson and H. B. McCrone, with a handicap of one and one-half minutes. Gould ran scratch. The first lap was finished in the following order: Kimball, Whittemore, L. Stewart, Bayne, P.F. Stewart, Deane, Keech, Decker, Smith, Sheffield, Hall, Day, Wilson, McCrone and Gould. In this lap, P. F. Stewart was the only man to pass anyone. The second and last lap was finished in the following order: Whittemore, L. Stewart, P. F. Stewart, Gould, Kimball, Keech, Hall, Sheffield, Bayne, Day and Smith. The race for first, second and third places was very close indeed, Whittemore, L. Stewart and P. F. Stewart finishing within a very short distance of each other. Gould came in fourth hardly thirty seconds behind Stewart. The time was not taken. Cups will be given for the first three places. Dr. Page, Dr. Walker, Mr. Stackpole and Mr. Sturgis acted as judges at the finish. The finish was between the posts of the east goal on Brothers' Field, and as the race was ended between the halves of the 1909-1910 game, there were a large number of fellows present.

Interscholastic Cross-Country Run

For the first time, Andover will be represented in the annual American interscholastic cross-country run which takes place to-morrow in Philadelphia. The run is to be held under the direction of the University of Pennsylvania, and will be run at the University of Pennsylvania Park, to-morrow, starting from the boat house at ten o'clock. The Andover team is composed of the following: M. J. Hayes, A. M. Lucey, E. H. Williams, G. M. Leslie and Kennedy. The team will be accompanied by Mr. Poynter, Trainer Peet and Manager O. H. Sheldon, all of whom will leave for Philadelphia this afternoon.

W. E. Gould, who holds the Andover cross-country record, will be unable to represent the Academy in to-morrow's race as he is debarred by the age limit. S. S. McCulloch, who took second place in the inter-class run this fall, will also be unable to compete, for the same reason.

The funds necessary to pay the expenses of the team were raised by subscription, and great thanks is due the school for the generous response made.

Seniors Receive Numerals

At a meeting of the Athletic Advisory Board, held after Chapel, Tuesday morning, it was voted to award numerals to seventeen men on each of the two upper class teams. The decision arose from the fact that 1909 and 1910 were tied for the inter-class championship, and no opportunity presented itself for playing the tie off. Both teams have worked hard, and both being very evenly matched, it was thought that this would be a satisfactory move for all.

Coach Coates, Manager Burch, Lanus, Klingbeil, West, and Bartlett, having already received their numerals, consented to relinquish their claim in favor of other men. The following men from 1909 have therefore been awarded their numerals: Dougherty (captain), Seely, Pickett, Waterbury, Pittman, Creighton, Robinson, Blakeslee, Hanna, Brush, Hunt, Hann, Flanders, Colver, Elliot, Phelps, and C. W. Hamilton, assistant coach. The list of men from 1910 is not yet ready, but it will be published later.

Intercollegiate Hockey Schedule

At a meeting of the Intercollegiate Hockey League held at the Dartmouth Club, New York, Saturday, the complete schedule for the coming season was made up. All games will be played after Christmas, and with the exception of the Harvard and Dartmouth contest, which is scheduled to be played in the Stadium at Cambridge, will be played in the St. Nicholas Rink, New York. The schedule follows:

- January 6—Princeton vs. Columbia, at New York.
- January 9—Harvard vs. Columbia, at New York.

Communication

Mr. Freeman received the following communication, which he wished published:

Mr. Archibald Freeman,
Phillips Academy Andover.
My very dear Sir and esteemed Friend—

For the sake of our much beloved art, for the cultivation of all individual superiority, for health and strength, as much as for grace and chivalry, I beg of you to acquaint your students with my desire to teach them Foil-Fencing, the old French exercise with swords.

The Technology students and the Y. M. C. A. are looking for men and teams to fence with, and the St. Mark's, the Groton, and Middlesex favor the practise of this art. You have the material among your men, the minds; judgment, coolness, as well as skillfulness, if developed.

This individual training appeals to all men who strive after manly perfection, to which grace and chivalry undoubtedly belong. The exercise of Foil-Fencing strengthens and builds up the physical organization gradually, without any risk of straining or internal injury; it does not foster or in any way encourage team play or team spirit, but simply individual superiority.

Oblige me by making your best attempt to get up a class for me, which should be easy for you in as much as you once engaged with me in Foilplay.

I remain,
Very truly yours,
ALEXANDER ENGEL,
Fencing Master.

Mr. Engel's rates are six dollars a month, which entitles one to two lessons a week. Beyond this, the cost of a foil will be two dollars, and a mask the same amount.

Richard F. McLauren, now in Columbia University, has been chosen president of Massachusetts Institute of Technology. The Tech. got out an extra edition on the occasion of his election.

Dean Crane of Cornell has resigned. He has been on the faculty of the university since it was founded in 1868.

through and blocked a punt by Pfau, but Scribner recovered the ball for 1910. Stanley made no gain through right tackle. Pfau punted 45 yards to Waterbury who ran outside. Blakeslee got off a nice spiral which sailed 45 yards to Martin who made no gain. Thompson found a hole in right tackle for five yards, and on the next play Dougherty made five more through left tackle. Palmer lost one yard on a try through right tackle and Pfau punted 35 yards to Blakeslee, who failed to return it. Blakeslee made three yards on a run around left end, and punted 45 yards to Thompson who fumbled the ball, but recovered it again. On a fake play Thompson netted six yards through right tackle, and Pfau punted 35 yards to Klingbeil who returned it 10 yards. Blakeslee made four yards on a plunge through left tackle, and Klingbeil hit the same place for three more. Blakeslee attempted a forward pass, but being unable to get the pass off was tackled for no gain. The half closed with the ball on 1909's 45-yard line.

SECOND HALF

Pickett for 1909 kicked off to Pfau who ran the ball back 10 yards. Pfau made no gain on a run around left end where he was tackled by Burch. Pfau kicked 30 yards to Waterbury who was downed in his tracks. Klingbeil got a poor punt, and on the next play Blakeslee punted 35 yards to Martin, who ran back 15 yards. Pfau punted back 35 yards, the ball, however, went outside, and was secured by 1909. Brush went in for Dougherty. Blakeslee punted back again for 30 yards and Thompson returned the ball five yards. Thompson netted three yards around right end, and Palmer made three yards in the same place. Pfau punted 30 yards to Waterbury, who did not return the ball. Blakeslee hit left tackle for three yards and punted 35 yards to Thompson. Thompson fumbled and Blakeslee got the ball again. 1909 was here penalized five yards for off-side play. Blakes-

lee punted again for 30 yards, and Thompson who received the punt, was tackled before he got started. Palmer lost one yard around right end, and Pfau punted 35 yards to Blakeslee who was downed after making 15 yards. An attempted forward pass here cost 1909 15 yards. Eames replaced Pfau. Klingbeil bucked left tackle for three yards, and Pittman netted two yards around right end. Bartlett went in for Burch. 1910 was here penalized five yards for off-side play, and 1909 then essayed another forward pass which also went wild and cost 1909 another 15 yards. Blakeslee punted 30 yards to Thompson who was tackled by Seeley for no gain. Sherman and Eames together netted seven yards through left tackle, and Waterbury intercepted a forward pass. Blakeslee punted 30 yards to Thompson who failed to return the ball. An on-side kick by Martin went outside, the ball going to 1909. A forward pass by Pittman netted two yards, and Blakeslee punted 30 yards to Martin. Martin failed to return the ball, and 1910 was penalized for holding, the ball going to 1909. The game ended with the ball on 1910's 35-yard line.

Inquiry

The Rev. Sherard Billings, Assistant Headmaster of Groton, who preached at both services last Sunday, gave a very pleasant talk about his adventures on a trip around the world at Inquiry Sunday evening. The Rev. Mr. Billings took this trip with a friend fifteen years ago in a steam yacht. The first summer was spent in cruising among the fjords of Norway, and the fall was devoted to visiting Mediterranean ports. Thence, the party entered the Red Sea by the Suez Canal and skirted the shores of Arabia. India was visited, and afterwards Borneo. From there, the yacht steamed up the China coast and crossed to Japan, the journey home being continued by mail-boat. The narration of the trip was enlivened with humorous adventures and anecdotes, and was also interspersed with interesting information of the policies used by the missionaries in their work, and the consequent results of these policies.

WITH THE COLLEGES

A laboratory in forestry has been offered to Michigan by the United States government.

In the recent examinations for government positions in China, the Chinese graduates of the University of California made the high grades.

Cornell won the intercollegiate cross-country championship over a six-mile course at Princeton last Saturday, against the strongest field of runners that has ever gone over that course. D. C. Young, the Ithacan captain, led from the start, and finished first in 34 m. 14 s. Dull of Michigan and Jacques, the Harvard star runner, fought it out for second place to the very last, the former winning out after a spectacular spurt from within a few yards of the tape.

Yale won the annual intercollegiate gun club shoot at New Haven last Saturday, with Harvard second, and Princeton third. Yale's score was 432 points; Harvard, 420; Princeton, 406; Pennsylvania, 348. The best individual scores were made by Thebard and Thaw of Yale, who tied at 89 birds each. Merriam of Yale and Wright of Princeton each broke 88 birds out of a possible 100. The individual scores were:

Yale—Merriam 88, Trudeau 83, Dickey 83, Thebard 89, Thaw 89, total 432.

Harvard—Morse 81, Gilman 82, Brewer 86, Higginson 84, Hathaway 87, total 420.

Princeton—Biddle 67, Wright 88, Estey 67, Westonhaver 82, Satter 82, total 406.

Pennsylvania—Neil 80, Lewis 81, Lee 64, Dixon 46, VanCamp 77, total 348.

There are in the United States 493 universities, colleges and technological schools, in which are being educated 229,292 students in all, says the *Yale Alumni Weekly*. The article goes on to say that Europe has 228,732 students in 125 universities. A list sent to Washington by the American vice-consul at Magdeburg gives the following figures for 1907: Greece, Norway, Portugal, Denmark, Bulgaria, and Servia each having one university:

Country	Number universities	Students
Germany,	21	49,000
France,	16	32,000
Austria-Hungary,	11	30,000
England,	15	25,000
Italy,	21	24,000
Russia,	9	23,000
Spain,	9	12,000
Switzerland,	7	6,500
Belgium,	4	5,000
Sweden,	3	5,000
Roumania,	2	5,000
Holland,	5	4,000

BRYAN CAMPAIGN REPORT

In the report of the Democratic committee of Finances, issued on Monday night, it was stated that \$620,644 had been donated to the party from various sources. The expenses amounted in all to \$619,410, leaving a balance of \$1,234 on hand. In accordance with the election law of New York State, a document was immediately filed with the Secretary of State at Albany, containing an official list of all contributors to the fund, received during the year of 1908.

NAVAL CONFERENCE REPORT

The official report of the conference, held at Newport, R. I., last summer, for the purpose of investigating the matter of battleship design, was made public yesterday. The report supports many of the criticisms made by Commander Ke. The inferiority of the 12-inch guns, the inefficiency of the 5-inch upper armor plate, the low position of the torpedo defence guns, the faulty location of magazines, and the inferiority of American guns to those of foreign make, were all acknowledged. It was

found "inadvisable, however, to make any alterations in the plans of the battleships North Dakota and Delaware, as it would involve a considerable delay in their construction. On the other hand, all future battleships will be constructed under the new system, and a much greater efficiency of the navy will result from it.

NEW ALASKAN GOLD FIND

A big strike on Stewart River, near Nome, Alaska, was recently made. Great quantities of gold have been taken out of the rock, and the wealth of the region bids fair to far surpass that of the Klondyke. Two prospectors have recently returned from a thorough inspection of the country, and report an extensive deposit of the mineral throughout the whole of McMillan County.

Princeton May Row

The success which attended the inter-class regatta held at Princeton a week ago Friday, led to a meeting of the University Rowing Association and its advisory boards. It is now practically asured that Princeton will row some college in a dual race on Lake Carnegie next spring.
