NEW FACES IN FACULTY

Prof. Forbes and Other Old Members Resume Their Duties

The opening of the school year of 1901-10 is marked by several changes in both school and faculty. In size, the Academy is about the same as last year. The exact enrollment, however, can not be determined until early in October, when many who are at present taking examinations shall have returned. The new men outnumber the old ones in greater proportion than usual.

Prof. Forbes, after a year spent in touring through Europe, has returned to Andover, where he will teach Senior Latin. The summer of 1908 he spent in Great Britain and Switzerland, going South in the fall to Spain. Returning, he visited Vienna, and then again went south to Rome, where he was joined by Mr. Keep. Together they visited Greece and southern Italy. Prof. Forbes then returned to Oxford, where he spent considerable time comparing college life in England with that in America.

Mr. Phillips, instructor in Latin, Mr. French, instructor in French and Latin, and Mr. Parmalee, have likewise returned from a year's leave of absence abroad. Mr. Parmalee will teach English this year instead of French as formerly.

Mr. Swift, S. B., the head of the Physics Department last year, has resigned from the Faculty and Mr. C. Harrington, M. S., will fill his position. Mr. Harrington has been teaching at Worcester Academy, of which he is an alumnus. His assistant is Mr. F. Boyce, a recent graduate of Brown University.

Mr. G. H. Eaton has received the appointment of instructor of mathematics. He is a graduate of St. Lawrence University.

Herr Fritz Hellmuth, the Prussian Exchange teacher on the Carnegie Foundation, will arrive shortly at Andover. He will conduct classes in German conversation and a *Deutscher Verein*. Andover will not exchange a professor this year with Germany.

FOOTBALL COACH

Mr. Lillard's place as coach of the football team is being ably filled by Mr. Hawley. Dartmouth '09, Hawley won the 100 and 220 yard dashes in the New England Intercollegiate meet and played a star game at half back on the varsity team.

FALL ATHLETICS

For the first few weeks of the term, all men who are not out for the Varsity football team, are required to join their class track Class. After two weeks of track work, a series of class meets will be held, the first one being between the Juniors on October 6. The other meets follow during the week.

In these meets, the best two men in each class will be picked for the Fall Interscholastic Meet on October 13. No "A" or "AAA" men will be allowed to compete, making the chances of new men unusually good. The winning class relay team will receive their numerals.

The schedule of fall track work follows:

A NEW COURSE

A course in American Archaeology and Ethnology will be offered by the Department for the school year 1909-'10.

Instruction will be given in general prehistoric Archaeology, local American antiquities, and the racial characteristics of the American Indian.

There will be an opportunity for a comparative study of the cultures of primitive and prehistoric peoples and for elementary laboratory work with the specimen in stone, bone, shell, clay, etc., themselves.

Meetings are to be held once a week at a time to be found convenient.

A prize of twenty-five dollars is offered by the Department for the best examination in June on the years' work.

The course will not be given for less than four students and the number admitted will be limited to six; candidates will only be accepted from the three upper classes and their previous record in school must be such as to satisfy the Faculty that the additional work will not be detrimental to the regular required work of the School.

All students wishing to take the Course will please meet the Director and the Curator in their office in the Archaeology Building at 2 p. m., Monday, October 4th.

FOOTBALL SCHEDULE

Ex-Manager Redman presented the following football schedule last spring, which we reprint for the benefit of the new men. As in 1908, two games are scheduled with the Yale Freshmen team, which usually has Andover Alumni playing on it. All games will be played in Brother's Field, except the second game with the Yale Freshmen, which will be played at New Haven, and the Exeter game, which is at Exeter.

The Schedule:

Sept. 25. Cushing Academy.
Sept. 29. Lowell Textile.
Oct. 2. Worcester Academy.
Oct. 9. Yale Freshmen.
Oct. 16. Penn. Freshmen.
Oct. 23. Harvard Freshmen.
Oct. 30. Yale Freshmen.
Nov. 6. Exeter.

EXETER SCHEDULE

Manager Wingate, of Exeter, has arranged the following schedule. Bowdoin has been added and Bates and Colby dropped. The prospects for a good team are bright at Exeter, as many old men are back. John Glaze will again coach the team this year.

Sept. 25. Brewster Academy.
Oct. 2. Lowell Textile.
Oct. 6. Cushing Academy.
Oct. 9. Dartmouth Freshmen.
Oct. 16. Bowdoin (at Brunswick).
Oct. 20. Williston Seminary.
Oct. 23. Yale Freshmen.
Oct. 27. Harvard Freshmen.
Oct. 30. Open.
Nov. 6. Andover.

FOOTBALL TICKETS

Football season tickets are now on sale at Chase's athletic store for \$2.00. Everyone should get tickets at once, and attend the game this afternoon. Single tickets may be obtained at the gate for 50 cents.

ACTING CAPTAIN AT YALE

Captain Coy of Yale is in the New York City Hospital recovering from the effects of an operation and will be unable to play in the first three games this season. Walter S. Logan, a senior and 'varsity end, has therefore been appointed acting captain. Hyde, P. A. '07, and Kilpatrick, P. A. '07, have completely recovered from their injuries of last year and both are in fine condition. Andover is also represented on the Yale squad by Hobbs, '06; Andrus, '06; Daly, '07; Murphy, '07 and Haines, '07.

MANAGER REDMAN RESIGNS

The Advisory Board has recently received and accepted the resignation of G. L. Redman from the position of Football Manager. C. Martin and H. Harbison were therefore selected by the Board to act as Managers until a school meeting should be called. Both of these men qualified last fall for the football management, and are well suited for the duties of the office.

SCHOOL CHEERS

For the benefit of the new men, the school cheers are printed below. Everyone should learn these, so as to be able to participate in the cheering in today's game. Much of the team's success depends on the good support they receive from the school, so it is every man's duty to learn the cheers.

C. Martin and S. Eames will be cheer leaders this fall.

THE FOOTBALL OUTLOOK

"So far this year, the team is rather weak in the back field," says Coach Hawley. Porter and Burnham are holding full-back down well. Half-back, however, seems to be the weakest point. Reynolds is the only one of last year's squad out for the position, and new material is lacking.

MacDonald, last year's substitute, and Paradise are the most promising quarter-backs. Captain Large will hold down center. Van Brocklin will make a fast end, as will Payne and Sheldon. York and Jones, both new men, Owen, and Harlow are strong in the line.

Rogers is a promising on-side kicker, and Porter is punting with his usual good form.

Several minor injuries have slightly retarded the advancement of the team. Owen has injured his leg, Porter his hand, and Reynolds knee is slightly bruised.

Since the scrimmage work has begun, a number of second and third team men have been showing good form, and these will undoubtedly be heard from later.

The Phillipian wishes to remind remind the fellows of the custom long in vogue of leaving the chapel by classes. Those in front pass out first and each pew waits until the one in front of it has been vacated, before passing out.

To those students who have come to Andover this fall for the first time, the Phillipian extends a most hearty and sincere welcome. Although we miss a great many familiar faces, still it is with great pleasure and interest that we turn to the new men. Last year was a most successful one for the Academy, and we feel very confident that with such a large school this term, the year bids to equal, if not surpass its predecessor.

PHILO

Philo held her first meeting of the year last night in Pearson Hall. Pres. Reynolds opened the meeting with a few words of welcome to the new men. Mr. Eaton then gave a short talk on some interesting historical points of the Society.

W. L. Nute then spoke "The Troupe of the Guard." Mr. Hinman gave as his subject: "Debating in Philips Academy." He made an urgent plea to the new men to join one of the debating societies. After some important business was discussed, the meeting was adjourned.

FORUM

Forum met for the first time this year, Friday night in the Archaeology Building. The meeting was devoted entirely to business. New officers were elected to fill vacancies left by J. Fletcher and A. Keech. Several names were proposed and laid on the table in accordance with the constitution of the Society. The officers for this term are:

J. T. OGDEN, President.
W. E. GOULD, Vice-President.
A. H. SCHOELKOPF, Secretary.
P. STEWART, Treasurer.
W. SHEFFIELD, Marshal.

IN MEMORIAM

JUSTUS FLETCHER '10

Justus Fletcher entered the school a year ago after three years at Mount Hermon, where he had made a record as a good scholar, a hard and faithful worker, and a leader. He was twenty-four years old when he entered Andover to complete in two years his preparation for Princeton. He was intending to enter the ministry.

Having good height, a fine pair of shoulders and great physical strength, Fletcher was a football enthusiast and made the position of left guard on the victorious school team a year ago. He was also an active member of Forum, an excellent debater and a good student. Of a deeply religious nature he was enlisted in the work of the Society of Inquiry and he took part with much impressiveness in the open meetings. He was secretary of Inquiry for the second half year and was chosen vice-president for the present half-year.

Fletcher was earning his way through school and had done good work as a tutor. Without the superficial social qualities that so often secure popularity, he received and he deserved the respect and the admiration of his fellow-students for his honesty, his earnestness and his all-round manliness, while he was much beloved by those who knew him well. The quiet influence in the school of such fellows as he is not easily realized, but it has always been a great factor for good at Andover.

Fletcher secured a position for the summer with the Providence Electric Railway and had been at work for one week as motorman. He was driving his car down a hill at the foot of which there was a sharp curve. As it was in the evening and he was not familiar with the route he supposed that a light further on marked the place of the curve. He, therefore, did not reduce the speed at the foot of the hill. The car left the rails and struck a tree. Fletcher was terribly crushed about the head. He was taken to the hospital and died early the next morning, July the tenth. Dan MacDonald, '11, was with him at the time and took his body to his home in Hagerstown, Maryland, where the funeral took place. Fletcher was a member of a large family. His father and step-mother are living.

FOOTBALL MANAGERSHIP

The faculty has passed on the following five men for the assistant managership of the football team. These men are now canvassing the school for subscriptions.

The expenses for the team this year are unusually heavy, as the coach's salary has to be paid from the funds. It is estimated that about \$2400 are needed, making a minimum amount of \$6 to be subscribed from each person. Everyone should contribute as much over this amount as they can afford.

The men out for the assistant managership are: N. Williams, J. McIntosh, D. Townson, N. Thompson, and W. Wright.

An estimate of the expenses of the association for the season follows:

Supplies	\$ 880
Doctors and Rubbing	110
Training Table	115
Expenses of games	500
Printing	145
Guarantees	650
Traveling	388
Sundries	150
Coach	800
Total	\$3638
Probable Receipts	1200
Balance	\$2438

PUSH THE POOL

To the Editor of the Phillipian:

I know this is no new cause which I take up and only repeat things that have already been urged by some of the most prominent men of the school.

The majority of the fellows in Andover get out and yell themselves hoarse during an Exeter contest, but their enthusiasm drops to the zero point when it comes to a question of supporting the propositions for the building of the new gym. It is in a case like this that the true "Andover spirit" shows itself. Almost anything in trousers can dress in a uniform, and march to the tune of a band under the gaze of the pretty girls, but it takes a man to endure the uninteresting toil of a real campaign without any real fighting to excite and stimulate him.

So let the fellows turn a little of the energy they use in cheering the teams toward helping along the swimming-pool. Suppose it is a little hard and uninteresting, think of the pleasure that will be derived from a labor well and faithfully done, to say nothing of the fun we and the future generations of Andover men will get from the pool.

Let us not only be the first prep. school to carry through a thing like this, but let us carry it through in a way that, though it may be imitated, it will never be equaled.

1910.

CHAPEL SPEAKERS

The following is a list of the Chapel speakers for the Fall term and for a part of the Winter term. As all of the arrangements have not yet been made, this list is at present very incomplete. It contains, however, many very good speakers, some of whom have visited Andover before, and to whom the school has always listened with pleasure. In addition to these preachers at the regular services, Mr. Edward C. Mercer, whose talk here last year will be remembered with interest by the old men of the school, hopes to be able to come here some time in December. The list follows:

Sept. 26, (morning); Rev. J. H. Denison, Boston.
Oct. 17; Professor Henry D. Wright of Yale.
Oct. 24; Rev. J. H. Melish, Brooklyn.
Nov. 14; Rev. Endicott Peabody, D. D., Headmaster, Groton School.
Dec. 5; Mr. David R. Porter, International Committee, Y. M. C. A., and Preparatory School Secretary.
Jan. 9; Rev. Raymond Calkins, D. D., Portland.
Feb. 13; Rev. Nehemiah Boynton, D. D., Brooklyn.
Feb. 20; Rev. Herbert P. Fitch, Cambridge.

NEW POOL COMMITTEE

A meeting of last year's Swimming Pool committee was held Monday night at Dr. Page's house for the purpose of nominating a committee for 1910. The following men were selected: C. Martin, F. Large, R. Gamble, C. French, H. C. Black, C. W. Arnold, O. H. Sheldon, and R. M. Thompson. This selection was ratified by a meeting of the old men held on Tuesday morning in the Chapel. O. H. Sheldon was chosen chairman by the committee.

SENIOR CLASS ELECTIONS

At a meeting of the Senior class held Thursday morning, it was decided to try a scheme which has proved successful in the past years at Amherst, namely, that of having a class Supervisor of Athletics. His duties consist chiefly in looking after his class's interests in athletics. K. Reynolds was chosen to fill the office. The other officers elected for the Fall term were: president, Large; vice president, C. Martin; secretary and treasurer, C. Arnold.

ANDOVER AT NORTHFIELD

Andover had the second largest preparatory school delegation at the Northfield Student Conference this year, twenty men reporting in all. These men roomed in North Hall with the Yale delegation, among which were many old Andover men. J. M. Howard, P. A. '05, and S. Day, P. A. '07, looked out for the Andover fellows with special interest, assisting at the delegation meetings and frequently inviting the Andover delegation to the Yale meetings. D. S. Ingraham, '09, was athletic captain and cheer leader at the big Fourth of July celebration.

The most interesting feature of the Conference for Andover was the Preparatory School Conference, where delegates from all the prominent schools in the East met and discussed plans for religious work in their institutions. W. L. Nute, '10, president of the Society of Inquiry, reported on the work done in Andover and Lawrence during the past year. Many valuable suggestions for mission work in Lawrence, for Bible study groups, and for methods of conducting meetings were received, and these will be put into practical use this year. It is hoped that next year Andover will send an even larger delegation to Northfield, as it offers such admirable training for the Christian Association work in this school.

The following Andover men attended the conference: 1909—D. S. Ingraham, C. W. Hamilton, W. H. Woolverton, N. C. Reed, H. E. Pickett, E. J. Webster, G. S. Torrey, E. P. Applegate, and E. H. Williams: 1910—L. M. Stewart, P. F. Stewart, W. L. Nute, H. Harbison, C. A. Brownell, H. R. Hawley: 1911—D. C. Townson, F. K. Douglas, C. A. Mann, G. H. Nute: 1912—H. C. Whipple.

INQUIRY COMMITTEE

The committee appointed by President Nute to make nominations for the vice-presidency of Inquiry, left vacant by the death of Justus Fletcher, met last Monday night and reports the following nominations: T. Timbie, H. Black, and J. P. Gifford.

By seeing any of the committee, members of Inquiry may add names of nominees to this list, provided they do so before the meeting on Sunday evening.

(Signed) The Committee

NEW GERMAN PROFESSOR.

Phillips Academy has made arrangements to have a native Prussian professor this year. In addition to regular curriculum work, the new instructor will conduct a *Deutscher Verein* or German Club, the same as is held at Phillips Exeter and many of the leading colleges. This follows out the Carnegie system of exchanging professors with German Institutions, and ought to be most successful. The *Deutscher Verein*, if one is formed, will probably give a play in German, and a banquet, at which only German dishes will be served.

GUN CLUB

The Gun Club probably will not be reorganized this fall, owing to the large number of fellows out for foot-ball.

SETTLEMENT WORK

Mr. Stackpole has received the following letter relative to the settlement work carried on in Lawrence. The letter is self explanatory and it is hoped it will enlist the sympathy and that co-operation which it deserves.

Lawrence, Mass., Sept. 16, 1909
Rev. M. W. Stackpole,
Dear Mr. Stackpole:—

The Boy's Club will open for the season the twenty-first of Sept. We would like if possible to have the assistance of the P. A. boys in carrying on the gymnasium work. As you know, most of the apparatus belonged to one of the local churches. As they needed it their own use it has had to be returned and leaves us in want of something to work with.

Remembering your promise of further assistance would it be possible to secure the financial aid of the P. A. students, in procuring this much needed apparatus?

The following pieces are in most demand:

- Gymnasium Mattress.
- Parallel Bars.
- Vaulting Horse.
- Jumping Standards.

Our gymnasium work will begin October 18.

Very sincerely yours,
G. W. COLE

DINING HALL

The Dining Hall opened this fall with 171 boarders, about the same number as it had last year. John Reilly is in charge with Rogers as

assistant. Mr. V. G. Harrington is steward for another year, and sets a good table. Mr. Bancroft is again cashier.

FOOTBALL RULES

The football rules this fall have not materially changed from those of last season, but a few changes are worthy of attention.

The rules governing the forward pass are unchanged but for one thing. They make it clear that there is a space lying behind the scrimmage in which an end might stand and be ineligible to receive a forward pass, the position being not less than one foot back of the scrimmage line and not one full yard back.

A more vital change is in the scoring. The value of a field goal has been reduced from four to three points, regardless of how the field goal might have been scored.

Another change is that the side having a kick-out may have the option of taking a kick or having the ball down on their 25-yard line for scrimmage.

The referee should not under any circumstance blow his whistle to indicate a foul.
