ANDOVER LOSES

Academy Team Loses First Game to Lawrence, 5 to 4

The Academy baseball team opened the season last Wednesday, losing to Lawrence of the New England league in a ten-inning game, by the score of 5 to 4. The day was too cold for baseball and the players held themselves in check as much as possible. The game was arranged at the last minute and as a result there was a small attendance.

Andover worked out three pitchers, while Lawrence used seventeen players. Andover had a strong lineup and looked very good, considering the fact that there has been very little outdoor practice. The hitting was light on both sides, and at times the fielding was ragged, but this was partly excusable because of the cold weather.

Ripley started the game for the Academy team and for five innings he kept the opposing team from scoring. He did not attempt to curve the ball, but his excellent control and speed, aided by good fielding, pulled him along in fine style. Wright behind the bat caught a very good game, and he threw accurately to bases. The Andover infield was very steady and once they showed their speed by pulling off a very fast double play. Captain Reilly played a very good game at third base. Mahan played a good game at center field, and in the fifth inning he made an unassisted double play.

In the sixth inning Sawyer went into the box for two innings. He was not as effective as Ripley, and in the eighth Mahan was sent to the mound. After pitching for one inning his arm got a little sore, but he stuck to his task and finished the game.

Andover made her first score in the third when J. Daugherty made a single, followed by a sacrifice by F. Daugherty and a single by L. Middlebrook. Two more were added in the fifth on a combination of passes, sacrifice hits and two slip-ups by Kenney at first. In the sixth Reilly and J. Daugherty, who were both passed, Reilly being forced to third, pulled off a double steal on which Reilly scored. Lawrence got two in the sixth on singles by Craven and Briggs and a double to centre by Carlstrom. Two bases on balls and a single by Craven were good for one in the seventh, and in the ninth another was scored on a single by Kenney.

CLASS BASEBALL

On Wednesday, April 12, the class baseball practice began. There were a good number of men out for each class, and it is hoped that there will be about three teams in each division. Notwithstanding that 1912 won the series last year, the contest this year is expected to be very close. The captains hope that all the men will try to get out to practice as regularly as possible, as the early practice is very important.

The following is a table of where the teams hold their practice:

- 1911—Old Campus.
- 1912—Brothers Field.
- 1913—Library Campus.
- 1914—Moorehead Campus.

Special Notice

A competition for the Business Managership of the *Phillipian* for next year will start Monday night, ending June 1, 1911. The contest is open to all, and as the office is an important one a good number of entries should be handed in.

HARVARD CONCERT

Combined Musical Clubs of Harvard Give Interesting Program

One of the most amusing and interesting entertainments that has been given here this year was given in the town hall last night by the combined Harvard Musical clubs. The concert, which began shortly after eight o'clock, met with hearty applause and laughter throughout the entire program. Every individual on the clubs did his best to make the affair a success for the benefit of the swimming pool. The Commons fellows can certainly be thanked for bringing such an organization to Andover, and they were well repaid for their efforts.

The first number on the program was some selections from "The Arcadians." This was excellently rendered by the Mandolin Club and heartily received. The club then gave as an encore "The Aviator March." The Glee Club followed this number by "The Kavanagh," which was substituted for "Ciribiribin," while the latter was sung as an encore. The Banjo Club then played an intermezzo which was arranged by W. M. Rice, and "The Stadium," a combination of Harvard songs was also given by the same organization as an encore. "The Venetian Love Song," given by the Mandolin Club, was substituted for "Naila" in the fourth number. During this piece Mr. J. G. Ghilkey, the cellist, rendered a solo. They gave as their encore "The Polka Rag." The Glee Club concluded the first part by singing the Soldiers' Chorus from "Faust." Three very comical encores entitled "The Old Medley," "The Orchestra," and "Johnny Harvard," were then sung.

The Banjo Club opened the second part with "Big Chief Markatawkawawawa," giving "The Sugar Moon" as an encore. In place of "The Scarf Dance" "Hoop'e'kark" was played by the Mandolin Club in the next selection. This was applauded so much that it had to be repeated. The Glee Club quartet sang the old and well-known piece, "Annie Laurie," then followed with "Don't Shove," "Since Pa Has Bought a Limousine," and "There Goes McCarthy." The quintet of the Banjo Club completed their part of the program by playing a "Medley of Popular Rags," and "The Colored Band." The entire Glee Club completed the program for the evening by singing "Fair Har-

ANDOVER 3, HARVARD FRESHMEN 2

Last Wednesday afternoon the Andover soccer team won their final game of the season by defeating the Harvard Freshmen 3 to 2. The game was extremely exciting and was undoubtedly the best game that the team has played this year. Although the Freshmen had better team work, Andover was more successful in their kicking. Young, Smith and Smeltzer did the best work in their individual positions for Andover, while Curtis, Horne and Finn showed up the best for Harvard.

Andover won the toss and chose to defend the west goal, while the Freshmen took the kick-off. After scrimmaging in the center of the field for a short time, the Harvard forwards got the ball behind the Academy backs, then Finn shot a beautiful goal.

The team lined up again with Andover kicking off. Andover immediately carried the ball into the Freshmen's territory and kept it there until a foul was called on Curtis for tripping. Young failed to make the penalty kick. McGuire, Harvard's goal, kicked the ball to the centre of the field, only to be returned again by the Andover forwards. Smith dribbled the ball beyond the Harvard halfbacks, then passed it to Hall, who drove it past McGuire. Again the teams lined up with Harvard kicking off. The Harvard forwards carried the sphere down the field, but made several futile attempts for a goal. After nearly ten minutes of play, a foul was called on Weil, and Curtis kicked the penalty. This ended the scoring for the first half. Score, Harvard 2, Andover 1.

For almost fifteen minutes of the last period the teams seesawed back and forth, then a foul was called on Burrowes, but Captain Curtis failed to make the penalty, as the ball sailed over the goal posts. The ball was kicked out and Tripp got it, carrying it almost the length of the field, scoring a difficult goal. The teams had scarcely started to play again, when Burrowes kicked the ball from the center of the field, making the final point. Score, Andover 3, Harvard 2.

Lawrence Work

Wednesday, April 12, Mr. Harrington of the faculty gave a talk to the foreigners in Lawrence, under the auspices of the Andover club. His subject was "Experiments in Natural Science." He performed a few experiments which were viewed with great interest by the foreigners, most of whom, doubtless, had never seen anything of the kind before. The lecture was well attended.

The next lecture in the series will be given Wednesday evening, April 19, to the Lithuanians. Mr. Stearns will be the speaker and his topic will be "Patriots' Day." The lecture will be illustrated by slides.

Lawrence Concert

On the night of May 5th, the combined musical clubs will give a concert before the foreigners of Lawrence, under the auspices of the Phillips Andover Club. Mr. Clough has found that these people are especially fond of music, and this gives fellows who are not interested in regular classes in Lawrence a chance to help in another way.

All men are eligible. Conditions and non-excuse will not count. The program, the time of leaving, and other details will be announced later.

Student Council

The first regular meeting of the Student Council was held Wednesday evening in the Archaeology building. Several matters of importance were brought up, among them the proposition for a grill-room under student control. There

will be another meeting of the Council on Monday night, the 17th, at 7 o'clock, in the Reading Room of the Archaeology Building. There are one or two important matters to be discussed, and a full attendance is required.

New Books

Since March 10th the following books have been received in the library:

"International Law," by George G. and Tucker Wilson.

"A Treatise on International Law," by William Edward Hall.

"The Decline of the Roman Republic," in five volumes, by George Long.

"Messages and Papers of the Presidents," in ten volumes, by Richardson.

"A New Shakespearean Dictionary," by Richard John Cunliffe.

"Six Essays on Johnson," by Walter Raleigh.

"The Oxford Book of English Verse," by Sir Arthur Quiller-Couch.

Volumes five and six of "The Cambridge History of English Literature," by A. W. Ward and A. R. Waller.

"United States Congress," "Miscellaneous Documents of the House of Representatives," "The Second Session of the Fifty-third Congress," "History and Digest of International Arbitration," in six volumes, by John Bassett Moore.

"The Messages and Papers of the Presidents," is a gift to the library by Miss Mary E. Abbott, Essex street, Andover. These are ten volumes of handsomely bound leather books, being excellently illustrated throughout.

Men's Coat Sweaters from \$1.00 to \$6.00.

A full and complete line of these very popular articles of wearing apparel. Most fellows greatly prefer them to overcoats.

Wellington Gloves \$1.10.

We are often asked how we can sell this glove for \$1.10. The question is only natural as the glove is in every respect a full \$1.50 value and would ordinarily have to be sold at that price. Our answer is that it is simply a question of multiplying the small returns on each by the sale of many.

Men's Pure Silk Hose 50c. pr.

This is indeed a splendid value in silk hose. They are made of pure silk thread, and have four thread lisle heels and toes. The colorings are just the sort you like best. Navy, tan, grey, garnet, cadet and black.

Repeating Shotguns

USED IN THE U. S. ARMY.

The U. S. Army authorities know a gun; that is why, when they decided to equip some troops with repeating shotguns, they selected the Winchester in preference to all other makes. The experts of the U. S. Ordnance Board also know a gun; that's why, after submitting a Winchester Repeating Shotgun to all sorts of tests, they pronounced it safe, sure, strong and simple. If you want a shotgun—buy the one whose strength and reliability led the U. S. Army authorities to select it and the U. S. Ordnance Board to endorse it—that's the Winchester.
