INTER CLASS MEET

Annual Spring Meet to Be Held on Upper Campus at 2.15

The interclass meet will be held this afternoon at 2.15, on the Upper Campus. The competition ought to be very close, as no "A" or "AAA" man will be allowed to take part.

All those whose names are not on their class captain's lists must have their names in before 2 p.m.

Only three trials in the shot put, hammer throw, and broad jump will be allowed. In the pole vault and high jump, men will be disqualified after two failures. The points will be, five for firsts, three for seconds, and one for thirds.

The varsity track men will act as officials. The class track captains are as follows:

- 1911—L. Middlebrook.
- 1912—A. B. Tilton.
- 1913—M. W. Phillips.
- 1914—C. N. Lindsay.

Notice

Beginning with this morning, until the Exeter meet, the members of the track team will be clapped on entering chapel.

Mass Meeting

Yesterday evening a very successful mass meeting was held in the gym, where the songs and cheers were rehearsed, after which the fellows marched down town.

Harvard-Andover Prizes

Next Friday evening at seven o'clock in Pearson Hall, Room A, the examinations for the Harvard-Andover English prizes will be held. The examination will be based on English Literature and Composition, including the more practical topics of elementary rhetoric. The competition is open to Seniors and Middlers only. These prizes have been established for many years, and because of the size, being fifteen and ten dollars respectively, have always been keenly contested. It is expected

Prize Examination

This evening at seven o'clock the examination for the Frederick Holkins Taylor prize, consisting of eight dollars, will be held in the lecture room of the Archaeology building. This prize has always occasioned a great deal of interest, so it is hoped that a large number will compete. The prize is offered for excellence in French conversation and composition.

ANDOVER VICTORIOUS

Harvard Freshmen Lose First Game to Andover by Score of 9 to 1

The clean record of the Harvard Freshmen baseball team was broken on Soldiers Field Saturday afternoon by the score of 9 to 1, by Andover. Until they met Andover, the Freshmen had had things their own way and had found no difficulty in beating any of the teams that opposed them. Last Wednesday Exeter was defeated by the Freshmen 5 to 2.

Except for comparative purposes the game was dull. It served, however, for a sizing up for both nines before their games with Exeter and Yale Freshmen.

Andover hit Waterman hard after he had relieved Sturgis in the second inning. Seventeen hits were made off the two Freshmen pitchers during the whole game. Ripley, who twirled five innings, held Harvard down to three hits. Captain Wingate, however, made a three-bagger in the fifth and scored Waterman, making the only run for the home team. Mahan finished up the game and was hit safely but twice.

Although the game was one-sided, there were a few brilliant plays. The best piece of work was performed by Curtis, the shortstop, aided by Wingate. In the fourth, Middlebrook hit safely to Curtis, but ran so fast that it was useless to get him at first. However, Cur-

Andover vs. Alumni

This afternoon on Brothers Field, the varsity baseball team will play a team composed of old alumni of the school. It has not yet been definitely decided as to what the alumni lineup will be, but, at all event., it will be an all-star team. The Andover lineup will be:

- Van Brocklin, cf.
- L. Middlebrook, lf.
- Reilly, 3b (capt.)
- Wright, c.
- J. Daugherty, 1b
- Mahan, rf. p.
- H. Middlebrook, Beedy, 2b
- Boles, ss.
- Ripley, Wardwell, p.

There will also be a game between the second team or the pick of the class teams and the Lawrence High team. Lawrence High has a good team this year, having decisively defeated Harvard second.

HARVARD INTERSCHOLASTIC

Worcester Wins Track Meet by Large Margin

At the interscholastic meet on Soldiers Field last Saturday, Worcester Academy easily won, leading her nearest opponent, Exeter, by ten points. The team from Worcester was exceptionally well balanced and it was only in two events, the high and low hurdles, that she failed to take a place. Captain Whitney of the winning team was the star of the meet, getting first in the shot put and pole vault and taking second in the hammer throw. Whitney broke Gardner's record of 11 feet 3-4 inches in the pole vault. Drew of Springfield High School came next to Whitney in individual points, winning both dashes and taking third in the broad jump. Cornell of Exeter was not up to his usual standard, for he failed to place in either sprint.

The best race of the day proved to be the mile run which was won by J. D. MacKenzie of Exeter in the record-breaking time of 4 min. 26 4-5 sec., bettering the record of 4 min. 28 3-5 sec. made by H. P. Lawless of Brown and Nichols School two years ago, by almost two seconds, and beating the world's schoolboy record made five years ago by Melvin Shepperd. MacKenzie took the lead almost at the start and raced along at wonderful speed. It was not until the last half of the last lap that Bosworth of Worcester Academy began to push him, with a burst of speed which for a moment threatened to bring him in the winner. MacKenzie, however, sprinted a bit more and finished several yards in advance.

Captain Martin of Andover found no difficulty in winning the low hurdles in 26 1-5 seconds. He was pressed at no time, and at the finish Shelden of Brookline High School, the second man, was nearly ten yards in the rear.

The third record was broken by Johnston of Worcester in the high jump, with the excellent performance of 5 ft. 11 3-4 in. The former record was held by Marshall, the old Andover and Yale high jumper. MacDougal of Exeter got second and Riggs of Andover third.

Gordon of Andover was tied with Camp of Exeter for third place in the pole vault. Kirkpatrick of Exeter won the hammer

THE ANDOVER PRESS

May 24, 1911

This issue is in charge of the managing editor.

There is still \$730 yet to be raised for the swimming pool. Since the last call was made on Saturday, \$270 has been handed in. It is important that those fellows who have not yet written home should do so at once. It is not necessary that the subscriptions be paid to any certain fellow, but it is necessary that they be paid immediately to some one on the committee. All the money must be in the hands of the committee by Saturday, in order that a formal breaking of ground may be made on Memorial Day. Let us make one last, final endeavor and show those that have worked hard that we appreciate what they have done for us.

Notice

All the fellows are asked to secure megaphones before next Monday afternoon. On that afternoon the school will meet in front of the Archaeology Building and march over to the track.

CHEER LEADER

Forum Banquet

Last Saturday evening the annual Forum banquet was held at Phillips Inn. A very good dinner was served and was greatly enjoyed by all present. The committee, consisting of W. E. Gould, chairman, S. J. Brady, and H. P. Wilson, arranged for the following speakers: Mr. Markham W. Stackpole, Mr. Douglas G. Crawford, and A. B. Royce, president of Philo.

A. Wilkes Bell acted as toastmaster. Mr. Stackpole was introduced as the first speaker. He spoke of the various changes which he dreamed would take place in Phillips Academy thirty years from now. He mentioned how he arrived here by airship, and of the enthusiastic reception he received at the hands of the students. The size of the school had increased enormously, new buildings had been erected, of which the building erected by Philo and Forum towered above them all. He closed by giving the futures as he foresaw them, of the various members present.

The toastmaster next introduced Mr. Crawford, who spoke in a very interesting manner of the progress made during the past year by Forum. He congratulated the team on losing the Philo-Forum debate and said it would make the team the better fitted to win next year. He spoke of the interest which he felt in Forum when he was in school and mentioned the changes which had taken place.

Mr. Royce was next introduced as president of Philo. He said that while he did not wish to speak of Philo's victories won during the last year, he wished to speak of Philo's accomplishments of former years and then told of the various points in which he thought Forum surpassed their rival. For instance, he thought that the fellowship was better in Forum and that the fellows clung together more as they ought to. He ended by wishing Forum another successful year.

Inquiry

Mr. Jefferson of Hotchkiss School addressed the outdoor meeting of the Society of Inquiry last Sunday evening, on the subject of the Northfield Student Conference.

Every summer delegates from the eastern preparatory schools and colleges meet at Northfield to discuss the various phases of school and college life and also to discuss their life work when they leave college.

We make a specialty of College trade and select our wools accordingly, which consist of the best foreign productions.

Men's Coat Sweaters from \$1.00 to \$5.00.

A full and complete line of these very popular articles of wearing apparel. Most fellows greatly prefer them to overcoats.

Wellington Gloves \$1.10.

We are often asked how we can sell this glove for \$1.10. The question is only natural as the glove is in every respect a full \$1.50 value and would ordinarily have to be sold at that price. Our answer is that it is simply a question of multiplying the small returns on each by the sale of many.

Men's Pure Silk Hose 50c. pr.

This is indeed a splendid value in silk hose. They are made of pure silk thread, and have four thread lisle heels and toes. The colorings are just the sort you like best. Navy, tan, grey, garnet, cadet and black.

Seniors Win

Yesterday afternoon the Junior Middlers defeated the Seniors in a rather loosely contested game, by the score of 9 to 7. The Seniors by getting five runs in the first three innings got the lead. However, 1913 made a rally in the fourth, making four runs. Bowman started out with a home run. This put spirit into the team and Thompson followed with a double. The next man was passed. It looked as if that would be the end of it, but Grant came to the rescue after two men were out, by getting the second home run of the inning. In the next two innings 1913 made five more runs, making a total of nine. 1911 started a rally in the sixth, but got only two runs. In the seventh they had three men on bases and but one out when the game was called according to agreement.

440-yd. dash—Won by Brown, Exeter; second, Libby, Worcester Academy; third, Capper, Brookline High School. Time, 51 sec.

1911 Defeats 1914

The Seniors easily defeated the Juniors by the one-sided score of 25 to 0 Saturday afternoon. Comparatively few of the scores were made on hits, but they were mostly due to the erratic playing of the first year men.

The poor showing made by the Juniors can, however, be explained by the fact that only the captain and one other man of the first team reported. The game was loosely played throughout.

The summary follows:

Home runs, Alvord; hits, off Foster 6, off Durfee 5, off MacDonald 7; bases on balls, off Foster 6, off Durfee 4; strike outs, by Foster 1, by Durfee 1, by MacDonald 4; left on bases, 1911, 6, 1914, 4. Umpire, Mr. Tower. Time, 1 hr. 30 min.

tis made a feint to throw to first. He turned quickly and snapped the ball to Wingate, who caught Daugherty, who was preparing to go home. It was a neat play and required quick thinking.

L. Middlebrook led in batting, making four hits out of four times up. Captain Reilly made a home run in the ninth.

Middlers Win

Last Saturday afternoon the Middlers found no difficulty in defeating the Junior Middlers by the score of 10 to 3. Sternberger pitched a good game, striking out six men and allowing but five hits. Grant pitched well for the under classmen, although at times he was hit freely.

Loeb, Chatterton and Sternberger won the batting honors, making two each. Hampton's spectacular running catch was the feature of the game.

Repeating Shotguns

USED IN THE U. S. ARMY.

The U. S. Army authorities know a gun; that is why, when they decided to equip some troops with repeating shotguns, they selected the Winchester in preference to all other makes. The experts of the U. S. Ordnance Board also know a gun; that's why, after submitting a Winchester Repeating Shotgun to all sorts of tests, they pronounced it safe, sure, strong and simple. If you want a shotgun—buy the one whose strength and reliability led the U. S. Army authorities to select it and the U. S. Ordnance Board to endorse it—that's the Winchester.
