SOCCER TEAM WINS

The Harvard Law School Team Defeated in Good Game by Score of 2 to 1

After a hard struggle, the Andover soccer team defeated the Harvard Law School team on the Old Campus last Wednesday afternoon by a score of 2 to 1.

The game was closely contested throughout, and both teams played a splendid game. Andover continued to play on the offensive as the game continued, scoring both goals in the last half. The ball was in Andover's territory during the first part of the game, but during the latter part of the first half and practically all of the second half, Andover kept the ball in Harvard's territory.

The Harvard backfield could do practically nothing against the fine passing of the Andover forwards. The Andover backfield were always on the defensive, and ready to break up the Harvard plays.

The Harvard team arrived at 3.00 p.m. Andover won the toss and chose to defend the west goal. The game was called at 3.30. Harvard kicked off to Andover. The ball was kept in Andover's territory for a few minutes after the kick-off. Harvard tried a corner kick, but failed to make anything on it. Sweeney dribbled the ball down toward Andover's goal, but Blanchard was ready to receive the ball, and he made a fine long kick, sending the ball out of the dangerous territory. Bickford captured the ball from Henderson, and kicked across the field to Lee. Lee landed the ball in a remarkable manner, and shot the ball toward Harvard's goal, but he lost the ball to Alling. Andover tried a free kick, but failed to score. Mackinlay shot the ball to Lee in front of the goal. Lee kicked the ball, but Myers blocked the ball at goal.

Ocupaugh got off a long kick the length of the field. Two corner kicks were then tried by Andover, but Harvard blocked both. Alling dribbled the ball through the Andover backs, and kicked for a goal. Wells blocked the kick, but missed his footing and was unable to kick the ball far from the goal. Alling recovering the ball, made a fast kick, and scored a goal for Harvard.

Andover tried two corner kicks, but each time they were blocked by the Harvard forward line. Henderson got off a kick to Andover's goal, but Wells stopped the ball, and kicked it back to the middle of the field. Harvard blocked the free kick now tried by Andover. Lee dribbled the ball over half the

WORCESTER ACADEMY TODAY

Varsity Soccer Team to Play Strong Team Representing Worcester School

The Andover soccer team plays its last and most important game of the season today, when they meet Worcester Academy at Worcester, Mass. This season, which is so near its close, has been the most successful in every way that Andover has ever had in soccer. The leading teams in every class of the sport in this section, college, school, club and city teams have been met this fall and Andover has been defeated in but two games, the Harvard Varsity and South Lawrence teams defeating Andover in the early part of the season.

Worcester Academy has been preparing for the game in a different manner. The game today is the only one that Worcester Academy will play this year, and they have played nothing but class games all fall. The team that will represent Worcester was picked from last Wednesday's class games and had long practices on Thursday and yesterday. Worcester has been working hard for this game and it will be seen whether or not the team composed of individual stars and not having much team work together, can defeat a team with not so much individual work and a great deal of team work.

The team will leave Andover on the 10.15 train and get the 12.00 train from Boston for Worcester, returning probably on the 7.20 train from Worcester. Doctor Page will accompany the team.

The lineup of the two teams will be as follows:

ANDOVER	WORCESTER
Wells, g.	g. Duval
Blanchard, rb.	lb. White
Ritch, lb.	rb. Booth
Ocupaugh, rh.	lh. Gould
Young, ch.	ch. Enwright
Lawrason, lh.	rh. Lincoln
Mackinlay, ro.	lo. Kean
Newton, ri.	li. N. Mitchell
Bickford, cf.	cf. Stewart
Holmes, li.	ri. E. Mitchell
Lee, lo.	ro. Campbell

35-minute halves will be played.

Notice

In order that the fellows may be able to catch the 12.25 train from Andover at the end of the term, the last period on Wednesday morning, December 20, will be omitted.

Notice

Any fellow wishing to get copies of "The Andoverian March," the new school song which proved to be such a success this fall, may get them at Draper 5.

1913 CHAMPIONSHIP

The Interclass Championship Won by 1913 in Football, Soccer and Cross Country

The class of 1913 had a very successful fall in the athletic line, winning the three interclass championships: namely, football, soccer and cross country. In each case the members of the various teams have been awarded the class insignia by the Advisory Board. The football team are entitled to wear "1913", the soccer team, "1913S" and the cross country team "C'13C", on their hats.

The victories are due to the fine class spirit shown throughout the season by the members of the team and by the class as a whole, for trying for and supporting the teams, and to the interest shown by the masters who coached the teams.

Following is a list of the fellows who made the teams and won their numerals:

CLASS FOOTBALL

Phillips, Fuller, O. C. Roberts, W. W. Sheldon, Durfee, Rogers, Wilson, Gregory, Theobald, Conway, Noble, French, Nichols, Rosenfield.

CLASS SOCCER

Kelly, goal; Lynn, left fullback; Sturgis, right fullback; Thompson, left halfback; Porter, center halfback; Lord, right halfback; Hudson, left outside forward; Brown, left inside forward; George, captain, center forward; Mainini, right inside forward; Palmer, right outside forward.

CLASS CROSS COUNTRY

Dole, Palmer, Woodward, Stockwell, Martinez.

Notice

Students wishing to transfer from one boarding-place to another will be allowed to do so at the end of the term. They must first fill out a table-board transfer card and have it filed at the Registrar's office before the vacation.

School Calendar

The school calendars will be distributed next Wednesday from 12 o'clock until 3, at the Archaeology Building. All calendars must be paid for at the time of delivery.

Notice

The classes will report for basketball practice in opposite order from formerly. The Seniors report at two o'clock, the Middlers at three, the Junior Middlers at four, and the Juniors at five. In a short time, cuts will be given to those failing to report, so hereafter all fellows are urged to come out.

Further Bible Study Information

It will no doubt be of interest to many to learn that Dr. Thüre, Prussian exchange professor, has been persuaded to lead a discussion group on the life of Luther. His class will meet every Sunday at 11.30 at his study in Day Hall. It is well to keep in mind that Luther was not a mere theologian, but a man of broad interests, whose life was one of action and stirring incidents. With Dr. Thüre at the head of this group, the course will surely prove to be one of intense interest to those interested in the subject.

Attention is called again to the class led by students. The course has been designed for those men who wish to become better acquainted with one another and discuss informally but earnestly the application of the principles in Christ's life to questions of everyday life.

The following men are requested to meet at Mr. Stackpole's after Sunday morning chapel to discuss briefly the plans for enrollment:

Bickford, Black, Bordeaux, Bowden, Buckwell, Darling, Davis, Dillon, Dickey, Duby, Enwright, R. S. Cook, Gurley, Hunt, R. N. Jones, Large, Lawrence, Milne, W. H. Smith, J. S. Wiley, Woolley, Nute, Nickum, Space, Warner, Bullivant, French, Goodlett, Platt, Marvin, Shepardson.

Assistant Hockey Managers

At the school meeting held yesterday morning, Knight Woolley and Frank W. Brown were elected assistant hockey managers.

Varsity Insignia

This year and only the men who played on the varsity team and the second, are awarded their "A" and "2nd" respectively, but all the men who were picked from the class teams for the varsity squad, and did not make either the varsity or second team, will be awarded their numerals irrespective of the class they may be in.

With the new system of athletics in vogue this year, many men were taken from the class teams who did not win their "A" or their "2nd" this year. There are eight men who won their varsity football numerals. Out of these eight, two are 1912 men, one a 1913 man, two 1914 men, and three 1915 men.

Nineteen football "A"'s and 11 "2nd"'s were awarded this year. The following men have been awarded their "A"'s: Capt. Van Brocklin '13, Mahan '12, Jones '14, Brann '12, Hay '12, Gault '14, Thompson '13, Sullivan '13, Enwright '12, Hogg '13, Bullivant '12, Roberts '13, Ames '13, Malcom '12, Neilson '13, Shelton '12, Biglow '13; also Manager Warner '12.

Nine of the "A" men are in 1912, eight are in 1913, and two in 1914.

The following men have been awarded their "2nd"'s: Large, J. Brady, Eustis, Cole, Mead, Chatterton, J. Wiley, Washburn, Burnham, Thomas and Gould.

The following men have been awarded their numerals: Brady '12, Buckle '15, Cullom '15, Lawrence '12, R. T. Jones '14, Bates '13, Dearborn '15, and R. Newton '14.

Organ Recital

Mr. Ashton gave the third of his organ recitals in the chapel on Wednesday afternoon. The program was as follows:

length of the field between the Harvard forwards and backs, but he lost the ball to Sweeney. Lee made a pretty try for a goal when he received Mackinlay's kick from the corner, but just missed a goal kick. The Harvard goal-tender blocked several kicks of the Andover forwards.

In the second half Lee dribbled the ball down the field toward Harvard's goal. He lost the ball to Alling, but recovered it again in Harvard's territory. From here he made a pretty kick to Newton, who was ready to receive the ball in front of the goal. Newton shot the ball past Myers and scored for Andover.

Soon after this, Myers kicked the ball out to the middle of the field. Young received the ball here, and on a long kick from the center of the field scored a second goal for Andover.

Darkness made it hard for the players to see the ball at times, but Andover continued to show its team work in spite of this fact.

Time was called at 4.45 p.m., with the ball in Harvard's territory. Lee and Mackinlay played splendid games at their respective

positions. The Andover fullbacks also played a strong defensive game. Wells showed exceptional ability at goal. Sweeney, Alling, Henderson, Hayward and Myers played well for Harvard Law School.

Wednesday's game was the 9th game of the season for Andover. Up to date the team has won five games, tied two and lost two. The line-ups last Wednesday were as follows:

ANDOVER	HARVARD
Welles, g.	g. H. Myers
Blanchard, rb.	lb. McManaway
Ritch, lb.	rb. Sweeney

Philo Debating Trials

The preliminary trials for positions on the Philo debating team will be held in Room 3, Science Building, on Saturday evening, December 16, at 7.00. Each candidate will speak for five minutes on some phase of the question, "Resolved, That conditions require that the juries of our courts should be replaced by permanent board of judges." Three members of the faculty will act as judges, and the six best speakers will be chosen. These six will then be divided by lot into two teams of three men each, and on January 12, 1912, will debate the above question. The four best speakers will then be chosen as members of the Philo team which will meet Forum in the annual inter-society debate late in February.

New Library

During the last few days all the books have been removed from the Archaeology Building to the old Seminary library in Brechin Hall, over the offices. From now on the books will be in charge of a librarian and the building will be open all day and during the evening for the use of fellows. The room has been entirely gone over, redecorated, and new lights put in. In the center of the library will be a number of small tables so that each fellow may work separately, and the books will be classified in alcoves.

This is a step which the Academy has long been wishing to take.

Brechin Hall was built during the summer of 1865, with the generous gifts of John and Peter Smith and John Dove. The building was named after the native town of the Smith and Dove families in Scotland. For many years this building has served the Seminary, and it came into the possession of the Academy when the Seminary property was bought in 1908.

Harvard Club

A meeting of the Harvard Club was held in the Archaeology Building at 7.00 o'clock one night this week. Large presided at the meeting. J. Brown read the minutes of the last meeting of the club. Large stated that a week from Saturday a smoker will be held at which Fisher and other prominent men of Harvard will speak.

The club will give several entertainments, and is planning for a successful year. The dues will probably be two dollars.

Forum

Last night in the lecture room of the Archaeology Building, Forum held its regular meeting. Rosener did very well in giving the select reading, and W. Palmer rendered the topics of the week interestingly. Hobden gave the extemporaneous address. The debate was "Resolved, That all students should room in dormitories." Nickum was the leader for the affirmative and Johnson was the assistant; for the negative, Chell was the leader, with Black assistant.

This is to settle any dispute as to which fellow had the first swim in the new pool. Six fellows entered the swimming pool building at 10.30 o'clock on Friday evening of last week, through the back window, and had a swim. The water was delightful.

Soccer Insignia

The soccer team has been playing exceptionally well this season, having won a majority of their games. They still have one to play, but the Advisory Board has already awarded the "ACC" to the following men:

Wells, Blanchard, Ritch, Ocumpaugh, Young, Lawrason, Mackinlay, Newton, Bickford, Holmes, Lee; substitutes, Chutter, Tucker, and to Manager Elkin.

Indian Dancer

Last Thursday evening, Miss Bee Mayes, the Chippewa Indian dancer, gave a most interesting exhibition in the lecture room of the Archaeology building. The room was packed long before the entertainment began. Miss Mayes told a number of legends and played some selections on the harp. She appeared in a beautiful Indian costume, and her dancing was very graceful.

Deutscher Verein

Last Tuesday evening ten members of the Deutscher Verein went with Dr. Thüre to "Der ungläubige Thomas," given by the Harvard Verein in Jordan hall. The play was very interesting.

Next Sunday afternoon Dr. Thüre will speak in Lawrence to the Turnhalle Verein, and it is hoped that the fellows can go.

Next Tuesday evening the regular meeting of the Verein will be held. Lovett will tell about his Christmas in Munich. German Christmas songs will be sung at this meeting. The election of officers will also take place. This will be the last regular meeting of the term.

Inquiry Speaker

Cuthbert Lee will be the speaker at the meeting of the Society of Inquiry tomorrow evening. He is a prominent undergraduate at Harvard and has for some time been a volunteer assistant of Dr. Grenfell, accompanying him on most of his tours to the Arctic regions. He will illustrate his talk with some very interesting stereopticon views. Lee has a well-earned reputation as a speaker and his address on this most interesting topic will certainly prove very entertaining and instructive.
