BOARD TRACK MEET

Successful Meet Held Last Saturday

One of the best board track meets in recent years was held here Saturday. All the events were well filled and the competition was close in every event. The meet was handicap, and open to all members of the school. Trainer Peet and Captain Tilton are well pleased with the showing made by the men, and Manager Brann is planning to hold a meet every Saturday from now on this term. The following is a list of the winners of the different events:

Class Basketball Numerals

The basketball squad was chosen this year in accordance with the new system used last fall in football. Therefore the following men have been awarded their basketball numerals: Gault, Cochran, James, Huntress, Poole, Eadie, O'Brien, Duby, Winters; Rosenfield and Dickey, assistant managers.

The Middlers won the class basketball series, so the following men have been awarded 1913 basketball numerals; Wilson, Capt. Sturgis, Van Brocklin, Bales, Conway and Neilson.

YALE '16 FOOTBALL PRACTICE

The following letter was received by Dr. Page and fully explains itself.

Yale Freshman Football Team
New Haven, Conn.

Dear Sir:

Owing to the fact that the first Freshman football game, next season, will be played on September 28th, and the desirability of getting the preliminary work over before college opens, practice for the Yale 1916 football team will begin on September 16, 1912. Would it be asking too much for you to send us a list of the football men you are sending to Yale next fall in order that we may write them personally as regards the importance of this early practice and the necessity of being on hand for it. If you could manage to do this we would be much obliged and accommodated.

Very truly yours,
S. GREGORY SMITH

Coach

Gym Meet

There is a good deal of interest shown in preparation for the gym meet to be held on March 20th, in conjunction with the finals of the boxing and wrestling tournaments. The three winners in the meet are to be awarded their G.A.T. About thirty fellows are practicing Mondays, Tuesdays and Fridays at 2.30.

Varsity Basketball Insignia

The insignia for varsity basketball was awarded to the following men: Dillon, Capt. Washburn, B. V. Thompson, Bickford, Roberts, T. M. Hequembourg, and Manager Black. As soon as their uniforms are handed in, these men can get orders for their sweaters and hats. No captain was elected for next year, as basketball has been officially abolished.

Battery Practice

The following men are now out for battery positions and are practicing on Wednesday and Saturday afternoons at the gymnasium:

Pitchers—Graham, Tesch, Culom, Swett, Wainwright, Earl, Sharpe, Conway, Beasley, Boles, Rosener, Flanders, Ames, Jones, Watson, Russell, Murphy, Sniffin, Kelly, Prince, Clark, Brown, Mead, Marshall, Hyde, Sun, Perkins, Capt. Mahan, Daugherty.

Catchers—Large, Van Brocklin, Black, Young, Hertz, Young, Nielson, and Wiley.

BRADFORD CONCERT

Musical Clubs Have Annual Concert Saturday Evening

Last Saturday evening the Andover combined musical clubs gave a concert at Bradford Academy. The concert was one of the big hits of the season, and every fellow on the clubs, free of conditions, was present. There was no dance given as at Rogers Hall, but nevertheless the fellows all seemed to enjoy themselves to the utmost. Mr. Crawford of the faculty accompanied the clubs on the trip. The success of the concert was in a large measure due to the fact that most of the men due on the clubs were free of conditions, and it is hoped that before the next concert everyone will be free.

Boxing Today

The preliminary bouts of the boxing tournament will be held this afternoon in the boxing room of the gymnasium. The bouts will commence at 2.30 and all the men entering should report promptly, in order to weigh in and to draw lots. The entries for the different classes are as follows:

125 lb.—Higgins, Duby, Wainwright, H. Jones.

135 lb.—Wrigley.

145 lb.—Daugherty, Gaines, Appleby, Large, Winston, Gimbel.

Middleweight class, 158 lb.—Bales, Coles, Johnson, May, Gould.

Heavyweight class—Gault, Vandergrift.

Referee, Sid Peet.

Organ Recital

The program for the organ recital in the chapel this afternoon at five o'clock will be as follows:

Introduction to Third Act of

Lohengrin	Wagner
Berceuse	Kinder
Intermezzo	Parker
Allegro from Sonata	Fumagalli
Andante Cantabile	Tschaikowsky
March in A	Guilman

Wrestling Today

The preliminary wrestling bouts which were postponed from last Saturday will be held at 3.00 o'clock this afternoon in the wrestling-room of the gymnasium. The semi-final bouts will be held Saturday. The bouts are as follows:

Featherweight, 120 lbs.—Sayer vs. Gibson.

Lightweight, 135 lbs.—Vail vs. Weston.

Middleweight, 158 lbs.—Donner vs. Thomas.

Inquiry

Mr. Fred E. Linder of Williams College was the speaker at Inquiry last Sunday evening. He spoke on, "The Things That Count in the College Life of Today."

Linder first mentioned two great benefits derived from a college education. He said that broadly speaking, by going to college a man, in the first place, becomes a more efficient money-making machine and secondly a more useful and better citizen.

In speaking of a fellow's Freshman year at college, Linder advised great care to be taken in observing the undergraduate laws and especially the rules of the college itself. Among the customs at Williams that he mentioned is the law that no Freshman shall appear on the street without a hat and coat. Linder said that a fellow should go very slowly in regard to making his friends. He said also that although he realized usually the subject of fraternities was little talked of, he wished to emphasize the necessity of using the utmost judgment in selection, as a fellow's future happiness often depended on his choice.

Linder went on to say that one of the most important points in life at college was to achieve an even balance between the regular curriculum work and the other college activities. He said that a common mistake was to put undue stress upon some special feature, thus neglecting others of equal importance.

Linder then told of the extensive Y. M. C. A. work which is carried on by Williams College.

In conclusion Linder said that he wished to impress upon every fellow the fact that success in college does not depend on being an athlete, a sport, society lion, or "good fellow." In college, as in the outside world, earnest endeavor will be rewarded and a fellow will get out of college just what he puts into it.

Valuable Gift

The Academy has recently received from Mrs. Moses Foster of Andover a most valuable gift. Mrs. Foster's son, the late Herbert Baldwin Foster, was a member of the class of 1892 in the Academy, and at the time of his death was professor of Greek in Lehigh University. Among other works, he translated from the Greek, "Dio's Annaus of Roman Empire," and a set of this work in six volumes Mrs. Foster has now presented to the school.

College Notes

The following men were picked by Hompeck for the All-American Intercollegiate hockey team. Hompeck, who has played for many years with the Wanderers of New York, is called America's greatest hockey authority. Huntington, Harvard, wing; Baker, Princeton, rover; Bates, Columbia, center; Sortwell, Harvard, wing; Blackall, Harvard, cover point; Smith, Cornell, point; Carhart, Yale, goal.

Archer Harman, '13, of Yale, this year's hockey captain, was reelected to lead the team next season. Harman, who is from New York, was one of Yale's most brilliant players and shared honors with Martin, who was hockey captain at Andover some years ago.

The Senior class of Yale Academic will send Jim Donnelly, one of the campus policemen, to the Olympic games in Stockholm this summer, as token of their good feeling toward this most popular of officers.

The final standing of the intercollegiate basketball series is as follows:

	WON	LOST	P.C.
Columbia	8	2	.800
Dartmouth	7	3	.700
Dartmouth	7	3	.700
Pennsylvania	6	4	.600
Cornell	5	5	.500
Princeton	3	7	.300
Yale	1	9	.100

YALE

W. L. Nute, P. A. '10, is on the wrestling team.

Representative men of Yale, Harvard and Princeton have gone on record as favoring the graduate system of coaching in preference to the professional.

B. Avery, P. A. '10, is on the wrestling team.

The following Andover men are now on the baseball squad after the second cut: Capt. Merritt, J. A. Reilly, H. E. Bennett, E. Burdett, L. Burdett, Goodell, Sherman, E. Brown, Freeman, Gile.

According to statistics compiled at Oberlin, Yale is America's most cosmopolitan college.

At the annual convention of the Interscholastic Amateur Athletic Association of America, held at New York, Saturday, it was decided to hold the intercollegiate athletic championship on Franklin Field, May 31, and June 1.

Yale to Drop Basketball?

Indications are that there will be no basketball at Yale next season. The faculty permitted the game to live this winter on probation, but indications are that there will be little demand for it to be allotted another year of life. Undergraduate interest in the game has been largely lost and the sport has dropped to an insignificant position at the university. The team kept its promise to the faculty, made last fall, that the game should not be rough and violent, but numerous fouls were called in every match, 36 being recorded in the final game of the season, when Columbia easily defeated the Blue.

The Yale five won only a single game the past season and finished in last place in the intercollegiate race. The only game it captured was from Princeton, its rival for the cellar position in the league, and this was captured on the home floor in an overtime game in which the winning point was scored from a foul.

This is the first Yale sport to conclude its season under the new graduate coaching system.

Communication

To the Editors of the *Phillipian*:

Although the question of whether or not a high standing should eliminate a person's necessity of taking examinations is a time-honored one, nevertheless it is worthy of consideration. That such a course would tend to raise the scholarship as a whole is absolutely assured. I say this because the same system has worked out elsewhere. For instance, if a man can attain a stand of 80 in a subject he can certainly pass any examination on that subject. Under this system, if a man gets 80 in all his courses his reward is the dismissal from examination in these courses.

There are certain members of the Faculty who consider that working for a mere mark takes away the benefits to be derived from various courses. But the same men claim that the more a man puts in a course the more he will get out of it. With the satisfaction gained by being excused from examinations, wouldn't everybody put a lot more work in their various courses?

While this system has been much talked of among the students, we have heard no remarks on the subject made public by the Faculty. It seems that this is one of many chances for coöperation between students and the Faculty. Can't something be done?

Novel Method of Football Scoring

J. W. Heisman, president of the Atlanta Baseball Association, has suggested a novel plan for football scoring. His idea is to credit a team with one point the instant it gets the ball beyond the opponents' 25-yard line; with another point when it carries it across their 20-yard line, with still another point on forcing it across the 15-yard line; with a fourth point on working it beyond the opponents' 10-yard line; a fifth point for the 5-yard line, and a sixth point for taking it across the goal line. By this plan a team would at least get credit for exactly what offensive power it had shown in the game, whether it ever succeeded in getting it across the last line at all or not. If it failed in this latter respect there would still be room for it to make five points, or four, and so defeat a team that had made only three by scoring a goal from the field. Then at the end of the game, the comparative scores would indicate to a nicety what the relative offensive and defensive strengths of the two teams had been.

Carney Exeter's Baseball Coach

John J. Carney, Exeter's new baseball coach; visited the Academy recently to meet this season's baseball candidates. He spent the afternoon in getting acquainted with the fellows. Early in the spring term

he will arrive to take complete charge of his material.

Not much can be ascertained of the new material. Donovan, the veteran catcher, will be missed, as ill health prevented his returning to school.

The University of Virginia has issued a call for the names of the cadets who left their classes in the sixties to fight for the Confederacy. The institution intends to award medals of honor to the veterans at the commencement exercises in June.
