## CLASS GAMES

### '14 Holds '13 to No Score Game. 1915 Defeats Senior Scrubs

The Middlers held the Seniors to a 0 to 0 tie in last Wednesday's game. It was the first game of the year to be played on Brothers Field which was in excellent condition. The good playing of both teams was somewhat marred by numerous fumbles. Thompson at end and Gould at fullback both put up a fine game for '13, while Nielson, '14's fullback, and Murray at quarter starred for the Middlers. With a little more practice both classes should have strong teams and there is some good varsity material on each.

The game in detail:

#### FIRST QUARTER

1914 kicked off and 1913 lost the ball on a fumble. '14 blocked Murray's drop kick and '14 was forced to punt. '13 getting the ball on the 50-yard line. '13 kicked to Murray.

#### SECOND QUARTER

1914 kicked to Gould, who fumbled, but '13 recovered the ball on her 20-yard line. Soon after, Gould made a pretty forward pass to Thompson for a gain of 15 yards. Gould kicked to Murray, who was downed on the 25-yard line. Nielson kicked to Burnham, who fumbled to Smith of '14. '14 was downed on '13's 15-yard line, but lost the ball on a forward pass. Gould kicked the ball out of dangerous territory. End of first half. Score, 0 to 0.

#### THIRD QUARTER

1913 kicked off to Murray. 1914 fumbled to '13 and Gould forwarded to Chatterton, who gained 15 yards. Gould missed an attempt at drop goal and the ball went to '14 after the fourth down. 1914 fumbled, Thompson getting the ball on '14's 20-yard line. Gould forwarded to Thompson and then Gould tried a field goal without success, the ball going to '14. Kicks were then exchanged and the quarter ended without a score.

#### FOURTH QUARTER

Murray caught '13's kick and advanced the ball 20 yards. '14's fumble was recovered by Wilson. and '14 kicked to Thompson. Chatterton was hurt and replaced by Hartigan. '13 then returned '14's kick, but got the ball again on a forward. Gould kicked to Murray again. Dunham replaced Wilson on '14. Nielson made 15 yards, and Murray missed a drop goal.

Score, 1913 0; 1914, 0.

## PHILO

Philo held its first regular meeting last night at 7.15 in Graves Hall. Thirty-two members and visitors were present. The program for the evening began with the Topics of the Week by Boynton and the Select Reading by Ogrian. The subject for debate was, "Resolved, That the United States should build more than one battleship a year." Hale and Woodford upheld the affirmative, while Feeney and Tetley spoke on the negative side of the question. The vote of those present on the merits of the question was 18 to 8 in favor of the affirmative, while the vote on the argument favored the negative, 22 to 4. After the regular debate, Boynton, Abbott, Tetley and Feeney spoke from the floor. During the business meeting Wallace, Seward, and Abbott were elected members of the society. The names of R. C. Cook, Appleton, Irving, Fuller, Tew, Roosevelt, Lestrade, Comstock, Brophy and Blackall were brought up for membership and were referred to the executive committee. Mr. Stott gave an interesting and instructive critique, after which the meeting adjourned.

## Soccer

That the prospects this year are exceedingly good, and that he hopes to have even a better team than last year was the statement of Captain Mackinlay yesterday. There are over 100 fellows out for soccer, and among these there is much good material. The first class games are to be played next Wednesday; '13 is to play '16, and '14 is to play '15. The following AAF men are back at school this year: Captain Mackinlay, Young, Lee, Blanchard, and Tucker.

## FOOTBALL TODAY

### 1914 Will Meet Junior Middlers and Senior First and Second Teams Will Clash

This afternoon the Senior first football team is scheduled to play a team picked from the second squads of the other classes. This promises to be a good game, as the best men from the different second class teams will be selected. So far the games have been rather one-sided, with a few exceptions, but these teams promise to be fairly well matched. The game is to be played on Brothers Field, with the 1914-1915 game between the halves. The line-up for 1913 will probably be as below, but the picked team will not be selected till just before the game. The line-up:

1913  
Thompson, le.  
Wiley, lt.  
Hogg, lg.  
Sheldon, c.  
Farrar, rg.  
Baldrige, rt.  
Broussard, re.  
White, Ames, qb.  
Burnham, fb.  
Cochran, rh.  
Crossman, Gould, lh.

The following is the lineup for the 1915 team for today's game. So many 1914 men have been injured in the previous games, that a line-up cannot be decided upon till just before the game, when it will be possible to tell whether some of the men can play or not. Both teams have shown up very well thus far, except that there have been numerous fumbles in all the games. 1915's line-up will probably be as follows:

Buckle, re.  
Hamlin, rt.  
Burnham, rg.  
Williamson, c.  
Conway, lg.  
Newton, lt.  
Mars, Cullom, le.  
Eadie, qb.  
Gault, rhh.  
West, lhb.  
McManus, fb.

## Forum

The first meeting of Forum was held in the Archaeology building last night. There was but a small attendance, numbering only 18.

Rosener read the minutes of the last two meetings, and the Topics of the Week were rendered by Ferguson.

MacMillan was voted into the society and the names of several new men were brought up. The debate of the evening was, "Resolved, That the Cap and Gown should be adopted for the Senior class at Andover for graduation exercises." Davison was leader for the negative and Mainini his assistant. Both men spoke very well, but as the other members of the society were not present the debate could not be continued.

Rosener gave the extempore and Mr. Crawford rendered an excellent critique.

## Harvard Schedule

The following is the Harvard schedule for this fall. As all of the games are on Saturday and all but the Yale game in Cambridge, the fellows should have a good chance to see them. The schedule:

Sept. 28. University of Maine.  
Oct. 5. Holy Cross.  
Oct. 12. Williams.  
Oct. 19. Amherst.  
Oct. 26. Brown.  
Nov. 2. Princeton.  
Nov. 9. Vanderbilt.  
Nov. 16. Dartmouth.  
Nov. 23. Yale at New Haven.

## ANDOVER AT NORTHFIELD

Andover was well represented at the Northfield Conference last June. There were twelve delegates from the student body, who joined enthusiastically in the numerous activities. Besides the meetings and conferences there were various outdoor sports and a grand celebration.

Andover's delegation was lodged in East Hall with the fellows from Yale. Several Andover graduates were prominent at the conference, among them Robert E. Speer, who was one of the leading speakers, Professor H. H. Tweedy, '87, G. Sherwood Eddy, '88, and D. Brewer Eddy, '94. Mr. Stackpole had one of the Bible classes for preparatory school students.

The students who represented Andover at the conference were: S. L. Bullivant, '13, A. B. Darling, '12, A. B. Gurley, '12, J. H. MacMillan, '12, E. O. Silver, '13, R. L. Bruch, '14, T. Y. Lee, '14, J. B. Mackinlay, '14, R. B. Shepardson, '14, C. H. Beasley, '15, C. Lindsay, '15, and L. C. Sun.

## Mirror Notice

The *Mirror*, the monthly magazine of Phillips Academy, is about to start its fifty-ninth year, the first issue coming out early in October. In order to make this year a successful one, every fellow in school must do his part. There are several positions open on the editorial board which can be secured by writing stories, articles or poems for the *Mirror*. There is also a competition for the assistant business managership which is open to anyone. Any fellow wishing to try for the board is asked to see D. G. Poore, the editor-in-chief, 29 Bishop, or P. L. Hunt, the business manager, 6 Bishop.

## Cross Country Notice

All fellows wishing to try for the cross country team are requested to report at the gymnasium on Monday, September 30, at 2 p.m.

All men who have had any experience are asked to come out. At the end of the season there will be a big meet with several college Freshman and prep school teams. In this meet cups will be given.

## Senior Elections

At the elections of the Senior class last Friday morning, James Gould was elected president; Trevor Hogg, vice-president; and Knight Woolley, secretary and treasurer of the class of 1913. Davis, Woolley, Hogg, Armour, and Hamilton were chosen for the Student Council as representatives of the Senior class.

## School Picture

Mr. Sherman wishes to announce that on the next cloudy day he will take the school picture, and also those of the separate classes. The picture will be taken in front of the Archaeology building. Everyone is requested to tell fellows that do not know about it, so that the entire school may get in the picture.

## Sharp Elected

At the meeting of the musical clubs after chapel last Wednesday morning, A. E. Sharp, leader of the Mandolin club, was elected to the Student council.

## SWIMMING CHANGES

### Handicap Meets to Be Arranged for and Prizes Offered. Cup Presented by Alumnus

This year, in order to stimulate interest in the swimming pool, a series of bi-monthly handicap swimming contests will be arranged for. For this purpose, last week, times were taken of any men who wished, in the 50-yard swim, and tonight the times of all who desire to enter the competition will be taken in the 25 and 100-yard swim. Next Saturday night fellows will be timed for the 220-yard swim and their distance taken for the plunge. The system is formulated as follows: Throughout the year a series of handicap meets will be held, every other Saturday night. The events will be 25 yards, 50 yards, 100 yards, 220 yards, plunge for distance and fancy diving. From time to time fresh and novelty events will be held. There will be two classes for all events—those under sixteen and over sixteen. An alumnus of the school has generously come forward with an offer of cups for all the individual events, to be contested for by those entered in the regular handicap competition, at a big meet to be held during the winter term. The total points of each man throughout the competition will be recorded, and at the end of the year the man scoring the highest number of points will receive a valuable cup, to be given by the Advisory Board. Second and third prizes will also be given. The total distance swum by each man throughout the year will also be kept, and to the man swimming the greatest total distance in the races will be given a special distance cup. From the men in these competitions will also be chosen those who will represent the school on the swimming team. Several important meets are pending—one with Harvard varsity, and the Yale Interscholastics to be held at New Haven being the most important. So it is up to every fellow who can swim at all to come out and show his appreciation of the pool and enter in as many events as possible, for every event will be handicap, and the worst will have a chance with the best.

## Swimming Notice

All fellows who intend to enter the handicap competition report at the pool at 7.45 tonight, to be timed for the 25-yard and 100-yard swims, in order that the handicaps may be determined as quickly as possible.

## Notice

The postponed track meet between Day and Bishop Halls is to take place this week.

Some time in the near future (exact date to be announced later on the Pearson Hall bulletin Board) the newly arrived knights of the cinder path, of Day and Bishop Halls, will pit their prowess against each other in the greatest meet of the season. The older members of the school are cordially invited to look over this promising new track material. Preps in general are politely requested not to put in an appearance.

[After going to print it was learned that this meet has been indefinitely postponed. Ed.]

The Williams College students are carrying on a similar work in the town of Adams—about a two-hour trolley ride from the college. One of the students recently received from one of the Italians in his class the following letter:

"Please allow me to give you a few words about the School of Adams. thank all the Gentlemen for all the good and enormous amount of things we have learned within a few months time. And this is due to these Honorable Young Men of Williams College who have been giving themselves a great deal of trouble and hard work for us in starting this great Series of evening lesson and the liberal work that is being done for us. Not only us But the whole town of Adams looks at this like a Benefaction to us. We all appreciate it highly and thank you's for all that trouble.

## Track Prospects Bright

Trainer Peet and Mr. Crawford are trying especially hard to get a real good track team together this fall; one that, by next spring, will be able to trim Exeter in every event. And they are quite well pleased with the showing made thus far.

There are now from seventy-five to one hundred men out on the track, but every fellow who has ever done anything in track work is urged to come out and try himself out. Past experience has always proved that the real stars in track were the fellows who didn't think they were worth much of anything.

The new men have taken hold in a good spirit, and the old men are setting them a good example. Capt. Crary, Davis Prescott, Nielson and Nichols, last year's "A" men, are all back at school this year and are in good condition. Around this nucleus Trainer Peet and Mr. Crawford hope to build up a team such as those that have represented Andover in the past.

Mr. Crawford said last night that it was too early in the year to tell what the prospects would be, but that there was some pretty fair new material which they hoped to be able to develop.

## Music Notes

The prelude on Sunday morning will be the Fugue from Mendelssohn's first organ sonata. The choir will sing "If thou but suffer God to guide thee" (Wer nur den lieben Gott lässt walten) by Johannes Pache. At vespers the prelude will be an Ave Maria by Widor (organist at St. Sulpice, Paris). At the chapel exercises during the week the preludes will be as follows: Monday, 2 Ricercars by Palestrina (†1594);

Tuesday, a Ricercare by Palestrina; Wednesday, the Sunday morning prelude; Thursday, two Ricercars by Tommaso Ludovico Vittoria (†1613, a friend of Palestrina and the greatest Spanish master); Friday, a Kyrie and Præambulum by Frescobaldi (†1644, called "the true father of organ-playing").

## Archæology Expedition

Early in June of this year a number of P. A. men accompanied the Curator of the Archaeology department on a survey to Maine. The following students went on the expedition: Manning, Martinez, Morse, Moorehead, Porter and Bradley. Porter and Bradley left during the summer, and the other four remained to the end of the season.

The shores of Mooshead Lake were examined with care, and excavations were made at many different points. The survey made an examination of flint quarries on Mooshead at Mount Kineo. From these the natives of New England secured their supply of material for arrows, spears, and knives. The party worked down the Penobscot river, and at last reached Passadumkeag.

The large batteaux were used in navigating the river. Above Mattawamkeag the fellows came near having a bad accident. The large boat ran on a submerged rock, and the river being full of logs, and the current strong, it was with difficulty that the outfit was saved. However, the only damage done was to wet the baggage. At some places the party had to have the boat hauled around log-jams and rapids.

Four large cemeteries were found, and from these the explorers exhumed a large number of

curious objects. A total of one hundred and seventy prehistoric graves were opened, and in them were found about eight hundred specimens. The grand total found on the expedition was 1,050.

The expedition was very successful, and returned to Andover about the 9th of September. The specimens are on exhibition on the second floor of the Archaeology building.

Great quantities of red paint was discovered. Although this had been buried for hundreds of years it retained its original brightness, and constitutes a very attractive exhibit.
