There are 61 Lithuanians and 17 Syrians enrolled in the classes, making a total of 78 foreigners. The list of fellows who are teaching and the evenings they report are as follows:

VARSITY SQUAD PRACTICE

The varsity and second football teams had a very satisfactory scrimmage last Saturday. The men on both teams showed up well, and the coaches expressed themselves as gratified with the outlook. The men of the second team are wearing grey jerseys this year, in order to distinguish them from the varsity, as heretofore there has been some difficulty on the part of onlookers in keeping the teams separate, from the sidelines.

Dunham, Chatterton, Cullom and Smith have been on the sick list, but none of them are seriously ill or injured, and all are expected to be able to play in a few days.

The lineup for the game with Dartmouth Freshmen on Saturday will probably be as given below, with the possible exception of some changes in tackles. The following was the lineup of the teams in last Saturday's scrimmage:

Varsity—Jones, Mars, ends; Baldige, Sheldon, tackles; Hogg, Sullivan, guards; Wiley, center; Murray, Gault, Thompson, Nielsen, backs.

Second—Ross, Cullom, ends; Cole, Avery, tackles; Durfee, Farrar, guards; Williamson, center; Ames, Eadie, Dunham, Mooney, Perkins, backs.

Sunday Chapel Sitzings

New seatings for the Sunday services will be assigned and posted this week. Because of the crowded chapel the following changes in regulations are necessitated:

I. The afternoon seat will differ from that of the morning.

II. Boys who go home regularly on Sunday will have no seats assigned them. If they remain in Andover, they must report to the proctor before each service and temporary seats will be assigned.

III. Unless accompanying parents or ladies, no student will be permitted to sit in the gallery.

Students are reminded:

I. That each must occupy the seat assigned him and not move out of position.

II. That guests must not be taken into pews assigned to students.

For the convenience of the students in locating new sittings, the following information is given.

The pews from back to front are located and numbered as follows:

12-31 inclusive—North aisle.

53-34 inclusive—North side of centre aisle.

54-73 inclusive—South side of centre aisle.

95-76—South aisle.

A. B. C.—Southeast corner.

Centre aisle pews hold six each; those on the north and south aisles hold five each.

Positions are numbered in each case from the aisle.

Senior Editors of the Pot-Pourri

Any men in the Senior class, whether old or new, who intend to try for the position of senior editors of the *Pot-Pourri*, are asked to report to Knight Woolley, business manager, in Bancroft 11, as soon as possible.

The competition begins within the next few days and it is hoped that a good number of fellows will turn out. This is the only way to make the *Pot-Pourri* Board except as "artists". The competition is based mainly on the ads and subscriptions secured.

TRUSTEES' MEETING

Annual Meeting Held and Officers Elected

The regular fall meeting of the Trustees of Phillips Academy was held at the Principal's office, Tuesday evening, October 8, 1912. The following members were present: Messrs. Ripley, Morgan, Bishop, Moore, Sawyer, Parsons, Crane and Stearns and on special invitation of the Board, Professor Forbes of the faculty.

On recommendation of the Executive Committee, during the absence of Principal Stearns on leave of absence recently granted him by the Trustees, Professor Charles H. Forbes of the faculty was appointed to serve as Acting Principal, and during the same time, Mr. W. Huston Lillard was appointed to serve as Assistant to the Acting Principal.

The following officers were elected to serve during the academic year: President, Alfred L. Ripley; Treasurer, James C. Sawyer; Clerk, Alfred E. Stearns. Mr. Forbes was asked by the Board to act as clerk pro tem during the absence of the Principal. The following were elected to serve on the Executive Committee for the year: Messrs. Ripley (Chairman), Knapp, Ropes, Sawyer, Bishop, Moore and Stearns. It was voted that Mr. Forbes be asked to meet with the Trustees and Executive Committee at their regular meetings during the absence of the Principal.

It was voted that a special committee be appointed to consider the advisability of raising funds for enlarging the chapel, and if such a step should seem to them desirable, that means to be taken in accomplishing this end, said committee to report at a later meeting. The chairman appointed to serve in this capacity Messrs. Sawyer, Crane and Forbes.

The clerk called the attention of the Board to the recent fund placed in the hands of the Trustees by anonymous donors amounting to \$3800, to be used in aiding deserving boys in the school. The Treasurer read a report outlining a plan under which the funds should be used, and recommending that approximately one-half the amount, or \$2000, be invested as a permanent fund, the interest on the same and the balance of the principal to be used at the discretion of the principal for the purpose specified by the donors.

The following men were asked to serve during the year as members of Alumni Fund Committee.

Francis R. Appleton, 71, Tracy H. Harris, '82, Oliver G. Jennings, '83, D. Mark Cummings, '85, Wm. D. Sawyer, '85, John Crosby, '86, Robert E. Speer, '86, F. C. Walcott, '87, George B. Case, '90, H. S. Wallace, '97, C. Timbie, '12.

Mr. Moorehead, curator of the Archaeological department, submitted his report, stating the extent and results of his explorations in Maine during the past summer, and his plans for the future work of the department.

The generous offer from Mr. Charles E. Smith of Jacksonville, Florida, was submitted, to contribute a sum not to exceed \$1000, for furnishing a room or rooms in the new Infirmary.

The Treasurer was authorized to make such use of the rooms at the Williams Hall Infirmary as might seem to him wise for providing rooms for music instruction.

SWIMMING MEET SATURDAY

There will be a scratch meet in the swimming pool for all fellows under sixteen years of age Saturday evening. The list of events will be composed of 25, 50 and 220 yard swims and the plunge. Everyone under the age limit who can swim is urged to come out, as the points won in this meet will be counted in with those of future meets for the awarding of cups. Similar meets will be held during the fall and winter terms, and cups will be given to winners of the greatest number of points in each event.

Class Football Schedule

The second games of the fall football series will be played off this afternoon at 2.30 o'clock. 1913 will line up against 1915 on the field north of the baseball diamond at Brothers Field. On account of the weakness of the Junior team, it will play in the second division, leaving only three teams in the first division. This necessitates playing only one game in the first division at a time, instead of two in an afternoon as formerly. Numerals will be given to the winning class team, and ribbons to the members of the team which wins in the second division series. The schedule is as follows:

Oct. 16.	1913 vs. 1915; 1913 2d vs. 1915 2d; 1914 2d vs. 1916.
Oct. 25.	1913 vs. 1914; 1913 2d vs. 1914 2d; 1915 2d vs. 1916.
Oct. 30.	1914 vs. 1915; 1913 2d vs. 1916; 1914 2d vs. 1915 2d.
Nov. 2.	1913 vs. 1915; 1913 2d vs. 1915 2d; 1914 2d vs. 1916.
Nov. 6.	1913 vs. 1914; 1913 2d vs. 1914 2d; 1915 2d vs. 1916.
Nov. 13.	1914 vs. 1915; 1913 2d vs. 1916; 1914 2d vs. 1915 2d.
Nov. 20.	1913 vs. 1915; 1913 2d vs. 1915; 1914 2d vs. 1916.
Nov. 23.	1913 vs. 1914; 1913 2d vs. 1914 2d; 1915 2d vs. 1916.

All games will be played at 2.30 o'clock; those of the first division on Brothers Field, and those of the second on the Old Campus.

The results of the third round matches in the doubles tennis tournament are as follows:

1914

Moore and Kinney defeated Thurston and Daley, 4-6, 6-3, 6-4.
Forrest and Abbott defeated Drake and Ross, 6-0, 6-3.

1916
Lancaster and Beasley defeated Adams and Buckle.

The following matches remain still unplayed, and should be played off as soon as possible.

1913
Alpaugh and Nostrand vs. Schmidt and Chisholm.
Martinez and Higgins vs. Sturgis and Kneen.

1914
Cooke and Royce vs. Moore and Kinney.

1915 and 1916
Forrest and Abbott (1915) vs. Lancaster and Beasley (1916).

CLASS FOOTBALL

1915 Wins From 1914. Seniors Victorious in One-Sided Game

The Junior Middlers defeated the Middlers in a closely fought game last Saturday, by the score of 6 to 0. Chisholm and Lindsay gained consistently for 1915, while Nichols and Paradise played a good game for 1914. Lindsay scored the one touchdown of the game, but failed to kick a goal. The game in detail was as follows:

FIRST QUARTER

'14 kicked off to Young, who made a good gain, to which Lindsay added 15 yards on the next play, through center. Lindsay punted to Coles, who fumbled, but Nichols recovered the ball. Nichols gained 15 yards. '14 fumbled to their opponents on the 20-yard line, and Lindsay fumbled again, but '15 recovered the ball. '15 was now near the goal, but being unable to break through the line of '14, Adams tried a drop kick, which was blocked and captured by '14. Cook kicked to Lindsay, and he ran it back 10 yards. End of first quarter. Score: 0 to 0.

SECOND QUARTER

'15 gained 30 yards by a well-worked forward pass. Lindsay and Young each gained 5 yards, and then Chisholm advanced the ball to the 1-foot line, where it was fumbled to '14. Young ran '14's punt back 20 yards. On the next play he attempted a forward, but was tackled before he could pass the ball. Lindsay and Chisholm then took the ball down the remainder of the field in a few downs, and Lindsay scored a touchdown, but did not kick the goal. Rattray caught '15's kick-off and gained 15 yards. Coles recovered a poor pass 20 yards back. End of first half. Score: 1915, 6; 1914, 0.

THIRD QUARTER

Pratt kicked off to Fellows. '14 was penalized 15 yards for offside. Nichols received Lindsay's kick and ran it back 25 yards. Coles made 13 yards around right end. Nichols tried to pass a forward to Paradise, but Lindsay jumped in and got the ball, gaining 15 yards. Lindsay made an end run and passed the ball to Chisholm, who took the ball along 5 yards more. Lindsay fumbled a pass, recovered it and kicked to Nichols. Nichols fumbled, regained the ball, but made no gain. Coles made 10 yards on the next two plays. End of third quarter. Score: 1915, 6; 1914, 0.

FOURTH QUARTER

Nichols ran around left end for 10 yards, and fumbled, Tinsman getting the ball for '15. Chisholm broke through 1914 and ran the length of the field for 60 yards, but was tackled on the 3-yard line. '15 was then forced back 10 yards, and Paradise tried a field goal which didn't pass between the posts. '14 chose to put the ball in scrimmage on the 20-yard line, rather than to kick. Coles could not gain in two downs, so Allen kicked to Lindsay who fumbled, recovered the ball and gained 25 yards. Chisholm and Lindsay made 5 yards each through the line. Armstrong went in for Lennan, and Knowles took Allen's place. '14 got the ball and kicked. Lindsay, seeing that the ends were coming down on him, made a fair catch. Time was now called. Final score: 1915, 6; 1914, 0.

October 16, 1912

Owing to the fact that many of the present heelers have been forced to drop out of the competition because of scholarship conditions, the *Phillipian* has been forced to issue another call for heelers. As the term is over one-third gone, it affords any fellows desiring to come out, an excellent opportunity to make the board with less than two months of heeling. The work is competition, the men having the largest number of printed inches being taken on the board at the end of the term. It is hoped that a large number of fellows will avail themselves of this unusual opportunity to secure the numerous benefits derived from this competition. The work is not as hard as is generally supposed, and can be easily taken up during spare hours. Any fellows interested should see the Managing Editor at Abbot 5 as soon as possible.

Philo

The regular meeting of Philo was held last Friday evening. Toomey gave the Topics of the Week, and Woodford gave a very interesting select reading.

The subject for debate was: "Resolved. That capital punishment should be abolished." Boynton led the affirmative, with Woodford as assistant. The negative was supported by Martinez, with Sloane as assistant. The vote on the merits of the question was, affirmative 3, negative 8, and on the merits of the argument, affirmative 11, negative 0.

In the miscellaneous business Hewett and Woodbridge were admitted to the society. Mr. Stackpole gave a very interesting and helpful critique.

The program for the meeting which will be held on Friday evening is as follows: Select reading, Comstock; Topics of the Week, Wallace. The question for debate is "Resolved. That state judges should be subject to the recall." Affirmative, leader, Brophy; assistant, Roosevelt. Negative, leader, Tetley; assistant, Fuller.

Music Notes

The preludes at morning chapel this week are fugues by Girolamo Frescobaldi (1644 while organist at St. Peter's, Rome). Frescobaldi has been called the "true father of organ playing." He was the first of the really great organists, far in advance of his time and an immediate precursor of the great Johann Sebastian Bach.

Chapel Speaker

Mr. Stackpole will speak at both services next Sunday.

Notice

Prof. Forbes' office hours for the remainder of this week will be from 9 to 11, but after this week they will permanently be from 10 to 12.30.

Notice

Trials for the dramatic club will be held in Pearson Hall on Wednesday evening at 6.30. It is especially important that all fellows wishing to try for the club be at this trial.

Notice

Dr. Page wants all men who have been taking track or tennis this fall, to call at his office at two o'clock this afternoon or tomorrow. The two sports are to be discontinued, and it is necessary that everyone formerly in them should sign up either for football, soccer, or cross country.

The varsity soccer squad will be picked today. The class series for soccer numerals will commence this week.

Notice

Attention is called to the agency boxes which have been located in all the dormitories, Pearson Hall, Graves Hall, Main Recitation Building, and in several of the private houses. Hereafter when fellows are in need of writing-paper, theme tablets, banners, candy, or any articles sold by school agents, they are asked to drop slips in the boxes stating their orders. These boxes will be opened and the slips collected every night. All orders will be promptly filled on the following day.

Academy Church

A second meeting of all those who are interested in forming an Academy church will be held after service next Sunday morning to decide upon the articles of membership and the rules for the new church. The Articles and Rules proposed have been revised by a committee consisting of Professor Forbes, Mr. Phillips, Mrs. Newton, and Messrs. Timbie, Gould, Wiley and Stackpole.

The points of interest to the students are the following:

1. The church will be undenominational.
2. Students may join as temporary members without giving up their membership at home.
3. Students may join as associate members if they accept the teachings of Christ as the best guide of living.
4. The student members will choose four deacons from the Senior class and two from the Middle class.

5. The student deacons and the officers of Inquiry (if members of this church) will be members of the Standing Committee.

6. This plan does not change in any way the organization or the work of the Society of Inquiry.

7. The School requirements regarding church attendance will remain the same.

8. Communion services will be held in October, November, February, April and June.

Students who are church members at home should send home the certificate cards at once for signature. Others who desire to join should see Mr. Stackpole or give their names to one of the following members of the Committee on Membership: Mr. F. E. Newton, Mr. W. H. Lillard, Mr. R. S. Cook (Phillips 19), Mr. A. Davison (Bishop 9).

The church will probably be formally instituted on Sunday, November 3rd, and all who join at that time will be charter members.

BUY IT BY THE BOX! LOOK FOR THE SPEAR

I am such a timid little creature, you might not think I am an advertisement, but I am, and little Billie Burke, the Tailor, pays for me, and says "By Heck! I don't care who knows it."

Talking about CUTTING, he had to CUT out the World's Series, to CUT clothes for the bunch who've CUT their wisdom teeth.

1913 defeated a picked up team 32 to 0, in a very one-sided game on Brothers Field Saturday. The Seniors were scheduled to play the Juniors, but as the 1916 team did not show up, Coach Pifer selected a scrub team to play in their stead. 1913 rushed the ball up and down the field at will, and when the scrubs got it, they could not make gains through '13's line. White, Allen, Cochran and Crossman made touchdowns for 1913, while Hartigan and Sheldon kicked kicked goals. The game is given in detail below.

FIRST QUARTER

The scrubs kicked off to White, who ran it back 20 yards. '13 was penalized 5 yards for passing the ball after being tackled. A pass went over Hartigan's head, but he recovered the ball. Crossman forwarded to Hartigan, '13 gaining 15 yards by the play. Cochran and Crossman made 25 yards on the next three plays. Cochran fumbled, but '13 recovered the ball. End of first quarter. No score.

SECOND QUARTER

Hartigan made a 25-yard run, and Crossman added 10 yards on the next play. White then took the ball over for a touchdown, and Sheldon kicked the goal. White caught the scrubs' kickoff and made 25 yards before he was downed. Cochran and Crossman made 10 yards on the next two plays, to which 13 yards were added by Cochran. White advanced the ball 15 yards and Crossman gained an equal distance. Cochran then made the second touchdown. White's attempt at goal failed. White again caught 16's kickoff and ran it back 23 yards. '13 tried a forward, but Brown captured it for the scrubs. They could not push through '13's line, so the scrubs kicked to Crossman, who gained 20 yards. End of first half. Score: 1913, 13; Scrubs, 0.

THIRD QUARTER

'13 kicked off and the scrubs made 10 yards. Allen captured the scrubs' fumble and made a touchdown. Sheldon failed to kick a goal. The scrubs chose to kick, as they could not make any headway against '13. Fuller received the kickoff and made 5 yards. Cochran and Crossman then rushed the ball down the field and over the line in a few downs. The score was made by Cochran. '13's attempt at goal was unsuccessful, Fuller fumbled the scrubs' kickoff, but '13 recovered the ball. Hartigan gained 20 yards by line plunging and a forward. White and Crossman each made 20 yards or more, but '13 could not put the ball over the line. It went to the Scrubs on downs, and they kicked before '13's backfield could

get down the field to receive it. Hartigan got the ball, but was tackled in his tracks. End of the third quarter. Score: 1913, 25; Scrubs, 0.

FOURTH QUARTER

'13 made 25 yards on a forward pass, Crossman to Cook. Cochran plunged through center for 5 yards gain. Allen picked up a fumble and made 12 yards. Cochran bucked the line for 12 yards and Crossman made 5 more through center. The scrubs were offside, but '13 refused the penalty because they were so near the goal line. Crossman pushed the ball over for another touchdown, Hartigan kicking the goal. Time was called before any more scores were made. Score: 1913, 32; scrubs, 0.

Inquiry

Dr. Hill gave a very interesting talk at the Society of Inquiry last Sunday on the changes he would make in his college life if he were going through it again. He said that first of all he believed he would study harder. To excel in studies does not necessarily mean that one cannot do well in athletics or other school and college interests, as is shown by the example of Walter Snell, captain of the baseball team at Brown, an old Andover man, who always attained high marks in scholarship. Dr. Hill said that he would try to love the best ideals in reading, music, nature and men; that he would try to make friends with the finest men in college, without seeming to be a snob. He said that he would attempt to earn some money, or else keep careful accounts of all that he spent, in order to remember the value of money and the sacrifices that others were making to give it to him. He would not go near anything mean, low or tempting, but would study the Bible and try to love it more. He said that he would spend more time by himself in order to be able to look himself clearly in the face and to see clearly his path; that he would daily write down something of his life

and passing events, or keep a regular diary, for there are so many attractions and so much going on in the world that we are liable to forget their importance. Lastly he said that he would try to do something hard every day, that would take an effort on his part; that he would try to find out his particular temptation and concentrate on crushing it.

Dartmouth Club Smoker

A smoker will be held by the members of the Dartmouth Club next Friday evening at eight o'clock, in the Archaeology Building, unless notice is given to the contrary. There are about twenty-five men in school this year, who are intending to go to Dartmouth, and they are all urged to be present. A reception for the Dartmouth Freshman football team will be held, and speeches will be made by members of the team, and by some of the Academy faculty. Kenneth Douglas and "Dud" Rogers will speak, Douglas for the Freshman team, and Rogers as a representative of the upper class men of Dartmouth. J. N. Palmer, President of the Andover Club of Dartmouth, and Mark Wright, captain of the track team and holder of the world's record for the pole vault, will also speak. The members of the faculty, graduates of Dartmouth, who will be present are Mr. McCurdy, Mr. Lillard, Mr. French and Mr. Phillips. Refreshments will be served during the reception.
