### ANDOVER DEFEATS HARVARD

Fast Times Made. Several School Records Broken

Andover defeated Harvard last Wednesday by a score of 36 to 17. The meet was a good one for time, as two school records were broken and a third equaled, so it cannot be said that the victory was gained through the slowness of the opposing swimmers. Rosener was the individual star of the afternoon, swimming on the relay team which broke the previous school record by two seconds, and breaking the best previous school record by two-fifths of a second, and equaling the school record in the 100-yard swim. His time in the fifty was 26 seconds flat, and beat the record made by Captain Fullerton of the Andover team of two years ago. Fitzgerald also swam well and Bevins and Hewett deserve praise for their diving.

Hitchcock and Gilman were not swimming for Harvard, and Hulbert and Gould were not in the meet.

The first event was the relay race which Andover won in 1 min. 49 4-5 secs.

The teams were:

ANDOVER	HARVARD
Waring	Stubb
Bevins	T. Patter
Fitzgerald	Fullerton
Rosener	Wentworth

The score then stood, Andover 8, Harvard 0. In this event Fullerton, an old Andover man, swam well for Harvard.

The plunge was the second event and Pickernal of Harvard took first place with 55, 57, and 52 feet for his plunges. For Andover, Bradley took second and Barnes third place, doing 51, 49 and 50, and 44, 51 and 50 respectively. Score, Andover 12, Harvard 5.

The other Harvard man failed to place.

The 200-yard swim came next and was won by Fullerton, with Captain Allen of Andover second and Starbuck of Harvard third, in 2 min. 30 sec. The score then was Andover 15, Harvard 11.

In the 50-yard race Andover took first and second places in the very creditable time of 26 sec. Rosener was first, with Fitzgerald close behind him, while Wentworth of Harvard came in third. Score, Andover 23, Harvard 12.

The diving, which is perhaps the prettiest event to watch, was won by Bevins with 71 points, while Hewett was close behind with 71; Small of Harvard took third place, getting 68 points. The dives were the plain front, plain back, and front and back jacks and two optional dives. This made the score Andover 31, Harvard 13.

The 100-yard swim was the final event, and Andover was represented by Rosener and Dillman, and Wentworth and Fullerton were the Harvard competitors. Rosener won first place and Wentworth and Fullerton took second and third in 1 min. 3 sec.

The final score was: Andover 36, Harvard 17.

#### Music Notes

The recital next Wednesday afternoon, February 25th, will be played by Mr. Pfatfeicher, the compositions being by Charles Marie Widor (organist of St. Sulpice, Paris). The program will consist of the 4th Symphony and the finale from the 5th.

### GYM TEAM SQUAD SELECTED

Last Wednesday afternoon trials were held for the gym team. The following men won their G. A. T. last year, so they did not have to compete: Captain Peck, Lee, Basso and Hulbert; and Phillips, Hunneman, Carpenter and Jones were taken on, while Brando, Armstrong, Ellwood and Crawford were chosen for substitutes.

On the horizontal bar, Phillips, Hunneman and Carpenter competed and on the horizontal bar Phillips, Jones and Carpenter tried out. On the horse, Hunneman, Phillips and Maroney competed also on the rings.

### RECITAL OF HAMLET

Mr. Webber of Exeter Gives Excellent Representation

Last Thursday night at eight o'clock in the Chapel, Mr. James P. Webber, M. A., instructor in English at Phillips Exeter Academy, gave a recital of "Hamlet" by Shakespeare. Mr. Webber gave the whole play and acted each part. He took the parts of the different characters, acting each one out, and because of his clever acting and the changes of his tone and manner, one was able to follow him without difficulty.

There were a fairly large number of students present, and every one came away with a more vivid and realistic idea of the play.

The work of Mr. Webber was exceptionally fine, and great thanks are due both to him and the gentleman who arranged for his coming. It is hoped that another visit can be arranged.

### Seniors and Middlers Win

After the Harvard-Andover meet last Wednesday, two class meets, between 1914 and 1917, and 1915 and 1916, were run off. 1914 won from 1917 by the score of 36 to 17, and the Middlers defeated the Junior Middlers in a close meet by the score of 28 to 24.

### ANDOVER VS BROOKLINE GYM.

Close Meet Expected To-night at 7:30

Tonight at 7:30 o'clock the swimming team will meet Brookline Gym. A. A. in the fourth meet of the year. Andover has a team to be proud of and would prove the equal of almost any college team as is shown by the handy manner in which we won from Harvard last Wednesday. Capt. Wentworth of Harvard said that we have the best scholastic team he has seen and that if we were entered in the interscholastic meet at Princeton we would have a fine chance of winning.

Brookline Gym is reputed to have the fastest team in New England. It is composed of old college men, and the old fellows at school should see many familiar faces among the team.

The meet with Brookline Gym has been held every year so far and has always proved the closest and most interesting of the season. Andover won last year, while the preceding year Brookline won from Andover by a small margin, so this might be called a "rubber" meet.

The school should turn out and support the team well, as ardent support goes a long way toward making a winning team. The meet will be over in plenty of time for the fellows to attend the smoke-talk. Seats have been placed along the side, and everyone must enter the pool by the side door at the back of the gym. The public will be charged an admission of 25 cents, while the students will be admitted free. The Andover entries are as follows:

Relay team: Waring, Rosener, Fitzgerald (Woolley).  
50-yd.: Fitzgerald, Rosener.  
100-yd.: Rosener, Capt. Allen, Searle.

200-yd.: Capt. Allen, Hopkins.  
Plunge: Chisholm, Bradley.  
Dive: Hewett, Basso, Bevins.  
The officials will be Dr. Page, Mr. Mann; time-keeper, Sid Peet; starter, Mr. Sutherland.

### Smoker To-night

Tonight immediately after the swimming meet there will be another of the Grill's very successful smokers. Mr. William Ridden of the Flying D. ranch of Montana, who, in the old days, was a regular cowboy, will give a talk on the ranch life of the West. This ought to be a very interesting talk, as Mr. Ridden knows a great deal about his subject and as the Flying D is one of the few real ranches of the West which are left. Mr. Ridden will describe the round-up and other interesting matters. As this lecture promises to be very good, many fellows ought to attend. This is an especially fine opportunity for eastern fellows who wish to learn of the West and its life.

### Public Speaking Notes

The best speakers for the past week as elected by the three divisions of the Junior Public Speaking class are as follows:

#### THURSDAY DIVISION

The changes which the Advisory Board have made are not so radical as first glance would seem to indicate. The object has been to first reduce the cost, and secondly to put all minor sports on the same level.

The fact that class soccer, hockey, swimming, tennis, cross country and basketball numerals cannot be worn on sweaters seems a little strict, but as all have been treated alike, there can be no kick.

The school and all members in it wish to thank Harry Grafton, P. A. '08, who for several weeks sacrificed his afternoons to his old school by coming to Andover regularly to coach the hockey team. We must all admit that it was through no fault of his that we did not have enough good hockey players to defeat Exeter, but that is aside from the point. The thing we are driving at is that an old graduate, from purely loyal motives, has given a great deal of his time, not for any pecuniary gain, for he would not accept money, but to help his old school in her need. Such deeds have made Andover what she is and have given us true grounds for believing in "Andover spirit," and so we do not wish to see Mr. Grafton's sacrifice be unappreciated.

Class Relay Trials

Last Wednesday afternoon preliminary trials for the class relay teams were held on the board track.

J. Clarkson, R. Wells, W. Foy, J. Schmertz, A. B. Clarkson, W. Ryan, D. C. Lunt, D. Bradley.

The 1915 team will be chosen from the following men, who won first and second in their heats:

Likins, E. Fellowes, D. Macrae, F. Getty, Prescott, Appleby.

The following men, winning first and second in their heats, will make up the 1916 team:

Homan, Durst, Swift, O'Mahoney.

POT-POURRI

All Seniors and non-returning Middlers must have their pictures handed in to the Pot-Pourri before next Saturday, February 28. Pictures taken by out-of-town photographers must be given to N. B. Paradise; those taken by Mr. Sherman are arranged for. Non-returning Middlers are asked to give their names to N. B. Paradise at 11 Bartlet, as soon as possible.

On Page four is the insignia chart which has been revised by the Advisory Board. This ruling of insignia took effect last term, although it was not made public. When the chart was completed a motion was unanimously passed by the Advisory Board that this decision as adopted by the Advisory Board in regard to awarding of insignia, shall remain unchanged, unless a written recommendation be submitted to the Board. In such a case, such recommendation shall remain on the table for a period of one month, and if passed, one year to elapse before the change takes effect.

The most important changes are as follows: the size of the minor sport letter is reduced from five to four inches; all varsity teams now have the privilege of wearing insignia on their sweaters, as they did not have previously. Only the winning class track, football, and baseball teams are given the privilege of wearing their numerals on sweaters. The number of sweaters awarded is fixed, and the size of supplementary letters of minor sports such as SAT or LAT, is increased from 1-2 to 3-4 inches.

The Advisory Board wishes to say that they have treated all sports alike and fairly, and to remember that the reason for the rearrangement is to cut down expenses, as we hope to have a new track soon. As it is, Andover gives more insignia than any other prep school, and in fact, more than some colleges; although that the Athletic Association maintains every athletic field in school and that is a big expense, so that necessarily expenses must be cut down in some other way. Another instance is that this year football cost the Advisory Board \$3500, while the athletic fees for the whole year only came to \$4500.

**Philo-Forum Assembly**

Last night at 7 o'clock, the Philo-Forum Assembly held its weekly meeting. The select reading was rendered by Brainerd, who chose for his selection "The Call Loan" by O. Henry, which was well rendered and very interesting. The subject for debate was: Resolved, That the present Child Labor Law in Massachusetts is productive of more harm than good. Affirmative, Heely, leader, McMahon, Garrigues; negative, Kirkland, leader; Getty, Greene. The debaters spoke in the usual order and all the arguments were clearly given. The vote on the merits of the argument favored the negative.

Hon. John N. Cole was then introduced by Speaker Boynton. Mr. Cole said that for many years he had been in various assemblies and that he had noticed that fellows from the various prep schools had not made good in such places, and therefore he wished that a greater interest would be taken in debating here. He said that he considered that debating was more valuable than athletics. He then went on to say that the arguments of the negative were not convincing, and that the affirmative had no arguments at all. Mr. Cole showed how the various arguments made had not been brought out very well and then he showed various arguments which had not been brought out at all. He spoke of a system in vogue in England, which is to have the children work half the time and play the other half. He then spoke again of the great value that debating is to a fellow, and closed his valuable critique, as the fellows had to be in at nine.

### Wrestling Squad Picked

In response to the call of Manager Winters of the wrestling team a good many fellows came out on Wednesday afternoon and the trials were held directly after the swimming meet. Captain Baldrige announced, before the trials commenced, that 18 men would be picked, as there are six weights and three men for each weight, while only two men will wrestle in the meets.

In the trials Moore threw Hanager in the 126-lb. class, and Truman downed Spencer; Lee won from Forrest, who had thrown Morrison, and Lee was defeated by Crawford, whom Kahler threw, while Upton and Townley wrestled to a draw.

In the 135-lb. class Lowell was defeated by Kreider, and in the 145-lb., Crawford and Gellatly wrestled without a decision, as the latter broke his thumb.

Cook threw Phillips, and Barnes and Kennedy wrestled to a draw in the 150-lb. class, and Cook and Converse fought to a draw; Macrae, who weighs in at 155 lbs.,

threw Dunscombe, and in the heavyweight group Baldrige threw Avery.

The squad is composed of the following:

- Capt. Baldrige, heavyweight.
- Avery, 170 lbs.
- Cook, Barnes, 158-lb. class.
- Kennedy, Crawford, Gellatly, 145-lb. class.
- Basso, Kreider, Towell, 135-lb. class.
- Moon, Kahler, 125-lb. class.
- T. N. Crawford, Lee, Morrison, 115-lb. class.
