Andover Dinner Date Changed

The day for the Boston dinner of the Andover Alumni has been changed to Monday evening, March 26, at the City Club, Boston.

Lecture by Andover Graduate

J. Radford Abbot, P. A. '10, Harvard '14, gave a very interesting illustrated lecture on his experiences with the American Ambulance Corps in France last Thursday evening, at Davis Hall, Abbot Academy. Dr. Fuess of the faculty introduced the speaker, after which Mr. Abbot plunged directly into his subject. In all he was with the field service six months, most of the time being spent around Verdun. Mr. Abbot then spoke of the excellent work that the American Hospital is doing in Paris. This hospital was founded by Americans and is still run by them. The work of the voluntary surgeons and nurses is to be highly praised. Their only reward, but still a very satisfactory one, is the gratitude which the French soldiers express for the treatment they receive at this institution.

When the American hospital first started it had only five ambulances, but even these cars soon saw actual service on the field of battle. In April the first field section was sent out. This really consisted of only half a section or ten cars, for a whole section is composed of twenty ambulances. The American car, Mr. Abbot went on to say, is always the first to arrive on the scene, and the soldiers all prefer to ride in the American Fords if possible. The American Ambulance Field Service has since grown to a very great extent, and is now carried on on a very large scale.

Mr. Abbot then showed a large number of extremely interesting slides made from actual photographs. Although no one was supposed to have a camera, the authorities let this slip by, since no pictures of actual military movements were taken.

Among the slides were pictures of the various American Red Cross cars at different places and with nearly every view some interesting story was connected. One slide showed how a section of ambulances was made up. In one of these "sections" there were twenty American drivers, each driver keeping the same car, an American chief, a few Frenchmen and a French lieutenant, besides an extra boy and a chauffeur for the lieutenant's staff cars. Mr. Abbot then went on to tell many interesting stories of life in and about the trenches, and he also showed a few more slides and postcards depicting French towns and hamlets about Verdun.

NOTICE

The new intercollegiate athletic calendar has been published, giving the pictures of the football teams and the review of their seasons. Andover and Exeter are both included in the calendar. Those whose desire to buy one should see P. Mason immediately, as the supply is limited.

WORCESTER IN SWIMMING

Andover vs. Worcester in Last Swimming Meet of the Season

This afternoon the swimming team journeys to Worcester to compete in the last and most important swimming meet of the season. The team has made an enviable record this year, winning six out of seven meets, and has shown that it is almost equal to the famous teams of 1914 and 1915.

The relay will be the most important event of the meet, for the victor will probably win the meet. Andover will present, in this event, a lineup which defeated Brookline High, point winners at the Inter-scholastics. All of the team do the 50 in the neighborhood of 27 seconds.

In the fifty yard dash, the team is exceptionally strong, having Fullerton and Wood. Both these men are also on the relay team. Perry, Townsend or Penfield will swim for Andover in the 100; Captain Bolton and Neville should put up a good fight in the 200.

Crane and Ferguson in the dive have proved to be dependable men all season, and have a very good chance to carry away the honors, although Worcester is said to have good men in this event, also. Meagher's title in the plunge will probably be undisputed, while Anderson should do good work.

The Haywood brothers, and Small in the dashes and Shuttleworth in the dive are Worcester's stars.

Andover's entries are as follows:

Relay: Andover (Fullerton, H. Stearns, Perry, Wood or Whipple); Worcester (R. Heywood, E. Heywood, MacCall, Nutroy).

50-yard dash: Fullerton and Wood (A), vs. Nutroy and MacCall (W).

100-yard dash: Perry and Townsend or Penfield (A); vs. R. Heywood, and E. Heywood, (W).

200-yard swim: Captain Bolton and Neville (A); vs. Smith and Rowley (W).

Dive: Crane and Ferguson (A); vs. Gould and Presson (W).

Plunge: Meagher and Anderson (A); vs. Treat and Johnston (W).

Swimming Team Wins

Last Wednesday the swimming team added another triumph to its long list of victories by defeating Huntington School by the score of 36 to 17. The team showed that it is increasing in strength and should present a very strong aggregation in the Worcester meet to-day.

Although Andover could have won without winning the relay, it gave the team an encouraging start. Every man did his share in this event, and such a lead was piled up that Perry finished with half a length's lead over Snow. Whipple showed that he is improving by securing a considerable lead over Harper who is considered a star in the dashes.

In the dive, which followed the relay, Crane and Ferguson as usual were the winners, exhibiting wonderful form in each dive.

Snow of Huntington won the 50, in very fast time, but was

Peabody Dance This Afternoon

The third of a series of Saturday afternoon dances will be held from 2.30 until 6, in the Peabody House to-day. Herbert Lowe's orchestra, which played at the Prom, will furnish the music. Harrington has been appointed caterer, Mrs. Claude M. Fuess, Mrs. Markham, W. Stackpole and Mrs. Augustus Thompson will be the patronesses. Altogether this dance should be the most successful and enjoyable of the series.

Notice is called to the change of hour for starting.

Juniors Win Wrestling Numerals

Wednesday afternoon the 1920 wrestling team won the class championship by defeating the Seniors, 13 to 3. The Juniors have not lost a meet throughout the season, although they have tied three times. Philadelphia Alumni Association Meeting

Yesterday evening there was a meeting of the Philadelphia Alumni Association, addressed by John L. Phillips from the faculty. Dr. William S. Wadsworth, P. A. '87, acted as toastmaster. Brief addresses were also made by Dr. D. H. Donaldson of the Wister Institute of Anatomy on "Andover in Science," and by Mr. Merritt of the Penn Charter School on "Andover in Athletics."

ANDOVER-EXETER CONCERT

Combined Clubs Perform This Evening

The combined musical clubs will present their annual joint concert with the Exeter clubs this evening at Exeter. The men are to leave Andover at about four o'clock on a special train and will be taken care of by their hosts until the entertainment commences.

Although there is no banjo club this year, the mandolin and glee clubs are well organized and have improved greatly since last fall. The quartet is also unusually fine. Very promising results are expected to-night.

In past years these events have often been too long and somewhat tedious. For this reason, only two pieces (with a possible encore) will be rendered by each group.

The faculty has consented to permit men on the no-excuse list to take part to-night. This opportunity, however, is not extended to those on probation.

The Andover program is as follows:

- GLEE CLUB
"When the Boys Come Home"
"The Two Grenadiers"
"Carmena" (encore)
- QUARTET
"Rockin' In De Win."
- MANDOLIN CLUB
"March Militaire"
"Sans Souci"
"Poor Butterfly" (encore)

Those who are to take the trip are: Glee Club—Leader Wilder; Beeler, P. Brown, D. F. Carpenter, DeCamp, Dresser, Dowd, O. C. Frost, S. B. Frost, Gibson, A. D. Harvey, Hatch, Horton, Kirkham, Leach, R. Lewis, Littlefield, Lumpkin, Mann, W. B. Martin, Mason, Morgan, Norton, Peters, Piercy, F. L. Reid, Spence, Steffian, W. Stevenson, Thornton, VanOrdan, Whipp.

Quartet—Martin, Gibson, Wilder, Foster.

Mandolin Club—Leader, MacDonald; R. D. Barnes, Gogert, D. F. Brown, Clement, Day, Dyje Failey, Fullerton, Glazier, B. Haskell, Irwin, Helliwell, Hansman, Lane, W. B. Martin, Miles, Purinton, Scheide, Simmons, Spence, Starr, Thornton, J. C. Wilson.

Any member of the club whose name does not appear above and who is going is requested to see Wilder at the Archaeology Building at 1 p.m. Mr. Guy Eaton will be in charge of the trip.

Men Eligible for Boxing Tournament

The following members of the Boxing Club are eligible to compete in next Wednesday's tournament. Those who have already entered are not included:

- Featherweight: Murray, Failey, Endy, S. Gould, Wight, Starr, McLanahan.

Communications

To the Editor of the Phillipian:

When will the school be permitted to go regularly to the movies? Last term, while the infantile paralysis scare was very threatening, the faculty stopped the attendance. When the apprehension became less tense, the men were permitted to attend on Tuesday and Friday evenings. Now it seems as if the ban could be completely removed, for certainly there are no cases of poliomyelitis in the neighborhood.

Then, again, military drill is held for several companies on the movie evenings. The members of these will consequently not be able to attend. Why not give them at least a chance to go on Wednesday and Saturday afternoons, the rest of the term.

1918

Below is an article from a recent issue of the *Exonian* protesting against the food served in their main dining hall. The case is almost the same here, except we do not even get the female seminary kind of foods. The average fellow cannot get enough good food at the dining hall to satisfy his large appetite, and consequently visits the grill frequently during the day. In the belief of the writer, this state of affairs can be, and ought to be remedied.

EDITORS EXONIAN:—In one of the former issues of the *Exonian* there was an argument concerning the food served in Alumni Hall and its betterment. The food question is always a very hard problem to solve in all large institutions, and it might be considered to be one which should be left to the institution to decide. But it is not. A man knows when his stomach is being treated right and when it is not. A man with a poor stomach is like a good automobile with a bad carburetor. A poor stomach means no strength to meet a hard task, liability to any minor or major diseases, sluggish mentality,

and in all, an inability to do anything well. There are many in this school who would be better men if their stomachs were in good shape. The knockers of Alumni food are not pessimists, but only looking for their rights.

We do not knock Exeter's institutions because we are knockers. When we invite our guests to Alumni Hall to view school life, we have to apologize to them for the food they eat.

What does it mean when we find "grads" smiling when they learn we eat in Alumni Hall? Does it mean increased numbers in school when parents hear about Alumni Hall food? When one finds this same fare to be the unending joke all over, is there not something wrong? Finally what will be the result with potatoes over a dollar a peck and all other pure-foods doubled in price?

In the way things have gone and are passing, there is but one remedy to solve this pressing question. I think it would receive the fellows' sanction. The remedy I propose is to cut out about half of the items on the menu and give us plain food. Cut out the female-seminary salads and such tid-bits of no food value and give us men's food. Take the "swell-cafe" idea out of the menu at Alumni Hall. One doesn't look for "sur canape" or "fillet" or the like in a boarding house. One looks for things that make energy, not fat. In other words, give us life's necessities in the eatable line and not the things with the foreign names which make our knees shake when the waiter of the "swell-cafe" comes along with the check.

SUFFERER

Boxing Club

The first preliminary bouts of the boxing tournament were held last Wednesday in the gymnasium. Owing to lateness in obtaining the floor, only a few of the contests were able to be held. Some excellent exhibitions were displayed throughout the bouts, especially when Dines boxed F. M. Smith. The following decisions were awarded:

- 125 lb. class—Boyle.
- 135 lb. class—Newbold and Lumpkin.
- 145 lb. class: W. Dean
- 155 lb. class: Northridge and Dines.

This afternoon at 4.30 the remainder of the trials will be held. All classes will be represented, so as to complete the preliminary bouts:

- 125 lb. class: Failey vs. Hapgood; Murray vs. Starr; S. Gould vs. McLanahan.
- 135 lb. class: Thompson vs. Haviland; Diaz vs. Bugbee; Sawyer vs. Weed.
- 145 lb. class: Mahoney vs. Bovaird; Sawhill vs. W. E. May.
- 155 lb. class: No other entrees, Dines and Northridge will box in final.
- 165 lb. class: Warner vs. Burnham; Crane vs. Scammon.
- Heavyweight: Talmage vs. Wilson.

The semi-finals will be held next Wednesday, while the final bouts are arranged for next Saturday.

Won Wrestling Match

Mr. Carlson, "Cyclone Burns," won a decisive match over Tom Draak at the Grand Opera House in Boston last Thursday evening. Two weeks ago Draak threw Mr. Carlson, but Draak was overwhelmingly defeated in their last match by two straight falls, the first in one hour and fifteen minutes and the second in fourteen minutes and thirty-five seconds.

Concert Monday Evening

A concert by Rafaelo Diaz, tenor, and Oliver Denton, piano, both of New York City, will be given next Monday evening at 8 o'clock in the chapel. The concert is free and open to the public as well as members of the school.

---	-------------	---

Next Wednesday the recital will consist of selections from Schumann and Mozart for four and eight hands, two pianos. Mrs. J. C. Angus, Mrs. Henry C. Sanborn, Mrs. Frank H. Paige, Mrs. Philip F. Ripley and Mr. Pfatteicher will play.

School Notes

The wireless club is working to get the apparatus in perfect shape and stands ready to offer its service as a signalling unit should the need arise. The members are showing great interest in the work and are studying hard to master the secrets of wireless operation.

Mr. Wilkins of the faculty appeared before the Massachusetts Public Safety Commission at the State House in Boston last Wednesday and offered his services in raising a naval brigade. Mr. Wilkins was on the cruise last summer and has taken a great interest in this line of defense.

Captain Sutherland, U. S. A., who has been stationed at the New Hampshire State College for the past two years, inspected the military training work in the Borden gym this week. Captain Sutherland has sent a report of his findings in to the war department and has probably recommended that the department detail a man for duty here.

Meeting of Philo

Last Wednesday evening the Philomathean Society was addressed by Mr. Crawford of the faculty. The meeting was largely attended, and all those who were present thoroughly enjoyed the reading. After the reading a vote of thanks was given to Mr. Crawford. It is hoped that Philo may be able to obtain such a favorable entertainment in the near future, either by Mr. Crawford or some other member of the faculty.

Raymond Phelps '14, is assistant manager of the baseball team at Williams.

Lawrence Fox, '02 has taken up scientific farming at Salt Lake City, Utah.

A great spirit of sacrifice was shown when Robert Paradise and Lansing Paine sailed in the Chicago which has reached Bordeaux safely. They were signed up for ambulance work in France. Paradise was captain of the hockey team here, and had a good chance to make the Yale team. Paine is the son of Ralph D. Paine, the author.

Letter from Man in Class of 1860

Mr. Quinby has received the following letter from T. N. Griffin, P. A. '60. One of the most interesting features of it is that it is written on academy letter paper of that time, with a picture of the dining hall instead of a seal.

MR. FRANK QUINBY.

My Dear Sir:

I suppose you would hardly expect to hear from one who can reckon next summer fifty-seven years since he delivered his Greek Dissertation on the "Acropolis of Athens."

But I have fond memories of the school and of Uncle Sam, who was the greatest teacher I ever knew.

I take the pleasure in sending a small contribution to the alumni fund. And am very pleased to learn that the old school and the best school is still prosperous.

Very Truly Yours,
TIMOTHY N. GRIFFIN.

Faculty Reception at Inquiry

To-morrow evening at 6.45 there will be a faculty reception. Several members of the faculty will speak, among them, Dr. Stearns, who will talk on "The Dangers of Hypocrisy in Schools", and Mr. Fuess. G. V. Smith and Roger Woolley will also talk. It is urged that as many fellows as possible come in order to become better acquainted with members of the faculty. Refreshments will be served.
