TRACK MEET WITH WORCESTER TODAY

Close Contest Expected. Andover's Chances for Winning are Good.

This afternoon the track team will meet the Worcester Academy team at Worcester. This will be the first meet away from home this year, so it is looked forward to with much expectation.

The odds are about even on the winner. Worcester was second in the Harvard Interscholastic meet but Andover was hindered by physical incapacities of some of her best men. And since then, Vaughan and Fletcher have gone out for the hurdles, while Scott has been doing the hundred. So, with these additions, our chances have been greatly increased.

The meet will be the last one before the Exeter meet, which is less than a week away. So it will be the last try-out for the Andover team before the final test of the season, and may produce some very promising results.

The following are the Andover entrants for to-day's meet:

100-yd. dash—Maroney and Kennedy.

220-yd. dash—Gage and Kennedy.

440-yd. dash—McInnes and Kennedy.

Half-mile—Winchester, Robinson and Mayers.

Mile—Poor, Williams, and Gray.

Broad jump—Hills, Morgan and Keyes.

High jump—Morgan, Richardson and Pole.

Shotput—Penfield or Scheide, Scammon, and Davis.

Hammer throw—Penfield, Kirkham and Robinson.

Movies

William S. Hart in "The Border Wireless" will appear on the screen tonight in the gym. Hart is shown in a new attitude, for although he is a bandit he has very little of his former seriousness but actually smiles and conducts himself during his courtship with a rare sense of humor. The plot of the story centers around Hart's discovery of a wireless plant on the Mexican border, through which code messages are being sent to Berlin by way of Honduras. Great ingenuity and care are shown in developing what has every appearance of being an important wireless plant.

"The Border Wireless" will be preceded by the usual Educational and Pathe News films.

Applicants for Next Year's Trombone Quartette

Owing to the graduation of several members from the school, there will be a few vacancies in the trombone quartette of next year. Any fellow interested in learning to play trombone is requested to consult with Mr. Pfattheicher at his earliest convenience. A slight compensation is offered for services rendered on Sundays. It may be possible to arrange for the loan of a trombone, during the summer months, for anyone interested.

HONOR LIST

SEVEN HONORS

E. J. Babin: Solid, Trigonometry, English, Latin, German, Public Speaking, Causes of the War.

P. Woodling: Solid, Trigonometry, English, German, Causes of the War, Physics, French.

SIX HONORS

C. S. Lunt, Jr.: Algebra, Geometry, Latin, English, French, German.

J. W. Sanborn: Bible, French, Latin, English, Geometry, General Science.

S. Logan: Trigonometry, English, Causes of the War, American History, French, Spanish.

FIVE HONORS

T. L. Bates: Solid, Latin, English, French, Spanish.

G. K. Black: Geometry, French, English, Latin, Greek.

L. H. Fitch, Jr.: Algebra, Geometry, Latin, Physics, French.

L. Fletcher, Jr.: Algebra, Trigonometry, German, American History, Chemistry.

E. J. Hanley: Algebra, Geometry, German, French, Physics.

J. M. Hopkins: Algebra, Geometry, Latin, German, Physics.

S. L. Johnson, Jr.: Algebra, Geometry, French, Latin, German.

W. L. Jones: Solid, Trigonometry, English, Latin, French.

A. S. Renfrew: Algebra, Geometry, German, French, Physics.

A. L. Russel: Latin, Public Speaking, Amer. History, French, Chemistry.

A. B. Stickney, 2d: Algebra, Solid, Trigonometry, English, Am. History.

W. Vaughn: Solid, Trigonometry, French, History, Physics.

D. R. Wyandt: Solid, English, Latin, Amer. History, French.

FOUR HONORS

J. M. P. Anderson: Algebra, Geometry, German, English.

D. P. Bent: Algebra, Geometry, French, Latin.

J. W. Boman: English, Algebra, Geometry, English History.

G. H. Broadley: Geometry, English, Latin, History.

J. W. Burroughs: Algebra, Am. History, Causes of the War, Chemistry.

P. C. Daniels: Algebra, Geometry, Latin, Greek.

L. D. N. Davis: Trigonometry, History, English History, Causes of the War.

J. A. Dow: Algebra, Solid, Am. History, Physics.

(Continued on page 4)

BASEBALL TEAM PLAYS YALE FRESH

Smith or Bemis Slated to Pitch. Game to be Played at New Haven.

The varsity baseball team goes to New Haven to-day to meet the Yale freshmen. The outcome of the game is quite uncertain, but at any rate it promises to be very close and interesting.

The team has been handicapped by the weather this week, but has managed to get in some practise. The game Wednesday had to be cancelled on account of the inclemences of the elements, but what practise there has been, has been very hard, and thorough, and will probably stay the team over to-day's game at least.

Either Smith or Bemis will probably start in the box for Andover. Both of these men have been doing very well lately, and much is expected of them. If Smith does pitch to-day, Caswell will probably take his place in right field; otherwise Smith will probably play there himself.

The following is the probable line-up for to-day's game:

Walker, s.s.
Scott, 2b
Dann, c.
Smith or Caswell, r.f.
Cummings, l.f.
Graham, 3b
Durant, 1b
Smith or Bemis, p.

Joint Concert by Bradford and Phillips Academies

Next Wednesday evening, May 28th, at 8.00 o'clock, in the chapel, the Leonora Society of Bradford Academy, the choir of Phillips Academy and the Andover Choral Society will join forces in a performance of Mendelssohn's "A Hymn of Praise." The chorus will number over one hundred. The soloists will be Mrs. F. G. Moore of Andover and Mr. G. H. Boynton of Boston. An orchestra from Boston will play the entire symphony preceding the Cantata.

Williams Hall Loses First Game

The Williams Hall baseball team lost its first game to the Fessenden School by a score of 10 to 3. Although the Williams Hall team put up a plucky fight, they were seriously handicapped by the absence of those members who were ineligible for an out-of-town game. A return game is expected, in which case, the entire team will play.

TRACK MEET FOR NUMERALS HELD

Yesterday afternoon a second track meet was held for all fellows who wished to try for their numerals in the various events. Quite a few men succeeded and several good times and distances were made, although, with the exception of a few cases, individual records were not kept. The following contestants obtained their numerals in the events listed below:

110-yd. dash—N. Waller, time 10 4-5 sec; required time 11 sec.

220-yd. dash—No required times were made.

440-yd. dash—Bartlett, Boss, T. D. Stevenson, Hunt, Messenger.

880-yd. run—B. P. Gray, MacDonald, Vogelgesang, Kingman, Robertson.

120-yd. low hurdles—Fletcher, 880-yd. run—B. P. Gray, MacDonald, Vogelgesang, Kingman, Robertson.

120-yd. low hurdles—Fletcher, time 28 1-5 sec; required time, 30 sec.

High jump—Spear.

Broad jump—Dole, distance 18 ft. 4 in; required, 18 ft.

Pole vault—J. Bartlett, F. Flather, Ross, Bunting.

Final Numeral Meet Scheduled

The last open numeral meet will be held next Wednesday at two o'clock on the new track. In addition to numerals, medals will be given for the winners of the first, second, and third places. All those intending to compete must file entry blanks at the gymnasium not later than 10.30 Wednesday morning. As this is the last chance to obtain track numerals Mr. Shephard would like to see a large number turn out.

There will be the following events: 100-yd. dash, 220-yd. dash; quarter mile; half-mile, mile, 220-yd. low hurdles, broad jump, high jump, and pole vault.

Mr. P. S. Page,
Physical Director, P. A.
Andover, Mass.
Dear Mr. Page:

Mr. Frank Lees Quinby of Andover, Mass., who has been overseas for the Y. M. C. A. doing Foyer du Soldat service for the French Army, has now returned.

Mr. Quinby went to France late in April, 1918, and served as a Director of a Foyer du Soldat until April, 1919. Part of his work was the initiation of the French into the mysteries of American outdoor sports. Under the direction of the right American teachers, 15,000 Frenchmen were given this instruction.

As you know this work has been of unusually large importance and has been so greatly appreciated by the French Government that it is to be continued after Peace is declared under the auspices of the Government itself and is to develop to meet the needs of much larger groups in France.

We are very grateful for the long and effective service that Mr. Quinby has rendered, and we want his friends to know our appreciation and gratitude. We hope you will pass on this information to others who may be glad to receive it.

Yours very sincerely,
EDWARD S. PARSONS

Library Notice

The library will be closed during the Mass Meeting on Thursday evening and during the day on Friday, May 30th.

TENNIS MATCH WITH TUFTS FRESHMEN

Match Starts at 2.15. Vaughn Not to Play This Afternoon.

The varsity tennis team will meet the Tuft's freshmen this afternoon at 2.15. The prospects are very promising for an Andover victory, since the Technology freshmen whitewashed them last Wednesday, and Andover was only beaten by a very close margin, by the M. I. T. team.

The match last Wednesday, which was to be with Newton High, was called off on account of the weather.

Vaughan, who has been playing number one for Andover so far this season, will be at Worcester with the track team to-day, so Capt. Houk will probably play number one in his place.

The team will probably line-up as follows:

Capt. Houk, No. 1.
J. Wise, No. 2.
F. Crosby, No. 3.
W. Johnston, No. 4.
L. Comfort, No. 5.
Hubbard, No. 6.

In the doubles, Capt. Houk and Wise will pair together as number one, while Crosby and Johnston will play number two, and Comfort and Hubbard, number three.

Mr. Quinby's Work in France Much Appreciated

Although everyone missed him while he was away from Andover, no one can say Mr. Quinby was not appreciated. Reports have been coming in from all sides of the good work he has done in France. The following letter is a proof of his ability.

Mr. P. S. Page,
Physical Director, P. A.
Andover, Mass.

Dear Mr. Page:

Mr. Frank Lees Quinby of Andover, Mass., who has been overseas for the Y. M. C. A. doing Foyer du Soldat service for the French Army, has now returned. Mr. Quinby went to France late in April, 1918, and served as a Director of a Foyer du Soldat until April, 1919. Part of his work was the initiation of the French into the mysteries of American outdoor sports. Under the direction of the right American teachers, 15,000 Frenchmen were given this instruction.

As you know this work has been of unusually large importance and has been so greatly appreciated by the French Government that it is to be continued after Peace is declared under the auspices of the Government itself and is to develop to meet the needs of much larger groups in France.

We are very grateful for the long and effective service that Mr. Quinby has rendered, and we want his friends to know our appreciation and gratitude. We hope you will pass on this information to others who may be glad to receive it.

Yours very sincerely,
EDWARD S. PARSONS

Another Germany Again

C. C. Yu, P. A. '18, now a student in the University of Illinois, has contributed to the "Daily Illinois" several interesting articles on the Shantung question, in which all who are following the developments of the conference at Versailles are interested. The following has been sent to the school authorities for publication in the PHILLIPIAN:

Editor, Daily Illinois:

Within the last few days the world has been astounded by the decision of the Paris peace conference on the question of the Shantung Peninsula, of which Japan is to have control. In the minds of the American public, there appears but one thing, namely, the violation of the universally recognized principle of self-determination. However, there is another phase of the question which is perhaps far more important than even this principle. Many people do not realize the real value and importance of Kiaochau to the peace of the Far East and the safety of the world.

From a military point of view, it is the best naval base along all Northern China coast and is but within one day's train distance to Peking, the capital of China. From a commercial point of view, it stands out only second to Shanghai as a seaport that controls the commerce of the Far East, for it is in railway communication with South and North and with Europe via Trans-Siberian. When the Franco-Russo-Belgian system will be completed, it will have connection with a network of railways piercing the heart of the Asiatic continent from the trans-Caspian outposts of Russia, three thousand miles across the vast unknown deserts of Chinese Turkestan and sweeping thence through the center of China to the sea. From an industrial point of view, Shantung is one of the richest provinces in China that possess vast natural resources, iron and coal being most abundant.

Such is the position of Kiaochau in relation to the world. Germany had long foreseen all this before she laid her hands on the territory in 1898, and the western statesmen have certainly given her credit for her foresight. But the Japanese,

who are never slow in taking advantage of others, also long watched this port with a covetous eye and determined to take it at the first chance it should offer to her. So it is not surprising to the minds of those who have been well acquainted with the Far Eastern questions that Japan seized Kiaochau not long after the outbreak of the war in Europe. It is Mr. J. Jones, an authority on Far Eastern questions, who said, "It will not be difficult to discover that Japan's part in the European war was not for the 'peace for the Far East,' as declared by her diplomats, but a move in her ambition to dominate the Far East." And it is Japan's intention to keep it so long as she is able to. When the peace conference was on the verge of breaking on account of Italian claims, Japan saw her opportunity and time and so she also threatened to quit if the Big Three would not yield. Now she has got what she wanted, and it is believed that with Kiaochau secured Tokio soon will be in a position to dictate authoritatively to any capital and even to command the respect of London and Washington. Can such things be tolerated? Does there still exist such a thing as righteousness and justice in the world? China appeals to the high sense of the American people that humanity and principles must be preserved. China challenges the League of Nations that a republic on earth shall not perish.

C. C. YU

Alumni Note

Corporal James P. Davies, P. A. '16, was honorably discharged from the service on May 19, 1919. He enlisted on July 31, 1917, shortly after war had been declared, as a private in the Radio Section of Signal Corps No. 1, A. E. F., and was raised to private of the first class in November; he received his appointment as corporal on the first of February, 1919. While Corporal Davies received no personal honors, his section was cited three times for distinguished conduct.

Frederick L. Reid, P. A., has announced his engagement to Miss Mildred Louise Allen, daughter of Colonel and Mrs. Walter C. Allen. Miss Allen is a graduate of the Low-Hayward School, of Stamford, the Skidmore School of Arts at Saratoga Springs, N. Y., and the Scudder School of New York City. Mr. Reid is a graduate of Phillips Academy. He served in the U. S. Navy during the war, and was recently discharged. He is now in business in Lima, Ohio. No date has been set for the marriage.

Inquiry

Chaplain Markham W. Stackpole, since 1907 the School Minister, who has been absent for two years in the service of the United States overseas, will speak at the meeting of the Society of Inquiry tomorrow night.

Captain Stackpole was with his regiment, the 102d Field Artillery, during the battles of Chateau Thierry, St. Mihiel, and during part of the Meuse-Argonne campaign. In November 1918 he was promoted and became Base Chaplain at St. Nazaire and later at Marseilles.

In his address tomorrow night Captain Stackpole will tell of some of his personal experiences as Chaplain at the front. It is a splendid opportunity to hear an address that will be of special interest to every Andover man.

Notice

The tickets for the Andover-Exeter track meet will go on sale this afternoon at the gym. All those intending to sit outside of the cheering section must secure tickets. The price as usual will be \$1.10. Please bring the exact change.

Concert at Bradford

The joint Bradford-Phillips Concert took place in the auditorium of Bradford Academy, Bradford, last evening. The Andover choir left Andover on the 3.00 o'clock train for Bradford. Following the afternoon rehearsal, the Andover men were entertained at luncheon by the authorities of Bradford, and the luncheon was followed by a short period of informal dancing. The concert began at 7.30. The Andover glee club sang three numbers and the entire choir joined in numbers from the "Hymn of Praise."

College Notes

Dartmouth College has made a change in its curriculum, which will give the students less choice in their studies. The elective work will be greatly reduced in the first two years, and the students will be encouraged to specialize in some major study during their junior and senior years. Of the 128 hours' work in each semester required for graduation, 68 will be prescribed, 24 must be occupied in a major study, and 30 will be for free electives.

Two new half-year courses will be required of all freshmen. One will be on problems of citizenship and the other on evolution.

The Harvard tennis team was defeated by the M. I. T. freshmen last Wednesday, by a score of 6 to 0. This made the third consecutive victory for the Tech team. All the matches were close, but the doubles match between Cauldwell and Biddell, Teach, and Kleberg and Hill, Harvard, was the closest, the first of three sets going to twenty-four games before it could be decided.

After the match the Tech freshmen elected William Cauldwell of Hartsdale, N. H., their captain.

The score:

Singles—W. H. Cauldwell, Tech, defeated C. T. Holmes, Harvard, 6-3, 3-6, 6-2. J. R. Elliott, Tech, defeated A. B. Pratt, Harvard, 7-5, 6-3. H. Beattie, Tech, defeated F. Kleberg, Harvard, 7-5, 7-5. W. B. Scott, Tech, defeated C. Wakefield, Harvard, 4-6, 6-3, 6-2.

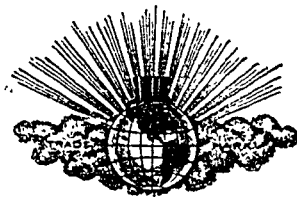

Doubles—Elliott and Beattie, defeated Wakefield and Holmes, Harvard, 7-9, 6-4, 6-1. Cauldwell and Biddell, Tech, defeated F. Kleberg and Hill, Harvard, 11-13, 6-3, 6-4.

THE ROSENBAUM SCHOOL
MILFORD, CONN.**Harvard Notes****BOAT RACES**

The boat races with Yale will be held at New London, June 20th. The Freshman and Junior eights will race in the morning, beginning at 10.30 and will row upstream from the Navy Yard. The Varsity race will be rowed downstream starting at 5.00 p. m.

APPLICATION BLANKS

Application blanks for the ball game with Yale at Soldiers Field and for the varsity boat races have been furnished to the secretaries of those classes which have reunions this year, and have been distributed to Harvard and other Clubs. Owing to the expense, they will not be sent out generally this year. Applications for the ball game will close, June 9th, and for the boat race, June 4th.

The University teams and crews have the following contests in major sports scheduled with Yale and Princeton during May and June:

BASEBALL

May 24—Princeton, at Soldiers Field.

June 17—Yale, at New Haven.

June 18—Yale, at Soldiers Field.

June 21—Yale, at Boston, in case of a tie.

The third Princeton game is still unsettled.

TRACK

May 24—Princeton, at Soldiers Field.

The Intercollegiate Track Meet will take place on Soldiers Field, May 30 and 31.

The Longwood Cricket Club seconds defeated the Harvard second tennis team last Wednesday, by a score of 8 to 1. The Longwood players won all the single matches and two of the doubles.

The summary:

Singles—Taylor, L. C. C., defeated Robertson, Harvard, 5-7, 6-4, 6-3; Porter, L. C. C., defeated Frost, Harvard, 6-1, 6-1; Abbott, L. C. C., defeated Weaver, Harvard, 6-0, 6-0; Beals, L. C. C., defeated Richards, Harvard, 6-0, 6-0; Reggis, L. C. C., defeated Rowe, Harvard, 6-1, 6-3; Bidwell, L. C. C., defeated Rochester, Harvard, 6-0, 6-1.

Doubles—Robertson and Frost, Harvard, defeated Taylor and Frost, L. C. C., 1-6, 6-3, 6-3; Reggio and Porter, L. C. C., defeated Richards and Weaver, Harvard, 6-4, 5-7, 8-6. Abbott and Bidwell, L. C. C., defeated Rowe and Rochester, Harvard, 6-1, 6-1.

amination provided they have taken required subjects.
Modern buildings and equipment. Fall
term opens September 22, 1919. Degree
of D. M. D. Catalog.
EUGENE H. SMITH, D. M. D., Dean, Boston, Mass.

ROXBURY

A School for Intensive
Instruction

IN deciding upon a summer school, do not gamble
—choose one which has a proved record of success.

In 7 years Roxbury has prepared 600 final candi-
dates for college entrance examinations. Only 9 failed
to enter. During the past 2 summers 144 final
candidates for September examinations. Only
2 failed. In addition a large number of boys
prepared for preliminary and preparatory school
examinations. Many students took from 6 to
11 courses and passed 90% of them.

Roxbury's staff of instructors is chosen largely
from university faculties. These are the best
teachers that can be found. They understand
entrance requirements thoroughly. They have
been with us for years, and have had invaluable
experience. This summer the faculty numbers 25.

School opens July 16. Dormitory accommoda-
tions for over 100 boys, large campus, athletic
fields, tennis courts.

An office in New Haven, 113 College Street, F. C.
Hesselmeyer, Ph.B., manager, with an additional
faculty of 12 instructors.

Write for illustrated catalog. Inquire about
the record Andover boys have made at Roxbury.
Ask any college or school about Roxbury's work.
