

ROMANS LEAD IN CLUB BASEBALL SERIES

GREEKS TIED WITH SAXONS FOR SECOND

Romans are now leading the clubs for the championship due to their victory over the Saxons. The hitting of the Roman team was excellent, especially in the splendid rally in the first inning, when they scored nine runs. This seemed to take the heart out of the Saxons, who were only able to score five runs in a valiant effort to tie the score. The game only lasted two innings due to the brevity of time and the length of the first frame. Dickerman pitched a steady game for the Romans and allowed only the five runs, which were scored in the first inning. The hitting of the Saxons fell off considerably over Tuesday's game and the fielding was somewhat poorer also. The final score stood nine to four in favor of the Romans.

Captain Field of the winning team played a fine game both at bat and in the field. He scored three runs by his home run which was the Roman rally. Jackson on first base played a very steady game and showed his ability in running bases by stealing home.

Next week the so far unbeaten Romans will oppose the Gauls and the Saxons will play the Greeks.

The lineup of the game was as follows:

SAXONS	ROMANS
Kimball, J. (Capt.), 1st	s.s., R. Field (Capt.)
Mezger, p.	p., Dickerman
Gary, 2nd	1st Jackson
Rogers, A. M., c.	c., Cooper
Rogers, A. Y. (Carpenter), 3rd	3rd, Fox
Rugg, s. s.	2nd, Rakestraw
Cowles, l.f.	l.f., Henderson
Bassett, c.f.	c.f., Clifford
Tydemann, r.f.	r.f., Hall

The standing of the Clubs is as follows:

	W.	L.	T.	P.	C.
Romans	2	0	0	1000	
Saxons	1	1	0	500	
Greeks	1	1	0	500	
Gauls	0	2	0	000	

The Greeks avenged their defeat last week by conquering the Gauls by the score of fourteen to two. The winning team started out in a brilliant manner, the first five men all scoring. In the following inning they annexed eight more runs bringing their total up to thirteen. The Gaul infield was rather weak, allowing several hits to go through. The outfield, although strong on fly ball missed many grounders. Both Barton and Yamaguchi showed much improvement in their catching over last Tuesday.

The infield and outfield of the Greeks proved exceptionally strong and ought to make a very good showing in the final outcome of the club championship with the help of Rhodes, who pitched a splendid game, allowing only two runs to cross the plate.

The lineup for the Greek-Gaul game was the following:

GREEKS	GAULS
Bannon (Capt.), 1st	c., Yamaguchi (Capt.)
Barton, c.

CLUB TRACK SEASON OPENED ON FRIDAY

GREEKS AND GAULS WIN

Yesterday afternoon the first inter-club track meet was held on Brothers field. Hitherto it had been impossible to judge how the teams stood, but now, judging from the results of yesterday's meet, the Greeks seem to have by far the most powerful aggregation. They swamped the Romans by a score of 73½ to 33½. The Gauls defeated the Saxons by a rather smaller score of 61 to 47. The real test should be next Friday when the two winners meet on the field. Determining by the times and distances, this should be an exceedingly close match. Strong (Gaul) beat Cushman's (Greek) time in the 75-yard dash by one-tenth of a second. The Greeks have a slight advantage in the high hurdles while the Gauls are ahead in the low hurdles. The 300-yard dash is a tie. The rest of the times are just as close. Perhaps the Gauls have the advantage in the field events, but the Greeks should make up enough in the track events to make up and come out in the lead.

The most exciting race of the afternoon was the 300-yard dash. L. Allen (Greek), made a spectacular dash for the lead and held it to the end making the good time of 37.1 seconds. Cook (Gaul), and Enthoven (Greek), made excellent runs in the 660, both winning a first place for their respective clubs. Choate threw one foot further in the javelin than his nearest competitor with the excellent distance of 126 ft. 6 in. Parnall, captain of the Gauls, justified his position by winning two firsts for his team in the shot put and the discus. He threw 91 ft. 4 in. in the latter. This is excellent for club competition.

The results of yesterday's meet follow:

GREEK — ROMAN	
75-yards—1st, Cushman (G), 9.1 seconds; 2nd, Casement (R); 3rd, Streeter (G).	
50-yard high hurdles—1st, Teller (G), 8.1 seconds; 2nd, Allen R. (G); 3rd, Pollard (G).

April Number of the Phillips Bulletin Now Available

The April number of *The Phillips Bulletin* was recently issued and is well worth reading, for besides articles by Professor Forbes, Dr. Fuess, Mr. Blackmer, and Mr. Paradise, it contains many interesting views of the campus, some excellent dry-point sketches, and a review of winter sports and undergraduate interests.

Prof. Forbes' contribution is on *Guy Lowell, Maker of Modern Andover*. He tells briefly of the late architect's services to Phillips Academy in designing Day, Bishop, and Adams Halls, and many other school buildings.

The life of the Reverend Ray Palmer, one of Andover's most prominent graduates, is summarized by Dr. Fuess, who, in addition, has written an editorial on various topics, including the Samuel F. B. Morse Hall.

Mr. Paradise has related the history of Blanchard House, which has a more prolonged association with the school than any other building.

In his article *Books, Reading Lamps, and Culture* Mr. Blackmer advances a new theory. He sug-

ANDOVER VARSITY TRACK AND BASEBALL SEASONS OPEN TODAY

M. I. T. FRESH WILL OPPOSE TRACK TEAM

This afternoon at two o'clock the M. I. T. Freshmen will oppose the varsity track team in the first outdoor meet of the season.

Andover has a team much like the championship one of last year, which won the Harvard Inter-scholastics and overwhelmed Exeter. It is very strong in the field events, in which the holders of four school records compete, but only average on the track.

Though athletics at M. I. T. are not emphasized, the Freshmen are capable of furnishing spirited competition in the running events. In the field events they can not hope to beat opposition such as they will encounter.

Andover's entrants for the 100-yard dash are Hirsh, Swift, and Wolf. Edlund, who has done 10 3-5 seconds in this event, Henderson, and Thompson will oppose them.

The same three M. I. T. men and Lodd and Janundris are entered against Hirsh, Wolf, and either Nunn or Wright in the furlong dash.

In the quarter mile Nunn, Aitken, and Newfield will represent Andover. Nunn has been running the distance in 53 seconds and should win. He has to beat Reynolds, Lodd, and Lawnon.

The half-mile event is always one of the most exciting races of the day, and a close finish may be expected, as Prescott and Palmer will push the blue runners, foremost of whom are Barres, Howard, and Abell, to the limit if they do not beat them.

McSheehy looks the winner of the mile. He is to run against Herbert and Berry.

M. I. T. should win both the high and low hurdles, because it is doubtful whether Watt, stellar timber topper, will be able to run, since he has a pulled tendon. Whitworth, Henderson, and Steele will take care of these events for the visitors.

Andover has three men, Frost, Goodwillie and Norris, who have done well over twenty feet in the broad jump. During the winter Goodwillie broke the cage record by a leap of 21 feet, eight inches. Henderson and Edlund will try to surpass their best efforts to date and beat the Andover men.

Avery, who holds the school record with 6 feet, is almost certain to win the high jump. Richardson hovered around the 5 ft. 9 in. mark during the winter, so it seems doubtful that Steele or Brandon will place better than third.

Andover should make a clean sweep of the shot put, being represented by Kingston, Coonley, and Stewart, all of whom have thrown the brass ball over 43 feet. Crotty and Larkin will strive to add to their team's score.

If Kimball does as well in the meet as he has been doing in practice, he ought to have no fear for the premier javelin honors. Henderson and Pawley will hurl the spear for the visitors.

BLUE BASEBALL TEAM MEETS B. U. '30

This afternoon on Brothers Field at three o'clock, the Andover baseball team will officially open its baseball season with the Boston University Freshmen. Coach Mereweather will send in his strongest lineup, of which only three of the men played on last year's team.

Roe is slated to pitch for Andover. This is his first year at baseball, but he has been made into a fine hurler by Mr. Mereweather, and the freshmen batters will undoubtedly have trouble hitting his fast shoots. Murphy will probably be the relief hurler.

Behind the plate Frigard, shortstop on the team two years ago, will be found. His fine throwing arm and his uncanny batting ability make him one of the strongest men on the team. Hoffman will cover first base. He has been hard pressed for his position by Osborne, who will probably get into the game before the end. Either Alexander or Adler will play second. Both men are good batters and fair fielders.

Captain Luce will be a tower of strength on third base. His batting and fielding ability put him high up in school boy ranks. Goodman, a new man, who has shown remarkable work at shortstop, will cover that position today.

Andover's outfield will be especially strong with Bassett, who was chosen as a member of last year's All New England prep school team, at his old position in center field. He is a steady hitter and can be depended upon in the pinches. Slader, who was on the squad last year, has rounded into a good fielder with lots of pep and a good batting eye and will cover right field. Harding, a new man, will take care of left field. He showed much ability as a baseball player last year when he opposed the Blue in the Andover-Lawrence game. He is even better this year, having had the advantage of Coach Mereweather's invaluable instruction.

Coach Funk, of the freshmen has rounded out an exceptionally good team. Either Burns or Ling will start in the box for the freshmen while Stern, an excellent player, will be behind the bat. Both of the pitchers have been doing exceptionally good work this spring and it is a toss-up as to which is the better. Stern, who caught for his High school team last year, has a fine throwing arm and knows when to use it. Also, he is dangerous at bat.

Frankell, at shortstop, has shown wonderful speed in practice as well as good hitting. Kimball at second, Whiting at first, and Young at third round out the rest of the infield.

Their infield is very strong with Kilroe in center, Currier in left, and Enholm in right field. These men are all dangerous hitters and can be counted upon to get one or two hits before the game is over.

The line ups for the game are as follows:

ANDOVER	B. U. FRESHMEN
Bassett, c.f.	2b., Kimball
Alexander, 2b.	s.s., Frankel

THE ANDOVER PRESS

SATURDAY, APRIL 23, 1927

It was brought to the attention of the trustees at the recent meeting of that body last Saturday that there are at present two buildings on the campus whose names may be easily confused, Samuel Phillips Hall, the new recitation building, and Phillips Hall, the dormitory. Action was clearly necessary on the part of the trustees, but we learn with a feeling of surprise mingled with no little regret that, instead of taking the obvious course and changing the name of the newer edifice, they decided upon altering the name of the dormitory to Foxcroft Hall, in honor of its donor, Madame Phoebe Foxcroft Phillips, whose gifts to the academy made possible its erection in 1810. As the oldest building on the hill, and one with which many traditions have naturally become connected, it seems too bad, at this late date, to change its name, to which we have become most sentimentally attached. The recitation building, on the other hand, was not built until 1924, and the title, Samuel Phillips Hall, besides being too long for general use, has none of the traditional connections of the older structure. We cannot help but feel that the trustees have made a mistake in leaving this name unaltered, while chang-

Society of Inquiry Meeting

Last evening at seven o'clock in the Peabody House, the Society of Inquiry met to discuss the question: "Is there a God?"

Mr. Spencer spoke convincingly about the existence of a God. Many people, he said, believe that God is a machine, wholly mechanical, while the majority think that God is really a being with a spirit and mind. Mr. Spencer said that those who believe in this last theory of diety get one hundred percent more out of life than those who follow the first belief. Next he discussed the truth of these two opinions. He gave many reasons which went to prove that the uni-

verse cannot have created itself and cannot have bestowed life on all its inmates. He illustrated this very vividly by saying that we can understand man, intelligent and bestowed with life, making a machine, but it is beyond our imagination to picture a machine making man and life. He also pointed to the instinct which all of us feel that there is some far greater spirit which has dominion over everything.

After Mr. Spencer had finished, he discussed the question with the fellows.

On the whole the meeting was very interesting and opened a wide field for thought.

Harvard Club to Hold Annual Spring Banquet

On the evening of May 17th, The Harvard Club of Andover plans to hold a banquet in company with the members of the town who are graduates of that College. Owing to a special vote of the faculty, 9.30 excusives will be offered to all fellows attending the affair. Busses have also been provided so that it will not be necessary to leave the Andover Country Club where supper will be served until that time. The busses will leave the chapel immediately after the five o'clock classes for the Country Club where the town organization is providing an excellent dinner. During the meal the P. A. Riveters will entertain with their usual good music.

The speaker of the evening is Dean Henry Pennepacker, Chairman of the Board of Admissions of Harvard College. He is a very interesting speaker and has many interesting stories to tell of his experiences in his work at Cambridge. Also any of the fellows intending to enter Harvard in the future will have a chance to speak with the man who will have to O. K. them before they can enter. Anyone who is interested at all in hearing about the college or who has any intention of going there is cordially invited. Tickets may be secured from Robinson, Clement House, any time for two dollars apiece.

Phillipiana

Charles Borah, P. A. '25, at the annual track and field meet of the Amateur Athletic Association of Southern California, ran the 100-yard dash in 9½ seconds, which is equal to the world's record. However, because of the new ruling that timings can not be made by tenth seconds, the mark will stand as 9 3-5 seconds.

Philip Riley, P. A. '26, played first base for the M. I. T. freshmen against Brown '29, making ten put-outs.

Olin A. Saunders, P. A. '24, has been awarded the Princeton Club Scholarship at Yale, one of the highest undergraduate honors, being given for outstanding character, personality, and capacity for leadership and service as evidenced in scholarship, athletics and other undergraduate activities.

Hulbert Aldrich, P. A. '26, was elected captain of the Yale Freshmen baseball team. He holds down the centerfield position.

Exeter Notes

Exeter opened her baseball season last Saturday by a win over Norwood High, 6 to 4. Exeter clinched the game in the third inning when 3 runs crossed the plate. Coombs and Samborski were very effective in the box, holding Norwood down to 6 hits. Maer batted well for Exeter, collecting 2 hits.

Exeter lost to St. John's Prep School, 5-3, Wednesday by having one bad inning. In the fifth, Samborski passed four, and hit one batter, which, with loose fielding, wished four runs on to their visitors. Captain Ray Coombs relieved him and pitched no-hit and no-run ball for four innings straight. J. J. O'Connor pitched effectively for St. John's. Track Meet
(Continued from page 1)

In the discus-throw another clean sweep should result. Avery, Kingston, and Weicker, the school record holder, will compete against Crotty and Pawley.

The pole-vaulters, among whom are Vaill and Avery, meet Herbert and Locklyn. The latter has cleared eleven feet.

On the whole it appears that the running events will be rather evenly divided, but that Andover will pile up a large enough margin in the field events to win easily.

Track Trials

Last Wednesday afternoon final trials for the 100 and 220-yard dashes were held in order to determine who was going to represent the team this afternoon. The times were almost the same as those of the previous Saturday, but Swift and Hirsh did much better, while Wolf only managed to finish third in the 100 and second in a heat of the 220. Wheeler, who is undoubtedly the best sprinter in school, but is also on the no-excuse list, finished first in every race he ran. It is unfortunate that he cannot compete. Wright, a new man, showed much promise. He outlasted Wolf to win the second heat of the 220 by a yard.

Besides the sprints an 80-yard high hurdle race, several 300-yard dashes, and a discus throw took place. Swett won the hurdle race easily, but Pitkin showed vast improvement. Captain Weicker won the discus throw by a yard with a toss of 128 feet. Avery was second, and Kingston third. Newfield, after trailing till the home stretch, sprinted past Aitken to win the first heat of the 300. Barres beat out Howard and Abell in the second. He was ahead after the first hundred yards.

The summary of events follows:

100-YARD DASH

First heat: Hirsh, 1st; Swift, 2nd; Wolf, 3rd. Time: 10 3-5 seconds.

Second heat: Wheeler, 1st; Crofoot, 2nd; Barres, 3rd. Time: 10 3-5 seconds.

Finals: Wheeler, 1st; Swift, 2nd; Wolf, 3rd. Time: 10 3-5 seconds.

220-YARD DASH

First heat: Wheeler, 1st; Nunn, 2nd; Perrin, 3rd. Time: 23 2-5 seconds.

Second heat: Wright, 1st; Wolf, 2nd; Barrows, 3rd.

80-YARD HIGH HURDLES

Swett, 1st; Tate, 2nd; Pitken, 3rd; Time: 10 seconds.

300-YARD DASH

First heat: Newfield, 1st; Aitken, 2nd. Time: 35 4-5 seconds.

Second heat: Barres, 1st; Howard, 2nd; Abell, 3rd. Time: 36 seconds.

Third heat: Mason, 1st; Flynn, 2nd; MacCormick, 3rd.

DISCUS THROW

First, Weicker, 128 ft. 7 in.

Second, Avery, 124 ft. 2 in.

Third, Kingston, 114 ft. 2 in.

In order that the sprinters might not have to do too much in one day the finals of the 220-yard dash were held Thursday. The results follow:

First, Nunn.

Second, Hirsh.

Third, Wolf.

Time: 23 4-5 seconds.

Varsity Tennis

The Tennis team, due to the poor conditions of the courts at the beginning of the season, has not been progressing as fast as might be expected, but from now on it will go much more smoothly. Mr. Kelly hopes to get the first twelve positions straightened out before the team meets M. I. T. seconds on the 21st of May. At this time the Andover 2nd team will meet the M. I. T. Freshmen. At present there seems to be considerable doubt as to who will take what

places among the first twelve, but it seems as if the following will have positions at the time of the Malden meet on May 27: 1 Thomas, 2 Sturtevant, 3 Baldwin, 4 Robertson, 5 R. Field, 6 and Huxley or Henry, 8 Fitch, 9 and 10 Durell or Gage, 11 Smyth, 12 Stell.

Probably some of the fellows not among the first twelve at present will work their way into this group before long. Since Henry defeated Smyth and Fitch, he has brought himself within range of a position on the first team. He will meet Huxley, who has been in the infirmary, sometime next week and the two will fight it out for a position on the first team.
