

## YALE FRESHMEN DEFEAT SWIMMERS 49-13

### ANDERSON SCORES LOSERS, ONLY FIRST PLACE IN SETTING NEW BACKSTROKE RECORD

The Andover swimming team met defeat at New Haven last Saturday at the hands of the Yale freshmen, by the score of 49-13. The winners took six of the seven first places, and five of six possible seconds. Anderson, Andover's star backstroke, secured the Blue's only first place. In the one hundred-yard backstroke he again broke his record with the unusual time of one minute seven and three-fifths seconds. This lowered his former record of one minute eight seconds which he recently made.

On the fifty-yard dash, Butler of Yale was first, Captain Westfall of Andover second, and Forbes of Yale, third. Butler won in 25 3-5 seconds.

Harte of Yale finished first in the two hundred-yard dash, but he was closely followed by his teammate Leedy. Fry of Andover was third. The winner's time was two minutes and sixteen seconds.

Anderson won the backstroke in record-breaking time, followed by Douglas of Yale and Willey of Andover in the order named.

The one hundred-yard breaststroke race ended in a tie between the two Yale entries, Fessenden and Klein, in the time of one minute seventeen and one-fifth seconds. Laundon of Andover was third.

Braslin of Yale, won the diving contest with Godchaux of Yale, who represented Exeter last year, second. McCloy of Andover was third. Braslin's points were seventy-four and ninety-five one-hundredths.

The contestants in the one hundred-yard dash finished in the following order: Brines, Osborne, and Captain Westfall. The winning time was five-six and four-fifths seconds.

The final event on the program was the two hundred-yard relay race which Yale won with a team composed of Savage, Douglas, Brines, and Osborne. King, Jameson, Jones, and Westfall represented Andover. Yale's time was one minute forty-three and three-fifths seconds.

### FENCING TEAM TO MEET HIGH SCHOOL OF COMMERCE

This afternoon the fencing team meets the High School of Commerce in the Case Memorial building. The first two men on the Blue team, Ludlam and Captain Murray, will keep their usual positions. Greenway lost his place as number three man to Frame, who will have H. Jones as his alternate.

An idea of the visitors' skill may be gained from the fact that they won 8-1 from the Providence High School, which was here last Saturday. The Providence captain, however, has stated that the individual Andover matches were much closer than those with Commerce. And so, it is hoped that the Blue team will emerge victorious in today's meet, and keep its record clean.

## DELEGATION FROM MILTON SPEAK AT PEABODY HOUSE

### SPENCER and HALLOWELL CONTRAST DIFFERENCES OF TWO ACADEMIES

Sunday night the Society of Inquiry had the pleasure of hearing Mr. Samuel Spencer and Mr. Alfred Hallowell, the visiting Milton Academy delegation, speak on topics of interest concerning their school. The former gave a short history of Milton, and went on to say that the Academy is restricted more in regard to studies than Andover, but that their week-ends are more frequent than ours. Mr. Hallowell then spoke about the system of athletics used at Milton, and also about their Student Council, which is composed of about sixteen fellows who have a great many duties in connection with keeping order in the school.

Milton has one interesting organization which, unfortunately, is lacking at Andover at present, namely the Science Club. Meetings of this are usually held once a week, when some members deliver talks on an interesting scientific topic. The club also manages to visit certain factories and technical institutions.

The talks were both most interesting and successful. The Society of Inquiry has more such receptions for the delegates of other schools scheduled, and it is hoped that everybody will attend. Unfortunately, the delegation from Groton which was to come here soon, had to be postponed, due to sickness, but it will probably visit us at a later date this winter. Among the other schools which are expected to send men here is St. Paul's School of Concord, New Hampshire. The Society of Inquiry has arranged to send a few men to the two above schools and a few others.

## M. I. T. Freshmen Win Close Wrestling Meet

### CAPT. MCGAULEY, BYRNE, AND BARROWS SCORE FALLS

Last Saturday the Andover matmen lost a close wrestling meet to the M. I. T. freshmen by the score of 18-15. The contest was very exciting, as the score may indicate, and the winner was always in doubt. Although the Blue were up against more experienced men they fought courageously and gamely, taking advantage of every opportunity to its full extent. J. Crafts in the 158 lb. class had rather hard luck when he was rolled, after being in the rear position for most of the time, and put down. Byrne, Eiseman, Crafts and Trexler were wrestling in their first meet at Andover and did extremely well. Captain McGauley, who got a fall in the Tufts meet, kept his record clean by obtaining a fall from Dunleavy in four minutes and fifty-three seconds. Captain McGauley has yet to meet his equal in preparatory schools.

G. Rowland and Oxford of M. I. T., in the 115 lb. class, opened the meet. Oxford was stockier than Rowland and held a slight advantage over him throughout the match. But he was unable to put

(Continued on Page 2)

## CALENDAR

### PHILO MEETING

Tonight a regular meeting of Philo will be held in the Peabody House at quarter to seven. The second debate of the year will take place, the topic being, "Resolved: that our present immigration laws should be so amended as to provide for a further restriction of immigration". The affirmative will be upheld by Stetson, Bull, and Miller, while Dufton, Picket, and Towle will take the negative. Everybody is invited to attend tonight's meeting.

## NOTICE

The first boxing matches this year will be held at two o'clock this afternoon, in the Case Memorial building. The Greeks need men in every class except the 155-lb., while the Gauls lack 115-lb., 125-lb., and 145-lb. entries. The Romans' list is filled except for the 115-lb. class, and the 125-lb. is the only class open in the Saxon lineup. Anyone in school is invited to enter this meet.

### BASEBALL NOTICE

This afternoon at one o'clock the first practice for all battery men will be held in the cage. All other candidates for the team are to report at the cage at 1:45 tomorrow afternoon.

### NEW SCHOOL ORCHESTRA

This afternoon from four until five o'clock a newly organized school orchestra, the "P. A. Serenaders," will play at Peabody House. The members of this band have worked hard to get together a good school orchestra, and they hope that they will have quite an audience at their first performance. Their personnel is as follows: saxophones, Dearborn and Reid; trumpets, Hutter and Kenway; banjos, Walsh and Stephenson; drums, Whitman; piano Monro.

### BAKETBALL TODAY

The game today between the Andover basketball team and the Harvard freshmen should prove to be one of the closest games ever played in the Borden Gymnasium. The Andover team under Coach Blackmer has displayed such fine basketball so far this year that everybody expects them to win today's game. On the other hand, the Freshmen have beaten the strong M. I. T. five and were only beaten by Exeter in the closing minutes of a very tight game. On the basis of previous records Andover appears to be the favorite to win, yet so close are the odds that it is practically impossible to make an accurate prediction as to the outcome of the game.

During the past week Coach Blackmer has been drilling his team hard in preparation for this game. Most of his efforts have been directed toward correcting minor faults in the playing of individual men.

## TRACK TEAM LOSES TO HARVARD FRESHMEN

### TWO RECORDS BROKEN AS CRIMSON DEFEATS BLUE. MOORE DOUBLE-WINNER

The strong Harvard freshmen track team administered the worst defeat to Andover that a Blue team has yet experienced in the Case Memorial Cage, when the Crimson triumphed 67 1-2 to 27 1-2. The meet, which was the initial contest for either team, saw the downfall of two cage records and the equalling of a third. Moore of Andover cleared 5 feet 11 1-2 inches in the high jump, to surpass by a quarter of an inch the old record held by L. Robinson of Lawrence High School. Sutermeister of Harvard set a new high mark in the pole vault by a jump of 12 feet, breaking both the indoor and outdoor Andover records. The former was previously held by Dudley Vaill at 11 feet 7 inches and the outdoor record by T. Avery at 11 feet 9 inches. Record of Harvard equalled the Cage record of 54.5 seconds in the 40-yard high hurdles. These brilliant performances did not come as a complete surprise as Moore had set an unofficial record of 6 feet 1 inch earlier in the season, and Sutermeister had vaulted as high as 12 feet 6 inches in practice. Record, however, was a new man at the hurdles who was making his debut in this event.

The Blue showed great weakness in the track events by taking only 7 1-2 out of a possible 54 points. In the field events they did much better, capturing 20 points to Harvard's 16.

Woodward of Andover came through to the finals of the 40-yard dash by winning his heat and in his division of the semi-finals recording the best time of the day—four

(Continued on Page 4)

## St. John's Gains Small Lead In Second Overtime

### CAPT. METTLER and HUPPUGH STAR IN EXCITING GAME

What was probably the most tense and exciting basketball game that has been played here this season took place last Saturday, when the Blue was defeated after two over-time periods by St. John's Prep. The final score was 27-25. Both teams played extremely well, and showed the results of good coaching. On the whole, Andover outplayed their opponents, but the St. John's contingent had an amazing accuracy in their shooting. Although the Blue had the ball more than their opponents did, whenever the visitors got it they were a menace to the Blue's basket. The chief spectacle of the game was Lashua, the speedy St. John's left forward. He was a flashy player and one to be found in every play. The star for Andover who accounted for most of our 25 points was Mettler. The Andover team didn't play as well as they did in the Dean game, but nevertheless made an excellent showing. The St. John's team could not approach the Blue's pass work, but their shooting was

(Continued on Page 3)

## EXETER TRIUMPHS OVER ANDOVER IN HOCKEY

### SIXTEENTH ANNUAL CONTEST RESULTS IN 9-0 VICTORY. LANE STARS FOR CRUISERS

Last Saturday at the Boston Arena, Exeter defeated Andover 9-0 in their sixteenth annual hockey tilt. Although the score seems to indicate that Andover was not up to its usual form, the Blue played to the best of its ability. Exeter's sextet was composed of six experienced hockey players, and were superior throughout the contest. Undoubtedly, the winning team was one of the best prep school hockey teams in New England, and displayed remarkable teamwork. Lane, stalwart left defense-man and captain-elect of the football team, was the outstanding player of the contest, and his excellent work defensively saved Knox from making any difficult stops. On the offense he was responsible for several assists that resulted in scores. His speed, skating, and stickhandling were exceptional. Spain, who has been heralded as Exeter's brightest all season, was not up to his usual form Saturday. The Blue players were on the lookout for him especially, and the Crimson center was usually taken care of by the defense, although he managed to score twice in the final period. Captain Saltonstall played well and was always ready to follow up a teammate's shot.

For the Blue, Jackson and Bryant starred. Rugg played well offensively, dashing down the ice and nearly scoring on numerous occasions, but his work on defense was not quite as good as it might have been. Jackson played a fine game at right defense. Every Exeter player who came in contact with him realized it, as Jackson exhibited some excellent body-checking. The only casualty of the game came early in the third period when Neill was carried off the ice with a twisted cartilage in his knee. This happened when Spain scored for the second time and fell on the Blue goalie. Previously in the second period, Neill had received several hard jolts which made him rather tired. He played well, however, making forty-two stops to Knox's thirty-two.

Hardly had the game opened when Bennett was sent to the penalty box for tripping. The teams were very evenly matched in the first period. Neither team was playing very well and as a whole, they were rather careless, leaving the goals open to frequent shots which somehow did not materialize. Wing and Fawcett made several attempts but did not succeed in getting past Lane and Bennett. Spain shot frequently but Neill turned them all aside successively. Lane got close enough to make a close-up shot, but fell as he tried to lift the puck. At this point, both forward lines were relieved and McDougall went in for Rugg. Soon after this, when the original teams were back again, Spain made a dash down the ice and tried to get by Jackson to score. The latter ducked and Spain

 Editor in charge of next issue, A. M. Rogers, Draper I.

This year there seems to have been more than the usual interest in Philo, and now the society has planned a program that should create even more interest in debate. Its officers have arranged to have several debates with outside schools to attract more attention to the society itself, and to bring us into a closer and more friendly relationship with schools represented by the opposing teams.

More than ever now, we are beginning to realize how infinite is the good that we can derive from this argumentative speaking, that helps so much to develop our analytical reasoning. In our colleges at the present time the debates between various institutions cause almost as much enthusiasm as some of the minor fields of athletic endeavor, for men are beginning to see more clearly now the benefits that can be derived from these organized discussions. Here at Andover we have no better opportunity to learn oral composition and the component parts of debate than in just such discussions as Philo is now holding. At present, there is no established course in debating, and the various English courses vary in the small amount of time that they give to this very important topic. We can then say to the man who is trying to really equip himself at Andover that Philo is not an organization to be supported, but it is an opportunity to be seized.

Christopher G. Parnall, P. A. '25, is playing his fourth year at defense on the Amherst College hockey team, which he captains this year.

shot over his shoulder and fell on the ice. However, Captain Saltonstall, who was following up his teammate, grabbed the puck and scored six minutes and fifty-five seconds after the opening whistle. Spain was very groggy from his fall and Adams went in to relieve him. Tenney tried a shot, but Bachman reached out with his stick and knocked down the disc before it had gone very far. Lane took the puck in back of our net and passed out to Stone who scored at 12:17. Spain was given a two-minute penalty for hooking.

Seventeen seconds after the start of the second round, Bennett lifted the puck from beyond the blue line and scored, catching Neill off his guard. The Blue played well during this period and nearly scored several times. Exeter was forced to pay strict attention to their defensive work to keep our players from clustering too thickly around their goal. Lane narrowly missed a score, and Neill had to fall on the ice to make the stop. Fawcett shot diagonally at the Crimson net, but Lane reached out and hooked the puck away with his stick. A mix-up started in front of the Blue goal, out of which Rugg emerged with a penalty for tripping. Both teams sent in a substitute forward line. Neill made a pretty stop of Tenney's shot. Jackson worked his way to a position directly in front of Exeter's goal and shot, but Knox shot the puck to one side. After a scrimmage in back of the Blue goal, Spain passed the puck out in front of Neill, but no Crimson player was there to receive the puck. At 14:25 came the fourth tally. Adams took the disc at center-ice, worked through our defense, and passed to Kimball, who scored.

For about two minutes of the third period, Andover forced the play, but then their defense seemed to loosen and let by several scores in rapid succession. Adams tallied at 2:43 on a rebound off the boards, and at 2:53, Bennett scored again by a dash through the Blue defense. At 3:26 Spain added another point to the Crimson's string on a pass from Lane. There ensued a scrimmage around the Blue net. After a face-off, Adams nearly scored but Neill's timely stop averted his well-directed attempt. At 4:21 Spain tallied again, this time on a pass from Bennett. Neill was hit in the knee and time was taken out for him to recover. But he could not bend it, so Wilson replaced him in the nets. Wilson's ability was tested at once by a fast, close shot from the stick of Saltonstall. M. Williamson very effectively body-checked Bennett and Spain against the boards. Wing jumped the puck

after a face-off and made a close shot, hitting the corner-post of the cage. Spain passed to Tenney, but Rugg blocked the latter and passed to Fawcett who shot at the corner of the net but Knox batted it out of danger. Wilson stopped a beautiful shot by Bennett. At 12:16 Stone assisted by Spain, shot the disc diagonally across into the net behind Wilson. Gardner and Kellogg were sent in to earn their letters. Wilson stopped a fast shot from Saltonstall with his feet, and the game ended as Bennett received the puck, at mid-ice with the score Exeter 9, Andover 0.

(Continued from Page 1)

him down. Oxford got a referee's decision with a time advantage of 5 minutes and 45 seconds.

In the 125 lb. class Byrne in his first appearance at Andover put Knapped down in three minutes and thirty-eight seconds. Byrne was definitely superior to Knapped, and conquered him with seemingly little trouble. Knapped put up a game fight, but was not able to get away from Byrne. This match left the score at 3-5 in favor of Andover.

Dunleavy then wrestled Captain Vassolott of M. I. T. in the 145 lb. class, and Vassolott got a fall in five minutes and 40 seconds. Although Vassolott was very experienced and Eiseman not, Eiseman was put down with difficulty after a very hard fight.

J. Crafts was thrown by Negus in the 155 lb. class in 7 minutes and 41 seconds. Crafts had the advantage for practically the whole match, but when he attempted to turn Negus by a half nelson he was rolled and put down after a brief struggle. Taking into consideration that it was his first meet, he did very well.

Trexler was thrown by Ward in 2 minutes and 50 seconds. The match was rather slow at first, but when they came to grips, it was very interesting. Trexler was slightly outclassed by Ward's experience, but put up a good fight.

The last bout was between Barrows and Rudnick. The match was very close for awhile although Rudnick was not able to hold his opponent down very long. After a few moments Barrows got Rudnick onto the mat but could not turn him over until he lifted him by the legs. In the end Barrows touched Rudnick's shoulders to the mat, which brought the score up to 15-18 in favor of the M. I. T. freshmen.

### FENCING

The Andover fencers opened their season last Saturday with a meet against the Providence High School, which they won by the close score of 5-4. Ludlam, Andover's number two man, showed up very well, and on one occasion came from behind to win with three consecutive touches. Captain Murray fenced in his usual good form, and, although he lost to Downie of Providence, he did not have any trouble winning his other two bouts.

Captain Murray succeeded in beating White by the score of 5-3,

and Bashaw by 5-0. However, he lost to Downie in the closest bout of the day, 4-5. Ludlam beat White by five touches to four in the first bout of the meet and Bashaw by 5-0 in the sixth. When Ludlam was out-fenced by Downie 4-5, the score of the meet stood at four all. Greenway lost to both Downie and White by 5-3. The deciding match of the meet was between Bashaw and Frame, the Blue's south-paw fencer, who substituted for Greenway. By the score of 5-1 Frame won his bout, and the meet went to Andover five victories to four.

little short of miraculous. It was not until just before the end of the last over-time period that the game was won by a long shot, sent from almost the center of the floor by the St. John's left forward.

The first quarter was very fast. After a few minutes of quick passing from one end of the court to the other, Mettler was the first to score, but in a very short time, Barry, the St. John's left guard had made a foul shot and a basket, making the score 3-2 in favor of St. John's. There was quite a bit of fouling in the first period, but no further score. Before the second quarter began, Kellogg was substituted for Ederheimer.

In the second quarter both teams opened up, and a lot more scoring was done. Lashua made the first basket, but before long Mettler had equalled it with a shot from the center of the court. At this point St. John's called for time out, and when the ball was put in play again, Chesnulevich, right forward on the

St. John's lineup, scored, and soon Lashua had dropped in another. Before the half ended Beattie, the St. John's center, had made a basket, and Kellogg, Drick, and Mettler had scored for Andover. The score was 13-10 in favor of St. John's when a very spectacular first half came to a close. Barry and Lashua were playing best for St. John's, while Mettler and Huppuch were starring for the Blue.

In the third quarter, Andover staged a second-half rally, increasing their score 11 points, and allowing their opponents only 5. Huppuch made one of the baskets, Kellogg two, and Mettler two and a foul. Barry made three of the points for St. John's, and Crowley, right guard, the other two. It certainly looked as though the Blue team-work was running away with the game.

During the fourth quarter, the game took on an entirely new aspect. The perfect accuracy in shooting of the St. John's men was brought to bear. Garneau was substituted for Crowley in the St. John's lineup at right guard, and the visitors began their rally. Beattie and Lashua, each scored again, while Chesnulevich made four points. The only other scores for Andover were on foul shots by Drick and Mettler, totalling the only points. When the final whistle blew, the score was tied 25-25. Two over-time periods were needed to decide the outcome. In the first, the play went from one end of the court to the other, but no score was made. The second was very much similar to the first, except towards the end. Lashua shot from the center of the floor and made it, giving the victory to St. John's 27-25.

F. L. Luce, P. A. '27, starred for the Yale hockey team in the game with Dartmouth, which resulted in a tie last Saturday.

and four-fifths seconds. Unfortunately, he was unable to place in the finals, although the winning time was only 5 seconds. Crickard, Mitchell, and Hawes, all of Harvard took the first three places, and finished in the order named.

Pitkin gave the Blue its first points when he took second in the 40-yard high hurdles after forcing Record to equal the Cage record to win. Cole of the Freshmen followed a close third.

The 600-yard run was the next event instead of the usual 300-yard

run. Forbes and Hallowel of Harvard assumed the lead, closely followed by Lawrence and Henry. They maintained this position until the last lap, when Lawrence dropped back to fourth position. Forbes and Hallowel led easily but the third position was hotly contested by Henry and Bacon. After a terrific struggle Bacon managed to nose out his opponent. Forbes' time was 1:22.

Andover's hopes received a severe set-back in the 300-yard run when Wright fell a few yards from the start. Crickard and Record, both Harvard men, led the field, but, as was the case in the 600, a severe struggle went on for third. Kirstein of Harvard gradually cut down Newfield's lead to

finish in a tie. Crickard's time in winning the event was 34.45 seconds.

Because of the large number of entries, two races were held in the 1000-yard run. French of Andover led his heat for 51-2 laps but Barrie unloosed a final sprint to win for Harvard in 2:28.3-5. Estes, his teammate, was third, trailing French a few yards. In the second heat Chickering of Andover furnished a surprise by beating out his teammate, Johnson, for the first time this year to take third. Hallowel and Beaman of Harvard held the lead for the first five laps over Johnson and Chickering. At the beginning of the last lap Chickering speeded up to take the lead but Hallowel sprinted

and regained first position. The race then resulted in a fight for second place in which Beaman barely won out. Hallowel's time was 2:33.2-5.

Jackson and Captain Houston ably took care of the shot put for Andover, winning first and third with throws of 48 feet 3 inches, and 46 feet 5.3-4 inches respectively. Kuehn took second for the Freshmen with a heave of 46 feet 7 inches.

Moore easily won the high jump with his record-breaking leap. Kuehn of Harvard was next best with a jump of 5 feet 8 inches, and his teammates, Herman and Quay, tied for third honors at 5 feet 6 inches.

Moore also led the field in the broad jump by covering 21 feet 6.1-2 inches. Beveridge and Record took second and third for the Crimson with jumps of 20 feet 3.1-4 inches and 19 feet 6.3-4 inches.

In the last event Sutermeister gave a brilliant exhibition of pole vaulting to set the new record. Pierce's vault of 11 feet 3 inches gave Andover second and Pickett, also of the Blue, took third at 11 feet.

EXETER NOTES

Exeter was defeated in track Saturday by the Worcester Academy track team, 45 to 23. Exeter was outclassed in every event except the high jump and the 1000-yard run. This meet was held in the new Thompson cage of which Exeter is so proud.

Exeter continued its winning streak in basketball at the expense of the Worcester Academy team Saturday by the score of 46 to 48. Garnsey and Reed scored in the final few minutes to give Exeter the lead and the game.
