No. 61.

The Athletic Meet.

In spite of the weather the annual spring tournament, which was held last Wednesday, was decidedly successful. Four records were broken and two new ones established. There were only slight delays between the events, and the officers of the course managed the affair very well.

The first event upon the program was the 100-yards dash. In the first heat N. Barker '95 led from the start and finished about three yards in front of Farlin '95, the second man. No time was taken. James '96 won the second heat in 10.3-5 sec, Letton '94 finishing second. Grant '95 won the next heat, with Hitchcock '95 second. Time, 11 sec. The final heat, which was run off after the half-mile run, was won easily by James in 10.3-5 sec. Farlin finished second and Barker third.

Seven started in the half-mile run, but they were not all able to finish. Whitford '94 set the pace at the start and was allowed to stay in the front for about a lap, when Laing '95 and Chadwell '96 took the lead. They ran evenly until about one hundred yards from the finish, when Laing sprinted and won in 2 m., 9.2-5 sec. Whitford finished second and Chadwell third.

LeBoutillier '95 won the 120-yard high hurdle easily in 19 sec. Booth '94 and Brown '96, the only other starters, finished in the order above.

The first heat of the 220-yards dash was won by N. Barker '95. He lead all the way and finished in 24.4-5 sec., with Paige '94 second. The second heat was won by James '96, with J. Barker '96 second. Time, 23.4-5 sec. For the final heat, Paige and James kept together until the last twenty yards when Paige slowed up and N. Barker beat him for the second place. Time, 24.3-5 sec.

The two-mile bicycle proved to be a "walk-over" for Manning '94. He broke his own record of last fall by thirty seconds and established a new school record of 5 m., 38 sec. Alden '95 came in second, and Porter '94 third.

After finishing the two miles, Manning kept on and succeeded in establishing for the school a 5-mile record of 14 m., 34 sec.

Hine '96 took the lead in the 220-yards hurdle from the start and was never headed. Brown '96 finished

second and LeBoutillier '95 third. Time, 29.1-5 sec.

The mile run also brought out a large number of starters, but the pace was too hot for the majority of the men, and only about a third of the starters finished. Laing '95 took the lead early in the race and kept it until the third lap when Starbuck '94 went to the front. The race lay plainly between these two and they kept side by side until the last one hundred yards when Laing made a magnificent sprint and finished in 4.52.2-5. Richardson '97 came in third.

The 440-yards run proved to be the event of the afternoon. There were ten or twelve starters and the track was so narrow that the men had to be placed in two lines. The runners got off in good shape, and F. H. Simmons '94 immediately took the lead, which he kept nearly all the way. On the last turn he got the inside track and won splendidly in 54.1-5 sec. Jesse Barker '96 finished second and Hine '95 third.

While the track events were going on the field events were being carried on the oval inside. The first event was the shot put. Finlay '95 was an easy winner, with a put of 37.6.1-2 in. Holt '95, second with 35.5, and Rodgers '94 third with 33.1 in. Finlay's put broke the school record by 3 ft., 7.1-2 in. Holt also broke the record.

M. F. Bennett '94 won the hammer contest with a throw of 80 ft., 9 in. Finlay threw 77 ft. Holt '95 was third, with 75 ft. Bennett's throw also established a new school record, breaking the old one by 9 in.

The pole vault proved to be long and of no special interest. Both Davis '95 and Lewis '95 tied at 9 ft. Davis won the jump-off, however, and therefore first place. Lewis was second and C. H. Simmons '94 third.

Merwin '95 won the high jump after a rather slow contest with Grant '95. They both tied at 5 ft., 3.1-2 in., but Merwin won the jump-off and first place. Grant second, and Pope '96 third.

Paige '94 took the broad jump easily with a leap of 20 ft., 8 in. This broke the school record by 11.1-2 in. Durand '96 was second with 20 ft., 1 in., also breaking the record. Wiener '95 was third, with 19 ft., 4 in.

The officers of the day were as follows: Starter, H. B. Wilcox, '94; clerk of the course, G. G. Schreiber, '94; announcer, C. A. Brady, '94; as-

sistant clerks, G. C. Greenway, '95, and O. Preston, '94; referee, Mr. Pettee.

'94 won the tournament, scoring 54 points; '94 scored 29 points; '96 made 21; '97 made 1.

School Organizations.

Forum.

The meeting of Forum last evening was fairly well attended. Some of the parts were well filled and showed that the fellows had taken some interest and time for their work. Others showed the opposite extreme, which we so often have to criticise. After the opening exercises miscellaneous business was taken up. H. G. Roberts was given honorable dismissal from the society. A motion by Clark that the president appoint a committee to confer with a committee of Philo concerning a joint debate at the close of the term was passed, and Pettee, Day, and J. T. Harrington were appointed to serve on this committee.

The critique, which was given by R. H. Heywood, was an exceptionally good one. The declamation by Starbuck, a selection from "Marmion," was fairly well given, although the speaker lacked enthusiasm. Weir, who offered to take the place of Ridgway, gave an interesting address on "American Politics." The select reading was given by Hamilton. As several of the speakers were absent, speeches by Leshner and J. E. Rodgers closed the program for the evening.

Philo.

Philo held its regular meeting on Friday evening. As there were but few present the program dragged somewhat. The meeting was opened with prayer, followed by the roll-call and the reading of the minutes. Under miscellaneous business Branch moved that a committee be appointed to confer with Forum about the joint entertainment at the end of this term. The motion was seconded.

The preliminary part of the program was opened with an extempore by Branch. The critique and address were omitted on account of the absence of the fellows to whom the parts were given. The question, Resolved: "That emigrants should be taxed" was opened on the affirmative by North, with Mack and Scates to assist him. Emery led on the negative, assisted by Phillips and Kennedy. There spoke from the house Branch on the

affirmative. A vote was then taken on the question, and the weight of argument was found to be nine to one in favor of the affirmative. The meeting then adjourned.

St. Mary's A. C. Games.

A great deal of credit is due to the representatives of the team who upheld Andover's athletic reputation so well in the St. Mary's A. C. games at Boston last Saturday. Although but five men ran, these succeeded in scoring twelve points, thereby giving us the second place. Notwithstanding the fact that the English High School had many more men entered than we did, they only managed to beat us by one point, so it was by a very small margin that they carried off the honors of the day.

Special mention should be made of the fine work of James and Laing, who both had celebrated runners in their events and yet captured first and second places respectively.

The events in which our fellows scored points are as follows:

130-yard dash, J. C. James, 5 points.
120-yard hurdle, G. W. Brown 1 "
Two-mile run, W. T. Laing, 3 "
880-yard run, A. H. Hine, 3 "

Total, 12 points.

Phillips vs. Yale '97.

The team plays the Yale Freshmen this afternoon at 2.30. The batting order of the nines will be as follows:

Yale Fresh: Quimby, ss.; Harris, lf.; Jerrems, rf.; McCandless, 2b.; C. Reed, cf.; Smith, p.; B. Reed, 1b.; Fincke, 3b.; DeForest, c.

Andover: Barnes, ss.; Letton, 1b.; Hazen, 2b.; Greenway, lf.; Drew, c.; Burgess, rf.; Bement, 3b.; Simmons, cf.; Paige, p.

Univ. of Penn. and Princeton

Relay Race.

The one mile relay race between the teams of Princeton and University of Pennsylvania, held Tuesday in Philadelphia, was won by the latter team by twelve yards. The order in which the team ran was as follows: Princeton, H. B. Jamison, H. C. Brokaw, R. O. Swan, and G. M. McCampbell; Pennsylvania, W. B. Warren, C. J. Turpin, G. W. Orton and P. R. Freeman. Time, 3 min., 31 sec.

THE PHILLIPIAN will be issued every Wednesday and Saturday during the school year, except in vacation.

All business communications should be addressed to the business manager.

All communications must be accompanied by the writer's full name and address, not necessarily for publication unless so desired.

Communications may be addressed to THE PHILLIPIAN, Andover, Mass., or dropped in the Phillipian box placed in the main hall of the Academy building.

The editors do not hold themselves responsible for the opinions of any correspondent.

PHILLIPIAN Board meetings are held Wednesday and Saturday noons.

ENTERED AS SECOND-CLASS MATTER AT ANDOVER POST-OFFICE.

NOTICE.

To insure change of advertisement, copy must be received for Wednesday not later than Tuesday noon; for Saturday, not later than Friday noon.

The Andover Press.

The tournament on Wednesday was such a great success that we cannot pass it by without congratulating all the men who entered. The fact that four records were broken made the tournament a notable one, and the closely contested events aroused great interest in spite of some unnecessary delays between the contests, a thing which can be avoided in the future by more forethought. Although some of the contestants showed lack of training and little headwork, the majority of the fellows gained the rewards of hard and faithful labor. The record established in the two-mile bicycle race is an honor to the school, and the winner of the race is to be congratulated in particular.

The base-ball team leaves for its trip on Monday, and with it it will bear the best wishes of the entire school. This is the first time our nine has ever played outside of New England, and our record this week will be watched with great interest, not only by every fellow here but by every Andover man in college, and by many others who have heard of our work on our own field and will be very anxious to see what we can do on strange

grounds away from home. The nine's record this season has been a very creditable one, and had it not been for unfortunate accidents we should undoubtedly have won more games. At times our work has been unsteady, but of one thing the school is sure, that if the nine in next week's games plays in the form of which it has more than once shown itself capable, it cannot fail to do well. It is with this sincere hope that we watch its journey.

It certainly is not unnoticed that within the past year our track athletics have stepped toward the front. Many needful and wise changes have been made and several innovations introduced which have aided the members of the team greatly. Nothing could be better than training according to a tested formula, suited to individual needs. With a training table, bath-house, and a fairly good track, our track athletes have had advantages over their predecessors which many of them have not ignored. Our standing in the recent meet at Boston is one to be proud of, especially when we consider how few Andover men entered, and if conscientious work is done now we may hope to be more successful in the future.

Charles Carleton Closson, jr., P.A. '88, who has been active in the Prospect Union, conducted by Harvard students and wage earners, has an article on "Heredity as a Factor in Social Progress" in the last number of the *Prospect Union Review*.

College Notes.

In the athletic games on Saturday,
Yale won 59 points and Harvard 53.
It was Harvard's first defeat at Yale's
hands in track athletics. Brewer of
Harvard made a new world's record
in the low hurdles. His time was
24 3-5 seconds. In the hammer con-
test, Hickok of Yale broke the previ-
ous amateur record, making a stand-
ing throw of 113 feet, 11 inches.

The Watson medal of the National
Academy of Science has been awarded
to Dr. S. C. Chandler for his work in
astronomy. This medal has been
awarded four times during the last
twelve years. The last time it was
awarded to the German astronomer
Auwers.
