## Rockwell Ineligible.

The Athletic committee at Yale has practically decided that F. K. Rockwell, quarter-back on the 'varsity team for the last three seasons, is ineligible to play football next year. The reason for this is that Rockwell played in a game against Trinity four years ago, before he knew how his entrance exams had turned out. When these did not result as well as he expected he returned to Hotchkiss for another year and entered Yale in the fall of 1902. Since entering, he has played on the 'varsity team all three years and the committee has decided that this, together with the Trinity game, completes his four seasons. Rockwell has been picked for the All-American eleven for two years and for the second eleven this season and his loss will be keenly felt by the football authorities at New Haven.

## Inquiry.

The Society of Inquiry held its usual meeting last Sunday night. The meeting was led by R. Hall whose subject was "Trust." J. M. Howard will lead next Sunday night. The Bible Class will meet Wednesday evening at 7 o'clock.

## Play at Abbot Academy.

Last evening the day scholars of Abbot Academy gave a Japanese comedy entitled "The Revenge of Shari-Hot-Su" in Davis hall of the McKeen Memorial building. The hall was crowded to its full capacity and the players received much hearty applause.

The plot, which was a slender one, was based on the fact that Shari-Hot-Su and Kioto were both lovers of Moig-ui-fa, called the "Cheery Blossom." In the first act she has a misunderstanding with Kioto, whom she really loves, and the act closes with her submission to Shari-Hot-Su.

In the second act Shari-Hot-Su, by some forged documents, has Kioto in his power, but relents and places the hand of "Cherry Blossom" in that of Kioto and the play ends happily.

The acting of Miss Elizabeth Cole as Shari-Hot-Su and of Miss Cornelia Williams as Mrs. Beaconstreet was especially worthy of mention.

The cast was as follows:  
 Shari-Hot-Su, a learned Japanese Elizabeth Cole  
 Kioto, a young Japanese Constance Parker  
 Harold Armstrong, a young American Sarah Hincks  
 Mrs. Beaconstreet, from Boston Cornelia Williams  
 Nina, her daughter Clara Searle  
 Moig-ui-fa, called "Cherry Blossom" Ruth Pringle  
 Toy-ama, her mother Louise Sweeney  
 Piano duets by Miss Elizabeth Williams and Miss Ada Brooks.

## Open Night.

Although last Saturday night was stormy the second open night at the gym was well attended. The basketball team of the World's Champions did not show up and after the events dancing took place until 9.30.

The first event started at 7.20 and was an indoor baseball game between gymnasium classes C and D. A five inning game was played which was won by D with the score of 16 to 7.

The line-up was as follows:

C		D
Hugh	c	Sandiford
Bartholomew	p	E. B. Taylor
Whiting	1b	Merritt
Remis	2b	Clow
Clough	3b	Kilpatrick
Kingsford	ss	Mott
Cass	rf	Sullivan
L. M. Chapin	cf	Sampson
Woodbury	lf	R. C. Chapin
Umpire—Clough.		

The second event was the standing high jump. The school record was broken by both E. L. Fouts and H. C. Williams who tied with a jump of 4 feet 4 inches. The former record of 4 ft. 2 in. was held by M. A. Seabury.

The last event was the running broad jump won by Kilpatrick with 17 feet 4 inches; Walker second with 17 feet, 1-2 in. and Kingsford third, with 16 feet, 5 in.

Dr. Page has announced that an indoor handicap meet will be held at the gym, on Feb. 1. The meet will be open to the whole school. The young ladies from Abbot Academy will be present and after the meet an informal dance will be held.

## Means Prize Essays.

The Means prizes for original declamation was founded in 1867 by the late William G. Means of Boston. The first prize is twenty dollars, the second twelve dollars and the third eight dollars.

The competition is open to the whole school and all compositions must be submitted before March 1st.

Ten are selected for the final competition, by the same judges who act as committee of award, the prizes being given on the merits of both composition and delivery.

There are ten subjects for the competition this year, which are as follows:

1. Phillips Academy in War Times.
2. Shall Ideals or Interests control a government.
3. Prospecting for Gold.
4. Ambassadors at the Court of St. James.
5. The Hawaiian Islands under American control.
6. Emerson and Poe—a contrast.
7. Canoeing in the vicinity of Andover.
8. What should be the attitude of the United States toward China?
9. The Art of a Nation is Measured by its Monuments to the Dead.
10. The Moravian Mission in Ohio.

The essays are limited to a thousand words. They should be typewritten though this is not an absolute requirement. The writer must sign an assumed name to his essay, and submit his real name in a sealed envelope bearing on the outside the title of his essay and his assumed name.

Men who intend to compete and who have any questions as to the subjects will do well to see one of the English instructors.

## Philo. Trials.

On Friday night the trials for the Philo team to compete in the Philo Forum debate will be held in Society Hall. This will be the only opportunity offered for making the team which will represent Philo this year, and therefore all members are urged to be present and compete. Messrs Benner, Phillips and Eaton will act as judges, and each speaker will be allowed ten minutes. The subject is, "Resolved. That Capital punishment should be abolished."

## Notice.

Basketball squad report at gym at 3 o'clock.

## Basketball.

Andover will play one of the hardest and best games on her schedule this afternoon when she meets Cushing Academy in their annual game. Two years ago Andover was victorious in a hard fought contest. Last year Cushing won 17-16 in an overtime game, it being the most exciting and fastest struggle of the season. Although Andover has no regular rival in basketball, still the Cushing Academy team comes nearest to filling that position. Today's game promises to be a good one, as Cushing is very strong this year, and Andover will have more of her regular team on the floor than there has been thus far this term.

The line up will be: Whiting, rf; Schildmiller, lf; Capen, c; Murphy, rg; Cushman, lg.

## Chess Club.

At a meeting of the Chess club last Saturday night the following officers were elected for the winter term:

- President—W. Beinecke.
- Vice president—J. B. Wallace.
- Secretary—L. B. Parks.
- Treasurer—W. P. Champney.

A letter was read from Exeter naming Saturday, Feb. 18th as the date for the chess match between the two schools, which will take place at Andover.

The chess match will consist of four tables and the Andover players will probably be A. Loomis, W. Beinecke, F. Beinecke and L. B. Parks.

## Relay Trials.

The trials for the Andover team to compete in Andover-Exeter relay will probably be held next Wednesday afternoon at 2.30 p. m. the only chance to try for the relay team and all who intend to try must come out then. If there is any change in the times of the trials a notice to that effect will be published later.

**THE ANDOVER PRESS**

Wednesday, Jan. 25, 1905.

As the time approaches for the handing in of the essays for the Means prizes a word in regard to them seems advisable. No one knows whether he has any literary ability or not and unless he tries he will never find out. The Means prizes offer a splendid opportunity to everyone to test his ability. It is not the money value that makes the Means prizes what they are but rather what a competitor gains in knowledge, experience and self-confidence. Besides he is likely to find that he has literary merit and powers of elocution which he never dreamed of.

This opportunity for training should appeal especially to seniors of both departments as they are eligible to try for the Potter prizes at commencement.

The editor has received many communications complaining of the fact that a few of the classes have as yet elected no officers for this term. It seems unnecessary to publish these since the old officers of these classes ought to realize how such slowness is regarded by their classmates. We hope that this matter will be attended to before our next issue.

It is with deep regret that we hear of the sudden death of Mr. Stearns' mother. Only the merest facts have been learned and so we cannot publish any particulars. The feelings of the school toward Mr. Stearns are such that the loss of anyone dear to him will bring sorrow to all.

**Death of Mr. Stearns Mother.**

Mr. Stearns was called away by the sudden death of his mother, who died in Denver, Col. while there in hopes of regaining her health. Mr. Stearns will meet the body in Chicago and the funeral will take place in Amherst on Friday.

**Dining Hall.**

There will be a slight change in the management of the dining hall which will take place at an early date. The present manager Mr. White will have charge of the buying only and the kitchen and hall will be in charge of a woman. The new stewardess is a capable one and has had a great deal of experience, leaving no doubt that the dining hall will be benefited by the change.

**ALL WINTER LONG**

we have marvelled at the constant sale we have had, for our Linen Mesh Underwear. As we think of it now, however, we do not wonder at the demand, for the arguments in favor of our Linen Mesh, both as regards the fit and wear over any other Linen Mesh we have ever carried, first believed, then proved by actual wear, are so reasonable that those who wear them have been easily persuading their friends to put them on at once. We are now announcing to the more timid ones that as spring draws near, they may safely don them and expect best results.

**Archaeology Notes.**

The books belonging to Phillips Academy and various prehistoric places have been gathered together by the Curator. The other instructors have selected all books of value or those that might be needed in the various departments. What remains, some two or three tons, has been stored in the attic of the Archaeological Building.

A great many trays full of specimens have also been put in the attic as the cases in the Museum are all filled to overflowing. Small donations arrive every few days, and now there is a total of 61,000 specimens in the building, only 11,000 of which can be exhibited because of lack of case room.

The Curator has delivered several illustrated lectures in New England before Historical societies, etc. Dr. Peabody and Mr. Moorhead hope to take the field May 1st, and visit White River Gorge, a tributary of the Arkansas River in North-western Arkansas. There are a great many caves and Indian graves in that section and the gentlemen hope to explore them.

**WINCHESTER**

FACTORY LOADED SMOKELESS  
POWDER SHOTGUN SHELLS  
Good shells in your gun mean a good bag in the field or a good score at the trap. Winchester "Leader" and "Repeater" Smokeless Powder Shells are good shells. Always sure-fire, always giving an even spread of shot and good penetration, their great superiority is testified to by sportsmen who use Winchester Factory Loaded Shells in preference to any other make.
