EXETER WINS UNDER PROTEST

Richmond Disqualified in High Jump Deprives Andover of Victory by One Point.

A GREAT CONTEST.

Owing to the protest entered by Captain Bartholomew yesterday afternoon against the decision in the high jump, the question as to whether Andover or Exeter won the meet is still open.

F. C. Richmond who was officially awarded second place with a jump of 5 feet 5 inches, cleared the bar at the same height as J. C. Taylor, the winner, whose height was 5 ft, 6 inches.

Richmond's jump was declared to be a dive because in landing he struck his hand first. His manner of crossing the bar was not questioned.

The official rule books deal with the question as follows:

The official hand book of the Athletic Leagues of the Y. M. C. A's. of North America give the following rule for jumping:

"A fair jump shall be one that is made without the assistance of weights, diving, somersaults or hand springs of any kind."

Concerning the rule for diving, the following statement is given: "The contestant shall spring from the floor, pass head foremost over the stick. He may land on the floor, mat or be caught by an assistant.

A picture taken by Chase of Richmond's last jump proves conclusively that the jump was legitimate and not a dive. In the picture Richmond is half turned around, both of his legs are under him and they are ahead of his hands. This seems to us conclusive evidence that Richmond should be given credit for his last jump.

Yesterday afternoon at Exeter, N. H., occurred the annual Spring Dual Meet between Phillips Academy, Exeter and Phillips Academy, Andover. It was an ideal day for an athletic contest and a large crowd turned out to support the two schools. About one thirty the Andover special train arrived in Exeter and the school marched in a body to the field. A short time later the Exeter school appeared and took their assigned places on the grand stand. Promptly at two thirty the events started. Both schools fought with every ounce of strength they possessed to win a victory. Not until the last jump of the last event was the meet decided. It was an open question from start to finish for first one school was ahead and then the other and surprises were the order of the afternoon. Kilpatrick was undoubtedly the star of the Andover team. He won two first places and broke the record in the 120 yard high hurdles.

Richmond, Peirce, Bartholomew and Andrus also did splendid work. Richmond broke the record in the broad jump and Peirce in the pole vault. The following men made their A's in the meet: Holden, Kilpatrick, Mears, Knox, Manning and Elwell.

The official score as announced by the judges stands Andover 47 points, Exeter 49 points. The result of the high jump is still an open question, as it has been protested by the Andover management. If the protest is decided in favor of Andover, the score will stand Andover 48 1-2; Exeter 47 1-2.

Both schools supported their teams with excellent cheering, and the relations between the two Academies were very friendly.

The events were run off in the following order:

100 YARDS DASH.

The first event of the afternoon was the hundred yards dash. Captain Bartholomew and Holden were entered for Andover, C. Towers and J. W. Richmond for Exeter. Bartholomew started off well and easily broke the tape the first man, equaling the dual record. Richmond of Exeter came in second and Holden a close third. The time was ten seconds flat. This event gave Andover six points and Exeter two.

120 YARDS HIGH HURDLES.

The 120 yards high hurdles were next. The entries were M. C. Peirce and J. R. Kilpatrick for Andover, D. M. Chadwick and D. R. Robbins for Exeter. Kilpatrick romped in first breaking the

former dual record of 16 2-5 seconds made by W. A. Hersey in 1899 by 1-5 seconds. Kilpatrick was 16 1-5 seconds, Peirce came in a close second and Robbins of Exeter third. This made Andover 13 points and Exeter 3.

ONE MILE RUN.

The third event was the mile run. Hubbard, Manning and Rowland ran for Andover, and Y. J. Porter, W. T. Shannon and J. L. Hurley for Exeter. Every man fought hard from start to finish. Porter of Exeter won with Shannon second. Manning finished a strong third. Time, 4 min. and 42 1-5 secs. Andover, 14 points; Exeter, 10.

440 YARDS RUN.

Exeter had W. H. Kurtz, J. E. Gilroy and T. H. Ryan entered, and Andover had Mears, Hartley and Hamilton. Hamilton started well and pushed the Exeter men hard, but could not stand the pace to the end. Mears fought hard and finished third. Ryan of Exeter won first place and Gilroy second. Time, 53 4-5 secs. Andover, 15; Exeter, 17.

SHOT-PUT.

The shot-put came fifth in the order of events. D. M. MacFadyen, J. Bredemus, A. MacGregor and A. H. Duhig contested for Exeter, and H. F. Andrus, C. C. Clough and H. P. Greenough for Andover. Andover secured first place with a distance of 40 feet 6 inches, Bredemus second with 38 feet 7 inches and MacFadyen third with 35 feet 11 3-4 inches. Andover, 20; Exeter, 20.

HIGH JUMP.

The sixth event of the day was the running high jump. J. C. Taylor, W. B. McKone and S. L. Smith entered for Exeter, and F. C. Richmond, J. R. Kilpatrick and H. R. Elwell jumped for Andover. Taylor and Richmond both cleared the bar at 5 feet 6 inches, on their third trials. Richmond's jump, however, was declared a foul on the ground that he landed on his hands first, thus making a dive in the opinion of the judges. He was awarded second place with a jump of 5 feet 5 inches. Elwell won third by clearing 5 feet 4 inches. Score: Andover, 23; Exeter, 25.

220 YARD HURDLES.

Kilpatrick and T. A. Smith were entered for Andover, and D. R. Robbins and H. A. White for Exeter. Kilpatrick ran splendidly and finished an easy first. Robbins and White of Exeter came in second and third, respectively. Kilpatrick's time was 26 2-5 secs. Andover, 28; Exeter, 28.

BROAD JUMP.

The broad jump was the eighth event. Exeter's entries were L. R. Weitzel, G. L. Brown, J. P. Long, C. D. Cromwell, H. A. White, J. H. Lynch. Andover was represented by A. Y. Bartholomew, F. C. Richmond and J. R. Kilpatrick. The preliminaries shut out all men but Weitzel of Exeter, and Richmond and Bartholomew of Andover. Richmond won the contest by a jump of 21 feet 8 inches, Bartholomew was second with 20 feet 4 inches, and Weitzel came third with 20 feet 2 inches. Score: Andover, 35; Exeter, 29.

HAMMER THROW.

The next event which took place was the 12 pound hammer throw. H. F. Andrus, J. R. Hyde, M. C. Peirce, and H. P. Greenough were entered for Andover while C. T. Cooney, D. M. MacFadyen, J. Bredemus and W. H. McIntyre, jr., represented Exeter. The preliminaries resulted in a final contest between Cooney of Exeter and Andrus and Hyde of Andover. Cooney easily secured first place, and in so doing broke the dual record, held by Kinney, formerly of Andover, who established his record on the Exeter campus, May 31, 1902, by a throw of 145 feet 2 1-2 inches. Cooney's distance was 168 feet, 10 inches. Andrus won second place with a throw of 158 feet 9 1-2 inches, breaking Andover's record of 155 feet 2 inches, which he made in the Spring meet. Hyde was third with a throw of 151 feet, 4 inches. Score Andover 38, Exeter 34.

220 YARDS DASH.

The tenth event was the 220 yards dash. Andover's entries were R. J. Holden and F. C. Richmond; Exeter's, J. W. Richmond and J. E. Gilroy. Richmond of Andover looked like a sure winner but Richmond of Exeter won out at the tape. Gilroy finished third. It was a closely contested race from start to finish. The time was 23 1-5 secs. Andover 40, Exeter 40.

880 YARDS RUN.

T. Lynn, D. Knox and P. A. Baker were entered for Andover and R. W. Hitchcock, R. Warren and J. J. Porter for Exeter. The Exeter men were successful in boxing the Andover men on the start, but Lynn and Knox broke through on the second lap. Lynn looked like a sure second, but although he fought hard failed to secure a place. Knox held back until the end then with plenty of reserve strength made a beautiful sprint but was unable to catch

Hitchcock who finished first. Knox was second and Warren of Exeter third. Time of the winner, 2 min. 5 2-5 secs. Andover 42, Exeter 46.

POLE VAULT.

The last and perhaps the most interesting event of the day was the pole vault.

For Andover M. C. Peirce and W. M. Reynolds were entered and for Exeter J. Bredemus, A. T. Nabstedt and S. T. Harris. Andover succeeded in securing first place, Peirce defeating Bredemus by vaulting 11 feet 1 1-2 inches, breaking the dual record of 10 feet 7 1-2 inches made by McGovern of Andover in 1902. Bredemus vaulted 10 feet, 10 1-2 inches. S. T. Harris secured third with 10 feet, 6 in. Score, Andover 47, Exeter 49.
