## HARVARD COLLEGE

Game Today at 2.15. Visitors Bring Strong Team and Close Game is Expected.

This afternoon Andover plays the strong Harvard College baseball team on Brothers Field at 2.15. Several old Andover men are now playing on the team and this fact adds especial interest to the game. All the fellows who can possibly come out are urged to do so, as this is one of the last games of the season before the Exeter game.

The batting order will be as follows:

## Archaeology Notes

Mr. William Harnden of Tewksbury, loaned the Department a large collection of specimens found about Andover, Tewksbury and Ballardvale. These are on exhibition in the first case to the left, south side of the hall.

The Indians of this part of New England were exceedingly primitive and the specimens in the collection are much ruder than those from the West and the South. The workmanship on the implements indicates that the natives made use of poor material, that they were unable to do fine work in stone. Many of the specimens have the appearance of great age. There are a few collections from the vicinity and therefore the exhibit is of special local value.

## NOTICE

To-morrow evening at Mr. Stackpole's house will occur the rehearsal of the music for Baccalaureate Sunday and the dedication of the new memorial organ which is now being installed in Stone Chapel. The music which has been selected is new and will be particularly appropriate to the notable events for which it is intended. The time for getting this music up is short and the rehearsals will be few. It is therefore absolutely necessary that everybody be present at each rehearsal. Members of the Glee Club are requested to assist the Chapel Choir on these occasions and form an augmented chorus for the performance of these special works. The rehearsal is at 7 o'clock sharp.

## YALE INTERSCHOLASTIC

Andover Wins Fourth Place in Meet. Eames Second not Allowed Through Wind.

The eighth annual Yale Interscholastic track meet was held in New Haven last Saturday. Among the schools represented besides Andover were Exeter, Hill School, Mercersburg, Lawrenceville, Wiliston and Worcester. The meet was very interesting and very close, the final scores being; Mercersburg, 24 2-3; Exeter, 20; Andover, 16 1-3; George School, 15 1-2; Lawrenceville, 12; Pawling School, 8; Hill School 6 1-2; South High

School of Worcester, 5; Brown and Nichols School, 1; and the Central School of Philadelphia, 1.

Considering the fact that the track was very heavy on account of the recent rain, and that there was a strong wind blowing, some very remarkable time was made. The following men, accompanied by Manager Sheldon, Trainer Peet and Dr. Page, represented Andover; S. W. R. Eames, R. M. Burch, M. C. Dowling, M. I. Hayes, G. Blakeslee, H. W. Pillsbury, H. S. West, R. F. Decker, J. S. Kennedy, E. Pickett, R. S. Porter, A. B. Tilton, E. Brainard, J. D. Thompson, and O. H. Smith.

Captain Hopwood also accompanied the team, though he did not enter the meet.

The meet in detail:

Perhaps the most interesting event of the day was the one mile run. H. P. Lawless of the Brown and Nichols Schools took the lead, finishing the first lap in 64 seconds, he was still leading at the end of the first half-mile, the time being 2 minutes and 15 seconds. Bingham of Pawling School had brushed past Lawless at the end of the third lap. The time at the end of this lap was 3 minutes and 26 seconds. In the beginning of the last lap Keith of the South High School began to gain and soon had the lead followed closely by Bingham, Lawless and Blakeslee in that order. Blakeslee was gaining on Lawless and in

## ALPHA DELTA TAU

Provisional Election from Senior Class to Scholarship Society will be Made Soon.

Provisional election from the Senior class will soon be made to membership in Alpha Delta Tau, the honorary scholarship society of secondary schools. The Gamma chapter of this fraternity was established at Andover during the Spring term of 1907 and twelve men from the class of 1907 were elected to membership.

The purpose of this society is to give the same recognition to high scholarship in secondary schools as is given by the Phi Beta Kappa in Colleges. The standard is an average mark of B for the Senior year, with no grade lower than C.

It is intended to give the exercises of initiation a prominent place in the events of Commencement week, and it is hoped that membership will be valued as a distinctive recognition of superior scholarship in the Academy.

The members for this year will be elected by the faculty toward the close of the year, and will be announced on Commencement Day. The public initiation will take place at 10 o'clock, June 23, immediately preceding the exercises of the Graduation class.

## Inquiry

The regular meeting of the Society of Inquiry was held Sunday night in the Lecture room of the Archaeology building. Mr. Lillard gave a talk on the most striking characteristics of Christ. He gave a most effective talk, giving various examples of His courage in His moral and physical life. Other various characteristics were also brought out.

Mr. Lillard also spoke on the value of prayer, and especially of silent prayer. There was a good attendance at the meeting.

megaphone before Monday. You can get them from Chase or Gemmer. Exeter is going to have megaphones and they will easily outcheer us if we don't, so each fellow be sure and get one. Bring it with you to the mass meeting Friday night if you've got it then.

The Harvard Freshmen track team defeated the Yale Freshmen in the Stadium last Saturday by a narrow margin, the final score being 61 2-3 to 55 1-3. Yale showed the best form in the field events, capturing most of the places in them. Harvard took the track events without much difficulty. The weather was most disagreeable and the track very heavy.

Several good times were made, the best being that of Ranney of Harvard, who won the quarter-mile in 51 4-5 seconds, breaking the former record of 52 seconds, made by E. K. Merrihew in 1907.

the last few yards passed him, coming in third. Keith's time was 4 minutes and 31 seconds.

The 100 yard dash was run in two heats, Cornell and Burns of Exeter each winning their heat. In the final heat R. Gill of Mercersburg finished first in 10 1-5 seconds followed closely by Cornell and Burns of Exeter in that order. H. A. Paynter of the Central School of Philadelphia came in fourth.

The 120 yards hurdle race was also a very interesting race. It was run in four heats. In the first heat Green of Mercersburg won in 17 seconds followed by Crandall of Exeter; Hall of Mercersburg won the second heat in 17 2-5 seconds with Davidson of Hill second. The third heat was run in 17 seconds by Ethridge of Lawrenceville with Potter of Hill second. The semi final heat was won in 17 1-5 seconds by Crandall of Exeter. Davidson of Hill taking second.

The 440-yard run was won by Mercer of the George School in 51 seconds. He was followed closely by O'Connor of Worcester Academy, while Decker and Pillsbury took third and fourth places in that order.

The 880 yards run was interesting from the start. The men kept together throughout the first lap, and it was almost impossible to pick winners until the last lap was well under way. W. J. Bingham of Exeter finished first in 2 minutes, 1 1-5 seconds. Chaplin of Hill was a close second with Hayes of Andover immediately behind him as third. L. Kinney of Williston took fourth place.

The 220 yards hurdle race was one of the prettiest races of the day and Eames of Andover won easily in 25 1-5 seconds, with Crandall of Exeter as second, Hall of Mercersburg third, and Ethridge of Lawrenceville as a close fourth. The race was run in four heats. Eames won his heat in 26 2-5 seconds. Hall Ethridge and Crandall each won their respective heats in time averaging between 28 and 26 seconds.

The 220 yards dash was run in two heats. R. Gill won the first heat in 23 seconds for Mercersburg. He was followed closely by Cornell and Brush who took second and third places respectively. The second heat was won by Luke of Lawrenceville in 22 2-5 seconds. Burns of Exeter came in second, with Dunn of Mercersburg third. The final heat was run in 22 4-5 seconds by Cornell of Exeter with Gill of Mercersburg second. Burns also of Exeter came in third and

Luke of Lawrenceville took fourth place.

The shot put was won for Worcester Academy by Roos with a put of 47 feet, 5 inches. Bartlett, also of Worcester took second place with a put of 46 feet, 2 inches. Waller of Lawrenceville secured third place making a put of 45 feet, 9 inches, and Simpson of Mercersburg was fourth with a distance of 44 feet.

The high jump was very closely contested. Oler of Pawling School secured first place by a jump of 5 feet, 8 1-2 inches. Bartlett of Worcester Academy was a close second with a jump of 5 feet, 7 1-2 inches. Porter of Andover took third place with a jump of 5 feet, 6 3-4 inches. Brainard of Andover Baker of Hill and Rowbotham of Mercersburg tied for fourth place, each making a jump of 5 feet, 5 3-4 inches.

The pole vault was easily won for Mercersburg by Rowbotham with a vault of 11 feet. Linn of Hill and Mercer of George School tied for second place, each vaulting 10 feet, 9 inches. The fourth place was also a tie, as Byres and Achilles both of Hill, and Foster of Mercersburg each vaulted 10 feet 6 inches.

In the broad jump, the George School did her scoring, taking both first and second places. Mercer

### Mass Meeting

On Friday night there will be a track mass meeting in the gymnasium at seven-thirty sharp. It's the duty of every fellow to be there and help show the team that the school is behind them. There will be speeches from several prominent men besides the track team. Bring anything with you that will make a noise. There will be a stag dance after the meeting.

### Class Baseball

In the class baseball series 1910 is still undefeated. The Seniors have won all games but the one with the Middlers. The Juniors won only one game, while 1911 has not won any game at all. Unless the Seniors defeat the Middlers in today's game, 1910 will get their numerals. The standing of the teams is:

	WON.	LOST	P.C
1910	5	0	1000
1909	4	1	.800
1912	1	4	.200
1911	0	5	.000

### GLEE CLUB NOTICE

The rehearsals for the dedication music will furnish splendid practice for those men who intend trying for the Glee Club next year; so both members of this year's club and those men who are going out for the club next year are urged to join the chorus and be present at the rehearsal to-morrow night.

## Communication

To the Editor of the Phillipian—

The school as a whole does not realize, I fear, the importance of the coming debate with Exeter. This is actually the only competition of a literary nature, in which Andover and Exeter are pitted against each other.

Owing to the fact that the Andover-Exeter debate comes on Saturday night, the logical night for the track mass meeting, the cheer leader has consented to hold the mass meeting on Friday night.

With this arrangement there is absolutely no reason why the entire student body should not be at the debate. If you have friends coming up to the track meet, write to them now and ask them to come up early and let them take in the debate, which is a very important annual event and which will not be held here again until 1911. The Exeter team is very strong indeed and Andover must have support.

Both before the debate begins, and while the judges are deciding the debate, why could not the school practice her songs? If this is done it is doubly important that all the students be present.

1910

### Exeter Defeated

Last Saturday the Pennsylvania Freshmen defeated Exeter by a score of 5 to 3. The feature of the game was a home run by Lewis, Exeter's catcher. The Freshmen's victory was principally due to their hitting Frye at opportune times, coupled with Exeter's numerous errors

## WITH THE COLLEGES

Startled by the recent announcement of ten engagements among students of the University of California, the faculty of the institution has decided to add a course in household economy to the curriculum of the coming summer session.

A communication in the Princetonian asks for some contests with Cornell. The writer says they have more in common with Cornell than with any other eastern university excepting Yale and Harvard.

The Illinois Legislature has passed a bill appropriating \$400,000 for the University of Illinois, to be expended in new buildings.

Pennsylvania defeated Princeton 4 to 3 last Saturday. This gives Pennsylvania an almost open road to the intercollegiate baseball championship this year.

**Dartmouth Wins Intercollegiate**

Dartmouth won the New Eng-  
land Intercollegiate Track and Field  
championship last Saturday at  
Technology Field, Brookline.

Dartmouth scored 32 1-2 points,  
five more than M. I. T. Williams  
was next with 24 points. Bowdoin  
made 20 1-2 points, Amherst 17,  
Brown 13, Wesleyan 9, Maine 6,  
Tufts 3, and Vermont 2; while  
Trinity and Holy Cross failed to  
score at all.

Nat Sherman, Dartmouth's fast  
sprinter, was unable to run because  
of a strained tendon. Hawley, who  
took his place, did remarkably well,  
winning both sprints and the discus  
throw. Gilbert Horrax, of Wil-  
liams, starred for his college.

**Harvard Wins Again**

Tafford Hicks of Harvard pitch-  
ed his second no hit game of the  
year in last Saturday's contest with  
Princeton. This was the second  
and deciding game of the Harvard-  
Princeton series. Harvard won the  
first game by a score of 6 to 0.

## Not Anybody's Tie

No matter how good a tie; but the tie which belongs to you and shows the fact when you put it on. Not any proper hat, which fits; but the hat which is a finish to your person. Not any choice shirt; but the shirt which harmonizes with your color and build. Through all the long list of the outfittings of a man, we try to find that which seems to be meant for you. Let us show you, if you have not formed the habit of coming to us.
