INVITATION MEET

Fourth Annual Cross Country Meet Will Be Held Here Friday

Friday afternoon at 2.30 o'clock the cross country team will compete with the following teams: Dartmouth Fresh, Harvard Fresh, M. I. T., Fresh, Pennsylvania Fresh, and Worcester Academy, over a four-mile course. This should without doubt be a very interesting meet. Although the Andover team is composed of a majority of new material, still they are expected to give a good account of themselves.

Communication

Editors of the *Phillipian*:

May one who is only an Andover man by virtue of having two boys there, who think it is the greatest school in the United States, express his delight in last Saturday's game? In the arrangements for handling the crowd, in the cheering and singing of the rival schools, in the good feeling shown by the losers, in the excellent playing of the teams, this great classic was to me the most interesting contest I have ever seen. I congratulate Andover on its deserved victory.

HARVARD vs. YALE

Reports of Game Will Be Received at the Gym

It has been arranged to have a special wire from Yale Field to the Borden gymnasium, over which a complete report of next Saturday's championship game between Yale and Harvard will be received. A chart will show the progress of the ball on every play. Tickets will be on sale at the gymnasium between 1.30 and 2.00 o'clock Thursday and Friday. Everyone is requested by the management to get their tickets between these hours, as it will be impossible to accommodate the crowd at the last moment. There will be a limited supply of tickets on sale at "Herb" Chase's for the townspeople only. An admission fee of twenty-five cents will be charged, the proceeds of which will go to the Swimming Pool Fund.

INDIA

Dr. Patton Gave Interesting Lecture in Chapel

Last Sunday evening Dr. Cornelius Patton, the home secretary of the American Board of Foreign Missions, gave a very interesting lecture about his recent trip to India.

The subject of his lecture was "The Battle of the Faiths," or the advent of Christianity. Dr. Patton first spoke of the religions which have been started in India. The first was Buddhism, which originated in the Hindu Kush mountains and was brought down to India by the inhabitants who thought they could bring all India to their belief. Buddhism gradually died out and Mohammedanism took its place. This latter faith never thrived and at last Hinduism became the greatest in the

GYMNASIUM WORK

Tests Will Be Held Beginning December 2

Beginning the first Monday after Thanksgiving, December 2, and continuing for a week from that date, all men in school will be given a chance to pass off their gym tests. As was done last year, the men will be allowed to take these tests at their leisure during the week. After December 9, all men who have not passed their tests will have to report daily or receive a cut. The following are the heights, times, and distances, and the marks are as follows:

Rope climb—A, 18 ft.; B, 15 ft.; C, 12 ft.; D, 9 ft.
High jump—A, 4 ft. 3 in.; B, 3 ft. 9 in.; C, 3 ft. 3 in.; D, 3 ft.
Thigh flexion—A, 16; B, 12; C, 8; D, 4.
Half mile—A, 2.50; B, 3; C, 3.10; D, 3.20.
Swimming—A, 100 yds.; B, 75 yds.; C, 50 yds.; D, 25 yds.

These tests may be taken between two and four o'clock during the week mentioned above. Men should report at the office and get a card which will be marked by the officer giving the tests. These cards should be returned to the office after the owner is through for the afternoon. For the swim, men should report to Mr. Murray in the pool; for the three other events, to the officers in charge in the gym.

Dr. Page urges the men not to try to take all the tests in one afternoon; there is a whole week during which these tests may be obtained if the men do not overwork trying to do them all at once. Fellows should eat a rather light luncheon before taking these tests.

The regular gym classes for everyone will begin the Monday after the close of the Christmas vacation, and a list will be posted telling the fellows to which classes they have been assigned. Everyone in the classes will have to wear the regular gym uniform, and it is advisable to order then down town as soon as possible. The uniform consists of a pair of long blue trousers, a plain blue jersey, and white sneakers.

During the winter term, hockey, track, boxing or wrestling may be substituted for gym by those who have made the mark of "A" in all five of the test events. These men should get a card at the office on the days of practice, to be signed by the captain of the team. When this card is deposited at the registrar's office the gym cut will be removed.

A factor which has been overlooked lately in the use of the pool is that every man using it should take a shower before going in. Dr. Page hopes particularly that every fellow will be more careful about this in the future, as it is only for their own good.

Notice

Those wishing to enter the handicap swimming contest which will start next month (December), should see Mr. Murray at the pool and arrange for the time trials in the 25-yard, 100-yard, and for the 100-yard distances.

Finals will be held daily until November 25th. All of those who expect to enter the meet should try out as soon as possible. The trials will be held on Monday, Tuesday, Thursday and Friday at 3.30, and on Wednesday and Saturday at 5.00.

Cross Country

The following men are eligible for the cross country team.
Donovan, Hever, Meyer, Palmer, Powers, W. M. Woodward, Bradley, Wilton.

Tomorrow night at 7.15 the Deutscher Verein will meet in their new club room in the old infirmary. All fellows who have had any German at all are invited to come.

This room will be redecorated and refitted in mission furniture. There is to be a piano in the room, and later it is hoped to have a phonograph.

Mr. Keep has very kindly given some German publications and Dr. Müller is going to give some German pictures.

This room is to be used as a lounging room, and it is a fine chance for fellows to both have a good time and improve their German.

Second Football Team

The second football team will report at 2.15 today at Sherman's studio, as follows:

Wilson, W. Durfee, C. Broussard, Farrar, Avery, Chatterton, Ames, Dulaney, Perkins, Burnham, Sagar, Raymond, Duby.

Varsity Picture

The football picture will be taken today at Sherman's studio, at 2.00 p.m. The following will report:

Sid Peet, Dan Hanna, Gault, Nielsen, Mooney, Murray, B. V. Thompson, Wiley, Buckle, Hogg, J. Gould, C. M. Sheldon, Smith, Newton, Williamson, R. Jones, Eadie, Sullivan, Mars, Baldrige, West.

The standing of the class football second teams is as follows:

	WON	LOST
1913	4	2
1914	3	4
1915	4	3
1916	2	4

1913 second will play 1914 second this afternoon, on Brothers Field.

1915 second will play 1916 second on the Old Campus.

Lacrosse

Tomorrow afternoon at 2.15 the first lacrosse practice of the year will be held. It is important that all those who are intending to take up the sport should report at this time with sticks and in uniform. Practice will be held every afternoon as long as the weather permits. All fellows intending to take hockey in the winter term should come out and get the practice.

Inquiry

The following will be the speakers at Inquiry for the remainder of this term.

Nov. 24. Mr. Forbes.
Dec. 1. T. A. D. Jones.
Dec. 8. Rev. Rockwell Potter.

It is hoped that there will be a large attendance at these last three meetings.

Big Game Tied

Abbott and Bradford had a very exciting game of field hockey last Saturday in which the extraordinary score was 4 to 4. Had it not been for the strong support which the audience on the north side of the field gave to the teams, the game probably would not have been nearly so exciting.

Yale University has 17,251 living graduates, according to a catalogue just issued, an increase of 1,293 since the publication of the last directory two years ago.

In the fall regatta at Princeton the Seniors won the one and three-quarters mile boat race for eight-oared crews. The Juniors, Sophomores and Freshmen finished second, third and fourth respectively.

The University of California, with an enrollment of 7,263, is now the second largest college in the country, Columbia being the largest.

It is likely that the Oxford and Cambridge track teams will come to America next spring to compete with the Harvard and Yale teams at the stadium in Cambridge.

Lehigh University has been admitted to the Intercollegiate Wrestling Association, and Pennsylvania has applied for the vacancy caused by the withdrawal of Yale.

A member of the class of 1850 has donated \$135,000 to Wesleyan College for the erection of a new gymnasium, and an astronomical observatory. The university has also received a gift of two new college buildings, which will be erected soon.

The Harvard Dramatic Association will this year present three performances of "The Voice of the People." The Harvard "Cercle Francais" will give two performances of "Les Surprises du Divorce."

Richard J. Walsh, the brother of Albert H. Walsh, '15, is the author of a book called, "Boston; a Brief Description of the Principal Facts about the City."

The Yale University Dramatic Association will give Tolstoi's "Fruits of Culture," for this year's Christmas production.

Edward W. Mahan, P. A. '12, was captain of the Harvard Freshman team which defeated Yale Freshman last Saturday. His playing was a feature of the game.

COLLEGE NOTES

An investigation carried on by Professor Wilcox of Cornell develops the fact that the cost of living for undergraduates at Cornell has gone up at the rate of approximately two per cent a year for the last sixteen years. These statistics which it has taken a year to assemble are based on the inquiries sent out to the undergraduates last year and in 1896 by President Schurman. They show that the average male student now pays three per cent more for his room and 31 per cent more for his board than in 1896. A partial reason for the increase is that more students are rooming singly.

Cornell University and the nation last week paid tribute to Andrew D. White, the first president of Cornell, on the occasion of his eightieth birthday. At an immense mass-meeting on the campus President John Paul Jones of the Senior class spoke for the student body, and the Trustees and the Faculty presented memorials.

Dr. White replied in a brief address, in which he referred to the time fifty-seven years ago when he stood with Ezra Cornell on that spot, then a farm, and viewed what seemed a hopeless task. Telegrams of congratulation were received from President Taft, the German Emperor, Ambassador Bryce, Andrew Carnegie, Count Bernstoff, and a host of his other friends.

In New Haven a statue of Nathan Hale of the class of 1773, is soon to be erected by general graduate subscription. It will be placed

near the last surviving building of the Old Brick Row, standing when Hale was still an undergraduate at Yale.

Fall baseball practice has been discontinued for the Yale varsity squad. During the fall various cuts have been made frequently, so that no time will be lost next spring in deciding the personnel of the squad.

An important move to broaden the territory from which Harvard draws her students similar to the Rhodes scholarships in England, has been announced by the Associated Harvard Clubs. Eleven scholarships of \$300 dollars each are to be offered to students from states which have less than four students in Harvard at the present time. The award will be made for this year only, and in the nature of an experiment. After their first year in college it is expected that these students will be able to take care of themselves. In last year's register it appeared that fourteen states were represented in the university by less than four students.

Robert F. Weatherill, '14, of Brunswick was elected captain of the Bowdoin football eleven for next season. He has played right halfback for Bowdoin this fall.

The high jump of 6 feet 6 1/8 inches, made by G. L. Horine in a dual meet at Leland Stanford University on March 29 last, has been accepted as the world's record by the awards committee of the Amateur Athletic Union.

Hockey practice started in the arena at Harvard last Monday.

Following is a table of all schools represented by more than one "H" man in Harvard in order of their representation:

	Track	Crew	Baseball	Football	Total
Middlesex	3	3			6
Noble's	4			1	5
Oahu College		2		3	5
Cambridge Latin	1	2	1		4
Exeter	3		1		4
Groton		3			3
Andover	1	1			2
Milton			1	1	2
St. Mark's	1			1	2
St. Paul's				2	2
Smith (St. Louis)	2				2
Stone's	1			1	2
Volkman		2			2
All others	16	2	5	1	24
Totals	30	17	8	10	65

Harvard, Yale, and Penn State are the only universities which have won all their football games this season.

The students of Columbia University plan to put five original productions on the stage this year.

An organized movement has been started among the students at Harvard University to raise funds for a new and modern gymnasium.

The ground for the new stadium at Yale is already prepared. Actual work will begin this fall. It is estimated that the total cost will be about \$300,000.

The Intercollegiate Wrestling Matches will be held at Ithaca on March 21 and 22, 1913.
